# Warrant for Annual Town Meeting

MARCH 4TH AND MARCH 11TH, 1935

#### COMMONWEALTH OF MASSACHUSETTS

#### MIDDLESEX, SS.

To John J. Buchanan, Constable of the Town of Chelmsford.

#### GREETING:

In the name of the Commonwealth aforesaid you are hereby requested to notify and warn the legal voters of said Chelmsford to meet in their several Polling Places, viz.:

Precinct 1—Town Hall, Chelmsford Centre.

Precinct 2-Town Hall, North Chelmsford.

Precinct 3—Fire House, West Chelmsford.

Precinct 4—School House, East Chelmsford.

Precinct 5-Liberty Hall, South Chelmsford.

Precinct 6—Golden Cove School, Chelmsford.

on Monday, the Fourth day of March, 1935, being the first Monday in said month, at 12 o'clock noon, for the following purposes:

To bring in their votes for the following offices:

Moderator for one year,

One Selectman for three years.

One member of the Board of Public Welfare for three years.

Treasurer and Tax Collector for one year.

One Assessor for three years.

Tree Warden for one year.

One member of the Board of Health for three years.

One Park Commissioner for three years.

One School Committeeman for three years.

One Cemetery Commissioner for three years.

Two Trustees for Adams Library for three years.

One Sinking Fund Commissioner for three years.

One Constable for one year.

And to vote on the following questions, namely:

"Shall the operation of section one hundred and five B of Chapter one hundred and thirty one, of the General Laws, requiring for the taking of fur-bearing animals, the use of traps that kill at once or take such animals alive unharmed, be suspended within this Town?"

All on one ballot.

The polls will be open from 12 o'clock noon to 8 P. M., and to meet in the Town Hall, at Chelmsford Centre, on the following Monday, the eleventh day of March, at 10 o'clock in the forenoon, then and there to act upon the following articles, viz.:

- ARTICLE 1. To hear reports of Town Officers and Committees; or act in relation thereto.
- ARTICLE 2. To raise and appropriate such sum of money as may be rerequired to defray charges for the current year; or act in relation thereto.
- ARTICLE 3. To see if the Town will authorize the Selectmen to act as its agent in any suit or suits which may arise during the current year; also in such other matters as may arise requiring in their judgment the action of such agent, and to employ counsel therefor; or act in relation thereto.
- ARTICLE 4. To see if the Town will authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1935, and to issue a note or notes therefor, payable within one year, and to renew any such note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44 of the General Laws; or act in relation thereto.
- ARTICLE 5. To see if the Town will vote to raise and appropriate the sum of \$7,000.00 or some other sum to be used as a reserve fund at the discretion of the Finance Committee, as provided in General Laws, Chapter 40, Section 6; or act in relation thereto.
- ARTICLE 6. To see if the Town will vote to raise and appropriate the following sums to balance overdrafts:

The sum of \$1,634.61 for the purpose of balancing overdraft in Outside Aid and Old Age Assistance account.

The sum of \$22.14 for the purpose of balancing overdraft in Soldiers' Relief Account.

The sum of \$30.00 for the purpose of balancing overdraft in Old Westford Road account; or act in relation thereto.

- ARTICLE 7. To see if the Town will vote to raise and appropriate a sum sufficient to pay the County of Middlesex, as required by law, the Town's share of the net cost of the care, maintenance, and repairs of the Middlesex County Tuberculosis Hospital, as assessed in accordance with the provisions of Chapter 111 of the General Laws and amendments thereof; or act in relation thereto.
- ARTICLE 8. To see if the Town will vote to raise and appropriate the sum of \$52.50 or some other sum with which to defray the cost of hospitalization; or act in relation thereto.
- ARTICLE 9. To see if the Town will vote to raise and appropriate the sum of \$750.00 or some other sum for the purpose of purchasing an automobile for use of the Police Department; or act in relation thereto.
- ARTICLE 10. To see if the Town will vote to accept Cart Road as laid out by the Selectmen as shown by their report and plan duly filed in the office of the Town Clerk; or act in relation thereto.

- ARTICLE 11. To see if the Town will vote to raise and appropriate the sum of \$4,000.00 or some other sum for the purpose of reconstructing Middlesex Street, a similar sum to be contributed by the Commonwealth and Middlesex County respectively; or act in relation thereto.
- ARTICLE 12. To see if the Town will vote to raise and apppropriate the sum of \$4,000.00 or some other sum for the purpose of reconstructing the North Road, a similar sum to be contributed by the Commonwealth and County of Middlesex; or act in relation thereto.
- ARTICLE 13. To see if the town will vote to raise and appropriate a sum of money for the purpose of purchasing a certain parcel of land containing a gravel bank thereon, from Clarence Nickles; or act in relation thereto.
- ARTICLE 14. To see if the Town will vote to raise and appropriate the sum of \$114.00 or some other sum with which to pay the executor of the will of Mary Supple salary due the deceased; or act in relation thereto.
- ARTICLE 15. To see if the Town will vote to raise and appropriate the sum of \$7,500.00 or some other sum for the purpose of purchasing tools, material and equipment to continue the Emergency Relief Administration projects, or other federal and state projects; or act in relation thereto.
- ARTICLE 16. To see if the Town will vote to request the Department of Public Works of the Commonwealth of Massachusetts to submit to the Secretary of Agriculture a project for the improvement of Billerica Street from the Billerica line to Riverneck Road for the construction with funds appropriated to the Commonwealth under Section 204 of the National Industrial Recovery Act, and will agree with the said Department that if such project is approved and constructed by the Department and the Secretary of Agriculture, the Town will thereafter, at its own cost and expense, maintain the project in a manner satisfactory to said Department and Secretary of Agriculture, or their authorized representative and will make ample provision each year for such maintenance and will authorize the Board of Selectmen to sign such a request and agreement in behalf of the Town, or take any other action relating thereto.
- ARTICLE 17. To see if the Town will grant and convey to the County of Middlesex a certain parcel of land owned by the Town and used for cemetery purposes. Said parcel of land to be conveyed to said county in order that Billerica Road may be reconstructed and widened; or act in relation thereto.
- ARTICLE 18. To see if the Town will vote to raise and appropriate the sum of \$500.00 or some other sum for hydrant service to be paid to the South Chelmsford Water District, if and when said District is duly organized by law and has completed the installation of the water system; or act in relation thereto.

- ARTICLE 19. To see if the Town will vote to raise and appropriate the sum of \$8,000.00 or whatever sum, for the purchase of a 500-gallon pumper together with equipment and 1,000 feet of hose (2½") for the Fire Department; or act in relation thereto.
- ARTICLE 20. To see if the Town will vote to raise and appropriate the sum of \$552.00 or some other sum for the purpose of defraying the cost of claims made by owners of land adjacent to the North Road; or act in relation thereto.
- ARTICLE 21. To see if the Town will vote to raise and appropriate the sum of \$3,500 00 or some other sum for the purpose of purchasing equipment suitable for snow removal; or act in relation thereto.
- ARTICLE 22. To see if the Town will vote to raise and appropriate the sum of \$300.00 or some other sum for the purpose of complying with Chapter 320 of the acts of 1934; or act in relation thereto.
- ARTICLE 23. To see if the Town will vote to raise and appropriate the sum of \$200.00 or some other sum for the purpose of purchasing seats to be used in Center Town Hall; or act in relation thereto.
- ARTICLE 24. To see if the Town will vote to raise and appropriate the sum of \$850.00 or some other sum for the purpose of purchasing a power sprayer for the use of the Moth Department; or act in relation thereto.
- ARTICLE 25. To see if the Town will vote to raise and appropriate the sum of \$1,500.00 or some other sum for the purpose of repairing highways in East Chelmsford; or act in relation thereto.
- ARTICLE 26. To see if the Town will vote to raise and appropriate the sum of \$75 00 or some other sum to reimburse W. H. Bartlett for the expense of operating a truck from December 1, 1933, to April 12, 1934, on the moth project under the C W A and E R A; or act in relation thereto.
- ARTICLE 27. To see if the Town will vote to raise and appropriate the sum of \$778.00 or some other sum for the purchase of an automobile truck for the Forest Fire Department; or act in relation thereto.
- ARTICLE 28. To see if the Town will vote to raise and appropriate the sum of \$300.00 or some other sum for the purpose of defraying the cost of leasing quarters for Post 212 American Legion, located in the station of the N. Y., N. H. and H. R. R.; or act in relation thereto.
- ARTICLE 29. To see if the Town will vote to raise and appropriate the sum of \$300.00 or some other sum for the purpose of caring for the Varney Playgrounds; or act in relation thereto.
- ARTICLE 30. To see if the Town will vote to authorize the Board of Selectmen to make and execute in behalf of the Town an agreement with the Boston and Maine R. R. with reference to land adjacent to Riverside Cemetery; or act in relation thereto.

- ARTICLE 31. To see if the Town will vote to authorize the Assessors to use a certain amount of free cash to be applied in computing the 1935 tax rate, with the permission of the State Tax Commission; or act in relation thereto.
- ARTICLE 32. To see if the Town will vote to authorize the Selectmen to appoint from each Precinct of the Town three persons to serve as a committee to make plans and recommendations as to the advisability of creating zoning ordinances, and to report at some future Town Meeting; or act in relation thereto.
- ARTICLE 33. To see if the Town will vote to raise and appropriate a sufficient sum with which to meet unpaid bills of 1934; or act in relation thereto.
- ARTICLE 34. To see if the Town will vote to accept Sherman Street as laid out by the Selectmen as shown in their report and plan duly filed in the office of the Town Clerk. The reconstruction of said street to be accomp'ished as an E R A project; or act in relation thereto.
- ARTICLE 35. To see if the Town will vote to accept Albina Street as laid out by the Selectmen as shown in their report and plan duly filed in the office of the Town Clerk. The reconstruction of said street to be accomplished as an E R A project; or act in relation thereto.

AND YOU ARE DIRECTED to serve this Warrant by posting attested copies thereof at the Post Offices in the Center of the Town, South Chelmsford, North Chelmsford and West Chelmsford, and at the School House in East Chelmsford and the Golden Cove School House, West'ands, seven days at least before the time appointed for holding the first meeting aforesaid.

HEREOF FAIL NOT, and make return of the Warrant, with your doings thereon to the Town Clerk at the time and place of holding this meeting aforesaid.

Given under our hands this twelfth day of February in the year of our Lord, nineteen hundred and thirty-five.

STEWART MACKAY, FRANK J. LUPIEN, JAMES A. GRANT, Selectmen of Chelmsford.

#### COMMONWEALTH OF MASSACHUSETTS

February 23, 1935.

Middlesex, ss.

PURSUANT TO THE WITHIN WARRANT, I have notified and warned the inhabitants of the Town of Chelmsford by posting attested copies of the same at the Post Offices in the Center of the Town, South Chelmsford, North Chelmsford, and West Chelmsford and at the School House in East Chelmsford and at the Golden Cove School House, Westlands, seven days before the date hereof as within directed,

JOHN J. BUCHANAN,

Constable of Chelmsford.

#### Under Article 3:

On a motion made by James A. Grant it was voted that the Town authorize the Selectmen to act as its agent on any suit or suits which may arise during the current year, also in such other matters as may arise requiring in their judgment the action of such agent, and to employ counsel therefor.

#### Under Article 4:

On a motion made by Stewart MacKay it was voted that the Town Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1935, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws.

#### Under Article 5:

On a motion made by James A. Grant it was voted to raise and appropriate the sum of \$2,000.00 to use as a reserve fund at the discretion of the Finance Committee as provided in General Laws, Chapter 40, Section 6:

#### Under Article 6:

On a motion made by Frank J. Lupien it was voted to raise and appropriate the sum of \$1,634.61 for the purpose of balancing overdraft in the Outside Aid and Old Age Assistance Account; also the sum of \$22.14 for the purpose of balancing overdraft in the Soldiers' Relief Account, and also \$30.00 for the purpose of balancing overdraft in the Old Westford Road Account.

#### Under Article 7:

On a motion made by James A. Grant it was voted to raise and appropriate the sum of \$840.77 to defray the Town's share of the net cost of care, maintenance and repair of the Middlesex County Tuberculosis Hospital including interest on temporary notes issued therefor.

#### Under Article 8:

On a motion made by John C. Monahan it was voted to raise and appropriate the sum of \$52 50 for the purpose of defraying the cost of hospitalization of a certain case under the Board of Health.

#### Under Article 9:

On a motion made by Ulysses Lupien it was voted to raise and appropriate the sum of \$430.00 for the purpose of purchasing a new automobile for use in the Police Department, this to include the trade-in of the present police car.

#### Under Article 10:

On a motion made by Stewart MacKay it was voted to dismiss this article.

#### Under Article 11:

On a motion made by John J. Monahan it was voted to dismiss this article.

#### Under Article 12:

On a motion made by John J. Monahan it was voted to dismiss this article.

#### Under Article 13:

On a motion made by Stewart MacKay it was voted to dismiss this article.

#### Under Article 14:

On a motion made by Harold C. Petterson it was voted to raise and appropriate the sum of \$114.00 for the purpose of paying to the executors of the will of the late Mary Supple salary due her for services rendered by her as a teacher in the School Department.

#### Under Article 15:

On a motion made by Frank J. Lupien it was voted to raise and appropriate the sum of \$7,500 00 for the purpose of purchasing tools, materials and equipment to continue work under the Emergency Relief Administration projects, or any other Federal or State projects that might be commenced.

#### Under Article 16:

On a motion made by Stewart MacKay it was voted that the Town request the Department of Public Works of the Commonwealth of Massachusetts to submit to the Secretary of Agriculture a project for the improvement of Billerica Street from the Billerica line to Riverneck Road for construction with funds apportioned to the Commonwealth under Section 204 of the National Industrial Recovery Act, and will agree with said Department that if such project is approved and constructed by the Department and the Secretary of Agriculture. the Town thereafter own cost and expense will maintain the project satisfactory to said Department and Secretary ofture or authorized representatives, and will each year make ample provision for such maintenance, and that the Board of Selectmen be authorized to sign such a request and agreement in behalf of the Town, provided, however, that the Middlesex County Commissioners will agree in writing that this road will be maintained under what is known as Chapter 90 work, one-third of such maintenance to be paid for by Middlesex County, onethird by Town of Chelmsford, one-third by the Commonwealth of Massachusetts.

#### Under Article 17:

On a motion made by Stewart MacKay it was voted to authorize the Selectmen to execute and deliver on behalf of the inhabitants of the Town a deed conveying to the County of Middlesex a certain parcel of land situated on the Billerica Road.

#### Under Article 18:

On a motion made by Frank J. Lupien it was voted to raise and appropriate the sum of \$500 for hydrant service to be paid to the South Chelmsford Water District if and when said District is duly organized by law and has completed the installation of the water system.

#### Under Article 19:

On a motion made by Harry Shedd it was voted to raise and appropriate the sum of \$7,500 00 for the purpose of purchasing a 500-gallon pumper, together with equipment and 1,000 feet of (2½") hose for the Fire Department; on a motion made by Joseph D. Ryan it was voted that this money be expended by the Board of Fire Engineers.

#### Under Article 20:

On a motion made by James A. Grant it was voted to raise and appropriate the sum of \$702.00 for the purpose of settling claims presented by land owners for alleged damages to their property caused by the reconstruction of the North Road.

#### Under Article 21:

On a motion made by Thomas Dunn it was voted to dismiss this article.

#### Under Article 22:

On a motion made by Harold C. Petterson it was voted to dismiss this article.

#### Under Article 23:

On a motion made by Frank J. Lupien it was voted to raise and appropriate the sum of \$200 for the purpose of purchasing new seats for the Center Town Hall.

#### Under Article 24:

On a motion made by John C. Monahan it was voted to raise and appropriate the sum of \$850.00 for the purpose of purchasing a power sprayer for the use of the Moth Department.

#### Under Article 25:

On a motion made by James A. Grant it was voted to raise and appropriate the sum of \$1,500 for the purpose of repairing the highways in East Chelmsford.

#### Under Article 26:

On a motion made by John C. Monahan it was voted to raise and appropriate the sum of \$75.00 for the purpose of reimbursing W. H. Bartlett for expense of operating a truck from Dec. 1, 1933, to April 12, 1934.

#### Under Article 27:

On a motion made by Gilbert H. Perham it was voted to dismiss this article.

#### Under Article 28:

On a motion made by Archibald Cooke it was voted to raise and appropriate the sum of \$300.00 for the purpose of defraying the cost of leasing the quarters for Post 212 American Legion located in the station of the N. Y., N. H. & H. R. R.

#### Under Article 29:

On a motion made by James P. Dunigan it was voted to raise and appropriate the sum of \$300.00 for the purpose of caring for the Varney Playground.

#### Under Article 30:

On a motion made by Stewart MacKay it was voted to authorize the Board of Selectmen to make and execute on behalf of the inhabitants of the Town an agreement with the Boston & Maine R. R. with reference to land adjacent to the Riverside Cemetery.

#### Under Article 31:

On a motion made by James A. Grant it was voted to authorize the Board of Assessors to use a sum of money in the amount such as the Tax Commissioner may approve, as free cash, said sum to be applied in computing the tax rate for 1935.

#### Under Article 32:

On a motion made by James A. Grant it was voted to authorize the Selectmen to appoint from each precinct of the Town three persons to serve as a committee to investigate the advisability of creating zoning by-laws, and to report their recommendations at the next Town Meeting.

#### Under Article 33:

On a motion made by Frank J. Lupien it was voted that the Town raise and appropriate the sum of \$5,328.02 to pay unpaid bills of 1934.

#### Under Article 34:

On a motion made by Frank J. Lupien it was voted to accept Sherman Street as laid out by the Selectmen as shown by their report and plan duly filed in the office of the Town Clerk.

#### Under Article 35:

On a motion made by Frank J. Lupien it was voted to accept Albina Street as laid out by the Selectmen as shown by their report and plan duly filed in the office of the Town Clerk.

Moderator.

WALTER PERHAM, HAROLD C. PETTERSON. Town Clerk.

On a motion made by John C. Monahan it was voted that the sense of the meeting be that the report of the Finance Committee at the Annual Town Meeting of 1936 be in the form of a pamphlet similar to that used in 1934 to be distributed at the Annual Town Meeting.

WALTER PERHAM, Moderator.

HAROLD C. PETTERSON. Town Clerk.

#### WARRANT FOR SPECIAL TOWN MEETING

# At Upper Town Hall, Chelmsford Center, Tuesday Evening, April 30, 1935.

#### COMMONWEALTH OF MASSACHUSETTS

Middlesex, ss.

To John J. Buchanan, a Constable of Chelmsford.

#### GREETING:

In the name of the Commonwealth as aforesaid you are hereby required to notify and warn the legal voters of said Chelmsford to meet in the Upper Town Hall at Chelmsford Center on Tuesday, the thirtieth day of April, 1935, at eight o'clock in the evening, then and there to act on the following articles, viz.:

- ARTICLE 1. To see if the Town will vote to rescind the vote of the voters taken under Article 16 in the Warrant for the Annual Town Meeting held March 11, 1935; or act in relation thereto.
- ARTICLE 2. To see if the Town will vote to request the Department of Public Works of the Commonwealth of Massachusetts to submit to the Secretary of Agriculture a project for the improvement of Billerica Street from the Billerica line to Riverneck Road for the construction, with funds appropriated to the Commonwealth under Section 204 of the National Industrial Recovery Act, and will agree with the said Department that if such a project is approved and constructed by the Department and the Secretary of Agriculture, if the Town will thereafter, at its own cost and expense maintain the project in a manner satisfactory to said Department and Secretary of Agriculture, or their authorized representatives, and will make ample provision each year for such maintenance, and will authorize the Board of Selectmen to sign such a request and agreement in behalf of the Town; or take any other action relating thereto.
- ARTICLE 3. To see if the Town will vote to authorize the Selectmen to grant a permit to the City of Lowell to maintain a cemetery near Boston Road; or act in relation thereto.
- ARTICLE 4. To see if the Town will vote to raise and appropriate the sum of Fifty Thousand (\$50,000) Dollars in the following or some other manner: Two Thousand (\$2,000) Dollars to be raised and appropriated; and to borrow the sum of Forty-eight Thousand (\$48,000) Dollars; and to use the proceeds of said sums so raised and borrowed, namely, Fifty Thousand (\$50,000) Dollars for the purpose of defraying the costs of material and equipment for, and the charges for supervision of the construction of an addition to the High School; or act in relation thereto.

ARTICLE 5. To see if the Town will vote to authorize the School Committee, or some other Committee, to select and approve plans, take charge of construction, enter into and sign all contracts or other legal instruments, and to do any and all other acts necessary or incident to the purpose of constructing an addition to the High School; or act in relation thereto.

AND YOU ARE DIRECTED to serve this Warrant by posting attested copies thereof at the Post Offices in the Center of the Town, South Chelmsford, North Chelmsford, and West Chelmsford, and at the School House, East Chelmsford, and the Golden Cove School House, Westlands, seven days at least before the time appointed for holding the first meeting aforesaid.

HEREOF FAIL NOT, and make return of this Warrant, with your doings thereon, to the Town Clerk at the time and place of holding this meeting aforesaid.

Given under our hands this twenty-second day of April in the year of our Lord nineteen hundred and thirty-five.

JAMES A. GRANT,
STEWART MACKAY,
KARL M. PERHAM,
Selectmen of Chelmsford.

#### COMMONWEALTH OF MASSACHUSETTS

April 23, 1935.

Middlesex, ss.

PURSUANT TO THE WITHIN WARRANT, I have notified and warned the inhabitants of the Town of Chelmsford by posting up attested copies of the same at the Post Offices in the Center of the Town, South Chelmsford, North Chelmsford, West Chelmsford, and at the School House, East Chelmsford, and at the Golden Cove School House, Westlands, seven days before the date thereof as within directed.

JOHN J. BUCHANAN, Constable of the Town of Chelmsford.

# SPECIAL TOWN MEETING, April 30, 1935.

At a legal meeting of the inhabitants of the Town of Chelmsford, qualified to vote in Town affairs, held in the Upper Town Hall, at Chelmsford Center, on April 30, 1935, at 8 o'clock in the evening, the following business was transacted, to wit:

The meeting was called to order by Walter Perham, and the Town Clerk was requested to read the Warrant. After the Warrant was partly read, on a motion by John C. Monahan, it was voted to waive the further reading of the Warrant.

#### Under Article 1:

On a motion made by Stewart MacKay it was voted to rescind the vote taken under Article 16 in the Warrant for the Annual Town Meeting held on March 11, 1935, regarding the construction of the Billerica Road so-called.

#### Under Article 2:

On a motion made by Stewart MacKay it was voted to request the Department of Public Works of the Commonwealth of Massachusetts to submit to the Secretary of Agriculture a project for the improvement of Billerica Street from the Billerica line to the Riverneck Road, for construction, with funds apportioned to the Commonwealth, under Section 204 of the National Industrial Recovery Act,, and will agree with said Department and the Secretary of Agriculture that the Town thereafter, at its own cost and expense, will maintain the project in a manner satisfactory to said Department and Secretary of Agriculture, or their authorized representatives, and will each year make ample provision for such maintenance, and that the Board of Selectmen be authorized to sign such a request and agreement in behalf of the Town.

#### Under Article 3:

On a motion made by Karl M. Perham it was voted to authorize the Selectmen to grant a permit to the City of Lowell for the purpose of maintaining a cemetery near the Boston Road so-called known as the Edson Cemetery.

#### Under Article 4:

On a motion made by John A. McAdams it was voted that the Town raise and appropriate the sum of Two Thousand Dollars for the purpose of paying the cost of plans, specifications, and cost estimates for an addition to the High School.

#### Under Article 5:

On a motion made by James P. Cassidy, and amended by Gabriel Audoin, it was voted that a committee be appointed, comprising the School Committee and four others, said Committee to be empowered and authorized to select and approve plans and procure specifications and cost estimates for an addition to the High School; said committee to present their report at a future Town Meeting. The Moderator appointed as the four other members of this Committee the following: C. George Armstrong, Roy A. Clough, James Kiberd, Sr., and John J. Meagher.

Voted to adjourn this meeting at 8.15 P. M.

WALTER PERHAM,

HAROLD C. PETTERSON,

Moderator.

Town Clerk.

## WARRANT FOR SPECIAL TOWN MEETING

# At Upper Town Hall, Chelmsford Center, Friday Evening, September 13, 1935.

#### COMMONWEALTH OF MASSACHUSETTS

Middlesex, ss:

#### GREETING:

To John J. Buchanan, a Constable of the Town of Chelmsford.

In the name of the Commonwealth aforesaid you are hereby required to notify and warn the legal voters of said Chelmsford to meet in the Upper Town Hall at Chelmsford Centre, on Friday, the Thirteenth day of September, 1935, at eight o'clock in the evening, then and there to act on the following articles, viz.:

- ARTICLE 1. To see if the Town will vote to raise and appropriate the sum of Twenty-five Hundred (\$2,500.00) Dollars, or some other sum, for the purpose of reconstructing Middlesex Street, contingent upon the Commonwealth contributing Five Thousand Dollars (\$5,000.00) and the County of Middlesex Twenty-five Hundred Dollars (\$2,500.00); or act in relation thereto.
- ARTICLE 2. To see if the Town will vote to raise and appropriate the sum of Eighteen Hundred Dollars (\$1,800.00), or some other sum, for the purpose of purchasing materials and supplies for the purpose of continuing the projects under the Works Progress Administration and the Emergency Relief Administration; or act in relation thereto.
- ARTICLE 3. To see if the Town will vote to raise and appropriate the sum of Seven Hundred Dollars (\$700.00), or some other sum, for the purpose of defraying the cost of Administration in completing the projects under the Works Progress Administration and the Emergency Relief Administration; or act in relation thereto.
- ARTICLE 4. To see if the Town will vote to raise and appropriate the sum of Twelve Thousand Dollars (\$12.000.00), or some other sum, for the purpose of defraying the cost of Public Welfare; or act in relation thereto.
- ARTICLE 5. To see if the Town will vote to accept a device and bequest of certain real and personal property situated in Chelmsford under the will of the late Martina A. Gage of Lowell, a description of which may be seen at the office of the Assessors; or act in relation thereto.

AND YOU ARE DIRECTED to serve this Warrant by posting attested copies thereof at the Post Offices in the Centre of the Town, South Chelmsford, North Chelmsford, and at West Chelmsford, and at the

School House, East Chelmsford, and at the Golden Cove School House, Westlands, seven days at least before the time appointed for holding the meeting aforesaid.

HEREOF FAIL NOT and make return of this Warrant with your doings thereon, to the Town Clerk at the time and place of holding the meeting aforesaid.

Given under our hands this Fifth day of September in the year of our Lord, nineteen hundred and thirty-five.

STEWART MACKAY,
JAMES A. GRANT,
KARL M. PERHAM,
Selectmen of Chelmsford.

#### COMMONWEALTH OF MASSACHUSETTS

Sept. 6, 1935.

Middlesex, ss.

PURSUANT TO THE WITHIN WARRANT, I have notified and warned the inhabitants of the Town of Chelmsford by posting attested copies of the same at the Post Offices in the Centre of the Town, South Chelmsford, North Chelmsford, West Chelmsford, and at the School House, East Chelmsford, and at the Golden Cove School House, Westlands, seven days before the date as within directed.

JOHN J. BUCHANAN, Constable of Chelmsford.

### SPECIAL TOWN MEETING

September 13th, 1935.

At a legal meeting of the inhabitants of the Town of Chelmsford qualified to vote in Town affairs, held in the Upper Town Hall at Chelmsford Centre on September 13, 1935, at eight o'clock in the evening, the following business was transacted, to wit:

The Moderator called the meeting to order and after the Warrant was partly read by the Town Clerk it was voted to waive the further reading of the Warrant.

#### Under Article 1:

On a motion made by Stewart MacKay it was voted to raise and appropriate the sum of Twenty-five Hundred (\$2,50000) Dollars for the purpose of reconstructing Middlesex Street, the Commonwealth to contribute Five Thousand (\$5,000.00) Dollars and the County of Middlesex to contribute Twenty-five Hundred (\$2,500.00) Dollars.

#### Under Article 2:

On a motion made by Stewart MacKay it was voted to raise and appropriate the sum of One Thousand (\$1,000 00) Dollars for the purpose of purchasing materials and supplies for the purpose of continuing the projects under the Works Progress Administration and the Emergency Relief Administration.

#### Under Article 3:

#### Under Article 4:

On a motion made by James A. Grant it was voted to raise and appropriate the sum of Twelve Thousand (\$12,000.00) Dollars for the purpose of defraying the cost of Public Welfare.

#### Under Article 5:

On a motion made by Karl M. Perham it was voted to lay this Article on the table until the next Annual Town Meeting.

Voted to adjourn this meeting at 9.45 P. M.

WALTER PERHAM,

HAROLD C. PETTERSON,

Moderator.

Town Clerk.

# WARRANT FOR SPECIAL TOWN MEETING At Upper Town Hall, Chelmsford Centre, Wednesday Evening, November 27th, 1935.

#### COMMONWEALTH OF MASSACHUSETTS

Middlesex, ss.

To John J. Buchanan, a Constable of Chelmsford.

#### GREETING:

In the name of the Commonwealth as aforesaid you are hereby required to notify and warn the legal voters of said Chelmsford to meet in the Upper Town Hall at Chelmsford Centre on Wednesday, the Twenty seventh day of November, 1935, at eight o'clock in the evening, then and there to act on the following article, viz.:

ARTICLE 1. To see if the Town will vote to raise and appropriate a sum of money for the purpose of financing the construction and equipment of an addition to the Chelmsford High School building, and authorize and direct the Selectmen to accept on behalf of the Town, for use in carrying out such project, a Federal grant of money pursuant to the Emergency Relief Appropriation Act of 1935; and authorize the High School Building Committee to construct said project and contract with respect thereto; and authorize the Treasurer, with the approval of the Selectmen, to borrow such sums as may be necessary to meet any appropriation made; or take any action relative thereto.

AND YOU ARE DIRECTED to serve this Warrant by posting attested copies thereof at the Post Offices in the Centre of the Town, South Chelmsford, North Chelmsford, and West Chelmsford, and at the School House, East Chelmsford, and the Golden Cove School House, Westlands, seven days at least before the time appointed for holding the first meeting aforesaid.

HEREOF FAIL NOT and make return of this Warrant, with your doings thereon, to the Town Clerk at the time and place of holding the meeting aforesaid.

Given under our hands this Nineteenth day of November, in the year of our Lord nineteen hundred and thirty-five.

JAMES A. GRANT, STEWART MacKAY, KARL M. PERHAM,

Selectmen of Chelmsford.

#### RETURN

Chelmsford, November 19, A. D. 1935.

Middlesex, ss.

PURSUANT TO THE WITHIN WARRANT, I have notified and warned the inhabitants of the Town of Chelmsford by posting up attested copies of the same and at the following places: Chelmsford Centre Post Office, North Chelmsford Post Office, West Chelmsford Post Office, South Chelmsford Post Office, East Chelmsford School House, and the Golden Cove School House, seven days before the date hereof, as within directed.

JOHN J. BUCHANAN, Constable of Chelmsford.

# SPECIAL TOWN MEETING November 27th, 1935.

At a legal meeting of the inhabitants of the Town of Chelmsford qualified to vote in Town affairs, held in the Upper Town Hall at Chelmsford Centre on November 27, 1935, at eight o'clock in the evening, the following business was transacted, to wit:

The meeting was called to order by the Moderator, and the Warrant was read by Town Clerk Harold C. Petterson.

#### Under Article 1:

Mr. Roy A. Clough reported for the committee appointed to bring in plans and specifications for an addition to the High School. The report was as follows:

April 30, 1935, at a special meeting held in the Town Hall, a proposal to authorize the expenditure of \$50,000 by the Town of Chelmsford was discussed at much length. The object of this outlay of money was the construction of additions to the High School. At that time it was the consensus of opinion that we were not sufficiently informed about our actual needs, what plans and specifications were best, and what the costs of necessary changes would amount to.

Therefor, it was voted that a committee, composed of the School Board and four other citizens of the Town, be appointed, and that this group be authorized and empowered to study the situation, select plans, and procure specifications and cost estimates for an addition to the High School, and report their findings at a future town meeting.

May 8, 1935, this committee, comprising the School Board, James Kiberd, Sr., George Armstrong, John Meagher, and Roy Clough, met and organized with Roy Clough chairman and James Kiberd, Sr., secretary. It was decided that the large increase in our school enrollment had forced overcrowding of class rooms and facilities to the point where our plant was not operating efficiently or satisfactorily. Thirty to thirty-five children were compelled to attempt to work in class rooms designed to accommodate twenty. Desks and chairs had to be placed against radiators and under windows, in fact all around the room in places poorly fitted to allow serious effort and attention, and above all, so overtaxing the cubic air content of the room that stuffiness and lack of oxygen seriously hampered the primary purpose of the building—education.

Having decided that an actual need for additions did exist, your committee made a careful study of previous plans submitted by various architects, which were already on file. We felt that Ashton & Huntress, specialists in School Building construction, were the best qualified, and we asked them to prepare preliminary plans and sketches, and to submit the necessary estimates of the costs of our requirements. The architect submitted three different types of plans. Your committee discarded two of these because we felt that they did not meet our requirements. The space allotted to class rooms was insufficient, the general arrangement unsatisfactory, and, in our opinion, certain to be a continual source of trouble and expense to the

Town. Furthermore, if the Town should be faced later with the necessity of further increases in the High School plant these plans would not permit it.

Therefore, these plans which we submit herewith are our choice. They provide for six additional class rooms, each to be approximately 22 x 34. These rooms have been deliberately planned larger than those now in the building, because we all (the committee and the architect) believe that this is the wiser size. Experience shows that the smaller room does not best fit our needs. These plans do allow for possible future expansion if conditions warrant. Sanitary conditions at present are bad, and our plans take this into consideration and rectify it. These plans do not spoil the architecture and symmetry of our present building but develop it and fill our needs.

An assembly hall and auditorium, sorely needed space, are the central feature, connected with the main building by corridors. We have also taken advantage of the twelve foot difference in grade level between the front and rear of the building. The plans carry the building down to the lower grade, using this space for two class rooms, a lunch room, and a shower room for the boys and another for the girls. The basement floor of the present building will be extended over the lunch room and will contain the combination assembly hall and auditorium with corridors, also class rooms as on the ground floor, new teachers' rooms and new toilet rooms. The upper part of the combined assembly hall and auditorium, corridors, class rooms, teachers' rooms, and new toilet rooms will be on the same level as the first floor of the present building.

Your committee has worked faithfully to meet the needs of the situation from all angles, and in completion of our task submit this set of plans, sketches and specifications with estimated cost of approximately \$120,000.00. We are convinced that the need exists, and that these plans fully, adequately and economically cover the need.

Respectfully submitted,

ROY A. CLOUGH.

It was voted to receive this report and place the same on file.

Mr. Gabriel Audoin moved that this report be pub'ished in the Town Report and that this article be laid on the table until the Annual Town Meeting in 1936. On request of Mr. Edward J Robbins, Mr. Audoin withdrew his motion, and Mr. Donald Knapp made a motion that this article be dismissed, and it was so voted.

This meeting voted to adjourn at 9.35 P. M.

WALTER PERHAM,
Moderator.

HAROLD C. PETTERSON,
Town Clerk.

#### VITAL STATISTICS

# For the Year Ending December 31, 1935

Attention is called to the following vital statistics. It is important that these records shall be correct. If any errors are discovered the Town Clerk will deem it a favor to have them reported at once so that corrections may be made.

As required by Chapter 16, Section 15, General Laws of Massachusetts, notice is hereby given that the Town Clerk will furnish blanks for returns of births to parents, householders, physicians and registered hospital officers applying therefor.

### RECONCILIATION OF TREASURER'S CASH

Bank Balance December 31, 1935	
Appleton National Bank	\$ 24,404.29
Second National Bank, Boston	4,924.38
Union Old Lowell National Bank	100.00
	\$ 29,482.67
(As per statement on following pages.)	
Checks Outstanding December 31, 1935	\$ 11,919.86
Check Register Balance Jan. 1, 1936	\$ 17,508.81

The large amount of outstanding checks is caused by reason of a Warrant being issued on December 31, 1935, and consequently the checks issued for payment of these accounts could not be cancelled in December, 1935.

The Treasurer's books of accounts are always open for public inspection to any citizen of Chelmsford, if any information is desired the Treasurer will be glad to assist any person in the matter.

HAROLD C. PETTERSON,

Town Treasurer.

HAROLD C. PETTERSON,

Town Treasurer.

### REPORT OF TAX COLLECTOR

### For the Year Ending December 31, 1935

I herewith submit my annual report as Tax Collector for the Town of Chelmsford for the year ending December 31, 1935.

Any question regarding the assessment of taxes should be presented to the local Board of Assessors, who hold their regular meeting the first Wednesday of each month, at their office in the Chelmsford Town Hall.

The Assessors' commitment to me of taxes, State, County and Town and also Motor Vehicle Excise taxes for 1935 are made up as follows:

State Torre

State Tax       \$ 10,545.00         Auditing Municipal Accounts       756.71         Hospital and Home Care for C. W. Veterans       100.00         Parks and Reservations       75.00         County Tax:       \$ 11,476.71         Town Tax:       \$ 10,578.42         Interest on Temporary Loans       \$ 1,000.00         Maturing Notes and Interest       17,342.52         Deficit on 1934 Interest       343.19         Overlay Deficits 1928-1929-1932       167.52         Overlay 1935       2,770.50         Town Appropriations 1934 and 1935       271,266.13         \$292,889.86       \$314,944.99         Less:       Estimated Receipts State and Town       \$ 66,865.28         Free Cash       10,000.00

# REPORT OF POLICE WOMAN

Mr. Bernard McGovern, Chief of Police, Chelmsford, Massachusetts. Dear Sir:

I hereby submit a report of my duties as Police Woman for the year ending December 31, 1935.

Cases Investigated on Account of Complaints to Police	5
Cases Investigated on Account of Complaints to Police-	
Woman	19
Visits to Homes in Interest of Women and Neglected	
Children	10
Visits to Homes for Follow-up Work	9
Clinic Cases	3
Wives Reporting Trouble with Husbands	5
Girls Warned Against Soliciting Auto Rides	7
Boys in Automobiles Warned Regarding Accosting High	
School Girls	4
Stubborn Girls Given Advice and Returned Home	5

During the past year I have informed the Department of neery cases and have always found my requests fulfilled. At Thanksgiving I investigated several cases and delivered one basket. At Christmas I delivered 21 baskets from the Department to very needy families. This took a great deal of Christmas vacation time, but the happiness of those receiving baskets, clothes, and toys, was reward enough for it all. A New Year's basket was also placed. Throughout the year the Department has been most kind and generous in providing food and clothing for the less fortunate.

Respectfully submitted,

MAE S. LEWIS, R. N.,

Police Woman.

December 31, 1935.

# REPORT OF THE CEMETERY COMMISSION For the Year Ending December 31, 1935

To the Board of Selectmen:

Chelmsford, Massachusetts.

The Cemetery Commission beg to submit the following report for the year ending December 31, 1935.

Fore Fathers—During this past year many owners have regraded and seeded their lots at their own expense. The perpetual care lots have received special attention. The old section has had the usual good care. As a whole, this cemetery is in very good condition.

Pine Ridge—Lots that were sold this last year have been graded, also many of the older lots were reseeded. All of the seeding from the main gate to the center of cemetery that was improved in 1934, has been seeded together with the outside of wall next to the main highway. We will say at this time, that this particular cemetery is in good shape.

Hart Pond—General care in this cemetery has been the same as in past years. The whole of the cemetery has been mowed with a lawn mower together with the roadside. Drives and walks have been weeded and raked at all times. In the grove at the back, the under brush was cut out and burned as usual. One of the lot owners has given to the cemetery, a lawn seat, a bird bath and urn which are to be set under the large pines near the evergreens this spring. This arrangement we believe, will be very attractive. General care is very good in this cemetery.

Riverside—The general upkeep has been very good. The section that was developed in 1934 has been seeded. Some time has been devoted there for the resetting of slabs and tablets in the old part of the cemetery. This part is where we have no record of lot owners. All perpetual care lots have received special attention.

Fairview—The outside of wall next to the highway, together with the section developed in 1934 has been seeded. The central part of the cemetery has been mowed at all times. Walks and driveways also, have been receiving very \*good care. This particular cemetery has a possibility of developing into one of the finest in town,

West—This cemetery as in the past, has been very well kept. Portions of the new section has been graded and prepared for sale of lots. All of this cemetery has been mowed with a lawn mower, and walks and driveways also have had excellent care. All the pine needles and leaves in the fall have been cleaned up and burned, also trees and shrubs have been well kept, and trimmed.

At this time, we take the opportunity of thanking the superintendents of these cemeteries for their undivided co-operation.

Respectfully submitted.

ARTHUR O. WHEELER,
BAYARD C. DEAN,
C. WESLEY LYONS,
Cemetery Commissions To

By C. WESLEY LYONS, Clerk.

Cemetery Commissions, Town of Chelmsford,

# REPORT OF FISH AND GAME WARDEN

To the Honorable Board of Selectmen,

Chelmsford, Mass.:

#### Gentlemen:

I herewith submit my annual report of my duties as Fish and Game Warden for the year ending December 31, 1935.

Fishing and Hunting Licenses Inspected	116
Warning to Juveniles	7
Complaints Received and Investigated	17
Arrests and Convictions	1
Injured Deer Killed and Distributed to Town Welfare	2

With the co-operation of the State Department of Conservation the following amount of fish and game has been liberated for propagation in the town during the past year, with the assistance of the restocking committee of the South Chelmsford Rod and Gun Club.

Pheasants	144
Quail	50
Adult Brook Trout	
White and Yellow Perch	2000
Horn Pout	1000

In conclusion I wish to express my appreciation to the sportsmen of the town, members of the South Chelmsford Rod and Gun Club, and District Deputy Warden Harold Crosby, for the splendid co-operation I have received from them in the past year.

Respectfully submitted,

RALPH J. HULSLANDER, Fish and Game Warden.

# REPORT OF FOREST WARDEN

January 1, 1936.

Board of Selectmen, Che'msford, Mass.:

#### Gentlemen:

I herewith submit the following report for the year ending December 31, 1935.

During the past year we were called to extinguish one hundred and thirty-five (135) forest and grass fires About twelve hundred (1200) acres of land were burned over; most of this was scrub and grass land of no value No buildings were damaged by these fires, although several were in direct danger at the time of our arrival.

On April 28, 1935, we were called to a fire on Ledge Road in what is known as Tar Paper Village. This fire started in the Town of Westford, burning some twenty (20) acres before crossing the line into Chelmsford.

With a strong northwest wind and underbrush as dry as tinder this proved to be the most dangerous fire of the year.

Several times it was thought to be under control, but broke out again fanned by a strong wind and continued to Swain and Groton Roads, where, with the assistance of the Fire Department, we were able to extinguish it withmout any loss of property. Seven hundred (700) acres were burned over by this fire, most of which was covered by scrub oak and a few small pine of no value.

Lack of water made it necessary to pump from Crystal Lake to protect buildings situated on Groton and Swain Roads.

The cause of most fires was unknown, but many were thought to have been caused by careless persons throwing smoking material from automobiles.

Several young culprits were apprehended for starting fires, but due to their tender age no court action was taken. It was deemed advisable to let their parents punish them.

One case, after investigation, was turned over to the State Warden for

disposition.

Fine assistance and co-operation was rendered to this town by State District Deputy Warden Stone and Observer Welch during the past year.

The issuance of permits for fires in the open requires a great deal of time on the part of the Warden and his Deputies. It is estimated that over fifteen hundred (1500) permits for fires in the open were issued during 1935. Many days in the busiest season fifty (50) permits were issued by the Warden, which meant almost permanent duty at no additional cost to the town.

The equipment of this department is in good condition at the present time, and unless some unforeseen emergency occurs shou'd be sufficient for several years. The Federal Knight truck, which was turned over to this department by the Fire Department, has proven very satisfactory and has paid for itself many times in service rendered.

Besides the District Chiefs of the Fire Department the following Deputy Forest Wardens were appointed: Wallace A. Greig, Fred L. Fletcher, Fred W. Merrill, Walter H. Merrill, Adam Zabierek, Ernest C. Soulis, and Robert Henderson.

In conclusion I wish to express my appreciation to the Police Department, Fire Department, and my Deputy Forest Wardens for the fine cooperation they have extended to me during the past year.

Respectfully submitted,

GILBERT H. PERHAM, Forest Warden.

# REPORT OF THE WORK OF THE MIDDLESEX COUNTY EXTENSION SERVICE IN CHELMSFORD FOR THE YEAR 1935

Milk market problems continue to be first with the dairy farmers. The Extension Service has helped individual farmers and has continued to work with groups of farmers on these problems. Suggestions have been made on improving pastures, the growing of emergency hay crops, and increased feeding of legumes; all these to cut the cost of milk production.

Poultrymen have been assisted in diagnosis of disease and helped in its control. The need of better growing conditions for chicks and pullets on range has been stressed by the County Agent. Problems in ventilation and housing have been worked on by the farmers and the County Agent

Fifteen farm visits were made to fruit growers on culture and pest control. A spray demonstration meeting was attended by thirty people. Movies were shown at a Grange meeting and at the garden club meeting.

Spray warning service was given to 109 fruit growers and 45 market gardeners, giving information on the time of application, the diseases and insects to control, and the right material to use, in order to obtain high quality fruits and vegetables.

The 4-H clothing club is the most popular club in Chelmsford. About seventy members made gifts, household articles, and clothes under the leadership of Miss Isabelle Hamilton, Rita Ferron, Mrs. Evelyn Stadig at North; Mrs. R. P. Kidder, Mrs. Percy Beardsley at the Centre; Mrs. Joseph Vercentaire, Mrs. Herbert Scabie and Mrs. Elmer Batchelder at East. Two 4-H food clubs were conducted by Mrs. Herbert Needham at North and Miss Genieve Dean at West.

Mr. Dewey Fish led the handicraft club at South. Garden clubs were under the leadership of Mrs. Bayard Dean at West; Ralph House, Henry Warren, and Charles Twiss at South. 4-H members took part in programs and displayed work in the spring in all sections of the town and also in the Grange Fair in September.

PERLEY W. KIMBALL.

### REPORT OF SEALER OF WEIGHTS AND MEASURES

Chelmsford, Mass., Jan. 8, 1936.

To the Honorable Board of Selectmen,

Chelmsford, Mass.

#### Gentlemen:

I respectfully submit my annual report as Sealer of Weights and Measures for the year ending January 1, 1936.

Respectfully submitted,

HARRY F. PARKHURST.

### NORTH CHELMSFORD LIBRARY CORPORATION

No. Chelmsford, Mass., Dec. 18, 1935.

The Directors of the North Chelmsford Library submit the following report for the year 1935:

The circulation for the year was 15,786.

New books added, 195.

Number of Sessions, 156.

We are very glad to announce that Mrs. Royal Shawcross has been elected to fill the vacancy caused by the passing of Mrs. Nellie L. Butterfield.

Mrs. Shawcross is one of a third generation to serve our Library as Director, and we are very happy to have her.

Our circulation is growing, and we are very glad to welcome visitors at our Library.

Respectfully submitted,

ARTHUR O. WHEELER, BERTHA A. SWAIN, NELLIE L. SHAWCROSS,

Directors.

# REPORT OF TRUSTEES OF THE ADAMS LIBRARY

The Board organized with Albert H. Davis as Chairman, Mrs. Luella H. S. Clark as Secretary, and Frederick A. P. Fiske as Treasurer.

Mrs. Ida A. Jefts was reappointed librarian and Mrs. Addegonde Peterson as assistant librarian. Miss Marianna Hemenway was reappointed to assist in the Children's Department.

The circulation of books decreased by 1.560 volumes, due, no doubt, to the fact that there is less unemployment.

The reading room is well equipped with magazines and is well patronized.

An excellent collection of geographic pictures is available for the use of teachers.

# Respectfully sumitted,

ALBERT H. DAVIS, LUELLA H. S. CLARK, LOTTIE L. SNOW, FRED W. PARK, FRANCES CLARK, FREDERICK A. P. FISKE.

# REPORT OF THE BOARD OF HEALTH For the Year Ending December 31, 1935

Officers and Citizens of the Town of Chelmsford:

This year, the Board organized the first of a series of clinics for inoculating dogs with anti-rabies serum. This step was highly recommended by State officials as the best method of quickly halting the very rapid spread of rabies among dogs which has accelerated during the last few years. We are convinced that the clinics held this last year have proven that inoculation is very beneficial and has materially reduced the number of cases in town. All surrounding towns have held clinics this last year and the indications are that they will be continued. We were able to secure a very favorable rate for the inoculations, namely, 50 cents whereas the average rate

charged by veterinarians for individual cases is usually \$2.00. Clinics will be organized again this year, dates to be announced later. All dog owners are urged to take advantage of the low rate.

The town was very fortunate this last year in that despite the epidemic of infantile paralysis throughout the state, only one case was reported here. Cases of other contagious diseases were also relatively few. Credit is due the agent for close supervision over contagious diseases.

Among the unpaid bills for 1935 which will be listed for payment in 1936 are three, namely:

Frost & Co.	\$ 12.01
Middlesex County Sanitarium	46 50
City of Lowell	
, , , , , , , , , , , , , , , , , , ,	
	\$300.68

As an explanation, we wish to state that the Board did not exceed their appropriation, since sufficient money to cover these bills was unexpended. Since payements for the year were closed by the town accountant before the bills were received or could be approved necessarily they had to be carried over.

The reports of the agent and other inspectors follow:

Respectfully submitted,

F. A. MacELROY, G. A. McNULTY, J. J. KIBERD, Jr.

# REPORT OF THE AGENT OF THE BOARD OF HEALTH

Mr. Frederic MacElroy, Chairman of Board of Health.

Dear Sir:

The following is a report for the year 1935: Scarlet Fever 17 Measles 7 German Measles 1.3 Tuberculosis 7 Whooping Cough ..... 17 Chicken Pox 19 Lobar Pneumonia 5 Mumps 16 Dog-bite \_\_\_\_\_ 19 Diphtheria ..... () Infantile ..... 1 Encephalitis 1 Investigations 204 Sanitary Visits 68

Several specimens were sent to the State for tests as precautionary measures on typhoid suspects.

When contagious diseases are reported, houses are carded, all books are fumigated and returned, and children who have been in contact with the disease are isolated for a week. In order to protect other children, pupils with colds are excluded for a short time. Several trips were made to the Middlesex County Sanitorium, Tewksbury State Hospital, and to the G. U. Clinic in Lowell.

Seven of the eleven were re-immunized in October, 1935—the other four had left town. We gave diptheria toxoid to 195 children under twelve year of age and toxin-anti-toxin to two teachers and seventeen children of twelve years of age; these will receive the Schick test in the spring, but the children under under twelve will not require it. There has not been a case of diphtheria in town this year. The diphtheria toxoid was given on the advice of our State health officer, Dr. Archibald, who has been here several times this year to discuss the health situation. We intend to continue our immunization clinics, but we are particularly anxious to immunize children under school age, for it is at this time that the most benefit is derived from the toxoid. I do urge parents to have the child treated as soon as it is six months old.

In October the Middlesex County conducted a school clinic at which pupils in the seventh, ninth, and eleventh grades were given the tuberculosis test. Twelve children in the lower grades who were exposed to tuberculosis were also tested and held over to another year to be X-rayed and examined as observation cases.

Children Tested166Children X-rayed63Children Referred for Examination13Deferred Case1

There were ten pupils who have been examined each year by the State clinic, but this year Dr. Martin of the county clinic was so satisfied with their improvement that he discharged them.

Dental work in the schools is done by Dr. Ritter, who has been a most efficient dentist in the six and one-half years he has been with us. He is in the school every Wednehday from 9 A. M. to 3 P. M.

I wish to take this opportunity to thank all those who have so excellently co-operated with me during the year 1935.

Respectfully submitted,

MAE S. LEWIS, R. N., Agent for Board of Health.

December 31, 1935.

# REPORT OF INSPECTOR OF SLAUGHTERING

January 1, 1936.

To the Board of Health, Chelmsford, Mass.

Gentlemen

I submit the following report of animals slaughtered by licensed butchers and owners at their premises. From January 1, 1935 to January 1, 1936. Have been inspected by me.

Cattle	748
Calves	636
Hogs	560
Sheep	2298
· ·	

Of these were condemned:

Cattle	1
Calves	84
Hogs	1

All inspections have been reported to the State authorities.

Respectfully submitted,

W. C. GALE, Inspector of Slaughtering.

# REPORT OF MEAT INSPECTOR

January 1, 1936.

To the Board of Health, Chelmsford, Mass. Gentlemen:

I submit the following report on markets, butcher and fish carts.

I have found them in good condition, although I have condemned 310 pounds of meat and 20 pounds of fowl that had to be destroyed.

Respectfully submitted,

W. C. GALE, Inspector of Meats.

### REPORT OF PLUMBING INSPECTOR

Chelmsford, Mass, January 2, 1930.

Board of Health, Chelmsford, Mass. Gentlemen:

The following is a report of the plumbing work for the year ending December 31, 1935.

Whole number of applications for permits to do plumbing ...... 58 New Houses Old Houses Total ..... – 58 Inspections 121 Tests ..... 45 Plumbing fixtures installed: Water Closets Lavatories 53 Bath Tubs 42 Wash Travs 53 Sinks ..... Floor Drains Shower Baths ..... Soda Fountain Sink Trap 

Respectfully submitted.

CHARLES N. MIDWOOD,
Plumbing Inspector.

# ANNUAL REPORT OF THE MILK INSPECTION DIVISION

December 31, 1935.

Board of Health, Chelmsford, Mass. Gentlemen:

I have the honor to present the report of the Milk Inspection Division for the year ending December 31, 1935.

There were nine stores registered to sell oleomargarine.

Three licenses were issued to milk dealers to maintain establishments for the pasteurization of milk.

Forty-four stores and twenty-two milk distributors were issued milk licenses.

Sixty-seven dollars and fifty cents, collected for license fees, were paid to the Town Treasurer.

Three hundred and six dairy farms were inspected, scored, and classified as required by law, according to the rules and regulations of the Milk Regulation Board. All producers supplying the town now have some type of milk house, and means of keeping the milk at fifty degrees Fahr., or below from the time of production until delivery to the distributor. Many milk pails and strainers have been condemned and replaced as a result of the inspections and more suitable refrigeration has been installed in some milk houses. Better sanitary conditions in the production and handling of milk, now exist as a result of repeated visits.

During the year the Milk Regulation Board promulgated rules and regulations establishing eight grades of milk, regulating and establishing standards, so that now each bottle cap has an outlined semicircle, reserved exclusively for the grade designation.

There were seized from dealers eight hundred thirty-seven chemical; five hundred eighty-two bacterial; one hundred twelve cream; four hundred forty-three sediment samples of milk. Of the chemical samples: two hundred five were milk—raw; e'even certified milk—raw; five hundred sitxy-two milk—pasteurized; fifty-nine grade A milk.

The numerical averages of the chemical and median averages of the bacterial samples for the year follow:

Milk—raw: total solids, 12.93%; fat, 4.02%; median average per cubic centimeter, 14,000.

Certified milk—raw: total solids, 13.17%; fat, 4.09%; median average per cubic centimeter, no colonies developed.

Milk—pasteurized: total solids, 12.86%; fat 3.96%; median average per cubic centimeter, 8.000.

Grade A milk: total solids, 13.45%; fat, 4.40%; median average per cubic centimeter, 2.800.

There were seized from producers two hundred eighty-four chemical; three hundred thirty-nine bacterial; two hundred sixty-three sediment samples. The median bacterial count was 15,000.

Ninety-seven inspections of milk dealers plants were made.

Approximately 1907 quarts of milk and 49 quarts of cream were consumed daily.

Respectfully submitted,

MELVIN F. MASTER.
B. S. in Chemistry.

## INSPECTOR OF ANIMALS REPORT

December 31, 1935.

Board of Selectmen, Chelmsford, Mass.

Gentlemen:

The report of the work done by this department during the year 1935 under the direction of the Division of Livestock Disease Control, State Department of Agriculture, follows:

The annual inspection of cattle, sheep and swine ordered during the latter part of the year is now completed and a detailed report has been submitted to the State authorities.

There are 200 stables, seven less than last year, in which are kept 713 dairy cows, 206 young cattle and 17 bulls, a total of 936 head which is 27 less than last year and 27 more than in 1933.

Ten years ago there were 1083 cattle in 201 stables and twenty years ago 1214 cattle in 242 stables.

West Chelmsford now has but 21 head of cattle in nine different stables which is less than half the number in the Westlands, where there are 50 head in ten stables.

There are 525 swine, 16 sheep and 14 goats in town.

On Oct. 31, 1935, the Commonwealth of Massachusetts in its entirety was recognized as a Federal Accredited Area, that is, an area having less than one-half of one per cent of the cattle react to the test for tuberculosis.

All cattle in town are regularly tested by State and Federal Inspectors, and only 57 reactors were found in three different herds in the past year. These three stables were properly cleaned and disinfected after the diseased animals were removed.

Ninety-three cows and nine bul's for dairy purposes, 55 beef cattle, 200 calves and 21 sheep were shipped into town on permits issued by the State authorities. They were identified and released upon proof of satisfactory test charts and certificates showing that they came from herds free from Bangs disease during the year previous to entry into the State.

The same conditions are now in effect as last year relative to the control of Bangs disease by the State and Federal authorities. Don't forget to obtain the necessary permit before bringing cattle into town from outside the State.

Fifty dog bite cases have been investigated. In 22 dog bite cases the dogs were held in quarantine for a two weeks' observation period and then released. Ten other dogs were inspected and found to be normal. Four rabid dogs were killed and two others passed through parts of the town and were killed elsewhere. Ten dogs were quarantined after contact with rabid dogs, six were killed before being released and the other four were released after ninety days, no rabies having developed.

Two dogs froth other towns were inspected after they bit persons in Chelmsford.

To the Physicians, School Nurse, Police and Health authorities I wish to express my appreciation for their co-operation and help.

Under Chapter 426, Acts of 1935, a person engaging in the business of dealing in bovine animals, except for immediate slaughter, must obtain a license therefor from the Division of Livestock Disease Control. Farmers or others engaged in dairying, whose cattle sales are but a minor part of that business, are not required to take out such a license.

Any and all persons purchasing cattle from a dealer should make sure that said dealer has a license to sell dairy cattle.

Cattle to be approved for addition to Massachusetts herds must be delivered direct.

- 1. From premises where testing is conducted under State supervision and on which premises there were no reactors at time of last entire herd test.
  - 2. From the dairy section of the Brighton stock yards, or
  - 3. From a licensed cattle dealer.

For further information call your Inspector of Animals.

ARNOLD C. PERHAM.

### **BOARD OF FIRE ENGINEERS**

To the Honarable Board of Selectmen,

Chelmsford, Mass.

Gentlemen:

The annual report of the Board of Fire Engineers is respectfully submitted herewith:

The Board is organized as follows:

Harry L. Shedd, Chief

John W. Dixon, Asst. Chief

John W. Kemp, Asst. Chief

with the latter serving as Clerk of the Board.

The Board appointed the following District Chiefs:

Wilhelm T. Johnson

Joseph D. Ryan

Walter Edwards

Henry G. Quinn

Arthur W. House

District No. 1

District No. 2

District No. 3

District No. 4

District No. 4

Arthur W. House, Chief District No. 5, resigned as of July 1st, 1936, and the Board appointed in his place Charles House.

We regret to record this change as Arthur W. House had been a member of the Department for many years, but we believe that Charles House, his son, will bring good results to this District by reason of his ability and experience, and expect good results from his administration of the company in this section of the town.

The men of the Department, by their faithful service and loyal co-operation, have proven both at fires and drills their efficiency as a well or-

ganized fire-fighting force ready for any emergency, and an organization of whom the citizens may be justly proud.

We have exercised a watchful care over apparatus, equipment and quarters and have kept them maintained in first-class condition.

We have effected extensive repairs to the pumper stationed at West Chelmsford so that it is now almost as good as new.

In accordance with the mandate of the Town Meeting a new 500-gallon Pumper, equipped with 1,000 feet  $2\frac{1}{2}$ " double jackket hose, has been installed at the Centre. This piece of apparatus is modern in every respect, and at its tests exceeded the requirements of the underwriters. The pumper at the Centre was taken to East Chelmsford, and the truck stationed there turned over to the Forest Warden, so that the town now has one of he best equipped departments in the State for towns of similar size. This has resulted in lower insurance rates in East Chelmsford.

The department has responded to 51 alarms of fire, and in addition has rendered aid at brush fires and assistance to neighboring towns and cities.

We have endeavored to eliminate waste, and have practiced economy without effecting efficiency of operation, and believe that by this carefully planned policy have operated the department at a lower cost than many similar departments with resultant benefits to the taxpayers.

In closing, we would express our appreciation of the excellent cooperation given by the Police both of our own excellent department as well as the State Troopers and the Lowell Motor Cycle officers.

> HARRY L. SHEDD, JOHN W. DIXON, JOHN M. KEMP,

> > Board of Fire Engineers.

# REPORT OF WELFARE AGENT

To the Honorable Board of Selectmen, Chelmsford, Massachusetts. Gentlemen:

I hereby submit my first report as Welfare Agent for the Town of Chelmsford starting April 1, 1935, and ending December 31, 1935.

During the year 1935 the aid and relief, also the Old Age Assistance increased to a great extent over the year 1934. This can partly be explained by the fact, that with all due regard to the Federal Expenditures, on work relief, unemployment is increasing and that private employment is seasonal to a great degree. This is evidenced by the fact that our welfare load drops off noticeably during the summer months when the local quarries and mills are working steadily. Probably an analysis of our Welfare Expenditures for the year 1935 would throw some light on this situation which is confronting the tax payers of our town.

Public Welfare in the Town of Chelmsford is divided into two major

classes, Temporary Aid and Old Age Assistance. During the year 1935 we expended \$31,072.46 on Temporary Aid and \$11,619.51 on Old Age Assistance, an increase of 45% and 47% respectively over the year 1934; whereas our increase in cases were 70% on Temporary Aid and 65% on Old Age Assistance. This general increase is not only true in Chelmsford but throughout the State as well, as evidenced by information from various towns and cities.

In the system of investigation now used in our Welfare and Old Age Assistance cases in the Town, we have access to all bank accounts, insurance policies, Postal Savings accounts, as well as reports from relatives on their ability to aid, also medical and military service reports.

Due to recent laws passed in our State and Federal legislatures the eligibility requirements for Old Age Assistance have been lowered. The age limit for Old Age Assistance applicants will without doubt be changed from seventy years to sixty-five. This means we must expect an increase in Old Age Assistance; to what amount this will increase it is hard to foretell.

In viewing the outlook for 1936, I would recommend the following measures to be put in effect; the purchase of all commodities used in any quantities by private bids, a closer check-up on our rents and the appointment of one or two doctors at a fixed salary to care for our welfare cases; a satisfactory arrangement on this would be one doctor for the North and West sections, and the other for the Centre and East and South districts.

In closing I would like to thank the Board of Public Welfare, the Chelmsford Police Department, and other Town officials who have made my first year as Welfare Agent a pleasant one through their whole-hearted co-operation.

Respectfully yours,

LEONARD S. MacELROY,
Welfare Agent.

94

# REPORT OF THE CHELMSFORD E. R. A.-W. P. A. FOR 1935

To the Honorable Board of Selectmen, Town of Chelmsford, Massachusetts. Honorable Sirs:

As Administrator of the E. R. A. and W. P. A. I hereby submit to you and the citizens of the Town my report for the year 1935, showing principal projects undertaken and completed, together with such other data as may show the effect of work relief on the Community and its people.

By and large the most important projects undertaken during 1935 were the two water projects: One for the extension of water mains in the North Chelmsford Fire District, and the other for the laying of new mains in the recently organized South Chelmsford Water District. The materials for these two projects were purchased by the respective districts, and the labor was paid by the Federal Government.

In November, 1935, our E. R. A. projects were turned over to the Works Progress Administration.

### PROJECTS CARRIED ON UNDER E. R. A and W. P. A.

The projects completed in 1935 and in progress at the end of the year are as follows:

# 1. WATER PROJECTS:

- a. South Chelmsford Water District: Cast iron water mains were laid 5 feet deep on Acton Road, Byam Road, Robin Hill Road, Maple Road, Proctor Road, and Park Road. Hydrants were connected at suitable points and copper service pipe laid to the property lines. As the year drew to a close the pipe was laid to within sight of the corner of Acton and Park Roads with 85 men on the job. It is the plan to continue laying mains across Acton Road, and stop at the residence of Mr. Otis Brown, which will mark the completion of the project.
- b. North Chelmsford Fire District: Cast iron water mains were laid on the following roads as an extension of the previous district: Groton Road to the Westford line, West Chelmsford Road, Tyngsboro Road and Dunstable Road. Service pipe was laid to the property lines and hydrants placed to advantage. As the year ended the work was nearly completed with the exception of a short length on Dunstable Road.

#### 2 ROAD CONSTRUCTION:

Hunt Road: Approximately 1½ miles of Hunt Road was widened from 12 to 18 feet. The sides of the road were cleaned of brush and protruding rocks, and blind corners were cut and straightened. The road was regraveled to 6-inch thickness.

Albina Street: This street between Carlisle Street and Beaulieu Street was formerly impassable. A hill at the site was excavated to a depth of 8 feet and a bank wall was constructed 210 feet long. The road was re-

graveled and made safe for traffic and fire apparatus. This road will also serve as a convenience for the children who attend the East Chelmsford School.

Sherman Street: This street was built for a distance of 500 feet adjoining the Varney Playground by filling in an unsightly dump and providing a new section of street in a residential section.

### 3 PUBLIC BUILDINGS:

North Chelmsford Town Hall: This hall, which was declared unsafe by the State Building Inspector, was given a thorough reconstruction and renovation. New steel columns were placed in the basement and first floor, and new beams were placed for second floor strengthening. Fire stops were constructed at floor lines and stairways and the entire building was rewired with modern cable for lighting. New flooring was laid on the entire first floor and stage of second floor. A new vestibule was built on the front of the building, new rain gutters were erected, and other minor replacements made too numerous to mention. Finally the building was painted inside and out and put in first-class repair in every particular.

# 4 MISCELLANEOUS PROJECTS:

- a. Old Garage: The old garage in back of the Princeton Street School was taken down and the materials salvaged for the Varney Field House project.
- b. Varney Field House: A Field House at Varney Playground, size 24' 8" x 26' 8", two stories high, was constructed at the end of the ball field near Crystal Lake. The structure is of permanent nature, being built of granite and brick. It will serve as a much-needed shelter, and is equipped with fireplace and toilet facilities.
- c. Baseball Diamond: A standard baseball diamond and infield was built at Varney Playground with backstop. Over 10,000 cu, yds. of gravel were moved into low areas under previous projects of the E. R. A. to make this baseball diamond possible.
- d. Apple Pest Control: Various sections in the vicinity of apple orchards were cleared of wild apple trees, cherry trees and cherry bush which might be injurious to commercial orchards.
- e. Emergency Snow Removal: During the blizzard and snow storm of January 25, 1935, all E. R. A. workers were turned over to the Town Highway Department to clear the roads of snow. The saving to the Town was \$2 691.00 for wages.
- f. Moth Project: Wooded areas totalling 200 acres were cleaned of gypsy and brown tail moth eggs, the project being abandoned because of warm weather, to be resumed at a later date.
- g. Sewing Project: The women's sewing project operated continuously during 1935 in the Center Town Hall, with an average of 25 women employed in making garments for the needy. This project is now turned over to the W. P. A., with 35 women employed.
- h. Federal Housing: During the summer months two canvassers were engaged in visiting property owners to stimulate repairs and alterations under the loan privileges of the Federal Housing Act.

- i. Town Survey: A project is now under way to prepare a map of Chelmsford showing all highways, public buildings, ruilroads, fire hydrants, etc. A map of this kind has been needed for many years.
- j. Grubbing Road Corners: A new project to grub and cut back dangerous corners on Town roads has been started under the W. P. A.
- k. Farm to Market Roads: Farm to Market roads have been selected in Chelmsford as Dunstable Road and Riverneck Roads. This is a State project using local W. P. A. labor and local trucks.
- 1. Widening and Graveling Town Roads: This project has started under the W. P. A. and calls for the widening and graveling of Robin Hill Road, Locust Road, Byam Road, Swain Road and Locke Road.
- m. Repairs and Painting School Buildings: This project is now started at the Princeton Street School, and when the workmen are through there they will transfer to the South Chelmsford School and the Westlands School.

# COST OF PROJECTS

The Federal Government Paid Out in Wages from January 1, 1935, to December 31, 1935	\$109.878.53
Amount Appropriated by the Town of Chelmsford in 1935 for Materials, Truck Hire, etc., or 7.7% of Total Expendi-	4
tures	9,200.00
Total Expenditures	\$119,078.53

#### FUTURE PROJECTS

At the present time 185 persons are employed on the W. P. A.; every able-bodied man or woman who is on welfare has been given the opportunity of work on the W. P. A. Many of these are older men who are taking this opportunity to earn their own living.

Sufficient worth-while projects besides those in operation have been approved by the Works Progress Administration to keep our unemployed at work for another six months, providing the Town furnishes the materials, truck hire, etc.

I wish at this time to publicly thank the Board of Selectmen, Department Heads, and other Town officials, who have given so generously of their time to the end that the E. R. A.-W. P. A. might work smoothly.

Respectfully submitted,

FRANK J. LUPIEN, Local Administrator E. R. A. & W. P. A.

# Report of Town Accountant

Herewith is submitted the annual report of the Town Accountant in accordance with the provisions of Chapter 624, Section 7 of the Revised Laws.

All transfers made and shown in this report were authorized by vote of the Finance Committee or by vote in Town Meeting.

### Warrant for Annual Town Meeting

March 2, 1936 and March 9, 1936

 $\begin{array}{c} {\rm COMMONWEALTH~OF~MASSACHUSETTS} \\ {\rm Middlesex,~ss.} \end{array}$ 

To John J. Buchanan, Constable, or any suitable person of the Town of Chelmsford.

### GREETING:

In the name of the Commonwealth aforesaid you are hereby requested to notify and warn the legal voters of said Chelmsford to meet in their several Polling Places, viz:

Precinct 1—Town Hall, Chelmsford Centre.

Precinct 2—Town Hall, North Chelmsford.

Precinct 3—Fire House, West Chelmsford.

Precinct 4—School House, East Chelmsford.

Precinct 5—Liberty Hall, South Chelmsford.

Precinct 6—Golden Cove School House, Westlands.

on Monday, the second day of March, 1936, being the first Monday in said month, at 12 o'clock noon, for the following purposes:

To bring in their votes for the following officers:

Moderator for one year.

Town Clerk for three years.

One Selectman for three years.

One Member of the Board of Public Welfare for three years.

Treasurer and Tax Collector for one year.

One Assessor for three years.

Tree Warden for one year.

One Member of the Board of Health for three years.

One Park Commissioner for three years.

One Cemetery Commissioner for three years.

Two Trustees of Adams Library for three years.

One Sinking Fund Commissioner for three years.

One Constable for one year.

One School Committee Member for three years.

All on one ballot.

The polls will be open from 12 noon to 8 P. M., and to meet in the Town Hall at Chelmsford Centre on the following Monday, the Ninth day of March, 1936, at 10 o'clock, in the forenoon, then and there to act upon the following articles, viz:

- ARTICLE 1. To hear reports of Town Officers and Committees; or act in relation thereto.
- ARTICLE 2. To raise and appropriate such sums of money as may be required to defray Town charges for the current year.
- ARTICLE 3. To see if the Town will authorize the Selectmen to act as its agent in any suit or suits which may arise during the current year; also in such other matters as may arise requiring in their judgment the action of such agent, and to employ counsel therefor; or act in relation thereto.
- ARTICLE 4. To see if the Town will authorize the Treasurer, with the approval of the Selectmen, to borrow money in anticipation of the revenues of the current financial year; or act in relation thereto.
- ARTICLE 5. To see if the Town will vote to raise and appropriate a sum not exceeding Two Thousand (\$2,000) Dollars to be used as a Reserve Fund at the discretion of the Finance Committee, as provided in General Laws, Chapter 40, Section 6; or act in relation thereto.
- ARTICLE 6. To see if the Town will vote to raise and appropriate a sufficient sum with which to meet suppaid bills of 1935; or act in relation thereto.
- ARTICLE 7. To see if the Town will vote to accept Hildreth Street as laid out by the Selectmen as shown by their report and plan duly filed in the office of Town Clerk; or act in relation thereto.
- ARTICLE 8. To see if the Town will vote to raise and appropriate the sum of One Hundred (\$100) Dollars, or some other sum, for the purpose of reconstructing Hildreth Street; or act in relation thereto.
- ARTICLE 9. To see if the Town will vote to accept an extension of Jordan Road as laid out by the Selectmen as shown by their report and plan duly filed in the office of Town Clerk; or act in relation thereto.
- ARTICLE 10. To see if the Town will vote to raise and appropriate the sum of Two Hundred (\$200) Dollars, or some other sum, for the purpose of reconstructing Jordan Road; or act in relation thereto.

- ARTICLE 11. To see if the Town will vote to change the name of Jordan Road in that part of Chelmsford known as West Chelmsford to Strawberry Hill Road; or act in relation thereto.
- ARTICLE 12. To see if the Town will vote to accept Sixth Avenue as laid out by the Selectmen as shown by their report and plan duly filed in the office of Town Clerk; or act in relation thereto.
- ARTICLE 13. To see if the Town will vote to raise and appropriate the sum of Three Hundred (\$300) Dollars, or some other sum, for the purpose of reconstructing Sixth Avenue; or act in relation thereto.
- ARTICLE 14. To see if the Town will vote to accept an extension of Ledge Road as laid out by the Selectmen as shown by their report and plan duly filed in the office of Town Clerk; or act in relation thereto.
- ARTICLE 15. To see if the Town will vote to raise and appropriate the sum of (\$200) Dollars, or some other sum, for the purpose of reconstructing Ledge Road; or act in relation thereto.
- ARTICLE 16. To see if the Town will vote to accept Elliott Street as laid out by the Selectmen as shown by their report and plan duly filed in the office of Town Clerk; or act in relation thereto.
- ARTICLE 17. To see if the Town will vote to raise and appropriate the sum of Five Hundred (\$500) Dollars, or some other sum, for the purpose of reconstructing Elliott Street; or act in relation thereto.
- ARTICLE 18. To see if the Town will vote to change the name of Crosby Street to Crosby Lane; or act in relation thereto.
- ARTICLE 19. To see if the Town will vote to accept Gilwood Street as laid out by the Selectmen as shown by their report and plan duly filed in the office of Town Clerk; or act in relation thereto.
- ARTICLE 20. To see if the Town will vote to raise and appropriate the sum of One Hundred Fifty (\$150) Dollars, or some other sum, for the purpose of reconstructing Gilwood Street; or act in relation thereto.

- ARTICLE 21. To see if the Town will vote to request the Department of Corporations and Taxation, Division of Accounts, to make an audit of the Town of Chehnsford accounts; or act in relation thereto.
- ARTICLE 22. To see if the Town will vote to raise and appropriate a certain sum of money for the purpose of settling claims made against the Town by Minnie E. Johnson and Frank Johnson; or act in relation thereto.
- ARTICLE 23. To see if the Town will vote to raise and appropriate the sum of One Thousand Two Hundred Thirteen and 66/100 (\$1,213.66) Dollars, to pay the County of Middlesex, as required by law, the Town's share of the net cost of the care, maintenance and repair of the Middlesex County Tuberculosis Hospital, as assessed in accordance with the provisions of Chapter 111 of the General Laws; or act in relation thereto.
- ARTICLE 24. To see if the Town will vote to raise and appropriate the sum of Four Thousand Six Hundred Fifty (\$4650) Dollars, for the purpose of covering an overdraft in the Welfare Department, said money having been paid to the City of Lowell in settlement of claims against the Town by the City of Lowell; or act in relation thereto.
- ARTICLE 25. To see if the Town will vote to raise and appropriate the sum of One Thousand Four Hundred Twenty-four and 21/100 (\$1,424.21) Dollars to settle the claim of the City of Worcester against the Town of Chelmsford in the matter of welfare given by the City of Worcester to persons having a settlement in Chelmsford; or act in relation thereto.
- ARTICLE 26. To see if the Town will vote to raise and appropriate the sum of One Hundred Ninety-five and 78/100 (\$195.78) Dollars for the purpose of covering a deficit in the North Road Account; or act in relation thereto.
- ARTICLE 27. To see if the Town will vote to raise and appropriate the sum of Thirty-five Hundred (\$3,500) Dollars for the improvement and reconstruction of the North Road, said money to be used in conjunction with any money which may be allotted by the State or County, or both, for this purpose, or take any other action; or act in relation thereto.

- ARTICLE 28. To see if the Town will vote to authorize the Selectmen to appoint physicians for the purpose of rendering medical service to needy persons; or act in relation thereto.
- ARTICLE 29. To see if the Town will vote to raise and appropriate certain sums of money for the purpose of compensating physicions appointed under Article 28, provided an affirmative vote is made under Article 28; or act in relation thereto.
- ARTICLE 30. To see if the Town will vote to raise and appropriate the sum of One Thousand (\$1,000) Dollars, or some other sum, for the purpose of purchasing an automobile truck for the Highway Department.
- ARTICLE 31. To see if the Town will vote to authorize the Selectmen to sell and transfer title to the 1931 International truck now used in the Highway Department; or act in relation thereto.
- ARTICLE 32. To see if the Town will vote to raise and appropriate a certain sum of money for the purpose of purchasing an automobile for the Police Department.
- ARTICLE 33. To see if the Town will vote to raise and appropriate the sum of Eight Thousand Eight Hundred (\$8,800) Dollars, or some other sum, for the purpose of carrying on Federal or State projects, the cost of administration, and the cost of materials and supplies for the same; or act in relation thereto.
- ARTICLE 34. To see if the Town will vote to accept a devise and bequest of certain properties located in Chélmsford, as set forth in the last will and testament of the late Martina Gage of Lowell; or act in relation thereto.
- ARTICLE 35. To see if the Town will vote to raise and appropriate the sum of One Thousand (\$1,000) Dollars, or some other sum, for the improvement, reconstruction and relocation of Westford Street, said sum or any portion thereof to be used in conjunction with money which may be allotted by the State or County, or both, for this purpose; or act in relation thereto.
- ARTICLE 36. To see if the Town will vote to raise and appropriate a certain sum of money for the purpose of settling land damage claims on Billerica Road; or act in relation thereto.

- ARTICLE 37. To see if the Town will vote to raise and appropriate the sum of One Hundred (\$100) Dollars for the purpose of settling claims for damages to property located on Church and Middlesex Streets as the result of blasting during the reconstruction of Middlesex Street; or act in relation thereto.
- ARTICLE 38. To see if the Town will vote to raise and appropriate the sum of Four Hundred Seventy-eight and 52/100 (\$478.52) Dollars, to cover an overdraft in the Vocational School Account; or act in relation thereto.
- ARTICLE 39. To see if the Town will vote to raise and appropriate the sum of One Hundred Eighty-five (\$185) Dollars, to cover an overdraft in the Assessors' Abatement Expense Account; or act in relation thereto.
- ARTICLE 40. To see if the Town will vote to raise and appropriate the sum of Two Thousand (\$2,000)) Dollars, or some other sum, for the purchase of high school desks, the purchase of seats for the basement of the McFarlin School, and for the purpose of adapting the McFarlin School Basement for high school use; or act in relation thereto.
- ARTICLE 41. To see if the Town will vote to authorize the Selectmen to sell, after first giving notice of the time and place of sale by posting such notice of sale in some convenient and public place in the Town fourteen days at least before the sale, property taken by the Town under tax title procedure, provided that the Selectmen or whomsoever they may authorize to hold such public auction may reject any bid which they deem inadequate; or take any action relative thereto.
- ARTICLE 42. To see if the Town will vote to accept Section 48 of Chapter 31 of the General Laws, placing regular or permanent police members under the rules and regulations of the Civil Service; or act in relation thereto. Said Section reads as follows:
- Sec. 48. Application to Police, etc., of Certain Towns.—A Town which has not accepted this chapter or the corresponding provisions of earlier laws may accept this section as to its regular or permanent police and fire forces, or as to either of them. Acceptance as to the fire force shall include regular members, and

may include call members, and a town which has accepted this section or the corresponding provisions of earlier laws as to regular firemen may afterward accept it as to call firemen. In a town which accepts this section by vote of the town at a town meeting, or has accepted corresponding provisions of earlier laws, as to any or all of said forces, the members of the forces to which the acceptance relates shall be subject to this chapter and the rules made hereunder, and shall hold office until their death, resignation or removal; but members in office at the time of such acceptance shall continue in office without examination or reappointment.

ARTICLE 43. To see if the Town will vote to accept Section 49 of Chapter 31 of the General Laws, placing the Chief of Police under the rules and regulations of the Civil Service; or act in relation thereto. Said Section reads as follows:

Sec. 49. Application to Chiefs of Police, etc., of Certain Cities and Towns.—This chapter and the rules made hereunder shall apply to superintendents, chiefs of police and chief marshals in cities which have accepted Chapter four hundred and sixty-eight of the Acts of nineteen hundred and eleven in the manner therein provided, and in towns which have a police force subject to this chapter, and which have accepted, said Chapter four hundred and sixty-eight, or accept this section, by vote at an annual town meeting.

AND YOU ARE DIRECTED to serve this Warrant by posting attested copies thereof at the Post Offices in the Centre of the Town, South Chelmsford, North Chelmsford, and West Chelmsford, and at the School House, East Chelmsford, and the Golden Cove School House, Westlands, seven days at least before the time appointed for holding the first meeting aforesaid.

HEREOF FAIL NOT, and make return of this Warrant, with your doings thereon, to the Town Clerk, at the time and place of holding this meeting aforesaid.

Given under our hands this 14th day of February, in the year of our Lord, nineteen hundred and thirty-six.

STEWART MACKAY,
JAMES A. GRANT,
KARL M. PERHAM,
Selectmen of Chelmsford.

### ANNUAL REPORT

OF THE

### SCHOOL COMMITTEE

AND THE

Superintendent of Schools

OF CHELMSFORD, MASS.

FOR THE SCHOOL YEAR ENDING DECEMBER 31,

1935

### SCHOOL COMMITTEE

### SCHOOL CALENDAR

The school year is divided into a fall term ending at the Christmas vacation, and three terms after the Holidays.

Fall term from September 4, 1935, to December 20, 1935.

Second term from January 2, 1936, to February 21, 1936.

Third term from March 2, 1936, to April 17, 1936.

Fourth term from April 27, 1936, to June 19, 1936.

The school year of 1936-1937 will open on Tuesday, September 8, 1936.

### NO SCHOOL SIGNAL

In case of extremely bad storms or of roads dangerous because of ice, a signal for no school all day is given at 7:15 on the fire alarms, three blasts repeated three times. Notice is also broadcast by Station WLLH.

### TEACHERS

The table shows the teachers at the beginning of the school year 1935-36, the position held, the date when service in Chelmsford began, and the institutions in which they prepared.

### HIGH SCHOOL

Lucien H. Burns, A. M., Principal, Sept. 1930. University of New Hampshire, Columbia.

C. Edith McCarthy, B. S. E., Vice-Principal, Commercial, Sept. 1923, Salem.

F. Christine Booth, B. A., Latin, Math., Sept. 1927, Colby.

Daisy B. MacBrayne, A. B., English, Sept. 1929, Boston University.

Procter P. Wilson, B. S., Science, Feb. 1930, M. I. T.

George R. Knightly, A. B., Social Science, Sept. 1930, Aurora.

Morris L. Budnick, A. B., Math., Science, Sept. 1930, Tufts.

South, George Burton, South Chelmsford.
Westlands, E. Berg, Westlands.

### ANNUAL REPORT OF THE SCHOOL COMMITTEE

To the Citizens of the Town of Chelmsford:

The conditions at the High School in regard to overcrowding have been so thoroughly discussed at several public meetings that it is not necessary to go into them again at this time. However, the problem as to what is the right thing to do for the pupils, as well as for the taxpayers, is still with us.

As a whole the school buildings throughout the town are in very good repair. This has been accomplished through the help and the co-operation received from the E. R. A. and later through the W. P. A., which has furnished labor to paint and repair the buildings at no direct expense to the town. The grounds at several of the schools, especially the High School, have been considerably improved. This work has been done as a separate project under the E. R. A. and has resulted in permanent improvements.

The morale of the teachers is high, and their devotion to their work and their unfailing co-operation has helped to maintain a high standard throughout the school system.

The close and efficient supervision which our superintendent exercises at all times has made it possible to keep the costs in our schools down to a point where Chelmsford has one of the lowest costs per pupil in the whole state of Massachusetts, without at any time depriving the pupils of necessary supplies, books and instruction.

The various Parent-Teacher Associations throughout the town have been active in sponsoring and carrying out important and helpful work. Their contributions for free milk and dental work deserve special commendation.

We, as a committee, respectfully urge all citizens to study the reports of the heads of various departments so that they may learn what has been done and what it is hoped to accomplish.

Respectfully submitted,

RALPH A. BERG,
JAMES P. CASSIDY,
JOHN A. McADAMS,
School Committee.

### REPORT OF COMMITTEE APPOINTED TO SECURE PLANS AND SPECIFICATIONS FOR AN ADDITION TO THE HIGH SCHOOL

The special town meeting on April 30, 1935 appropriated \$2000 to be used in securing plans and specifications for an addition to the High School, and authorized the Moderator to appoint a committee of four to work with the School Committee for this purpose. The Moderator appointed Mr. C. G. Armstrong, Mr. Roy Clough, Mr. John Meagher, and Mr. James Kiberd, Sr. The committee organized by electing Mr. Clough chairman and Mr. Kiberd secretary.

At this first meeting, after looking over the sketches submitted by several architects in 1930-31 and others submitted later, the committee voted to consult Mr. John Ashton of the firm of Ashton and Huntress, Lawrence, a firm of long experience in school house construction. It was also voted to apply to the Federal Government for a Public Works Administration grant.

Satisfactory arrangements were made with Mr. Ashton, and after a series of meetings with the committee members he present floor plans that were acceptable to all. These provided six classrooms, all larger than the rooms in the present building, an assembly room, a lunch room, enlarged toilet facilities, and locker and shower rooms. As soon as the floor plans were ready application was made for a Federal grant. The plans were approved by the Federal authorities, but more than two months elapsed before on November 13, 1935 the grant of 45 per cent of the cost of construction and equipment was made. The terms of the grant required that the contract for construction be signed by December 15th.

At the request of the building committee the Selectmen called a special Town meeting for November 27, 1935, at which the Town was to be asked to raise by a bond issue \$66,000, this being 55% of the estimated cost of the addition and equipment. The meeting dismissed the article without considering the merits of the proposition.

ROY A. CLOUGH, RALPH A. BERG, C. GEORGE ARMSTRONG, JAMES P. CASSIDY, JAMES KIBERD, Sr. JOHN A. McADAMS.

### REPORT OF SUPERINTENDENT

To the School Committee:

This, my eighth report to you and to the citizens of Chelmsford, the 62nd in the series of school reports, should be read in connection with those of 1930, 1932, and 1934, which discussed in detail the various items of school costs. Since these vary little from year to year, comment is made in the case of the few items in which there is considerable change. A complete statement of school expenditures is given in the report of the Town Accountant.

The reports for 1930 and 1934 showed current school costs figured out on a unit basis, item by item, and compared them with costs in other towns. A similar comparison for 1935 would give practically the same results. School costs in Chelmsford are low. The report of the Department of Education gives each year the expenditure for school support in all the towns and cities of the Commonwealth. For the year ending December 31, 1934, the report gives \$96,691.86 as the expenditure in Chelmsford, and \$63.16 as the expenditure per pupil in net average membership. The report ranks Chelmsford as 77th of the 83 towns in Group II (towns over 5000) in cost per pupil. In the six towns having a lower cost transportation ran from nothing at all to \$4.46 a pupil. Transportation in Chelmsford costs \$5.23 for each pupil enrolled.

### ADMINISTRATION

The overhead cost of running the schools was \$3,944.81, including expenses of the School Committee, salary of superintendent and of attendance officers, postage and stationery, and telephone in the superintendent's office.

### INSTRUCTION

The amount paid the fifty teachers and music supervisor was \$63.204.23. As explained in last year's report, two separate reductions in teachers' salaries have been made, first by a downwrd revision of salary schedule in 1931, and then in 1933 by a cut of flye per cent, or more. Beginning last April the five per cent cut was restored. Compared with other towns in Group II, towns of over 5000 population, our salary schedule is low. High School teachers, either men or women, begin at \$1100 and receive annual increases of \$100 to a maximum of \$1500 Grade teachers begin at \$850 and receive annual increases of \$50 to a maximum of \$1200. The revision of 1931 left the older grade teachers receiving the maximum of that time, \$1300. There are eleven now receiving that amount.

Books cost \$1,308.69 and supplies \$2,482.14, which with the amount paid teachers made the cost of instruction \$66,995.06.

### OPERATION AND MAINTENANCE

The cost of operation, keeping the school buildings open, includes janitors, \$8,332.50; janitors' supplies, \$390.82; light, water, and power, \$1,626.55; and fuel, \$3,939.87. The ten school buildings required about 500 tons of coal in 1935, 50 tons more than the usual amount.

The cost of maintenance, keeping the buildings repaired, replacing furniture, typewriters, etc., and of improvements, was \$3,153.36. The ten buildings are valued by the Assessors at \$518,000, so this expenditure is about three-fifths of one per cent of the value of the buildings. And be it noted that school buildings, used by children, get hard usage. Great credit is due the janitors for the excellent care the buildings receive. They varnish desks and woodwork, do some painting, and make minor repairs, in addition to keeping the buildings warm and clean. Materials used by ianitors cost \$270. In previous years the East Chelmsford School, the Highland Avenue, and the Ouessy have been painted inside as E. R. A. projects. Last summer application was made for W. P. A. projects for the repairing and painting of the two buildings at Princeton Street and the South Chelmsford School, for calsomining ceilings at the Westlands, and for cleaning and whitewashing the attic at East Chelmsford. The projects were approved and work was started at Princeton Street in December. These buildings were badly in need of major repairs. The carpenter work includes replacing splintered clapboards, repairing belfry on the old building removing the cupola on the new building, which is so weakened that there is danger of it being blown off, replacing all stair treads, replacing some floor timbers, putting up boards for displaying work, building entries from the playground to the basement, etc. Both buildings will be painted on the outside and the old building on the inside. With the completion of this work these buildings, with new toilet systems previously installed, will compare favorably with the other town schools. About \$825 was expended in December for material for the work at Princeton Street schools.

Among repairs and improvements these may be of interest. Two rooms at the High School were lined with celotex to make them warmer. They are decidedly the most comfortable rooms in the building. The peculiar construction of the building, brick walls without a plaster finish, makes it almost impossible to heat the rooms properly in extremely cold weather and on days of high wind. It would probably be a measure of economy to line all the corner rooms with celotex, and this would go far to do away with complaints of chilly rooms. The cost of the two rooms was approximately \$175.

Two typewriters were replaced at a cost of \$80; three flagpoles were rebuilt and reset at a cost of \$60; new window shades cost \$185; doors to the entries at the Westlands, other improvements and repairs amounted to \$145; connecting the plumbing at South Chelmsford with the new water system, \$138; a new ventilating fan at the McFarlin School, \$65; steps at East Chelmsford and other repairs, \$50; chimney and roof at High'and Avenue, \$83; playgrounds and lawns, \$112; lining walls in unexcavated space under old building at Princeton Street to prevent pipes from freezing, \$75; electric wiring, motors, etc., \$110.

As is always the case, the month to month repairs to the heating and plumbing systems constituted the largest bills for maintenance. Two items were unusual in 1935, both in the McFarlin School. The heating system is of the vacuum type, and electric pumps are used to return the water to the boilers. The pumps seemed to be running excessively. A checkup revealed many leaks in the peculiar valves used in the system. These were

replaced at a cost, with labor, of \$114. The power bills in the school immediately dropped from a high of \$13.77 for November 1934 to the minimum rate of \$3.00 a month.

Soon after school opened in September sewage backed up into the toilets in the McFarlin School. When the traps were opened the waste pipes were found clear till they left the building. In previous years the dry wells which receive the effluent from the septic tanks have proved inadequate, and additional wells have been dug and connected with the system. We have never had a plan of the plumbing or of the septic tanks. On uncovering the tanks we found ten small ones set in line. The tank nearest the building was absolutely filled with solids; there was no possibility of the sewage flowing to the second tank. The next two or three were almost as bad, and it may be questioned whether this battery of ten small tanks ever functioned properly. The solids were cleaned out of the tanks and they were covered up, as the quickest way of handling the situation. This cannot be considered a permanent solution of the difficulty. The tanks may answer for two, or three, or five years, but eventually the same situation will develop. Sewage disposal both for this school and for the High School is a major problem. I would suggest that the Town might do well to engage a sanitary engineer, possibly one from the Department of Public Health, to make a study of the situation in both schools and to recommend procedure for a permanent solution. The cost of this blocking of the sewage system was one day of school lost and about \$85.

Ordinary plumbing repairs amounted to about \$275, and the balance of the expenditure for maintenance about \$325, was in many small items for repairing doors, windows, furniture, etc.

### AUXILIARY AGENCIES

Getting children to and from school and caring for their health are included under this heading. Last June the second three-year transportation contract with George W. Marinel terminated. Bids for another three-year period were called for in June, and when they were opened the contract was again awarded to Mr. Marinel at a somewhat increased cost. This contract calls for the payment of \$27,000 to be made in monthly payments for the 34 months from the opening of school last September to July 1, 1938, when the contract terminates. On October 1, 1935, 297 were being carried to the High School, 137 to McFarlin, 78 to Princeton Street, 72 to Ouessy, and 29 to South, 613 in all. This makes the cost for each pupil carried \$14.70. In addition to carrying pupils to the regular school sessions, the contract includes transportation of pupils to entertainments, graduation exercises, rehearsals, etc., which are approved by the School Committee and to the clinics conducted by the Board of Health. Since the schools are in session about 180 days the cost per day for each pupil carried is less than 9 cents.

No figures are published by the state for the number of pupils carried in the various towns and cities, but the expenditures for transportation are given. Conditions vary widely in different towns, depending on whether the population is closely grouped in one small area or spread out over a

large township. The latter condition prevails in Chelmsford. Over a third of all the pupils are carried to school. In contrast Clinton reported last year no expenditures for transportation and Arlington less than \$20. For the conditions existing in Chelmsford we believe transportation is being provided at a low cost, but it is above the average for the 83 towns in Group II.

The total for Auxiliary Agencies, including the school nurse and school physician, was \$10,774.84.

New equipment, all to provide for increased enrollment in the Higl: School, cost \$248.15.

Summarizing the above, school costs were:	
Administration	\$ 3.944 81
Instruction	66,995.06
Operation and Maintenance	17,443.10
Auxiliary Agencies	10,774.84
New Equipment	248.15
Total	\$ 99,405 96

The town received in 1935 on school account the following amounts. The first item is, I understand, a credit extended the town by the state, and not a cash receipt. Under date of December 10, 1935, this letter was received:

"Under the provisions of Part I of Chapter 70 of the General Laws, which provides state reimbursements on account of the employment of teachers, I have certified to the Commissioner of Corporations and Taxations and to the Comptroller that the amount given below was due the Town of Chelmsford on November 20, 1935. Amount \$15,400.68."

(Signed) PAYSON SMITH, Commissioner of Education.

### RECEIPTS BY THE TOWN ON SCHOOL ACCOUNT

From the State as Rebate on Teachers' Salaries	\$ 15,400.68
From the State for Tuition of State Wards	3,708 93
From Other Towns for Tuition	1,189.06
From Sale of Garage	25.00
From Sale of Pump and Tank	10.00
Total	\$ 20,333.67

Deducting these receipts from the total expenditures by the School Committee leaves as the part of the cost of the Chelmsford schools in 1935 which was raised by local taxation \$79.072 29. Since on the present valuation each \$1000 of expenditures adds about 15 cents to the tax rate, the schools required about \$12 of the 1935 rate of \$35.

On October 1st there were 79 state wards attending the Chelmsford schools, and ten pupils from other towns.

Also on October 1st there were 20 students from Chelmsford in Lowell Vocational School. The amount paid for tuition in 1935 was \$2,746.04, and the rebate from the State amounted to \$1,106.89, leaving the net cost \$1,639.15. This account is not handled through the School Department.

#### **TEACHERS**

During the year resignations were received from Miss Wells in the High School, Miss Mellen at Highland Avenue, Miss Murphy and Miss McTeague at Princeton Street, and Miss Peterson at Princeton Street requested leave of absence. Miss Ryan was transferred from South Chelmsford to the 5th and 6th grade room at Highland Avenue, and Miss Harrington from South Row to the 5th grade at Princeton Street. Miss Beth R. Hoffman, a graduate of Boston University, was elected to the position in the High School; Mr. Gerald Ivers, a graduate of Lowe 1 Textile Institute, and Miss Ann Hehir were elected to the 8th grade and 1st grade positions at Princeton Street; Miss Roberta Small to the upper grade position in South Chelmsford. Miss Hehir and Miss Small are graduates of Chelmsford High School and Lowell Teachers' College Miss Charlotte Lyons, a graduate of Plymouth Normal, with three years' experience, was elected to the South Row School, and later transferred to the McFarlin. The High School opened with increased enrol ment of about ten per cent, necessitating using a room in the McFarlin School and engaging another teacher. Miss Catherine Coughlan of Maynard, a graduate of Boston University, was secured.

The morale of the teachers remained high during the years when their salaries were reduced. At the same time many of them were required to take on increased burdens because of overcrowding and they did this without complaint. While the average size of the grade schools has not been unduly large, a few rooms each year have been badly crowded. This year two rooms at McFarlin School, three at East Chelmsford, and one at the Westlands have had over 40 pupils. The worst case is the 5th and 6th grade room at the Westlands, which normally seats 35 pupils. Chair desks have been crowded in and fill every foot of floor space in order to accommodate the 46 pupils entitled to attend these grades. This building and the East Chelmsford building have been filled to capacity for several years

Conditions in the High School have been discussed in all recent reports and on the floor of the Town Hall. It is useless to repeat details. Great credit is due the teachers for the splendid spirit they have shown in taking on unusually large classes in cramped quarters, and then by the earnestness of their endeavors maintaining the school's high standards. It may well be asked how long these standards can be maintained, or how much longer the school can retain Grade A rating by the State, when every regulation regarding seating, ventilation, toilet facilities, etc., is being disregarded. Up to the present time the untiring work and loyalty of the teachers have served to overcome many material deficiencies.

#### POPULATION AND SCHOOL ENROLLMENT

The Town Report of 1930, pages 126-129, gives the population changes of Chelmsford from 1765 to 1925, with an estimate of probable future growth. Going back twenty years only, and adding the census figures for 1930 and 1935, the table reads as follows:

		Increase in	Five Years
Year	Population	Number	Per Cent
1915	5,182	172	3.4
1920	5,682	500	9.7
1925	6,573	891	15.7
1930	7,922	449	6.8
1935		413	5.9

What the next ten years will show I do not assume to predict.

Of greater importance in school matters than mere growth in population is the ratio that the number of people in town bears to the number of children in school, as shown below.

		Elementary	High
Year	Population	Schools	School
1915	5,182	887	148
1920	5,682	843	141
1925	6, <b>57</b> 3	1122	194
1930		1182	305
1935	7,435	1203	436

In the twenty years, population increased 43 per cent, the elementary schools 35 per cent, but the High School increased 194 per cent. This is not peculiar to Chelmsford; it is true everywhere. The Comissioner of Education in Connecticut, Hon E. W. Butterfield, gives this formula for determining the size of a high school today. Take the size of the school a generation ago, add the per cent the population has grown in that time, and then double the result. The actual size of the school will be within five per cent of the result obtained by the formula. Try it with the figures given above. Mr. Butterfield speaks of this astounding increase in high school membership as "The New Fifty Per Cent," meaning the half of present day high school students who a generation ago would never have entered high school at all. Formerly pupils dropped out rapidly from the 6th grade on; now there is little drop till about the third year in high school.

This influx of pupils has created problems everywhere. No town which built its high school before 1920 built large enough. Note the towns and cities which have either enlarged their high schools, or built new junior high schools to take care of larger 7th, 8th, and 9th grades. About 1920 there began a thorough reorganization of high school courses of study, which is not yet complete. This "new fifty per cent" need different work than that which answered satisfactorily for the book-minded students of a generation ago. Practical courses are demanded, courses which teach students how to do things, instead of teaching about things. These courses

need cost no more than the traditional ones, but they do require workshops and laboratories and teachers trained to teach practical arts instead of Latin and mathematics. Chelmsford thus far has not provide either the necessary rooms or modern courses.

#### SAFETY EDUCATION

A matter of prime importance to all citizens, especially to parents, is safety on the highways. Every effort is made by the teachers to impress on the children's minds the need of care at all times. The traffic patrols and the bus patrols organized in several of the schools have been valuable aids in getting children home safely. The bus drivers hold very responsible positions in this regard. They deserve commendation for the fact that no serious accidents have occurred on the busses. Several accidents, one fatal, have occurred while children were on the way to bus stops, or after leaving the bus. Parents have full responsibility till the children get to the busses in the morning, and after they leave the busses at night. The children who walk from their homes to school probably encounter more hazards than the groups who are transported. We endeavor to send them home by the safest routes, but they sometimes come to school along other ways. The crossings at Central Square, on Princeton Street, and on Lowell Road are under police protection at the times when the children go home at noon and night, but it is impossible to guard all crossings. The playground at East Chelmsford has been made safer by moving a fence to the roadside, a bit of E. R. A. work. The unfenced playground of the McFarlin School, along Lowell Road, is a place of danger. Children often race into the street in their play in spite of all caution that can be given. and in coming to school they cross everywhere. Fencing the side of the McFarlin grounds might save a life.

Thanks are given to the many citizens and associations who have aided the schools in one way or another during 1935, such as the Parent-Teacher Associations, the Lions Club, the Police Department, the American Legion, the leaders of 4-H clubs and the Scouts, the High School students who aided in clerical work, cadet teachers from Lowell Teachers' College, etc. The services rendered voluntarily by these have been invaluable to the schools and in behalf of all the teachers I express sincere appreciation You, the members of the School Committee, have given of your best to the people of Chelmsford and to the pupils in school. Few know and appreciate the many hours of painstaking thought and attention which you and your predecessors in office have given to the many problems which come up for solution. For the teachers, pupils, and the general public I express sincere appreciation.

Respectfully submitted,

GEÖRGE S. WRIGHT,
Superintendent.

#### REPORT OF HIGH SCHOOL PRINCIPAL

Chelmsford, Massachusetts, January 1, 1936.

Mr. George S. Wright, Superintendent of Schools, Chelmsford, Massachusetts.

My Dear Mr. Wright:

It is with great pleasure that I submit my sixth annual report as principal of Chelmsford High School.

The enrollment in September was 206 boys, 226 girls. Since September, 9 boys have entered, 11 boys have left, 6 girls have entered, and 11 girls have left making a total enrollment up to January 1, 1936, of 447. This is the largest enrollment in the history of the school.

This year a room in the McFarlin School building has been used as a home room for 35 pupils. This room is also used as a recitation room each period of the day. One other room is also used as a recitation room one period each day.

Athletics at Chelmsford High School are on a very firm foundation. School spirit is excellent. Chelmsford enjoys very friendly relationships with all schools which she meets on the court or field. Both pupils and players are taught that clean athletics and good sportsmanship are to be sought after rather than mere winning teams. Much help has been given by the various civic organizations of the town, police department, and loyal citizens, which has helped to keep athletics on the present high level at Chelmsford High School.

This year a student council has been organized by the pupils, with the help of the principal and teachers. "We, the members of the Student Council of Chelmsford High School, in order to help teach the pupils of our school how to govern themselves better, have drawn up the constitution by which our council may be governed in a suitable manner." This preamble to the constitution, writen by one of the members, explains the purpose of this student council. This group meets with the principal three times a week. Much good work has been done, and I am sure more is to follow by these pupils chosen by their classmates for this very important duty.

The debating club and dramatic society, both new organizations in the school, are doing good work under the direction of members of the faculty. Debates and short plays have been presented at assemblies and Parent-Teacher meetings. The objective of these two organizations is to teach pupils to think clearly and stand on their feet and express themselves correctly.

The publications committee, headed by our vice-principal, has charge of the editing of the Blue Moon and the Year Book. These publications entail a great deal of work. Much credit is due the teachers and pupils for the excellent work done in this field.

The financial condition of the high school fund is shown in the following report made by Miss McCarthy, our vice-principal, who has charge of the department:

Respectfully submitted,

LUCIAN H. BURNS.

#### REPORT OF MUSIC SUPERVISOR

Mr. George Wright, Superintendent of Schools, Chelmsford, Massachusetts. Dear Sir:

From one year to another the fundamentals of music teaching change very little. The essentials are always brought to the foreground: good tone, good enunciation, and rhythm. These are the most important, and should be exercised with every song that is sung by the pupils. Two and three part singing is developed in the fifth and sixth grades, and carried through with a greater degree of difficulty in the seventh and eighth grades.

This year rhythm games and folk dancing have been developed on a small scale. In the first and second grades singing games are taught and every child takes part if possible. This tends to develop confidence and poise that perhaps the child has not felt before, and it is with a great deal of pleasure that the less musical child finds his place with the more talented of his class.

Some simple folk dances have been taught in the third and fourth grades, and the children love them. Most of the schools do not boast a play room, but a small group is taken to one corner of the room, if the dance is not a ring dance, and the rest of the class contribute the accompaniment to the dance.

In the High School music classes meet twice a week for chorus and music appreciation. A notebook is kept and tests are given to determine more accurately the mark the pupils should receive.

The orchestra is small this year and is made up of practically all new members. Four of five members graduated last June. However, we have six violins, one saxophone, one clarinet, two trumpets, two tenor banjos, and one trombone.

This year a girls' rhythmic club was started, and about eighty girls responded, but some have had to drop out because of studies and other activities. We have had about ten meetings this past year, and we have learned about six folk dances from Russia, Sweden, and Poland. Now that basketball practice has started, and we can no longer meet regularly in the gym, we are meeting in the High School and turning our attention to a capella singing. We hope to give a short musical comedy in the near future, together with choral singing, and folk dancing.

Thanking every teacher for his or her co-operation, I am,

Yours truly,

CHARLOTTE L. HYDE.

#### REPORT OF SCHOOL NURSE

Mr. George S. Wright, Superintendent of Schools, Chelmsford, Massachusetts.

Dear Sir:

I hereby submit my report as School Nurse for the year ending December, 1935:

Number of pupils examined	1670
Defects found	<b>74</b> 9
Defective teeth	310
Defective tonsils and adenoids	186
Defective heart	17
Defective eyes	63
Defective ears	5
Cervical glands	38

Thyroid glands	4
Anemia	5
Acne	14
Poor posture	18
Bronchitis	1
Nasal obstructions	11
Spinal curvature (Scoliosis)	1
Underweight	53
Pediculosis	24
Taken home by nurse for illness	210
Excluded from school for suspected illness	<b>2</b> 96
Absentees visited at home	648
Excluded from school for ringworm, impetigo, poison ivy,	
pediculosis	96
Individual instruction	598
First aid	43
Dressings	895
Investigations	31
Instructive and advisory home visits	284
Sanitary inspection of schools	98
Personal hygiene and health talks to pupils	149
Pupils sent or taken to family physician	95
Pupils sent or taken to school physician	227

The school physicians, Dr. Arthur Scoboria and Dr. Ernest Latham, assisted by the nurse, gave all pupils a thorough physical examination at the beginning of the year; candidates for the football squad and girls going out for the basketball team were given complete physical examinations before the respective seasons opened.

Children in the grammar schools have been weighed and measured; after the underweights were checked, milk was suggested or given to those who needed it the most and who could not pay for it. In both the grammar and high schools eye and ear tests have been carried out, notices of defects being sent to the parents.

#### CORRECTIONS

Tonsils and adenoids	65
Glasses	35
Lens changed	49
Teeth treated	311
Teeth filled—permanent	710
Teeth filled—temporary	411
Teeth cleaned	607
Teeth extracted—permanent	23
Teeth extracted—temporary	401
Examined by dentist	1024

### CORRECTIONS SECURED THROUGH GENEROSITY OF LOCAL PEOPLE AND ORGANIZATIONS

Glasses	3
Lens changed	2
Medical care	5
Tonsils and adenoids	

Dental work in the schools is taken care of by Dr. Ritter, who has been a most efficient dentist in the six and one-half years he has been with us. He is in the school every Wednesday from 9 A. M. to 3 P. M.

The Parent-Teacher Associations in all parts of the town have generously helped to correct dental defects of children who could not afford to pay. In the spring, when the High School Parent-Teacher Association disbanded, nine dollars which was left in the treasury was given over to the dentist-three high school pupils had all their dental work done. Parent-Teacher Association in the McFarlin School still sponsors the lunch room, serving hot stews, soup, cocoa, sandwiches, and milk at cost. cost of free lunches given out amounted to \$93.80. The lunch room in North Chelmsford, also under the direction of the Parent-Teacher Association there, serves about the same menu as does the McFarlin School lunch room. All the schools except the Westlands, where the children go home for lunch, have hot soups and cocoa at noon, while a great amount of milk is consumed in all schools at recess. This milk is delivered daily by Mr. Blood, Mr. Blaisdell, and Mr. Catherwood. Churches also in the Centre have for the past two years held collections for the benefit of children who cannot pay for milk at recess.

The May Day campaign for healthy boys and girls saw much correction, and greater than ever were the observations in all parts of the town. I must commend the teachers for their excellent co-operation in making this day a great success.

When the Summer Round-up clinics were held early in June, the response was more than satisfactory, for more than half of the entering classes were examined by the school doctors. Many defects were corrected before the entering date; I also wish to thank the parents for their cooperation in bringing the birth and vaccination certificates with them when their children came to school the first day—this greatly lessens the delay in getting the school year under way.

Any child who is reported as having been in contact with a contagious disease is examined by a school physician and the nurse; any books also in contact are fumigated by the nurse and returned. In order to protect other children pupils with colds are excluded for a short time.

At Thanksgiving time the Girl Scouts made up three baskets and the Police Department gave me one to deliver. At Christmas the Police Department gave 21 baskets (also one at New Year's); the Lion's Club, 4; Boy Scouts in the Westlands, 1; Girl Scouts in the Westlands, 2; Parent-Teacher Association in North Chelmsford, 4; Boy Scouts in North Chelmsford, 5; American Legion Auxiliary, North Chelmsford, 4; American Legion in North Chelmsford, 2; American Legion in Centre, 2; American Legion Auxiliary in Centre, toys; Police Department, \$10.00 for stockings

and toys, and money for coal and oil; Unitarian Church, toys and a donation from the candlelight service; the Garden Club, toys. At graduation both the Police Department and the Grange gave clothes to boys and girls who otherwise would not have graduated. I wish to take this opportunity to heartily thank each and every one of the above organizations for their hearty co-operation in relieving the many families helped in this town.

For the sixth year my Health Club has sponsored a successful banquet for the football boys and guests; this year the club is exceptionally active and plans are in progress for a very busy season.

Pupils Schicked in May who were immunized in October, 1934:

	`	210 11
	-	
Tot	al	221

Seven of these eleven were re-immunized in October, 1935—the other four had left town. We gave Diphtheria toxoid to 195 children under twelve years of age, and toxin-anti-toxin to two teachers and seventeen children over twelve years of age; these will receive the Schick test in the spring, but the children under twelve will not require it. There has not been a case of Diphtheria in town in 1935.

In October the Middlesex County conducted a school clinic at which pupils in the seventh, ninth, and eleventh grades were given the tuberculosis test. Twelve children in lower grades who were exposed to tuberculosis were also tested and held over to another year to be X-rayed and examined as observation cases.

Children	Tested	166
Children	X-rayed	63
Children	Referred for Examination	13
Deferred	Case	1

There were ten pupils who have been X-rayed and examined each year by Dr. Martin, of the Department of Public Health, who conducts the clinic. All have improved to such an extent that the doctors do not consider it necessary for them to return another year for examination.

Dr. Archibald, of the Department of Public Health, visited many times during the year to discuss health conditions in the town.

In closing I would like to express my appreciation to you, Mr. Wright, for your excellent advice and guidance in the school health work; to the school physicians, Dr. Varney, Dr. Scoboria, and Dr. Latham, our new physician; to the teachers and parents for their loyal support; and to the various town organizations for faithful service and sincere co-operation in the nealth program.

Respectfully submitted,

MAE S. LEWIS, R. N.,

School Nurse.

December 31, 1935.
