VITAL STATISTICS

For the Year Ending December 31, 1944

Attention is called to the following vital statistics. It is important that these records shall be correct. If any errors are discovered, the Town Clerk will deem it a favor to have them reported at once so that corrections may be made.

As required by Chapter 16, Section 15, General Laws of Massachusetts, notice is hereby given that the Town Clerk will furnish blanks for returns of births to parents, householders, physicians and registered hospital officers applying therefore.

WARRANT FOR ANNUAL TOWN MEETING
March 6, 1944 and March 13, 1944

COMMONWEALTH OF MASSACHUSETTS

Middlesex, ss.

To Lawrence W. Chute, Constable, or any suitable person of the Town of Chelmsford.

GREETING:

In the name of the Commonwealth aforesaid, you are hereby requested to notify and warn the legal voters of said Chelmsford to meet in their several polling places, viz:

- Precinct 1. Town Hall, Chelmsford Centre.
- Precinct 2. Town Hall, North Chelmsford.
- Precinct 3. Fire House, West Chelmsford.
- Precinct 4. School House, East Chelmsford.
- Precinct 5. Liberty Hall, South Chelmsford.
- Precinct 6. Golden Cove School House, Westlands.

On Monday, the sixth day of March, 1944, being the first Monday in said month, at 12 o'clock noon, for the following purposes:

To bring in their votes for the following officers:

- Moderator for one year.
- One Selectman for three years.
- One Member of the Board of Public Welfare for three years.
- One Assessor for three years.
- One Member of the Board of Health for three years.
- One School Committee Member for three years.
- One Cemetery Commissioner for three years.
- One Park Commissioner for three years.
- Two Trustees of Adams Library for three years.
- One Sinking Fund Commissioner for three years.
- One Member of the Planning Board for five years.
- One Constable for one year.

All on one ballot.

The polls will be open from 12 noon to 8 P.M. and to meet in the Town Hall at Chelmsford on the following Monday, the 13th day of March, 1944 at 7:30 o'clock in the evening, then and there to act upon the following articles viz:

Article 1.

To hear reports of Town Officers and Committees; or act in relation thereto.

Article 2.

To raise and appropriate such sums of money as may be required to defray Town charges for the current year; or act in relation thereto.

Article 3.

To see if the Town will authorize the Selectmen to act as its agent in any suit or suits which may arise during the current year, with authority to settle and adjust claims or demands for or against the Town; and to employ counsel whenever in their judgment it is necessary; or act in relation thereto.

Article 4.

To see if the Town will authorize the Treasurer, with the approval of the Selectmen, to borrow money in anticipation of the revenue of the current financial year; or act in relation thereto.

Article 5.

To see if the Town will vote to raise and appropriate a sufficient sum of money with which to meet unpaid bills for the year 1943; or act in relation thereto.

Article 6.

To see if the Town will vote to raise and appropriate the sum of Two Thousand and Four Hundred Thirty Seven and 12/100 Dollars (\$2437.12) to pay the County of Middlesex, as required by law, the Town's share of the Middlesex County Tuberculosis Hospital, as assessed in accordance with the provisions of Chapter 111 of the General Laws; or act in relation thereto.

Article 7.

To see if the Town will vote to raise and appropriate the sum of Fourteen Hundred (\$1400) Dollars or some other sum to defray the expense of procuring plans and specifications for two proposed fire stations, one in the Centre and one in North Chelmsford; or act in relation thereto.

Article 8.

To see if the Town will vote to raise and appropriate the sum of Eight Hundred (\$800) Dollars or some other sum for the purpose of purchasing an automobile for the Police Department, said purchase to be made under the supervision of the Board of Selectmen; or act in relation thereto.

Article 9.

In the event of an affirmative vote under Article 8, to see if the Town will vote to authorize the Selectmen to transfer by a good and sufficient bill of sale title to an automobile now used by the Police Department; or act in relation thereto.

Article 10.

To see if the Town will accept Section 48 of Chapter 31 of the General Laws, placing regular or permanent police members under the rules and regulations of the Civil Service; or act in relation thereto. Said Section reads as follows:

"Section 48, Application to Police, etc. of certain Towns. A Town which has not accepted this Chapter or the corresponding provisions of earlier laws, may accept this section as to its regular or permanent police and fire forces, or as to either of them. Acceptance to the fire force shall include regular members and may include call members, and a Town which has accepted this section or corresponding provisions of earlier laws as to regular firemen may afterward accept this section as to call firemen. In a Town which accepts this section by vote of the Town at a Town meeting, or has accepted corresponding provisions of earlier laws, as to any and all of said forces, the members of the forces to which the acceptance relates shall be subject to the chapter and rules made hereunder, and shall hold office until their death, resignation or removal, but members in office at the time of such acceptance shall continue in office without examination or reappointment."

Article 11.

To see if the Town will vote to accept Section 49, Chapter 31 of the General

Laws, placing the Chief of Police under the rules and regulation of the Civil Service; or act in relation thereto. Said Section reads as follows:

"Section 49. Application to Chiefs of Police, etc. of certain Towns and Cities. This Chapter and the rules made hereunder shall apply to Superintendents Chiefs of Police, and Chief Marshalls in Cities which have accepted Chapter Four Hundred and Sixty Eight of the Acts of Nineteen Hundred and Eleven in the manner herein provided, and in Towns which have a Police force subject to this Chapter and which have accepted said Chapter Four Hundred and Sixty Eight or accept this Section, by vote at an Annual Town Meeting."

Article 12:

If it is voted to place the office of the Chief of Police within the classified Civil Service, shall the Town vote to provide for the continuance in said office of Ralph J. Hulslander, the present incumbent thereof.

Article 13.

To see if the Town will vote to accept a portion of Harding Street as laid out by the Selectmen as shown by their report and plan duly filed in the office of the Town Clerk; or act in relation thereto.

Article 14.

To see if the Town will vote to raise and appropriate a sum of money for the purpose of reconstructing Harding Street; or act in relation thereto.

Article 15.

To see if the Town will vote to raise and appropriate a certain sum of money to be used for Post-War Public Works Projects when the Post-War Public Works Committee declares an emergency exists; or act in relation thereto.

Article 16.

To see if the Town will vote to raise and appropriate a certain sum of money for the purpose of purchasing lands near or adjacent to the High School Buildings to be used for school recreational and athletic purposes; or act in relation thereto.

Article 17.

To see if the Town will vote to raise and appropriate a certain sum of money for the purpose of defraying civil engineering expenses on land near or abutting the High School; or act in relation thereto.

Article 18.

To see if the Town will vote to accept a portion of Miland Avenue as laid out by the Selectmen as shown by their report and plan duly filed in the office of the Town Clerk; or act in relation thereto.

Article 19.

To see if the Town will vote to raise and appropriate the sum of Four Hundred (\$400) Dollars or some other sum for the purpose of repairing the Varney Playground by reason of the damage caused by fire, wind and lightning; or act in relation thereto.

Article 20.

To see if the Town will vote to authorize the Selectmen to sell and convey

by a good and sufficient deed all the lands conveyed to the Town by Roberta Sadler, Mary A. Gamage and William B. Helleur; or act in relation thereto.

Article 21.

To see if the Town will vote to raise and appropriate the sum of One Hundred (\$100) Dollars for the purpose of reimbursing the First Congregational Society (Unitarian) for expenses incurred in priming and painting the rim and gold leafing the hands and numbers of the four clock faces on the clock located in the steeple of the church or said Society; or act in relation thereto.

Article 22.

To see if the Town will vote to raise and appropriate the sum of One Thousand (\$1000) Dollars or some other sum for the purpose of defending tax abatement cases; or act in relation thereto.

Article 23.

To see if the town will vote to raise and appropriate the sum of Fifteen Hundred (\$1500) Dollars to be used as a Post-War Project for the Cemetery Commission, the money so appropriated to be used exclusively in the Pine Ridge Cemetery and under the direction of the Cemetery Commission.

Article 24.

To see if the Town will vote to raise and appropriate a certain sum of money to pay bills presented by the Laycold Pavement Co.; or act in relation thereto.

Article 25.

To see if the Town will vote to request the Department of Corporations and Taxation Division of Accounts to make an audit of all Town of Chelmsford accounts; or act in relation thereto.

Article 26.

To see if the Town will vote to raise and appropriate the sum of Twelve Hundred (\$1200) Dollars for the purpose of foreclosing tax titles held by the Town of Chelmsford; or act in relation thereto.

Article 27.

To see if the Town will vote to raise and appropriate the sum of Three Hundred (\$300) Dollars for the purpose of paying for group insurance for the Firemen; or act in relation thereto.

Article 28.

To see if the Town will vote to raise and appropriate a certain sum of money for the purpose of settling claims and suits against the Town; or act in relation thereto.

Article 29.

To see if the Town will vote to raise and appropriate a certain sum of money for the purpose of defraying the legal cost of defending claims and suits against the Town and for making claims and prosecuting suits in behalf of the Town; or act in relation thereto.

Article 30.

To see if the Town will vote to raise and appropriate a certain sum of money for the purpose of defraying the salary of the Consultant and Director of the pro-

gram for the Re-habilitation of Veterans; or act in relation thereto.

Article 31.

To see if the Town will vote to transfer from Overlay reserve Account a sum of money not exceeding Two Thousand (\$2000) Dollars to be used as a Reserve Fund at the discretion of the Finance Committee, as provided in General Laws, Chapter 40, Section 6; or act in relation thereto.

Article 32.

To see if the Town will vote to authorize the Board of Assessors to use a sum of money in the amount such as the Commissioner of Corporations and Taxation of the Commonwealth of Massachusetts may approve as free cash, said sum of money to be applied in determining the tax rate for the year 1944; or act in relation thereto.

AND YOU ARE DIRECTED to serve this Warrant by posting attested copies thereof at the Post Offices in the Centre of the Town, South Chelmsford, North Chelmsford, and West Chelmsford and at the School House in East Chelmsford and the Golden Cove School House, Westlands, seven days at least before the time appointed for holding the first meeting aforesaid.

HEREOF FAIL NOT, and make return of the Warrant with your doings thereon to the Town Clerk at the time and place of holding this meeting aforesaid.

Given under our hands this 26th day of January in the year of our Lord Nineteen hundred and forty four.

Karl M. Perham
Stewart MacKay
Raymond H. Greenwood
Selectmen of Chelmsford.

COMMONWEALTH OF MASSACHUSETTS

Middlesex, ss.

Chelmsford, Mass.

January 1944

I have served this Warrant by posting attested copies at the Post Offices in the Centre of the Town, South Chelmsford, North Chelmsford, West Chelmsford, and the School House in East Chelmsford and at the Golden Cove School House in the Westlands, seven days at least before the time of holding the meeting, as within directed.

Lawrence W. Chute

March 13th 1944

The annual business meeting of the Town of Chelmsford was held in the Upper Town Hall, in Chelmsford Centre on March 13th 1944, at 7:30 P.M.

The meeting was called to order by Moderator Walter Perham and Town Clerk Harold C. Petterson was requested to read the warrant. After the warrant was partly read, Mr Wendell P. Harvey moved that the further reading of the warrant be waived, and it was so voted.

On a motion made by Town Clerk Harold C. Petterson, it was voted to adjourn the meeting to the High School Auditorium at 8.P.M. At 8.P.M. the Moderator called the meeting to order in the High School Auditorium, and the following business was transacted:

Under Article 1.

On a motion made by Selectman Karl M. Perham, it was voted to make the following correction in the Town Report, article 29 as printed in the town report to read article 30, and to insert article 30 which was erroneously omitted, said article reads as follows:

Article 30. To see if the Town will vote to raise and appropriate a certain sum of money for the purpose of defraying the salary of the Consultant and Director of the program for Re-habilitation of Veterans; or act in relation thereto.

Edmund J. Welch reported for the Committee appointed to confer with the Eastern Massachusetts Street Railway, for better bus service, Mr. Welch explained that he had been inducted into the Armed Forces of the United States and that at the annual town meeting in 1943 he was unable to attend for that reason, he stated that the Committee had not anything to report and his report of the doings of the Committee was accepted and placed on file.

Mr. Edward L. Monahan reported for the Committee on new by-laws, Mr. Monahan explained that his Committee had not made any progress and no further report to make. It was voted to accept his report and place the same on file.

Mr. Leslie H. Adams was elected a member of the Varney Playground Committee for three years. Other Members of this Committee are:

Arnaud Plackadar----Term expires 1946

Clifford Hartley----Term expire 1945

WARRANT FOR STATE PRIMARY

Tuesday, the Eleventh day of July, 1944

COMMONWEALTH OF MASSACHUSETTS

Middlesex, ss.

To Lawrence W. Chute, Constable of the Town of Chelmsford, or any suitable person,

GREETING:

In the name of the Commonwealth, you are hereby required to notify and warn the Inhabitants of said Town who are qualified to vote in Primaries to meet in their several polling places, viz:

- Precinct 1. Town Hall, Chelmsford Centre
- Precinct 2. Town Hall, North Chelmsford
- Precinct 3. Fire House, West Chelmsford
- Precinct 4. School House, East Chelmsford
- Precinct 5. Liberty Hall, South Chelmsford
- Precinct 6. Golden Cove School House, Westlands

On Tuesday, the Eleventh day of July, 1944 at 12 o'clock noon for the following purposes:

To bring in their votes to the Primary Officers for the Nomination of Candidates of Political Parties for the following offices:

- Governor -- for this Commonwealth
- Lieutenant Governor -- for this Commonwealth
- Secretary of the Commonwealth -- for this Commonwealth
- Treasurer and Receiver-General -- for this Commonwealth
- Auditor of the Commonwealth -- for this Commonwealth
- Attorney General -- for this Commonwealth
- Senator in Congress (to fill vacancy) -- for this Commonwealth
- Representative in Congress -- for Fifth Congressional District
- Councillor --for Third Councillor District
- Senator -- for First Senatorial District
- One Representative in General Court -- for Eleventh Representative District
- Two County Commissioners -- for Middlesex County

A County Commissioner for Middlesex County to fill
vacancy

The polls will be open from 12 o'clock noon to 8. P.M.

And you are directed to serve this warrant by posting attested copies thereof seven days at least before the time of said meeting as directed by vote of the town.

Hereof, fail not, and make return of this warrant with your doings thereon at the time and place of said meeting.

Given under our hands and seals this 26th day of June, 1944.

Karl M Perham
Raymond H Greenwood
Stewart MacKay

Selectmen of Chelmsford

COMMONWEALTH OF MASSACHUSETTS

Chelmsford, June 30, 1944

Middlesex, ss.

Pursuant to the within Warrant, I have notified and warned the Inhabitants of the Town of Chelmsford, by posting up attested copies of the same at the Post Offices in the Centre of the Town, North Chelmsford, South Chelmsford, West Chelmsford, and at the School House in the Westlands, seven days at least before the time of holding the meeting as within directed.

Lawrence W Chute
Constable of Chelmsford

WARRANT FOR STATE AND NATIONAL ELECTION

November 7, 1944

COMMONWEALTH OF MASSACHUSETTS

Middlesex, ss.

To Lawrence W. Chute, a Constable of the Town of Chelmsford.
GREETING:

In the name of the Commonwealth you are hereby required to notify and warn the inhabitants of said Chelmsford, who are qualified to vote in elections, to meet in their several polling places, viz:

Precinct One, Town Hall, Chelmsford Centre
Precinct Two, Town Hall, North Chelmsford
Precinct Three, Fire House, West Chelmsford
Precinct Four, School House, East Chelmsford
Precinct Five, Liberty Hall, South Chelmsford
Precinct Six, Golden Cove School House,
Westlands

On Tuesday, the 7th day of November, 1944, being the first Tuesday after the first Monday in said month, at ten o'clock A.M. for the following purposes:

To bring in their votes for the following officers:

Presidential Electors

Governor -- for this Commonwealth
Lieutenant Governor -- for this Commonwealth
Secretary of the Commonwealth -- for this Commonwealth
Treasurer and Receiver-General -- for this Commonwealth
Auditor of the Commonwealth -- for this Commonwealth
Attorney-General -- for this Commonwealth
Senator in Congress
Councillor -- for Third Councillor District
Senator -- for First Senatorial District
One Representative in General Court -- for Eleventh Representative District
Two County Commissioners -- for Middlesex County
Sheriff for Middlesex County

VACANCIES

In Middlesex County: A County Commissioner

And to act upon the following matters:

QUESTIONS # 1

PROPOSED AMENDMENT TO THE CONSTITUTION

Shall an amendment to the constitution to provide for a Fair, Concise Summary, instead of a Description, of Each Proposed Amendment to the Constitution and Each Law submitted to the People, under the Initiative and the Referendum, and Certain Changes relative to the Filing of Initiative Petitions which is further described as follows:-

This amendment amends Article XLVIII of the Amendments to the Constitution by striking out section three under the heading "The Initiative, 11. Initiative Petitions" and inserting in place thereof a new section which provides,-

That an initiative petition for a constitutional amendment or a law shall first be signed by ten qualified voters of the Commonwealth and shall be submitted to the Attorney General not later than the first Wednesday of the August before the assembling of the General Court into which it is to be introduced. It may be filed with the Secretary of the Commonwealth if the Attorney General shall certify that the measure and its title are in proper form and that it is not, affirmatively or negatively, substantially the same as any measure which has been qualified for submission or submitted to the people at either of the

two biennial state elections, and that it contains only subjects not excluded from the popular initiative and which are related or which are mutually dependent.

The Secretary shall provide blanks for the use of subsequent signers. He shall print at the top of each blank a fair, concise summary of the proposed measure, as determined by the Attorney General as it will appear upon the ballot, together with the names and residences of the first ten signers. All such petitions, with the first ten signatures attached, shall be filed with the Secretary not earlier than the first Wednesday of the September before the assembling of the Legislature into which they are to be introduced, and the remainder of the required signatures shall be filed not later than the first Wednesday of the following December.

Section 3 of that part said Article XLVIII under the heading "The Referendum, lll. Referendum Petitions." is also amended by striking out the second sentence of such section and inserting in place thereof provisions that the Secretary shall provide blanks for the use of signers of a referendum petition on a law requesting that the operation of such law be suspended subsequent to the first ten signers and shall print at the top of each blank a fair, concise summary of the proposed law as determined by the Attorney General as it will appear upon the ballot, together with the names and residences of the first ten signers.

Section 4 of that part of said Article XLVIII under the heading "The Referendum, lll. Referendum Petitions.", is also amended by striking out the third sentence of such section and inserting in place thereof provisions that the Secretary shall provide blanks for the use of signers subsequent to the first ten signers of a referendum petition asking for the repeal of an emergency law which, takes effect because the referendum petition does not contain a request for suspension, and shall print at the top of each blank a fair, concise, summary of the proposed law as such summary will appear on the ballot together with the names and residences of the first ten signers.

Article XLVIII is further amended by striking out subheading "lll. Form of Ballot" and subheading "IV. Information for Voters" under the heading "General Provisions" and inserting in place thereof new subheadings lll and IV, which provide, respectively:

lll. FORM OF BALLOT.

A fair, concise summary of each proposed amendment to the Constitution and each law submitted to the people, as determined by the Attorney General shall be printed on the ballot. The Secretary shall give each question a number and cause such question, except as otherwise authorized in said article of amendment, to be printed on the ballot in the following form:

In the case of an amendment to the constitution: Do you approve of an amendment to the constitution summarized below, (here state, in distinctive type, whether approved or disapproval by the general court, and by what vote thereon)?
Yes. -- No.

(Set forth summary here)

In the case of a law: Do you approve of a law summarized below, (Here state, in distinctive type, whether approved or disapproved by the general court, and by what vote thereon)? Yes. -- No.

(Set forth summary here)

IV. INFORMATION FOR VOTERS

The Secretary shall print and send to each registered voter the full text of every measure to be submitted to the people, together with a copy of the legislative committee's majority and minority reports, with the names of the majority

and minority members and a fair, concise summary of the measure as such summary will appear on the ballot, and , in such manner as may be provided by law, other arguments for and against the measure, --
 which proposed amendment was approved by the General Court and in a joint session of the two branches held July 8, 1941, received 201 votes in the affirmative and 2 in the negative, and in a joint session of the two branches held May 12, 1943, received 214 votes in the affirmative and 5 in the negative,
 -----be approved? YES NO

QUESTION NO. 2

PROPOSED AMENDMENT TO THE CONSTITUTION

Shall an amendment to the constitution to provide that the General Court may prescribe the terms and conditions under which pardons of offences which are felonies may be granted which is further described as follows:-

This article of amendment to the Constitution of Massachusetts annuls Article Vlll of section 1 of chapter 11 of Part the Second of the Constitution, which vested the Governor, by and with the advice of the Council, with the full and unrestricted power of pardoning offences of which a person is convicted, except such as persons may be convicted of before the Senate by an impeachment of the House, and adopts a new Article Vlll in place thereof, This new Article Vlll vests the pardoning power in the Governor, by and with the advice of the Council, but provides further that if the offence to be pardoned is a felony the Legislature shall have power to prescribe the terms and conditions upon which a pardon may be granted.

The new Article Vlll contains the same provision as the old with relation to the ineffectiveness of pardons granted before a conviction.-

which proposed amendment was approved by the General Court and in a joint session of the two branches held July 8, 1941, received 199 votes in the affirmative and 1 in the negative, and in a joint session of the two branches held May 12, 1943, received 198 votes in the affirmative and 0 in the negative,
 -----be approved? YES NO

QUESTION NO. 3

PROPOSED AMENDMENT TO THE CONSTITUTION

Shall an amendment to the constitution restoring Annual Sessions of the General Court and an Annual Budget which is further described as follows:

This amendment to the Constitution of Massachusetts annuls Article LXXll of the Amendments which provided for biennial sessions of the Legislature and a biennial budget, and makes effective those earlier provisions of the Constitution and its Amendments which were annulled or affected by said Article LXXll,---

which proposed amendment was approved by the General Court and in a joint session of the two branches held July 8, 1941, received 172 votes in the affirmative and 38 in the negative, and in joint session of the two branches held May 12, 1943, received 188 votes in the affirmative and 52 in the negative,
 -----be approved? YES NO

QUESTION NO. 4

PROPOSED AMENDMENT TO THE CONSTITUTION

Shall an amendment to the constitution providing for Absent Voting by qualified Voters who by Reason of Physical Disability are unable to vote in Person

which is further described as follows:-

This amendment to the Constitution of Massachusetts annuls Article XLV of the Amendments to the Constitution which related to absentee voting and adopts in its place a new Article XLV which authorized the Legislature to provide for voting, in the choice of any officer to be elected or upon any question submitted at an election, by qualified voters of the Commonwealth who at the time of such an election are absent from the city or town of which they are inhabitants or are unable by reason of physical disability to cast their votes in person, -- which proposed amendment was approved by the General Court and in a joint session of the two branches held July 8, 1941, received 171 votes in the affirmative and 30 in the negative, and in a joint session of the two branches held May 27, 1943, received 194 votes in the affirmative and 61 in the negative, ---be approved? YES NO

QUESTION NO. 5

LAW SUBMITTED UPON REFERENDUM AFTER PASSAGE

Shall a law described as follows:-- This law amends chapter 271 of the General Laws by striking out section 22A, as previously amended, and inserting in place thereof a new section 22A, which provides that conducting or promoting a game of whist or bridge in connection with which prizes are offered to be won by chance, or allowing such a game to be conducted or promoted, shall not authorize the prosecution, arrest or conviction of any person for such acts under chapter 271 of the General Laws, which deals with crimes against public policy, if the entire proceeds of the charges for admission to such game are donated solely to charitable, civic, educational, fraternal or religious purposes. This new section does not contain, as did the section now stricken out, provisions authorizing the licensing and conducting of the game of beano, -- which section was approved by both branches of the General Court by vote not recorded, ---be approved? YES NO

To obtain a full expression of opinion voters should vote on all three of the following questions:--

(a) If a voter desires to permit the sale in this city (or Town) of any and all alcoholic beverages to be drunk on and off the premises where sold, he will vote "Yes" on all three questions.

(b) If he desires to permit the sale herein of wines and malt beverages only to be drunk on and off the premises where sold, he will vote "No" on question one, "Yes" on question two and "No" on question three.

(c) If he desires to permit the sale herein of all alcoholic beverages but only in packages, so called, not to be drunk on the premises where sold, he will vote "No" on questions one and two and "Yes" on question three.

(d) If he desires to permit the sale herein of wines and malt beverages to be drunk on and off the premises where sold and in addition other alcoholic beverages but only in packages, so called, not to be drunk on the premises where sold, he will vote "No" on question one and "Yes" on questions two and three.

(e) If he desires to prohibit the sale herein of any and all alcoholic beverages whether to be drunk on or off the premises where sold, he will vote "No" on all three questions.

1. Shall licenses be granted in this city (or town) for the sale therein of all alcoholic beverages (whisky, rum, gin, malt beverages, wines and all other alcoholic beverages)? YES NO

2. Shall licenses be granted in this city (or town) for the sale therein of wines and malt beverages (wines and beer, ale and all other malt beverages)? YES NO

3. Shall licenses be granted in this city (or town) for the sale" YES
 therein of all alcoholic beverages in packages, so called, not to be NO
 drunk on the premises:

The Polls will be open from ten o'clock A.M. to eight o'clock P.M.

AND YOU ARE DIRECTED to serve this Warrant by posting attested copies thereof, seven days at least before the time of said meeting, as directed by vote of the Town.

HEREOF FAIL NOT and make return of this Warrant with your doings thereon at the time and places of said meeting.

Given under our hands this 30th day of October, 1944.

Karl M. Perham
 Raymond H Greenwood
 Stewart MacKay

Selectmen of Chelmsford

COMMONWEALTH OF MASSACHUSETTS

Middlesex, ss. Chelmsford, Mass. October 30, 1944

I have served this Warrant by posting attested copies at the Post Offices in the Centre of the Town, South Chelmsford, North Chelmsford, West Chelmsford, and at the Golden Cove School House, Westlands, and at the School House, East Chelmsford, seven days at least before the time appointed for holding the meeting aforesaid.

Lawrence W. Chute
 Constable of Chelmsford

TOWN TREASURER'S REPORT

FOR THE YEAR ENDING DECEMBER 31ST, 1944

Balance on hand, January 1, 1944.....	\$ 92,819.69	
Receipts for the year 1944.....	<u>494,235.36</u>	
		\$ 587,055.05

Payments on 78 Warrants approved by the Board of Selectmen and Town Accountant.....	\$ 456,396.21	
Balance on hand December 31st, 1944.....	<u>130,658.84</u>	
		\$ 587,055.05

RECONCILIATION OF TREASURER'S CASH

Balance on hand, December 31st, 1944:		
Appleton National Bank, Lowell, Mass.....	\$ 138,704.97	
Second National Bank, Boston, Mass.....	4,093.56	
Union National Bank, Lowell, Mass.....	<u>100.00</u>	
		\$ 142,898.53
Check register balance December 31st, 1944.....	\$ 130,658.84	
Checks outstanding as per list, December 31st, 1944	<u>12,239.69</u>	
		\$ 142,898.53

The large amount of outstanding checks as shown, is caused by reason of a Warrant being issued on December 30th, 1944, and consequently the checks issued in payment of these accounts could not be cancelled in December 1944.

The Treasurer's books of accounts are always open for public inspection to any citizen of Chelmsford, if any information is desired the Treasurer will be glad to assist any person in the matter.

The classification of the receipts and expenditures will be found under the Town Accountant's report.

December 31st, 1944.

Harold C. Petterson
Town Treasurer

Harold C. Petterson
Town Treasurer

THE COMMONWEALTH OF MASSACHUSETTS

Department of Corporations
and Taxation

Division of Accounts

Report of an Audit
of
The Accounts of

THE TOWN OF CHELMSFORD

For the Period from May 24, 1942, to April 11, 1944

Made in Accordance with the Provisions of
Chapter 44, General Laws

THE COMMONWEALTH OF MASSACHUSETTS

Department of Corporations
and Taxation

Division of Accounts

State House, Boston

June 22, 1944

To the Board of Selectmen

Mr. Karl M. Perham, Chairman

Chelmsford, Massachusetts

Gentlemen:

I submit herewith my report of an audit of the books and accounts of the Town of Chelmsford for the period from May 24, 1942, to April 11, 1944, made in accordance with the provisions of Chapter 44, General Laws.

This is in the form of a report made to me by Mr. Herman B. Dine, Assistant Director of Accounts.

Very truly yours,

Theodore N. Waddell

Director of Accounts

TNW:MC

Mr. Theodore N. Faddell
Director of Accounts
Department of Corporations and Taxation
State House, Boston

Sir:

As directed by you, I have made an audit of the books and accounts of the town of Chelmsford for the period from May 24, 1942, the date of the previous audit, to April 11, 1944, and submit the following report thereon:

The financial transactions, as recorded on the books of the several departments receiving or disbursing money for the town or committing bills for collection were examined and verified by comparison with the books and records of the town treasurer and the town accountant.

The books and accounts in the office of the town accountant were examined and checked. The ledger accounts were analyzed, the receipts as recorded being compared with the treasurer's cash book and the payments being checked with the selectmen's warrants authorizing the disbursement of town funds. The appropriations as recorded on the ledger were checked with the town clerk's records of financial votes passed in town meeting.

In checking the appropriations it was noted that in 1942 an appropriation of \$1,500 was voted by the town after the determination of the 1942 tax rate and that, although the appropriation was raised in the levy of 1943, expenditures against this appropriation were made in 1942. While liabilities could have been incurred against this appropriation as soon as voted, no expenditures should have been made therefrom until the year in which the appropriation was raised by taxation.

It was further noted that expenditures of \$1,590 were made in 1943 for repairs to a school building damaged by fire, the expenditure being met from money received from insurance companies in reimbursement for fire damage to the building, although there was no vote of the town specifically appropriating these receipts therefor, as required by Section 53, Chapter 44, General Laws. Furthermore, there is no evidence to indicate that the provisions of Section 44A to 44C, Chapter 149, General Laws, inserted by Chapter 480, Acts of 1939, and amended by Chapter 699, Acts of 1941, have been complied with. This statute provides that every contract for the construction, alteration or repair of a public building by a municipality and estimated to cost more than \$1,000 shall be awarded on the basis of competitive bids to the lowest responsible and eligible bidder.

A trial balance was taken off proving the accounts to be in balance, and a balance sheet, showing the financial condition of the town as of April 11, 1944, was prepared and is appended to this report.

The books and accounts of the town treasurer were examined and checked. The recorded receipts were analyzed and compared with the records in the departments collecting money for the town and with the other sources from which money was paid into the town treasury, while the payments were checked with the treasury warrants.

The cash balance on April 11, 1944, was verified by reconciliation of the bank balance with statements furnished by the banks of deposit and by actual count of the cash in office.

The payments on account of maturing debt and interest were proved with the amounts falling due and were checked with the cancelled securities and coupons on file.

The savings bank books and securities representing the investments of the several trust funds in custody of the town treasurer, the treasurer of the library trustees, and the insurance fund commissioners were examined. The income was proved, the disbursements were verified, and the balances were reconciled with the town accountant's ledger.

The records of tax titles and tax possessions held by the town were examined and checked. The tax titles and tax possessions on hand were listed and compared with the town accountant's ledger and with the records in the Registry of Deeds.

The books and accounts of the town collector were examined and checked in detail.

The tax accounts outstanding according to the previous examination and all subsequent commitments were audited and compared with the assessors' warrants for their collection.

The records of departmental bills committed for collection were audited and compared with the records in the several departments committing such bills.

The recorded collections were compared with the payments to the treasurer, the tax abatements as entered were checked with the assessors' records of abatements granted, the taxes

transferred to the tax title accounts were reconciled with the records of tax titles held by the town, and the outstanding taxes and departmental accounts receivable were listed and proved with the town accountant's ledger.

The outstanding taxes and tax titles were further verified by mailing notices to a number of persons whose names appeared on the books as owing money to the town, the replies received thereto indicating that the outstanding accounts, as listed, are correct.

The books and accounts of the collector and treasurer, as well as of the accountant, have been kept in an efficient manner, thereby facilitating the work of the audit.

The financial records of the town clerk were examined and checked. The collections on account of town licenses, dog licenses, and sporting licenses were verified and checked with the payments to the town, county, and State.

In addition to the departments and accounts mentioned, the books and accounts of all other departments collecting money for the town or committing bills for collection were examined. The recorded collections were checked with the payments to the treasurer, and the cash balances were verified by actual count of the cash on hand.

The surety bonds of the town officials required by law to furnish such surety were examined and found to be in proper form.

It was noted that receipts of the cemetery department for opening graves, foundations etc., are retained by the employees who do the work in lieu of compensation, in which connection it is again recommended that all such receipts be paid into the town treasury as required by Section 53, Chapter 44, General Laws, and that the compensation of the employees be paid on authority of the selectmen's warrants and charged to an appropriation provided therefor.

Appended to this report, in addition to the balance sheet, are tables showing a reconciliation of the cash of the town treasurer, treasurer of the library trustees, summaries of the tax, tax title, tax possession, and departmental accounts, as well as schedules showing the condition and transactions of the several trust funds.

For the cooperation received from the several town officials during the progress of the audit, I wish, on behalf of my assistants and for myself, to express appreciation.

Respectfully submitted,

Herman B Dine

Assistant Director of Accounts

Total			<u>\$46,003.03</u>

Respectfully submitted,

Royal Shawcross, Chairman Fritz H. Pearson Secretary Walter Perham, Treas.

To the Honorable Board of Welfare:

It is my privilege to submit the report of the Department of Public Welfare for the year ending December 31, 1944. In July, 1944, Mr. Leonard S. MacElroy resigned as your Agent, and I wish to thank the Board at this time for the consideration shown me in giving me a temporary appointment as Agent. The following is a brief resume of the work of the Department:

TEMPORARY AID

Appropriated	\$ 12,500.00
Refunds	89.00
	<u>\$ 12,589.00</u>
Expended	12,473.79
Balance Dec. 31, 1944	110.21

A detailed accounting of the expenditures and receipts of this division of relief can be found in the Report of the Town Accountant. Temporary Aid for the most part consisted of aid to unemployable cases in 1944 and remained as far as case load was concerned on an even par with that of 1943. The following table will show the actual case load for 1944:

	<u>Family Cases</u>	<u>Single Cases</u>
January	5	17
February	5	16
March	7	15
April	6	14
May	5	13
June	5	13
July	5	15
August	5	14
September	5	15
October	5	14
November	4	19
December	3	15

There are two cases being aided in the Westford Infirmary as of December 31 1944.

OLD AGE ASSISTANCE

Appropriated	\$ 59,000.00
Refunds	242.19
Fed. Grants Rec'd	43,776.48
	<u>\$ 103,018.67</u>
Expended	97,958.91
Balance Dec. 31, 1944	\$ 5,059.86

A detailed accounting of all expenditures and receipts of the Old Age Assistance can be found in the Report of the Town Accountant. This division of relief

as developed so rapidly in the last few years that it now occupies most of the time of the Department. Federal and State regulations change constantly and they both demand many detailed reports and forms. They also require that Old Age Assistance cases be visited every six months, and I am pleased to report that all cases have been visited since my appointment as Temporary Agent in July.

The Bureau of Old Age Assistance, which consists of the members of the Board of Welfare and Attorney John C. Donahoe, meet regularly once or twice a month, to pass on all Old Age Assistance cases and problems which arise.

The highest peak on our Old Age Assistance case load seems to have been reached last December and the number of cases dropped this year seems to have more than balanced those added, so that our case load as of December 31, 1944 was 211, against 220 of December, 1943.

I have found considerable agitation concerning the children's liability clause in the Old Age Assistance law and also have found difficulty in enforcing this law. To some extent a few children have met their legal obligation willingly, but in many cases I have been unsuccessful in obtaining acknowledgement of the contribution, and furthermore have been unsuccessful in prosecuting those children who have not met their obligations. At any rate, as long as the law remains as it is, it is the duty of the Board and its Agent to endeavor to uphold it, to the best of their ability.

There are a great many changes contemplated by the Legislature concerning Old Age Assistance, at the next session in January, but what these changes will be cannot be determined now. Needless to say, they will probably greatly benefit future applicants of Old Age Assistance as well as the present recipients.

AID TO DEPENDENT CHILDREN

Appropriated	\$	6,500.00
Fed. Grants Rec'd		1,880.86
	\$	8,380.86
Expended		8,001.30
Balance Dec. 31, 1944	\$	379.56

A detailed accounting of all expenditures and receipts for this category of relief can be found in the Report of the Town Accountant. Our case load for the year has remained practically the same and at the end of the fiscal year we had a case load of 10 active ADC cases. The ADC law requires that cases be visited quarterly and since my appointment every case has been re-visited.

SOLDIERS' BENEFITS

Appropriated	\$	3,000.00
Refunds		160.00
	\$	3,160.00
Expended		2,821.10
Balance December 31, 1944	\$	338.90

The following tables will show the case load for each division of Soldiers' benefits:

SOLDIERS' RELIEF AGENT

Soldiers' Relief

Jan.	2	July	6
Feb.	2	Aug.	5
Mar.	4	Sept.	5
April	3	Oct.	5
May	4	Nov.	5
June	6	Dec.	6

War Allowance

Jan.	1	July	2
Feb.	1	Aug.	2
Mar.	2	Sept.	-
April	-	Oct.	2
May	1	Nov.	-
June	1	Dec.	1

Military Aid

Jan.	-	July	-
Feb.	-	Aug.	1
March	-	Sept.	1
April	-	Oct.	1
May	-	Nov.	1
June	-	Dec.	1

State Aid

Jan.	1	July	1
Feb.	1	Aug.	1
March	1	Sept.	1
April	1	Oct.	-
May	1	Nov.	1
June	1	Dec.	1

This category which embraces the above four divisions, has grown into a very important division of the Department in the past year, especially War Allowance, which is given to wives and mothers of men in Service, for various reasons when needed. It is my opinion that this will continue to grow in the next year, and our expenditures will undoubtedly be very heavy both on War Allowance and Soldiers' Relief.

It is also my opinion that if all branches of Veterans Relief continue to grow that in the near future they will have to be set up as a separate Department, as the problems of the present day Veteran and his family are many and great, and they require considerable social work. I believe the Committee on Rehabilitation would like to see this in effect, too.

The above represents a brief summary of the functioning of this Department and a great deal more might be said in regard to each category. Welfare, Old Age Assistance, ADC and Veterans' Benefits are a major part of the Town's budget, and I sincerely hope that it is the opinion of the Board and the townspeople that these funds are handled in the best possible manner.

As your Agent for the present time, I welcome your inquiries at any time and also any constructive criticism which you might offer. I shall continue to serve you to the best of my ability as long as it is made possible for me to do so.

With best regards I remain,

Very truly yours,

Marguerite E. Hoar
Welfare Agent

REPORT OF THE TRUSTEES OF THE ADAMS LIBRARY

To the Honorable Board of Selectmen:

The Adams Library held several interesting meetings this last year with all members showing keen interest and civic pride in their service to the library.

Many new books were purchased, also a welcome bequest from Mr. A. H. Davis, a trustee of many years and a great worker for the Adams Library. Also a fine and profitable meeting with Miss Jones of the Boston State Committee discussing things pertinent to the Adams Library.

New and beneficial plans have been made for the New Year in the interest of both the Library and the citizens of this town.

Respectfully submitted,

Mrs Lydwin Bachelder, Sec.
 Mr E. Russell Chairman
 Rev. Mr. Henry Treasurer
 Miss Frances Clark
 Mrs Polly Johnson
 Mr W. Jenkins

Trustees of the Adams Library

Respectfully submitted,
John B. Emerson.

REPORT OF THE HIGHWAY DEPARTMENT

To the Honorable Board of Selectmen:

Gentlemen:

Again this year, the problem of this Department has been to maintain our roads and hold the foundations in the best possible condition, requiring a constant treatment with Bituminous materials, although not rationed in quantity but in type and delivery, due to shortage of labor and war needs.

The following streets were treated:

<u>Name</u>	<u>Lin. Ft.</u>	<u>Name</u>	<u>Lin. Ft.</u>
Westford St	7500	Harding St	700
Crosby Lane	600	Stedman St	6711
Bartlett St	3260	Subway Ave	1118
High St	3117	Subway Ave. Ext	292
Adams Ave	700	Clinton Ave	800
Summer St	200	Maple Ave	619
Grove St	880	Jensen St	800
Plum St	325	Glen Ave	1662
Perham St	680	B Street	400
Worthen St	870	C Street	400
Academy St	450	Evergreen St	1387
Bridge St	2200	Woodbine St	400
Fairview St	916	Juniper St	566
Fletcher St	1454	Seneca Ave	681

Again this year the Police department together with the Auxiliary Police sponsored halloween parties in the six sections of the Town. The highest of praise is due to the many organizations and individuals who cooperated with us in making these parties a great success, and I wish at this time to extend my sincere st thanks to all who in any way helped with these parties.

I wish to express my deep appreciation for the cooperation shown me by my fellow-officers, Miss Christina Simpson, policewoman and the Board of Selectmen.

We have completed our first year of Civil Service in the Police Department and I trust the townspeople have found what a great benefit this is. We have received the greatest of consideration and courtesy from the general public in the past, and hope that we shall continue to do so in the coming year.

Respectfully submitted,

Ralph J. Hulslander
Chief of Police

REPORT OF POLICE WOMAN

To Chief of Police, Ralph J. Hulslander:

I hereby submit a report of my duties as policewoman for the year 1944.

Cases investigated at request of police.....	7
Lectures in regard to behavior.....	28
Cases investigated upon complaint to police- woman	14
Assisting officers-taking women to Worcester.	2
Visits to homes regarding various police..... cases	12
Consultations with Chief of Police.....	30

I would like to express my sincere appreciation to the Chief and members of the force for their cooperation and assistance during the year.

Respectfully submitted,

Christina M. Simpson, R.N.
Policewoman

REPORT OF THE PLANNING BOARD

For 1944

The planning board has devoted part of the time of several meetings to a study of post-war work and improvements, particularly that of sidewalks in the thickly settled sections of the town, also the improvement of a few of the narrow parts, and the dangerous curves on some of the town roads, and in this connection one conference was held with the highway superintendent. The building of permanent sidewalks is a difficult problem when all of its angles are considered in a broad meaning, for example, which side of the street to use, who should pay for the construction, and the relation of the sidewalk to the street grade, as many of our streets haven't been surveyed to give them a permanent grade.

A number of questions involving the application of the zoning law have been fully considered, and one conference held with the building inspector.

The board has also devoted some time to a study of the problems of zoning which have developed from time to time in other towns and cities of the Commonwealth, especially those requiring court decisions.

Because of the very limited amount of new building, not as many questions in regard to the application of the zoning law have developed, so we have made use of this time to be better prepared for the post-war period, when great activity is expected.

We suggest that any residents contemplating post-war land development projects should apply to the secretary of the planning board for a printed copy of the sub-division of land requirements. All land sub-divisions for laying out house lots and proposed streets are subject to approval by the planning board.

Howard D. Smith
Chairman

Arnold C. Perham
Secretary

REPORT OF THE FOREST WARDEN

To the Honorable Board of Selectmen and
Citizens of Chelmsford

The year of 1944 was practically a continuous fire season with the exception of February when only one call for fire was registered. Of the 150 calls sent in the rest of the year, it was necessary to call assistance only 6 times, which proves that the Forest Truck with the new pump can control the greater number of fires with the minimum of help as indicated in my report of 1942.

In every instance when it was necessary to call for additional help, simultaneous fires occurred, which always creates a condition of confusion, which allows one or more fires to gain too much start to be handled by one or two men.

All through the summer dry season large fires occurred in adjacent towns, and the fact that Chelmsford was spared any major fires, is due in part, I am sure, to the excellent cooperation of the Citizens, by burning only when proper conditions exist.

In return for granting me an increase in salary at the last annual Town Meeting I have removed the charges formerly made for storage and maintenance of the apparatus and equipment.

Valuable assistance from both the Police and Fire Departments has been rendered whenever needed. The Police radio is very useful as a time saver and I

hope that the Forest truck will be provided with its own radio in the near future.

Respectfully submitted,

H. M Sturtevant
Forest Warden

REPORT OF BOARD OF FIRE ENGINEERS

to the Honorable Board of Selectmen
Belmsford, Mass.

Your Board of Fire Engineers consider the following paragraphs as important
anything printed in this Report and we ask you to please read them carefully.

A study of our Fire Department, and comparison with others in towns of like
size, shows that our fire protection is inadequate. Changes in equipment and per-
sonnel are needed. They cannot be made all at once, but a start should be made
this year, and continued until complete. To consider the problem intelligently
certain basic facts must be understood. Briefly they are:

Geographical set-up ---22.5 square miles to cover, divided into 5 villages.
Each has its own signal system, men & truck to handle building fires.
A separate unit, under the Forest Warden, handles brush fires for the whole
town. It has no signal system other than the telephone.

Water Supply ---Adequate. Most but not all sections covered.

Personnel ---Inadequate. Only two permanent men. No 24 hour coverage.
Can't control volunteers who average only $38\frac{1}{2}\%$ a week.

Quarters ---Inadequate and inefficient. Can't house men for 24 hour cover-
age. Rapid depreciation of equipment such as hose because of improper dry-
ing facilities. Rents paid are dead loss to town, almost \$800.00 a year.
No central control.

We recommend the following changes listed in the order of their importance:

1. Two new fire houses, one in the No. Village & one in the Center.
With these as a start come:
 - A. Centralization of all equipment in modern plants with facilities for
proper care, plus housing of personnel, plus room for expansion.
 - B. A large enough force of permanent men to insure 24 hour coverage by
trained men.
 - C. A centralized signal system with one phone to a central dispatcher
(now 5) for all calls, plus more alarm boxes as time goes on.
2. Extension of water to all sections within reason.
3. Replacement of obsolete trucks and home made equipment on a gradual basis.

Capital expenditures for buildings & heavy equipment can be handled on a
long term basis without causing undue hardship. We have no desire to increase
tax rates.

Our present set-up will remain inefficient and inadequate unless you the
property owners and voters of the town are willing to cooperate with us your

appointed engineers. We welcome suggestions and constructive criticism, but off the thought that we three men, having made a lengthy study of our department, and having compared it with others, as a group are bound to have more intimate knowledge of its needs than anyone else. That is what we are appointed for. We accept the responsibility however only so long as you the property owners and vote back us up.

A central control and signal system, in proper quarters, with a small well trained permanent force of men to steer our loyal volunteers, and man the trucks 24 hrs. a day is the answer to proper fire protection in Chelmsford. It also is probably the only thing that will allow us to continue the low rates of fire insurance we now enjoy. Which is better---higher insurance rates with the protection we now have, or the same or lower rates and a little higher tax but much better protection? The final cost is the same. It is for you to decide.

We have had inserted in the warrant a request for a sum of money to pay for plans for new fire houses, from which we can secure estimates to submit to you at a later date. This request should be granted.

We have the pleasure of submitting herewith the report of the Board of Fire Engineers for the year 1944

The Board was organized as follows:

John W. Dixon..... Chief
Edward Hoyt..... Ass't Chief and clerk
Theodore W. Reed..... Ass't chief

The Board appointed the following District Chiefs

District No. 1 Wilhelm T. Johnson
District No. 2 Joseph D. Ryan
District No. 3 Walter Edwards
District No. 4 Henry G. Quinn
District No. 5 Sidney Dupee (Acting Chief)

The call for additional manpower for the armed services still continues to make itself felt in the department there being at the present time fourteen members of the Chelmsford Fire Department in the service of their country.

We regret having to record this year the deaths of two members of the department, Silas Gauthier of the North Company and Eugene Crockett of the East Company. These men have served the Town faithfully and our sympathy is extended to their families at this time.

The past year saw the Town once again being visited by a hurricane. The response of the men and auxiliary firemen to the emergency is to be commended, all of whom responded and remained on duty until morning without compensation. The alarm system was damaged considerably by falling trees and branches necessitating the replacing of many of the alarm wires both in North and Center.

The department has responded to a total of 61 alarms during the year which are classified as follows:- Building fires--25; Chimney fires--12; False alarms--6; Oil burners--5; Dumpfires--4; Brush fires--3 Automobile--3; Electric light wires--1; Accidental death--1; Drowning--1

he response to these alarms by districts was as follows

District No 1 (Center).....	36
District No 2 (North).....	17
District No 4 (East).....	5
District No 3 (West).....	4
District No 5 (South).....	3

Included in the response to alarms by districts are four calls for aid to other districts as follows: District No two--2; District No One --1 District No Four--1

We extend at this time our appreciation to the Police Department and all others who have assisted the department in the performance of its duties.

Respectfully submitted

John W. Dixon
Edward Hoyt
Theodore W. Reed

REPORT OF THE CEMETERY COMMISSIONERS

to the Board of Selectmen
Gentlemen:

The Cemetery Commissioners wish to submit the following report for the year ending December 31, 1944:

The cemeteries have been kept up to their usual par in spite of an unusually dry season. No attempts were made at large improvements in any one cemetery, due mainly to the ever-increasing man power shortage.

This coming year, it is our intention to have trees set out in some of the cemeteries to replace those lost in the hurricane and others where there is not any shade.

We wish to thank the Superintendents for a job well done and also thank the lot owners for their interest.

Respectfully submitted,

Bayard C. Dean
William Bellwood
Arthur W. House

Cemetery Commissioners

REPORT OF INSPECTOR OF ANIMALS

Board of Selectmen:

Gentlemen:

The work of this department during the past year has progressed as usual under orders of the Division of Livestock Disease control of the State Department of Agriculture.

No reactors to the tuberculin tests of cattle have been reported.

4 head of cattle have been shipped into town from without the state and 3 of them were quarantined for Bangs disease as they were not accompanied by the necessary test papers. They were later released after satisfactory tests were completed.

Owners of cattle not under supervision for tuberculosis eradication are requested to notify the Animal Inspector.

There are 2 Cattle diseases which are of great importance and are the outstanding cause of losses in dairy production today; Bangs disease, and Mastitis. Government officials report that our milk production would be increased more than 20% if herds were free from Bangs disease. Mastitis is so serious that the Government reports that it causes a loss of nearly 20 million dollars a year and that milk production could be stepped up at least 25% if Mastitis were eliminated. Cattle owners are advised to eliminate all animals affected with Bangs disease and see that all replacements are from healthy herds, free from the disease.

Good results are now being obtained by vaccinating animals from four to eight months of age in both clean and infected herds. Mastitis is an even more baffling disease to cope with than Bangs disease. This disease results in reduced milk flow, often ruining the udders so that the cow is of no further use. When affected cows have been located, they should be placed at the end of the milking line and milked last, so there will be no danger of the milker spreading the disease to other cows. It is recommended that a strip cup be used and if a cow shows abnormal milk, Mastitis should be suspected. Do not permit wet hand milking. Plenty of bedding should be used in order to avoid udder injuries and chilling in cold weather.

40 Dog bite cases have been investigated and 28 Dogs were placed in quarantine for observation, later released as being free from rabies. All owners of dogs which have bitten humans are requested not to kill them until they have been seen and inspected by your Animal Inspector and he has advised as to the proper procedure.

I respectfully submit this my thirtieth annual report.

Arnold C. Perham, Inspector

REPORT OF THE BOARD OF HEALTH

To The Citizens of the Town of Chelmsford:

The Board of Health organized for the year with Raymond H. Greenwood as chairman, Harry L. Shedd, Jr. as secretary and B. Murtaugh Borrows as third member.

The appointments of the various Inspectors namely: Milk, Meat, Plumbing and Agent of the Board remain the same. They have performed their duties faithfully and the townspeople are fortunate in having these men serve their interests.

Miss Christina N. Simpson, R.N. who also serves as School Nurse as well as Agent of this board has worked diligently in the interests of the children of our schools. Despite the tremendous amount of work involved in taking care of eight schools the general health of all the children is nothing short of excellent.. She is to be commended for her untiring efforts in their behalf.

The usual routine business of the department was handled throughout the year. We lived within the appropriation of our budget. We have been extremely fortunate in not having more than a few patients confined to the State Sanatorium at Waltham thereby effecting a saving in our aid account.

The Board has been considering for some time the adoption of an article under which all slaughter houses within the confines of the town shall have their license fees raised, and upon each head of cattle to be slaughtered a certain tax fee shall be levied. This is a move by the State Department of Public Health and all cities and towns are being urged to accept it. This will come before the voters at the annual meeting for consideration. The members of the Board urge its passage.

In conjunction with the above matter is an increase in salary for the Meat Inspector. An increase in license fees for the conduction of a slaughtering business will enable the Board to grant an increase in the Inspector's salary, who at the present time is underpaid considering the number of working hours he devotes to this position. By the same measure the town will benefit financially by the adoption of this article.

The Board is also presenting at the annual meeting an article calling for an appropriation of money for the collection of garbage. At this writing bids are being received and an amount will be asked for to take care of this important measure. The matter of garbage disposal in this town is serious and merits the passage of this article by the voters.

The Board of Health is at your service at all times and cordially invites you to attend our meetings which are open to the public.

Respectfully submitted

Raymond H. Greenwood
B. Murtaugh Borrows
Harry L. Shedd Jr.

REPORT OF THE SCHOOL NURSE AND BOARD OF HEALTH AGENT

To the Board of Health
Chelmsford, Mass.

Gentlemen:

Following are the diagnosed contagious diseases reported for the year 1944

Diphtheria 2
Scarlet Fever..... 7

Epidemic Cerebro Spinal	
Meningitis.....	1
T.B. (pulmonary).....	1
Mumps.....	3
Dog Bite.....	14
Measles.....	57
Chicken-pox.....	20

It is advisable to have the Dr. if a person suspects he or she has a communicable disease.

Children absent from school five days or more must have a certificate of health from one of the school physicians. Since the war began we have had an increased mixed group of communicable diseases. Fortunately no serious epidemics resulted but many more investigations had to be made. Cooperation of the parents is asked in matters of quarantine and isolation.

In May 1944 a Diphtheria immunization clinic was held. At the present time 750 children have been immunized at our clinics since May 1939. Parents are urged to take this necessary precaution. They may have it done by their private physician also. Can you afford not to have your child immunized if an epidemic of Diphtheria should strike?

It would be advisable to have a dental clinic provided the town would appropriate a sum for this purpose. It is most important to keep one's teeth in good condition by visiting the dentist often.

All pupils have been given a physical examination by the school physicians, Dr. Arthur G. Scoboria and Dr. J. Edmund Boucher. Those students participating in football and basketball were given rigid examinations.

I conducted a Red Cross Home Nursing Course at West Chemsford this year for parents. Number receiving Certificates -- 19

Following is a report of school activities:

No. of visits to classrooms	500
Personal hygiene and health talks	158
Sanitary inspections in schools	92
Consultations with students	575
Consultations with parents	450
Pupils sent on taken to physicians	325
First Aid treatments	500
Transportation to hospitals	71
Absentees visited or contacted	584
Excluded from school as suspicious cases of communicable disease including ring-worm, pediculosis & others	413
Pupils taken home because of illness	95

Following is the T.B. Report:

Number of adults taken to Waltham	35
Number of Children taken to Waltham	25
Investigation visits to homes	94

I have had several consultations with members of the State Department of Public Health and attended the Nurses convention in Boston.

Funds are needed for health education material. I would like to have more time to devote to it. What can be more valuable to the student than the teaching

REPORT OF THE SCHOOL NURSE AND BOARD OF HEALTH AGENT

of health procedures? Examinations made on members of the armed forces reveal the need of early health teaching and the correction of physical defects.

Report of the Union Church Fund is as follows:

Receipts:	Balance on hand, Jan. 1, 1944	\$15.10
	Balance on hand, Dec. 1, 1944	5.00
	Collection Jan. 5, 1944	25.90
	Contribution--Mrs Stephen Kinnal	10.00
Total Receipts:		<u>\$56.00</u>
Expenditures:	Milk--worthy cases	\$10.00
	Dental Work--1 case	4.00
	Glasses -- 1 Case	7.50
	Balance on Hand Dec. 31, 1944	34.50
		<u>\$56.00</u>

I find that the war has had its effect on all of us. Men, women and children worry over those away. It is the duty of us here at home to keep as healthy as possible; to remedy defects found; to plan meals wisely and let our slogan be "Health for Victory".

I wish to express my deep appreciation for the cooperation shown me by the Board of Health, School Committee and my fellow workers. I wish to thank the general public for the many kindnesses shown me during the year 1944.

Respectfully submitted,
Christina N. Simpson R.N.

REPORT OF MILK INSPECTOR

To The Board of Health:

The following is the Milk Inspector's report for the year ending Dec. 31, 1944:

Twenty nine wagon licenses, thirty-one store licenses were granted for the sale of milk; nine licenses for the sale of eleomargarine and two licenses were granted to pasteurizing plants.

Samples from all sources were collected and analyzed by the Howard Laboratories at Amherst, Mass.

All milk delivered in Chelmsford has been found to be well above required standards. Some complaints were received on school milk but samples taken were found to be above standard in fats and low in bacteria count.

Milk plants and dairy farms have been inspected and found to be in good order.

I would like to thank the Board of Health, the School Nurse and the Police Department for their co-operation.

Respectfully submitted,
Daniel E. Haley
Milk Inspector.

Due to a shortage of manpower in the County Extension office a general report is given rather than a detailed report as has been done during previous years.

The Extension Service during 1944 turned over all its facilities to the war effort in the production and conservation of food and other factors necessary to help win the war. The County Trustees, Town Directors and Local leaders gave freely of their time in spite of the fact that most of them were fully occupied with other duties.

Under agriculture most of the time was spent in cooperation with Selective Service Boards in furnishing information relative to registrants employed on farms. This probably was the most important job of the year as the food production program could not continue unless the key men on our farms were retained.

Farm labor is probably the next important item, with the local director cooperating with the school system in helping to make available all the boys and girls within the town and any other available people to help meet the extreme labor shortage on farms. The County office was instrumental in finding some outside available help and especially during the harvest season various types of help were obtained to harvest the crop.

General assistance was given in all production problems in order that the maximum amount of food could be produced.

Homemakers were assisted, especially in the conservation and preservation of food, a better understanding of wise use of ration points and food that had to be purchased along with greater use of home-grown foods. Good nutrition for the family was especially stressed in order that the health of the family could be maintained under war conditions. Clothing renovation and construction, re-finishing and upholstering furniture were all projects emphasized to help the homemaker carry on more efficiently under war conditions.

With Boys' and Girls' 4-H Club Work, it was difficult here to carry on due to lack of available local volunteer leaders. Much credit, however should go to the leaders who gave all their available time to help our boys and girls carry on with their various projects. The club members of your town were part of the 1,700,000 in the United States who helped 4-H earn the recognition of having made the largest contribution in the war effort of any of the youth organizations of the nation. Food Production, Food Preservation and Homemaking were the clubs given the greatest emphasis during the year.

REPORT OF THE VARNEY PLAYGROUND COMMISSION

Citizens of Chelmsford

Greetings:

The Varney Playground Commission wishes to inform you that during the past year a great deal of work and expense has been added to their budget by the excess use of the bathing beach and bath house by other than town residents (which we have been given to believe was set aside for town's people only.) If this condition is not taken care of by some means, we shall be compelled to close said property even to town's people before the bathing season of fourteen weeks is half over. A great deal of work has been done by Mr. Adams for which no compen-

sation has been asked. However he does not feel that he can do this work any further and as chairman of this committee has made a request to your town accountant that a sum of one thousand dollars (\$1000) should be had to handle this property correctly.

The Board of Selectmen came over on request to view this said parcel, to remedy a bad condition of highway wash that caused an added expense after every rain storm. This condition has been partially taken care of but much more work has to be done.

We wish to extend our thanks to Chief Hulslander for his cooperation in furnishing an officer Sunday afternoons during the past season and also to Highway Superintendent O'Sullivan for the paving stone given to us for abutment use. Last year the sum of four hundred dollars (\$400) was given to us by you to take care of the reerection of the flag pole, a safety retaining fence around the infield and also the replacement of the bleachers destroyed by fire. These conditions have all been taken care of.

In offering this report to you we also extend our thanks to the Board of Selectmen for their kind cooperation.

Respectfully submitted
 The Varney Playground Commission
 Leslie H Adams, Chairman
 Clifford Hartley

ANNUAL REPORT OF PLUMBING INSPECTOR

Board of Health
 Chelmsford, Mass.

Gentlemen:

The following is a report of the plumbing work done for the year ending December 31, 1944.

Number of Applications submitted for permits to do plumbing 50.

Old Houses	50	Inspections	52
New Houses	00	Test	30
Total	<u>50</u>	Total	<u>82</u>

The following is a list of various plumbing fixtures installed.

Water Closets	41
Sinks	24
Lavatories	29
Wash-Trays	7
Bath-Tubs	16
Range Boilers	3
Sink Traps	2
Floor-Drains	1
Shower-Traps	4
Urinals	1
Bath-Traps	4
Drinking-Fountains	1
Electric-Dishwashers	1
Total	<u>133</u>

Respectfully submitted
 George E. Gagnon, Insp.

REPORT OF DOG OFFICER

To the Honorable Board of Selectmen:

As Dog Officer of the town of Chelmsford, I wish to submit the following report:

Investigated complaints on dogs.....	52
Reports of dog bite.....	3
Poultry killed by dogs.....	16
Lost dogs returned to rightful owners.....	14
Stray dogs disposed of	7
Inspection of dog kennels.....	2

In closing, I wish to thank the members of the Police Department, Selectmen, and the owners of dogs for their cooperation and assistance during 1944.

Respectfully submitted,

Lawrence W. Chute
Dog Officer

REPORT OF THE CONSTABLE

To the Honorable Board of Selectmen:

As Constable for the town of Chelmsford, I wish to submit the following report:

Drawing and serving notices to jurors

March, 1944	3 Jurors
April, 1944	3 Jurors
August, 1944	2 Jurors
September, 1944	2 Jurors
October, 1944	3 Jurors
November, 1944	1 Juror

- July 1, 1944 - Posted warrants in the six precincts for State primaries.
- July 17, 1944 - Posted two warrants for East Chelmsford Water Dept.
- Oct. 28, 1944 - Posted warrants in the six precincts for State and Federal elections.

Respectfully submitted
Lawrence W. Chute
Constable of Chelmsford

NO SCHOOL SIGNAL

In the case of extremely bad storms or of icy roads a signal for no school all day for all schools is given on the fire alarms at 7:15 A.M., three blasts repeated three times. Station WLLH broadcasts the notice.

CALENDAR

Mid-winter vacation from close of school Feb. 16 to Feb. 26.
No school on March 30, Good Friday.
Spring vacation from close of school April 13 to April 23.
No school on May 30, Memorial Day.
Probable date of closing, June 20, 1945.
Probable date of opening fall term, September 5, 1945.

SCHOOL COMMITTEE REPORT

To the Citizens of Chelmsford:
 At a meeting held January 4, 1945, it was voted to accept the report of the

perintendent of Schools and to adopt it as the report of the School Committee.

Harold E. Clayton, Chairman
 Marjorie M. Kiberd
 Stephen G. Mansur, Secretary

REPORT OF SUPERINTENDENT

the School Committee:

My seventeenth annual report is hereby submitted to you and to the citizens of Chelmsford. Since it is presumably my last report, I am indicating some changes that have been made in the last 17 years, and am directing the attention of voters to certain matters which in my opinion should receive consideration in the near future.

With the exception of the one-room South Row School, closed in 1935, schools are being maintained at the same sites as in 1928. The extension of water services at East, West, and South has permitted the discontinuance of unsatisfactory wells, electric pumps, and tanks. Electric lights were installed in the South Row School. The brush in the rear of the Westlands School was cleared away through a special appropriation in 1929, and later loam was spread over the gravel in front so a lawn could be grown. Various Federal relief agencies were used to grade the land back of the High School, to build ball fields at the Westlands and at Highland Ave., and to improve the grounds at East Chelmsford. The same agencies were used in painting and repairing the elementary buildings with the exception of McFarlin and Westlands. For these repairs the school department furnished the material used. Especially noteworthy in the repairs made was the providing of well lighted toilet rooms in the basement of the New Building at Princeton St., to replace extremely unsanitary toilets which had no light outside. Previous to 1929 the pupils in the Old Building had been required to cross over to the New Building for toilet facilities. In 1929 a special appropriation of \$3800 was made to remedy this situation.

The High School and the Westlands School were badly overcrowded in 1928. In 1930 the town authorized the appointing of a committee to study conditions and report later. This committee organized with Mrs. Nellie Picken chairman, met architects, secured preliminary plans, and at a special meeting on May 29, 1931 asked for the appropriation of \$120,000 for an addition to the High School. The question was laid on the table, and the High School began using vacant rooms in the McFarlin School.

The enrollment in both these schools and in the Westlands was increasing each year. On April 30, 1935 the sum of \$2000 was appropriated for the use of a committee which organized with Roy Clough as chairman. It was the time when the Federal Public Works Administration (PWA) was being used by towns and cities for erecting public buildings of all kinds, and very little building was being done otherwise. The committee engaged as architects the firm of Ashton and Huntress of Lawrence, experienced in school house designing and construction. Sketches of floor plans were submitted and approved, specifications were written in full detail as required by PWA, and were approved by PWA. On Nov. 27, 1935 the town was asked to appropriate the sum of \$120,000. The actual cost to the town would have been this amount less the Federal PWA subsidy. The article was dismissed. The proposed building was larger than the one built three years later with PWA aid, and would have provided rooms for teaching household arts, kitchen and lunch

room, adequate shower and dressing rooms, all located in the space occupied by the present assembly hall. A combined assembly room and gymnasium would have been placed on the floor above, on the basement level of the old building. In 1936 this larger and better building could probably have been erected at no greater cost than the addition built in 1939.

The town reports of 1939 and 1942 tell of the construction of the additions at the High School and at the Westlands. Temporarily the school building problem has been solved so far as over-crowded classrooms are concerned, but the solution is only temporary. Attention is called to the section in the 1943 report and in this one entitled Long Range Planning.

TEACHERS

In the High School, Procter P. Wilson, teacher of science since 1930, applied for retirement, and in June this was granted with the approval of the teachers Retirement Board. This department had been handled by a man for over 20 years, but it was found impossible within the limits of our salary range to engage a man for teaching science. Miss Rose M. Cooney, a graduate of Framingham Teachers College, with summer school work in science at Harvard, was engaged. She taught last year in Littleton High School. Edward J. Schulte, who had been in charge of the athletic program since January 1943, declined re-appointment. Again, it was found impossible to secure a qualified man at the salary we had been paying, and the position has not been filled.

In the McFarlin School Mrs. Mary J. Donnelly resigned in October. This position, 7th grade, was filled by transferring Miss O'Neill from a mixed 1st and 4th grade position, and Evelyn Anderson of Lowell was engaged for the mixed grade. She is a graduate of Lowell Teachers College with five years of experience. The 8th grade was unduly large, and in November Mrs Helen B. Mills, a graduate of Lowell and Emerson College, was engaged as an assistant.

The 5th grade position in the Westlands, vacant in January, was filled by the election of Mrs. Mary L. Scully, a graduate of Lowell Normal with several years experience.

Leave of absence for a year was voted M. Marion Adams, who was unable to carry on her work last year for reasons of health. Mrs. Charlotte H. MacLeod, formerly music supervisor, was engaged for the year. In the High School, Bernard Larkin was continued as director of the band, which he organized in 1943.

SALARIES

In 1928 there were seven men on the teaching staff, three in the High School, four in the elementary. The principal of the High School was paid \$2800, the vice-principal, a man, \$2100, and the other men \$1500 or \$1600. One woman teacher received \$1600, two were paid \$1350; otherwise the highest salary paid a woman teacher was \$1300.

In 1939 the number of men teachers in the High School had increased to eight, the same as the number of women. As a result of the depression they were paid on the same scale as the women. This was a very common result of the business depression with its scarcity of jobs. Schools went onto a single salary basis, the same salary paid a man or a woman for positions considered to be equivalent in importance; and let it be emphasized, this salary was that formerly paid women. Women's salaries were not raised to the level of men's, but exactly the reverse. It was not at all the question of whether men were better teachers. The times were such that they were eager to teach for what women were paid.

We have now only two men teachers in the High School and two in the

elementary. Except for the fact that they are doing special work and receiving extra for it, their salaries would be the same as the women's. Conditions are now very different from those of a few years ago, the depression years. If we wish to retain the men we now have and to increase their number we must pay enough to attract and to hold them. Again, it is not at all the question of a man's being a better teacher for being a man; for regular classroom work he is no better for that reason. But there are positions for which men are needed. I urgently recommend that for the period during which present conditions prevail the salaries of our young men teachers be substantially increased.

Since 1928 our salary schedule has been revised upward from time to time, just as has been the case everywhere. At present the maximum salary for women teachers in the High School, not including payment for special services, is \$1900, and in the elementary schools \$1600. Last year a flat increase of \$100 was given each teacher, dating from January 1944. Similar action was taken in many towns of our class, and we were left paying somewhat less than the median salary in each group. Our teachers are again asking for an adjustment and increase, and, again, they are doing what teachers everywhere are doing. There is a growing scarcity of teachers, ambitious young women are going into other fields. It is a case of the operation of the law of supply and demand. The supply is short and the situation may become worse. If the schools are to be served in the future by those best fitted to become teachers, then teaching must be made more attractive.

TESTING PROGRAMS

At the present time there is everywhere a greatly increased interest in standardized tests. In part this may be a result of the use of such tests by Army and Navy to determine the fitness for advanced training of the men who entered the services. To these men a test means something vastly different from a school examination. We have used for many years in the 5th and the 6th grades a test which determines roughly how well a child can learn from books. In order to make a high score in the test a child must be able to read well; to read with comprehension, not just pronounce words. Such reading ability is a prime necessity for doing a high grade of school work, and so far as work with books is concerned the test measures the child's native ability. We know in a general way how much to expect of him and what allowances to make.

A recently devised test of this sort for high schools is the Iowa Test of Educational Development, which we gave to all classes last October. It consists of a battery of nine separate tests, covering these fields: (1) understanding social institutions, gained in part from study of history, economics, etc. in school, but also from general reading, discussions at home and on the street, in fact from the student's contacts of all sorts; (2) natural science background, however secured; (3) correctness in writing; (4) ability to do quantitative thinking, to apply what has been learned in arithmetic and other mathematics to all sorts of situations in life; (5) interpreting reading material in social science; (6) the same in natural science; (7) the same in literature; (8) general vocabulary; (9) use of sources of information.

These tests measure both the native ability of the student in these various fields and the use he has made of that ability. Unlike school examinations the tests have little instructional value; we do not know which questions were answered correctly since all answers were scored by mechanical means in a central office. What we do know in the case of each pupil is how he measures up with thousands of pupils in his grade across the country. We know the fields in which he is strong and where he is weak. With this information at hand the teacher can better serve pupils as individuals, and wiser advice can be given regarding future work. It is an important step in educational guidance, which is being stressed in these times as never before.

SCHOOL DEPARTMENT

As was to be expected, the tests showed the widest possible variation in scores. In each test each class had students who ranked with the upper two per cent of all the students of that grade the country over who had taken the Iowa tests, others who ranked with the upper ten per cent, etc. down to the bottom five and ten per cent. Some students had nearly uniform scores in all nine tests, while others were good in some and not in the rest. It is in just this fact that the great value of the testing program is found, in the picture of the educational development of each individual student.

The educators who devised the Iowa tests caution against the use of class averages. It may be said, however, that the lowest class average was in quantitative thinking - only the seniors had a high mark as a class; that no test showed such weakness that radical measures are indicated to remedy the situation; and that all classes had high averages in general vocabulary, which is considered the best single measure of mental ability.

Any parent who is interested in knowing what his son or daughter did in the Iowa test can consult either Mr. Burns or myself in our offices.

Later in the fall the Boston University Aptitude Tests were given to juniors and seniors. In part these tests do the same thing the Iowa tests do, but in addition they point out the field in which the student is most likely to succeed. Mr. Burns discusses these in his report.

HEALTH EDUCATION

In all probability, as a result of the facts disclosed in the physical examination of men drafted for service in Army and Navy, the schools will be required to give more attention to the health of pupils. Examinations may be made more thorough; the follow-up work more persistent; more clinics required for combating disease; more health instruction required; and more attention to general community health. Part of this would be the work of a school nurse, who should be employed by the school department for full time service. As soon as follow-up work takes a pupil to a clinic for remedial or preventative treatment such work by law comes under the board of health.

For over 20 years a single nurse has been employed to serve two departments, as school nurse and as agent of the board of health. The recommendation following is not made in any spirit of criticism of those who have filled the two positions, or of either board, but is prompted by a belief that the work in a town of our size has grown beyond the capacity of a single nurse. When the present scarcity of nurses is relieved by the release of many from war work, I urgently recommend that the school department be authorized to employ a nurse for school duties and that the town employ a second nurse under the board of health. The work of each would complement the work of the other, one working with pupils in school and the other in clinics and in the community.

ENROLLMENT

In 1928 the elementary schools enrolled on October 1st, 1148 pupils with 35 teachers and the High School 266 with ten teachers. Two supervisors were employed. In the years since 1928 the number of elementary pupils increased to a peak enrollment of 1265 in 1933, and then dropped each year to the present low of 994. In the High School the number increased from 266 to the record of 527 in 1940, and has since dropped to 355 last October. The table below shows by buildings the 1928 enrollment, the largest one and its year, and the present number. Note the lack of uniformity in the changes.

	1928	Largest	1944
McFarlin	262	355 in 1933	306

	1928	Largest	1944
East	131	170 in 1936	85
Highland Ave.	133	135 in 1932	94
Princeton St.	270	294 in 1932	198
Quessy	146	146 in 1928	99
South	45	55 in 1929	41
South Row	17	27 in 1931	Closed
Westlands	<u>144</u>	<u>184 in 1942</u>	<u>171</u>
	1148	1265 in 1933	994
High School	266	527 in 1940	355
All schools	<u>1414</u>	<u>1652 in 1939</u>	<u>1349</u>

In each of these 17 years there have been rooms enrolling 40 or 45 pupils, occasionally over 50. This was tolerated during the depression years as a means of keeping school costs down. The average number of pupils to a teacher was high, and largely for that fact the cost per pupil was low. There was then a surplus of trained teachers, a dozen available for every position. When economic conditions were such that a property holder could not pay his taxes and was in danger of losing his home, and when a teacher knew she was extremely fortunate in having a position, both parents and teachers tolerated classrooms which were over-crowded. In some buildings cadet teachers were engaged at nominal salaries to assist the regular teachers, and in the McFarlin School, which had unused rooms, a teacher was engaged in 1931 to take a group of 5th and 6th grade pupils, and in 1935 a second mixed room was opened.

At the present time there are indications that elementary enrollment is again about to go up. New houses have been built, new families are locating in town, the birth rate is at a new high. Within a few years rooms will again be crowded beyond the point of reasonable endurance. It is time for forward-looking citizens to plan for future school house needs. In this connection I wish to add one recommendation to the paragraphs of the 1943 school report entitled:

LONG RANGE PLANNING

The McFarlin School serves a large area, running from the Billerica line to Old Westford Road. There is new building in this area, and this will increase when war time restrictions are removed. Primary rooms are now crowded. It is almost a mathematical certainty that this school will in another year or two need two rooms for the first grade, the next year two for the second grade, etc. Eleven of the 12 rooms are now in use. Now is the time to begin planning an addition.

The enlarged building might well provide for the following: 16 regular classrooms; a room for the special class; a space as large as a classroom for offices for the school committee and the superintendent; adequate toilets on each floor for girls and for boys, so that the use of basement toilets may be discontinued. Remember that this school has a sewage disposal problem, mentioned in recent reports. By taking the toilets out of the basement and by installing a septic tank on a higher level than the present cesspools this sewage problem might be solved.

TRANSPORTATION

For nearly three years school busses, along with all others, have been under the strict control of the Office of Defense Transportation (ODT). The owner of a bus cannot buy gas, tires, spare parts, etc. except under a certificate of war necessity. The issuing of these certificates was based on a very detailed study of routes, stops, number carried, etc. Each bus was given a number and a certificate, and only in an emergency can another bus be substituted.

The operating regulations are also in detail, and in some cases not reasonable under New England weather conditions. For example: "Transportation shall be provided only for students, teachers, or other school employees who would have to walk more than two miles to school or more than a mile and a half to a school bus trunk route." We have not been held to strict compliance with that regulation. However, we have refused requests which would have added to bus mileage in order to pick up pupils in localities where transportation has not previously been furnished.

A three-year contract was made with George W. Marinell on Sept. 1, 1944 on the same terms as the one then expiring. The whole matter was frozen by government regulations. When they are lifted some minor changes will be possible. The contract calls for the payment of \$34,500 for the three year period.

The number of pupils being transported on Oct. 1, 1944 was 567: 231 to High School, 171 to McFarlin, 71 to Princeton St. 61 to Quessy, and 33 to South. Last year the number was 538.

THE BAND

Bernard Larkin was engaged a year ago to assist in a music program in the High School during the absence of Miss Adams. This led to the organizing of a band, for which the students have shown great enthusiasm. After its success was assured some instruments were purchased and others have been donated.

SCHOOL ATHLETICS

Previous to the fall of 1942 the athletic program in the High School had been under the management of teacher-coaches, and teams were transported in school busses. The War completely disrupted this program. The men went into service and ODT ruled against the use of busses for carrying athletic teams. An outside football coach was engaged for 1942 and citizens furnished transportation.

Last summer A. J. Lupien was engaged for football coach, and the Civic Committee entered upon an active campaign for raising funds for equipment, a report of which is appended. The Civic Committee furnished transportation, aided in policing the grounds, in the sale of tickets, etc. It would have been an impossibility for the school alone to have run off so successful a season. Mr. Shannon was made faculty manager and organized the students in the Athletic Association. He is coaching the boys in basket ball, and Miss Cooney and Miss Hehir are looking after the girls. Transportation will have to be in private cars, and the school will be under obligations to the members of the Civic Committee and other citizens as long as present conditions continue. We express hearty thanks for their cooperation.

Tentative plans have been made for making this citizen support permanent. The school committee by law has absolute control of buildings, grounds, and school activities, but without relinquishing this control it is desired to build up an organization which will render such service as the Civic Committee has been giving, and which will work for the development from year to year of the facilities for organized sport.

With the appropriation made last year the Byam lot and the back part of the Donahoe land has been purchased, and a complete survey has been made from Wilson St. to the rear line, showing boundaries, levels, proposed location of playing fields, drainage lines, etc. The High School class of 1944 has the honor of making the first gift for the proposed field, in honor of George R. Knightly, \$102.29. We confidently expect that this will be followed by other gifts, and that citizens and the town itself will carry the project to completion.

SCHOOL DEPARTMENT

FINANCIAL

The report of the Town Accountant gives a detailed statement of school expenditures for 1944. A summary of appropriations is given below. Under the classification Instruction the expenditure was considerably less than the appropriation, due to a change in payroll periods. The imposing of the Federal Withholding Tax made it to the advantage of teachers to receive their pay in equal installments during the calendar year instead of for the 10-month school year. Since September they have received one-twelfth of their salary each month instead of one-tenth. This reduced the total of payrolls for 1944 by about \$6000, money already earned, but with payment deferred to next summer. Necessarily the amount needed for Instruction for 1945 is increased by the amount of the deferred payment.

	<u>Appropriated</u>	<u>Expended</u>
Administration	\$ 3,875.00	\$ 3,839.36
Instruction	100,780.00	94,628.29
Janitors	13,860.00	13,693.15
Operation and Maintenance	13,425.00	13,172.88
Auxiliary Agencies	12,350.00	12,288.55
New Equipment	200.00	200.00
Playgrounds	500.00	455.60
Chapter #419	289.00	289.00
	<u>\$145,279.00</u>	<u>\$138,566.83</u>

The town received cash or credits as follows:

Reimbursement for teachers' salaries,	\$ 11,220.00
Tuition of state wards,	1,235.05
Tuition of City of Boston wards,	292.60
Tuition from towns,	396.55
Rent of High School hall,	84.00
Breakage,	1.50
Old books,	1.50
Total of receipts and credits,	<u>\$ 13,231.20</u>
Total expenditures for 1944,	\$138,566.83
Total receipts and credits,	<u>13,231.20</u>
	\$125,335.63
Vocational school tuition in 1944,	\$ 1,451.90
Reimbursement for year ending Aug. 31, 1943,	<u>753.43</u>
Net cost of vocational education for 1944	\$ 698.47
Special appropriation for land for High School,	\$ 1,350.00
Special appropriation for survey,	300.00

Repairs out of the ordinary included: High School roof, \$212; toilets, bubblers, painting at McFarlin, \$658, and cleaning cesspools twice, \$115; new steps at Princeton \$152, and repairs to heating plant \$367; weather-stripping and insulating at Quessy, \$221; toilets, bubbler, and plumbing and heating at South, \$291, and concrete apron around building \$175.

This report ends with one more urgent recommendation, that the town provide a clerk for the superintendent of schools, as is now done in nearly all towns. Office work has increased greatly the last few years. The man you employ to administer the school system and to supervise teachers should be freed of routine

Clerical work.

Chelmsford has been a delightful town in which to live and work. I wish to express my appreciation for the very cordial support of parents and citizens, and for the valuable assistance given by the parent-teacher groups and other organizations. I bespeak the continued loyalty of all to your most important community enterprise, your schools. To you, the members of the present school committee and to the former committees, I express thanks for your forbearance on many occasions, for your wise counsel, and for your unceasing devotion to the interests of the schools. You have been high-minded, faithful servants of the town, actuated always by regard for the welfare of the children, and by no other motive. May Chelmsford continue to elect to office men and women who will be worthy of this high trust.

Respectfully submitted,

George S. Wright
Superintendent of Schools.

SCHOOL DEPARTMENT

SCHOOL CENSUS. OCTOBER 1, 1944

Registration of minors:	5 and under	7	7 and under	16
Boys,	116		546	
Girls,	<u>107</u>		<u>429</u>	
Total,	223		975	

Distribution of minors				
In public schools,	183		938	
In vocational schools,			6	
In private schools,	19		26	
Not in school,	<u>21</u>		<u>5</u>	
Total	223		975	

Mr. George S. Wright
 Superintendent of Schools
 Chelmsford, Massachusetts

My dear Mr. Wright:

I am pleased to submit, herewith, my fifteenth annual report as principal of Chelmsford High School.

The total enrollment up to January 1, 1945 is as follows:

<u>Class</u>	<u>Number of Boys</u>	<u>Number of Girls</u>	<u>Total</u>
Senior	30	30	60
Junior	40	52	92
Sophomore	39	54	93
Freshman	<u>56</u>	<u>58</u>	<u>114</u>
	165	194	359

The enrollment this year has dropped eight pupils compared with the enrollment of a year ago.

The results of the physical examinations given by the war department show very clearly that far too many of our young people have physical defects caused by the lack of something needed to develop perfect physical individuals. This something may have been one or more of the following necessities; proper food, dieting, rest, exercise, health habits, medical or dental attention.

A complete physical education program whose main objective is sound bodies should be efficiently carried out for every pupil in every school. Then and only then can all the children of all the people hope to be able to return the highest dividends to the taxpayers for the money spent on education. Then and only then would our boys and girls be fitted physically to compete in friendly rivalry on our athletic field or in deadly combat on the battle field.

Parents should cooperate with teachers to make their children work up to the limit of their abilities at all times. Those pupils who have been made to do their best before they come to high school are much more likely to succeed after they get there.

In high school the parents and teachers should help the pupil elect that

SCHOOL DEPARTMENT

program of studies which as far as can be determined is the best for that pupil. A pupil should not be allowed to elect a subject just because it is easy or because he can make a high grade in it. A pupil is not getting a square deal in school if he is not made to do his best with those class room subjects which will be of the greatest value to him in life. Every high school pupil should study at least two hours every day at home. The pupils who get the best grades study even more than that at home.

The immediate aim of every one should be to win this war. We do not like to have our boys and girls faced with the awful reality of war, but if they have to fight, we should do all that we can to equip them in every way to defeat the enemy with the least possible harm to themselves. We should also try to help them into that branch of the service which they most desire. Special pre-induction courses in electricity, radio, and mathematics, in preparation for the Naval Radio Technician program are being given to our boys who passed the screening test. We are trying to cooperate with all branches of the armed services. The following letter sent to Chelmsford High School is self-explanatory.

Mr. L. H. Burns, Principal
Chelmsford High School
Chelmsford, Massachusetts

Dear Sir:

This office wishes to express its sincere appreciation for the co-operation you have given to our attempts to interest young men in the Naval Radio Technician training program. Your own interest in the program has made our task much easier in your area and, we expect, will help to produce very satisfactory results.

As indicated by the results of the screening test, yours is an unusually well-trained group of boys.

A letter urging conscientious study of the Eddy test subjects in preparation for the final examination has been sent to each man who took the screening test. A summary of the opportunities and advantages of RT training was included. It was recommended that they confer with you on the matter of special coaching.

Your plan to organize an "RT" class under the tutelage of Professor Wells is excellent and should help the boys tremendously. The experiment will be watched with great interest. This office is anxious to be of assistance in any way possible short of compromising the Eddy Test.

Very truly yours,

G. Earl Sowle, CSP (R) USNR
U.S. Navy Recruiting Station
Lowell, Mass.

We have received many favorable reports concerning the boys from Chelmsford High School in all branches of the armed forces. This is true of many boys in special training programs, as well as of those who are performing heroic feats in actual combat.

I would like to recommend for next year that a well trained competent man be engaged to organize and carry out an up-to-date physical training program for the high school. Also, that more be done with pre-induction courses for our boys who will enter the armed services of our Country.

The Iowa Tests of Education Development were given on October 19 and 20 to all four classes in the high school under the supervision of Mr. Wright. The results of these tests are given by Mr. Wright in his report.

A battery of mental ability and aptitude tests were given the junior and senior classes on November 21, 1944 by Professor Horace G. Thacker of Boston University School and College Relations Special Testing Service.

The following letter explains the objectives and results of these tests:

January 10, 1945

Mr. Lucian H. Burns, Principal
Chelmsford High School
Chelmsford, Massachusetts

Dear Mr. Burns:

On November 21 I had the pleasure of co-operating with your faculty and you in administering a battery of tests to your junior and senior classes. On January 8 I had the added pleasure of meeting with you, your Superintendent, and your teachers in a discussion of the results of this testing program.

This letter is intended as a summary of the objectives of the tests, and to give you a formal, brief statement of my impressions of the calibre of your students and the achievements of your faculty.

The tests provide valuable and reliable data that help in the guidance of the pupils and the use of them by the Chelmsford High School gives substantial evidence that Chelmsford is alert in taking advantage of sound educational procedures for the benefit of its pupils. These tests give the following information about each pupil:

1. Is the pupil working up to his ability?
2. Is the pupil following a program of study congenial to his basic interests and aptitudes?
3. Should the pupil go on to college or professional school and what careers are in line with this interest and aptitude?
4. What occupational areas are in line with the interests and aptitudes of the pupil who will seek employment upon graduation from high school?

As a result of the testing, we prepared charts showing the standing of the entire junior and senior classes as compared to established national averages and standards for high school juniors and seniors. Chelmsford can have justifiable pride in the quality of its pupils. Their mental maturity is distinctly superior and it is apparent the instruction in the Chelmsford School system is a vital contributing factor to their high standing.

I want you to know I have greatly enjoyed my association with you all, and I sincerely hope you will call upon me at any time you may believe my services will be of value.

Sincerely

Horace G. Thacker
Associate Director
School and College Relations

SCHOOL DEPARTMENT

Professor Thacker will meet with the junior and senior classes and interpret the results of these tests. Pupils will be given an opportunity to have the results of their tests explained to them.

We feel that the results of these tests warrant the continuance of testing programs in the future.

Following is the report of the Chelmsford High School Students Fund as made by our Vice-Principal, Miss C. Edith McCarthy:

WARRANT FOR ANNUAL TOWN MEETING

March 5, 1945 and March 12, 1945

COMMONWEALTH OF MASSACHUSETTS

Middlesex, ss.

To Lawrence W. Chute, Constable, or any suitable person of the Town of Chelmsford.

GREETING:

In the name of the Commonwealth aforesaid, you are hereby requested to notify and warn the legal voters of said Chelmsford to meet in their several polling places, viz:

Precinct 1.	Town Hall, Chelmsford Centre
Precinct 2.	Town Hall, North Chelmsford
Precinct 3.	Fire House, West Chelmsford
Precinct 4.	School House, East Chelmsford
Precinct 5.	Liberty Hall, South Chelmsford
Precinct 6.	Golden Cove School House, Westlands

On Monday, the fifth day of March, 1945, being the first Monday in said month, at 12 o'clock noon, for the following purposes:

To bring in their votes for the following officers:

Moderator for one year.
One Selectman for three years.
One member of the Board of Public Welfare for three years.
Treasurer and Tax Collector for three years.
Town Clerk for three years.
One Assessor for three years.
One Member of the Board of Health for three years.
One School Committee Member for three years.
One Cemetery Commissioner for three years.
One Park Commissioner for three years.
Two Trustees of Adams Library for three years.
One Sinking Fund Commissioner for three years.
One Member of the Planning Board for five years.
Tree Warden for three years.
One Constable for one year.

All on one ballot.

The Polls will be open from 12 noon to 8 P.M. and to meet in the High School Auditorium at Chelmsford on the following Monday, the 12th day of March, 1945 at 7:30 o'clock in the evening, then and there to act upon the following articles, viz:

ARTICLE 1.

To hear reports of Town Officers and Committees; or act in relation thereto.

ARTICLE 2.

To raise and appropriate such sums of money as may be required to defray Town charges for the current year; or act in relation thereto.

WARRANT FOR ANNUAL TOWN MEETING

ARTICLE 3.

To see if the Town will authorize the Selectmen to act as its agent in any suit or suits which may arise during the current year, with authority to settle and adjust claims or demands for or against the Town; and to employ counsel whenever in their judgment it is necessary; or act in relation thereto.

ARTICLE 4.

To see if the Town will authorize the Treasurer, with the approval of the Selectmen, to borrow money in anticipation of revenue of the current financial year; or act in relation thereto.

ARTICLE 5.

To see if the Town will vote to raise and appropriate a sufficient sum of money with which to meet unpaid bills for the year 1944; or act in relation thereto.

ARTICLE 6.

To see if the Town will vote to raise and appropriate a sum of money to pay the County of Middlesex, as required by law, the Town's share of the Middlesex County Tuberculosis Hospital as assessed in accordance with the provisions of Chapter 111 of the General Laws; or act in relation thereto.

ARTICLE 7.

To see if the Town will vote to raise and appropriate the sum of Twelve Hundred (\$1200) Dollars for the purpose of foreclosing tax titles held by the Town of Chelmsford; or act in relation thereto.

ARTICLE 8.

In the event that an appropriation is made for Chapter 90 work for the Highway Department, to see if the Town will vote to transfer a sufficient sum of money from the Excess and Deficiency account to balance the amount of money to be contributed by the Commonwealth of Massachusetts and the County of Middlesex, until such time as the said Commonwealth and County have paid into the Town of Chelmsford treasury their respective grants; or act in relation thereto.

ARTICLE 9.

To see if the Town will vote to appoint a committee of three members, for the purpose of investigating the advisability of purchasing voting machines to be used at elections: or act in relation thereto.

ARTICLE 10.

To see if the Town will vote to amend the Zoning By-Laws by the addition of the following definition to Article 2 of said By-Law:

Tourists home: A domicile or private residence where rooms are rented to overnight guests;

or act in relation thereto.

ARTICLE 11.

To see if the Town will vote to authorize the Moderator to appoint a committee

WARRANT FOR ANNUAL TOWN MEETING

of four persons to work with the Board of Fire Engineers for the purpose of obtaining complete plans, specifications, and costs of erecting two new fire stations, one in the Center and one in North Chelmsford; and to raise and appropriate the sum of Fourteen Hundred (\$1400) Dollars to be expended by this Committee to procure said plans, specifications, and costs, said Committee to make a full and complete report at the next Town Meeting; or act in relation thereto.

ARTICLE 12.

To see if the Town will vote to raise and appropriate the sum of Six Hundred (\$600) Dollars for the purpose of purchasing pipe and other necessary equipment to effect the installation of a hydrant to be located on the dump at the end of Jensen Street; or act in relation thereto. Supervision of this work will be supplied by the Water District and the labor by the Town.

ARTICLE 13.

To see if the Town will vote to close the Westlands Dump and cease to use as a dumping ground the land known as Westlands Dump, which land is more particularly described in a deed from George M. Wright et al to Inhabitants of Chelmsford, dated June 11, 1931 and recorded with Middlesex North District Registry of Deeds, Book 803, Page 238; or act in relation thereto.

ARTICLE 14.

In the event of an affirmative vote under Article 13, to see if the Town will vote to raise and appropriate the sum of Twelve Hundred Fifty (\$1250) Dollars, or some other sum, for the purpose of purchasing from Ray S. Byam a tract of land containing about thirteen (13) acres, more or less, and situated in the easterly part of Chelmsford on the northeasterly side of Riverneck Road near the River Meadow Brook, said property to be used as a dump. This transaction shall be under the supervision of the Board of Health of the Town of Chelmsford; or act in relation thereto.

ARTICLE 15.

To see what action if any the Town will take relative to the collection of garbage throughout the town; or act in relation thereto.

ARTICLE 16.

In the event of favorable action under Article 15, to see if the Town will vote to raise and appropriate a certain sum of money sufficient to carry out the purposes set forth in Article 15; or act in relation thereto.

ARTICLE 17.

To see if the Town will vote to accept the provisions of Section 120 of Chapter 94 of the General Laws; or act in relation thereto.

ARTICLE 18.

To see if the Town will vote to instruct our representative to the General Court to advise the Town as to the legal steps necessary to consolidate the several water districts in the Town of Chelmsford into one, to be Town owned, operated, and controlled, and report back to the next Town Meeting; or act in relation thereto.

ARTICLE 19.

To see if the Town will vote to appoint a Committee to investigate the

WARRANT FOR ANNUAL TOWN MEETING

advisability of paying a bonus to all persons who have served in the Armed Forces of the United States of America who, when having been inducted into the said Service, were bona-fide residents of the Town of Chelmsford, Massachusetts and at the time of discharge received an Honorable Discharge; or act in relation thereto.

ARTICLE 20.

To see if the Town will vote to transfer a certain sum of money from the Machinery Fund to the Machinery Account; or act in relation thereto.

ARTICLE 21.

To see if the Town will vote to transfer from the Overlay Reserve Account a sum not exceeding Two Thousand (\$2,000) Dollars to be used as a Reserve Fund at the discretion of the Finance Committee as provided in General Laws, Chapter 40, Section 6; or act in relation thereto.

ARTICLE 22.

To see if the Town will vote to raise and appropriate a certain sum of money to be used by the Veterans Service Committee in the performance of its duties in rendering aid to veterans and ex-veterans of the Armed Forces of the United States; or act in relation thereto.

ARTICLE 23.

To see if the Town will vote to raise and appropriate a certain sum of money for the purpose of settling suits and claims now pending against the Town; or act in relation thereto.

ARTICLE 24.

To see if the Town will authorize the Treasurer, with the approval of the Selectmen, to borrow money in anticipation of the revenue of the current financial year; or act in relation thereto.

ARTICLE 25.

To see if the Town will vote to authorize the Board of Assessors to use a sum of money in the amount such as the Commissioner of Corporations and Taxation of the Commonwealth may approve as free cash, said sum of money to be applied in determining the tax rate for the year 1945; or act in relation thereto.

AND YOU ARE DIRECTED to serve this Warrant by posting attested copies thereof at the Post Offices in the Centre of the Town, South Chelmsford, North Chelmsford and West Chelmsford, and at the School House in East Chelmsford, and the Golden Cove School House, Westlands, seven days at least before the time appointed for holding the first meeting aforesaid.

HEREOF FAIL NOT, and make return of the Warrant with your doings thereon to the Town Clerk at the time and place of holding this meeting aforesaid.

Given under our hands this twenty-seventh day of January in the year of our Lord, nineteen hundred and forty-five.

Karl M. Perham
Stewart MacKay
Raymond H. Greenwood
