VITAL STATISTICS

Attention is called to the following vital statistics. It is important that these records shall be correct. If errors are discovered, the Town Clerk will deem it a favor to have them reported at once so that corrections may be made.

As required by Chapter 16, Section 15, General Laws of Massachusetts notice is hereby given that the Town Clerk will furnish blanks for returns of births to parents, householders, physicians and registered hospital officers applying therefore.

WARRANT FOR ANNUAL TOWN MEETING**March 6, 1950 and March 13, 1950**

COMMONWEALTH OF MASSACHUSETTS

Middlesex, ss.

To Lawrence W. Chute, Constable, or any suitable person of the Town of Chelmsford.

GREETING:

In the name of the Commonwealth aforesaid, you are hereby requested to notify and warn the legal voters of said Chelmsford to meet in their several polling places, viz;

- Precinct 1. Town Hall, Chelmsford Center
- Precinct 2. Town Hall, North Chelmsford
- Precinct 3. Fire House, West Chelmsford
- Precinct 4. School House, East Chelmsford
- Precinct 5. Liberty Hall, South Chelmsford
- Precinct 6. Westlands School House

On Monday, the sixth day of March, 1950, being the first Monday in said month, at 12 o'clock noon, for the following purposes;

To bring in their votes for the following officers:

- One Moderator for one year.
- One Selectman for three years.
- One Member of the Board of Public Welfare for three years.
- One Member of the Board of Assessors for three years.
- One Member of the School Committee for three years.
- One Member of the Board of Health for three years.
- One Cemetery Commissioner for three years.
- One Park Commissioner for three years.
- Two Public Library Trustees for three years.
- One Sinking Fund Commissioner for three years.
- One Sinking Fund Commissioner for one year.
- One Member of the Planning Board for five years.
- Constable for one year.

All on one ballot.

The polls will be open from 12 noon to 8 p.m., and to meet in the High School Auditorium at Chelmsford on the following Monday, the thirteenth day of March 1950 at 7:30 o'clock in the evening, then and there to act upon the following articles viz:

ARTICLE 1. To hear reports of Town Officers and Committees; or to act in relation thereto.

ARTICLE 2. To raise and appropriate such sums of money as may be required to defray Town charges for the current year; or act in relation thereto.

ARTICLE 3. To see if the Town will authorize the Selectmen to act as its agent in any suit or suits which may arise during the current year, with authority to settle and adjust claims or demands for or against the Town; and to employ counsel whenever in their judgment it is necessary; or act in relation thereto.

ARTICLE 4. To see if the Town will authorize the Treasurer, with the approval of the Selectmen, to borrow money in anticipation of revenue of the current financial year; or act in relation thereto.

ARTICLE 5. To see if the Town will vote to raise and appropriate a sufficient sum of money with which to meet unpaid bills of previous years; or act in relation thereto.

ARTICLE 6. To see if the Town will raise and appropriate the sum of forty-six hundred seventy-nine (\$4679.00) dollars to pay the Treasurer of the Middlesex County Retirement System, the said amount being the Town's share of the Pension and Expense Fund; or act in relation thereto.

ARTICLE 7. To see if the Town will vote to transfer from the Overlay Reserve Account a sum not exceeding Five thousand (\$5000.00) dollars to be used as a Reserve Fund at the discretion of the Finance Committee as provided in General Laws, Chapter 40, Section 6; or act in relation thereto.

ARTICLE 8. To see if the Town will vote to authorize the Board of Assessors to use a sum of money in the amount such as the Commissioner of Corporations and Taxation of the Commonwealth may approve as free cash, said sum of money to be applied in determining the tax rate for the year 1950; or act in relation thereto.

ARTICLE 9. To see if the Town will vote to authorize the Cemetery Commissioners to appoint any or all of the members of said Board as laborers to work in the Cemetery Department at the rate of one (\$1.00) dollar per hour; or act in relation thereto.

ARTICLE 10. To see if the Town will vote to authorize the Park Commissioners to appoint any or all of the members of said Board as laborers in the Park Department at the rate of one (\$1.00) dollar per hour; or act in relation thereto.

ARTICLE 11. To see if the Town will vote to raise and appropriate eighteen hundred (\$1800.00) dollars for the purpose of purchasing one automobile for the Police Department, said purchase to be made under the supervision of the Board of Selectmen; or act in relation thereto.

ARTICLE 12. In the event of an affirmative vote under the previous article to see if the Town will vote to transfer by good and sufficient Bill of Sale one automobile now used by the Police Department; or act in relation thereto.

ARTICLE 13. To see if the Town will vote to raise and appropriate the sum of twenty-seven hundred fifty (\$2750.00) dollars to meet the Town's share of the cost of Chapter 90 Highway Maintenance; or act in relation thereto.

ARTICLE 14. In the event that an affirmative action is taken on the foregoing article, to see if the Town will vote to transfer from the Excess and Deficiency Account five thousand five hundred (\$5500.00) dollars to meet the State's and County's shares of the cost of the work, the reimbursements from the State and County to be restored, upon their receipt, to the Excess and Deficiency Account; or act in relation thereto.

ARTICLE 15. To see if the Town will vote to raise and appropriate the sum of three thousand (\$3000.00) dollars to be used for Chapter 90, Construction on Boston Road; or act in relation thereto.

ARTICLE 16. In the event that affirmative action is taken on the foregoing article, to see if the Town will vote to transfer from the Excess and Deficiency Account nine thousand (\$9000.00) dollars to meet the State's and County's shares of the cost of the work, the reimbursements from the State and County to be restored, upon their receipt, to the Excess and Deficiency Account; or act in relation thereto.

ARTICLE 17. To see if the Town will vote to raise and appropriate the sum of two thousand five hundred (\$2500.00) dollars to be used for Chapter 90, Construction on Groton Road; or act in relation thereto.

ARTICLE 18. In the event that an affirmative action is taken on the foregoing Article, to see if the Town will vote to transfer from the Excess and Deficiency Account, seventy-five hundred

(\$7500.00) dollars to meet the State's and County's shares of the cost of the work, the reimbursements from the State and County to be restored, upon their receipt, to the Excess and Deficiency Account; or act in relation thereto.

ARTICLE 19. To see if the Town will vote to raise and appropriate the sum of four thousand (\$4000.00) dollars for the purpose of purchasing a truck for the Highway Department, such purchase to be made by the Board of Selectmen; or act in relation thereto.

ARTICLE 20. In the event of an affirmative vote under the previous article, to see if the Town will vote to transfer by good and sufficient Bill of Sale, one truck now used by the Highway Department; or act in relation thereto.

ARTICLE 21. To see if the Town will vote to raise and appropriate the sum of four thousand (\$4000.00) dollars, or some other sum, for the purpose of continuing the survey and maps of the Town under the supervision of the Board of Assessors; or act in relation thereto.

ARTICLE 22. To see if the Town will vote to accept the Honor Roll at the Center Town Hall grounds from the Honor Roll Committee; or act in relation thereto.

ARTICLE 23. To see if the Town will vote to authorize the Board of Selectmen to appoint a committee to be responsible for the maintenance of the Honor Roll; or act in relation thereto.

ARTICLE 24. To see if the Town will vote to raise and appropriate the sum of seventy-five (\$75.00) dollars for the maintenance of the Honor Roll for the year 1950; or act in relation thereto.

ARTICLE 25. To see if the Town will vote to raise and appropriate five thousand (\$5000.00) dollars for the enlargement and improvement of the Highway Department garage, such work to be supervised by the Board of Selectmen; or act in relation thereto.

ARTICLE 26. To see if the Town will vote to raise and appropriate the sum of fifteen thousand (\$15,000.00) dollars for the purchase of a new piece of fire apparatus, said purchase to be made by the Board of Fire Engineers; or act in relation thereto.

ARTICLE 27. To see if the Town will vote to raise and appropriate the sum of four hundred (\$400.00) dollars for land damages incurred in the relocating of Swain Road; or act in relation thereto.

ARTICLE 28. To see if the Town will vote to authorize the Selectmen to appoint an Inspector of Wires in accordance with Chapter 529 of the Acts of 1949; or act in relation thereto.

ARTICLE 29. In the event of affirmative action on the previous article, to see if the Town will vote to raise and appropriate a certain sum of money for the salary of a Wire Inspector; or act in relation thereto.

ARTICLE 30. To see if the Town will vote to raise and appropriate a certain sum of money for the purpose of erecting permanent war memorials in various precincts of the Town; or act in relation thereto.

ARTICLE 31. To see if the Town will vote to accept a portion of Swain Road as laid out by the Board of Selectmen and shown by their report and plan duly filed in the office of the Town Clerk; or act in relation thereto.

ARTICLE 32. To see if the Town will vote to raise and appropriate the sum of one thousand (\$1000.00) dollars for the purpose of reconstructing a portion of Swain Road; or act in relation thereto.

ARTICLE 33. To see if the Town will vote to accept a portion of Priscilla Avenue as laid out by the Board of Selectmen and shown by their report and plan duly filed in the office of the Town Clerk; or act in relation thereto.

ARTICLE 34. To see if the Town will vote to raise and appropriate the sum of seven hundred fifty (\$750.000) dollars for the purpose of reconstructing a portion of Priscilla Avenue; or act in relation thereto.

ARTICLE 35. To see if the Town will vote to accept a portion of Donald Avenue as laid out by the Board of Selectmen and shown by their report and plan duly filed in the office of the Town Clerk; or act in relation thereto.

ARTICLE 36. To see if the Town will vote to raise and appropriate the sum of three hundred (\$300.00) dollars for the purpose of reconstructing a portion of Donald Avenue; or act in relation thereto.

ARTICLE 37. To see if the Town will vote to authorize the Selectmen to condense the Town Report in the year 1951 and in succeeding years, or act in relation thereto.

ARTICLE 38. To see if the Town will vote to raise and appropriate the sum of one hundred ninety-five (\$195.00) dollars for the purpose of purchasing a new Check Protector for the office of the Town Treasurer; or act in relation thereto.

ARTICLE 39. To see if the Town will vote to change the term of office for the Moderator from one year to three years, beginning in the year 1951; or act in relation thereto.

ARTICLE 40. To see if the Town will vote to instruct the Public Library Trustees to place a "Plaque" in the Anna C. MacKay Memorial Library in North Chelmsford in appreciation of the bequest made to the Town of Chelmsford and used for the construction of said library, the sum bequeathed to the Town being three thousand two hundred seven and 35/100 (\$3207.35) dollars; or act in relation thereto.

ARTICLE 41. To see if the Town will vote to raise and appropriate the sum of four hundred (\$400.00) dollars for the purpose of purchasing a lowering device and greens for burials for the Cemetery Department, such purchase to be made by the Cemetery Commissioners; or act in relation thereto.

ARTICLE 42. To see if the Town will vote to raise and appropriate the sum of sixteen hundred (\$1600.00) dollars for the purpose of purchasing a three quarter ton truck for the Cemetery Department, such purchase to be made by the Cemetery Commissioners; or act in relation thereto.

ARTICLE 43. To see if the Town will vote to elect by Australian Ballot, one Highway Surveyor for a term of one year, to replace the present Superintendent of Streets, and to be the head of the Highway Department; or act in relation thereto.

ARTICLE 44. To see if the Town will vote to elect by Ballot, five (5) members to the Board of Selectmen, each member to serve a term of three (3) years, or act in relation thereto .

ARTICLE 45. To see if the Town will vote to appoint a committee of three persons from each precinct in the Town to continue the study of the Selectmen-Town Manager form of government for the Town of Chelmsford instituted by vote of the Town in the Annual Town Meeting of 1949, said committee to consist of either members of last year's committee or entirely new members and said committee to report back at the next annual town meeting or special town meeting; or to take action in relation thereto.

ARTICLE 46. To see if the Town will vote to authorize the Board of Health, or some other person or persons, to deal with the Federal Government in preparing application for Federal Funds under Public Law 352 for a General Survey and plans and specifications for the first phase of construction of sewerage disposal at Chelmsford; or act in relation thereto.

ARTICLE 47. In the event of an affirmative vote on the foregoing article, to see if the Town will vote to raise and appropriate the sum

of one hundred fifty (\$150.00) dollars for the purpose of preparing an application for Federal Funds under Public Law 352 for a General Survey and plans and specifications for the first phase of construction of sewerage disposal at Chelmsford; or act in relation thereto.

ARTICLE 48. To see if the Town will vote to appoint a Building Committee to study and secure plans and costs for the construction at the high school of an addition of a six-year school and report at the next Annual or Special Town Meeting; or act in relation thereto.

ARTICLE 49. In the event of affirmative action under the foregoing article, to see if the Town will vote to raise and appropriate a sufficient sum of money for the use of the Building Committee in carrying out the provisions of the foregoing article; or act in relation thereto.

ARTICLE 50. To see if the Town will vote to raise and appropriate the sum of twenty-five hundred (\$2500.00) dollars to hot top the tennis courts at the Westlands and Highland Schools and to erect a fence at the tennis court at the Westlands School; or act in relation thereto.

ARTICLE 51. To see if the Town will vote to abandon or discontinue that portion of Manning Road no longer necessary for public use; or act in relation thereto.

ARTICLE 52. To see if the Town will vote to accept Section 112A of Chapter 41 of General Laws relating to the employment of veterans; or act in relation thereto.

AND YOU ARE DIRECTED to serve this warrant by posting attested copies thereof at the Post Offices in the Center of the Town, South Chelmsford, North Chelmsford, and West Chelmsford, and at the School House in East Chelmsford, and the Westlands School House, thirty days at least before the time appointed for holding the first meeting aforesaid.

HEREOF FAIL NOT, and make return of the Warrant with your doings thereon to the Town Clerk at the time and place of holding this meeting aforesaid.

Given under our hands this first day of February, in the year of our Lord, Nineteen hundred and fifty.

CARL A. E. PETERSON,
ARNAUD R. BLACKADAR,

Selectmen of Chelmsford

COMMONWEALTH OF MASSACHUSETTS

February 1, 1950

Middlesex, ss:

Pursuant to the within Warrant, I have notified and warned the inhabitants of the Town of Chelmsford by posting up attested copies of the same at the following places, to wit: Post Office, Chelmsford Center; Post Office, North Chelmsford; Post Office, South Chelmsford, and at the School House, Westlands, Post Office, West Chelmsford, and School House, East Chelmsford, thirty days at least before the time of holding the meetings as within directed by By-Law in the Town of Chelmsford.

LAWRENCE W. CHUTE,

Constable of Chelmsford.

ANNUAL TOWN MEETING**March 13th 1950**

The annual business meeting of the Town of Chelmsford was held in the High School Auditorium on Monday evening March 13th, 1950 at 7:30 p.m., the meeting was called to order by Moderator John C. Monahan and Harold C. Petterson, Town Clerk, was requested to read the Warrant, after the Warrant was partly read Selectman Carl A. E. Peterson moved that any further reading of the Warrant be waived, and it was so voted.

UNDER ARTICLE ONE: The first business to be taken up was action on article twelve that had been laid on the table until this meeting from a special town meeting held on September 21, 1949, regarding the transfer of a sum of money from the Excess and Deficiency account for the purpose of defraying the cost of a sewerage survey of the Town; it was voted on a motion by Edmund Welch that this article be dismissed.

On a motion made by Carl A. E. Peterson, it was voted to elect Leslie H. Adams, Sr., a member of the Varney Playground Commission for a term of three years.

Mr. Arthur Nystrom reported for the Committee to study the question of salary adjustments and Mr. Nystrom reported that this Committee had made this study and that in the Finance Committee report recommendations had been made in some instances where salaries were under the average and recommended that these salaries be increased.

Mr. John Dusseault reported for the Committee appointed to study the need of a new fire truck for North Chelmsford and reported that this Committee recommended a new piece of fire apparatus for this station.

Mr. Emerson reported for the Committee to study the advisability of purchasing a new Austin-Weston grader for the Highway Department and said that this committee had never functioned and it was voted to dismiss this committee from further study.

TMR
Mr. Norman Mason reported for the Committee to study the Town Manager form of government, and said that this Committee under article 45 of this meeting recommended that the Committee be increased to eighteen.

Mr. Harold C. Petterson moved that the Town Report be accepted as printed and also commended the Town Accountant Alfred H. Coburn for the complete and explanatory recapitulation of his report on pages 171 and 172 of the Town Report and the report was accepted.

UNDER ARTICLE TWO: It was voted to raise and appropriate the following sums of money to defray town charges for the current year;

UNDER ARTICLE THREE: On a motion made by T. W. Emerson, it was voted to authorize the Board of Selectmen to act as its agent in any suit or suits which may arise during the current year, with authority to settle and adjust any claims or demands for or against the town and to employ counsel whenever in their judgment it is necessary.

UNDER ARTICLE FOUR: On a motion made by Harold C. Petterson it was voted that the Town Treasurer be authorized and empowered with the approval of the Board of Selectmen or a majority thereof to borrow money from time to time in anticipation of the revenue of the current financial year beginning January 1st, 1950, and to issue a note or notes therefor payable within one year and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17 of the General Laws.

UNDER ARTICLE FIVE: On a motion made by Carl A. E. Peterson it was voted to raise and appropriate the sum of \$1,512.79 with which to meet unpaid bills of previous years. This vote was unanimous.

UNDER ARTICLE SIX: On a motion made by Arnaud Blackadar, it was voted to raise and appropriate the sum of \$4,679.00 to pay the Treasurer of Middlesex County Retirement System the Town's share of the Pension and Expense Fund.

UNDER ARTICLE SEVEN: On a motion made by T. W. Emerson it was voted to transfer from the Overlay Fund the sum of \$5,000.00 to be used as a reserve fund at the discretion of the Finance Committee as provided in General Laws Chapter 40 Section 6.

UNDER ARTICLE EIGHT: On a motion made by Warren Wright it was voted to authorize the Board of Assessors to use a sum of money in the amount such as the Tax Commissioner of the Commonwealth of Massachusetts may approve as free cash not in excess of \$40,000.00, said sum of money to be used in determining the tax rate for the year 1950.

UNDER ARTICLE NINE: On a motion made by Arthur W. House, it was voted to authorize the Cemetery Commissioners to appoint any or all of the members of said Board to work as laborers in the Cemetery Department at the rate of \$1.00 per hour.

UNDER ARTICLE TEN: On a motion made by Harold Eriksen it was voted to authorize the Park Commissioners to appoint any or all of the members of said Board to work in the Park Department at the rate of \$1.00 per hour.

UNDER ARTICLE ELEVEN: On a motion made by Carl A. E. Peterson it was voted to raise and appropriate the sum of \$1,800.00 for the purpose of purchasing one automobile for the Police Department, said purchase to be under the supervision of the Board of Selectmen.

UNDER ARTICLE TWELVE On a motion made by Carl A. E. Peterson it was voted that the Town transfer by good and sufficient bill of sale one automobile now used by the Police Department.

UNDER ARTICLE THIRTEEN: On a motion made by Arnaud Blackadar, it was voted to raise and appropriate the sum of \$2,750.00 to meet the Town's share of the cost of Chapter 90 Highway Maintenance.

UNDER ARTICLE FOURTEEN: On a motion made by Arnaud Blackadar, it was voted to transfer from the Excess and Deficiency account the sum of \$5,500.00 to meet the State and County's share of the cost of Chapter 90 Highway maintenance, the reimbursements from the State and County to be restored upon their receipt to the Excess and Deficiency Account.

UNDER ARTICLE FIFTEEN: On a motion made by T. W. Emerson, it was voted to raise and appropriate the sum of \$3,000.00 to be used for Chapter 90 Construction on the Boston Road.

UNDER ARTICLE SIXTEEN: On a motion made by T. W. Emerson, it was voted to transfer from the Excess and Deficiency account the sum of \$9,000.00 to meet the State and County of Middlesex share of the cost of Chapter 90 construction of Boston Road, the reimbursements from the State and County to be restored upon their receipt to the Excess and Deficiency account.

UNDER ARTICLE SEVENTEEN: On a motion made by Carl A. E. Peterson, it was voted to raise and appropriate the sum of \$2,500.00 to be used for Chapter 90 work of the construction of Groton Road.

UNDER ARTICLE EIGHTEEN: On a motion made by Carl A. E. Peterson it was voted to transfer from the Excess and Deficiency account the sum of \$7,500.00 to meet the State and County of Middlesex share of the cost of Chapter 90 construction of the Groton Road, the reimbursements from the State and County to be restored upon their receipt to the Excess and Deficiency account.

UNDER ARTICLE NINETEEN: On a motion made by Arnaud Blackadar, it was voted to raise and appropriate the sum of \$5,200.00 for the purpose of purchasing two trucks for the Highway Department, such purchase to be made by the Board of Selectmen.

Mr. Blackadar stated that "these two trucks would be two and one half ton capacity."

UNDER ARTICLE TWENTY: On a motion made by Arnaud Blackadar it was voted to authorize the Town to transfer by bill of sale two trucks now used by the Highway Department.

UNDER ARTICLE TWENTY-ONE: On a motion made by John Thompson, it was voted to transfer from Excess and Deficiency the sum of \$4,000.00 for the purpose of continuing the survey and maps of the Town under the supervision of the Board of Assessors.

UNDER ARTICLE TWENTY-TWO: On a motion made by T. W. Emerson, it was voted to accept the Honor Roll at the Center Hall Grounds from the Honor Roll Committee.

UNDER ARTICLE TWENTY-THREE: On a motion made by T. W. Emerson, it was voted to authorize the Board of Selectmen to appoint a Committee to be responsible for the maintenance of the Honor Roll.

UNDER ARTICLE TWENTY-FOUR: On a motion made by T. W. Emerson, it was voted to raise and appropriate the sum of \$75.00 for the maintenance of the Honor Roll for the year 1950.

UNDER ARTICLE TWENTY-FIVE: On a motion made by Claude J. Harvey, it was voted to dismiss this article, this article pertained to the construction of an addition to the garage in the rear of the Center Town Hall used by the Highway Department. This article was reconsidered and on a motion made by T. W. Emerson, it was voted to raise and appropriate the sum of \$500.00 to repair the roof on the garage.

UNDER ARTICLE TWENTY-SIX: On a motion made by Arthur Nystrom, it was voted that the Town raise and appropriate the sum of \$14,000.00 for the purpose of purchasing a new piece of fire apparatus, the said purchase to be made by the Board of Fire Engineers and that the said purchase be financed in the following manner:

"Four thousand dollars to be raised by taxation in the year 1950 and the Treasurer with the approval of the Selectmen or a majority thereof be and hereby is authorized and empowered to borrow the sum of Ten Thousand Dollars at a rate of interest not to exceed 1% per annum, payable semi-annually and to issue notes of the Town of Chelmsford therefor in accordance with Chapter 44 of the General Laws so that the whole loan shall be paid in not more than five years from the date of issue of the first note, and further that the Board of Fire Engineers be and are hereby authorized to either retain or dispose of the present Town owned fire truck now located in the Fire House at East Chelmsford in any way that the said Fire Engineers deem best for the interest of the Town of Chelmsford." Three Hundred fifteen (315) voted in the affirmative and Two (2) voted in the negative.

UNDER ARTICLE TWENTY-SEVEN: On a motion made by Arnaud Blackadar it was voted to raise and appropriate the sum of \$400.00 for land damages incurred in relocating of Swain Road.

UNDER ARTICLE TWENTY-EIGHT: In regard to accepting Chapter 529 of the Acts of 1949 to appoint an Inspector of Wires, it was voted to dismiss this article.

UNDER ARTICLE TWENTY-NINE: Regarding the appropriation of money for Wire Inspector salary, voted to dismiss this article.

UNDER ARTICLE THIRTY: In regard to the erection of War Memorials, on a motion made by Carl A. E. Peterson, it was voted to dismiss this article.

UNDER ARTICLES: THIRTY-ONE, THIRTY-TWO, THIRTY-THREE, THIRTY-FOUR, THIRTY-FIVE AND THIRTY SIX: Regard to the acceptance of streets and appropriations for the construction of same, it was voted to dismiss these articles.

UNDER ARTICLE THIRTY-SEVEN: It was voted to authorize the Board of Selectmen to condense the Town Report beginning in the year 1951 and eliminate such sections as they deem unnecessary for publication.

UNDER ARTICLE THIRTY-EIGHT: On a motion made by Harold C. Petterson, it was voted to raise and appropriate the sum of \$195.00 for the purpose of purchasing a Check Protector for the office of the Town Treasurer.

UNDER ARTICLE THIRTY-NINE: On a motion made by Harold C. Petterson, it was voted to change the term of office of the Moderator from one year to three years beginning in the year 1951.

UNDER ARTICLE FORTY: On a motion made by Harold C. Petterson, it was voted to instruct the Public Library Trustees to erect a Plaque in the Anna C. MacKay Memorial Library in appreciation of the bequest made to the Town by the late Anna J. Brake, the expenses of said Plaque to be paid for from the Public Library Expense account.

UNDER ARTICLE FORTY-ONE: Regard the purchase of greens and lowering device for the Cemetery Department, it was voted to dismiss this article for the reason that this expense was voted under the budget in Article Two.

UNDER ARTICLE FORTY-TWO: Regard the purchase of a truck for the Cemetery Department, it was voted to dismiss this article.

UNDER ARTICLE FORTY-THREE: Regard the election of a Highway Surveyor by ballot, it was voted to dismiss this article.

UNDER ARTICLE FORTY-FOUR: Regard the election of five Selectmen in place of three, it was voted to dismiss this article.

UNDER ARTICLE FORTY-FIVE: On a motion made by Mr. Norman Mason, it was voted that a Committee of three persons from each precinct of the Town be appointed by the Moderator to investigate the advisability of the Town Manager Form of Government and to report at the next Annual Town Meeting, said committee to comprise of all new members or to include the members of the same committee appointed in 1949.

UNDER ARTICLE FORTY-SIX: On a motion made by Edmund Welch, it was voted to authorize the Board of Health to deal with the Federal Government in preparing application for Federal Funds under Public Law 352 for a general survey and plans and specifications for the first phase of construction of sewerage disposal in the Town of Chelmsford.

UNDER ARTICLE FORTY-SEVEN: On a motion made by Edmund Welch it was voted to dismiss this article.

UNDER ARTICLE FORTY-EIGHT: On a motion made by Ulysses J. Lupien, it was voted to appoint a committee of five persons consisting of Clifford Hartley, John J. Dunigan, Ray Pike, and Harold Stewart and Philip Gilinson (the latter two appointed by the Moderator) as a committee to investigate and report in detail all phases of the advisability, costs and plans for a six year school as an addition to the High School and report at a special town meeting to be held not later than May 1st 1950. This committee to work in conjunction with the School Committee.

UNDER ARTICLE FORTY-NINE: In regard to the appropriation of \$10,000.00 for the use of a committee under article Forty-eight, it was voted to dismiss this article.

UNDER ARTICLE FIFTY: In regard to the resurfacing of tennis courts it was voted to dismiss this article.

UNDER ARTICLE FIFTY-ONE: In regard to the discontinuing of part of Manning Road, it was voted to dismiss this article.

UNDER ARTICLE FIFTY-TWO: In regard to the employment of Veterans under Chapter 41 Section 112A, it was voted to dismiss this article.

At 11:30 p.m. on March 13th, 1950 it was voted to adjourn the meeting until 7:30 p.m. on March 20th 1950 and at 11 p.m. on March 20th 1950 it was voted to adjourn the meeting until March 27th 1950 and on March 27th 1950 at 8:55 p.m. it was voted to adjourn the meeting.

JOHN C. MONAHAN, Moderator
HAROLD C. PETTERSON, Town Clerk

WARRANT FOR SPECIAL TOWN MEETING
March 13th 1950

COMMONWEALTH OF MASSACHUSETTS

Middlesex, ss.

To Lawrence W. Chute, Constable, or any suitable person of the Town of Chelmsford:

GREETING:

In the name of the Commonwealth aforesaid, you are hereby requested to notify and warn the legal voters of said Chelmsford to meet in the High School at Chelmsford on Monday the 13th day of March 1950 at 8 o'clock in the evening, then and there to act upon the following articles, viz:

ARTICLE 1. To see if the Town will vote to authorize the Selectmen to secure by purchase or by eminent domain a parcel of land for a site for the erection of a new grade school building in North Chelmsford, the said parcel of land is now owned by George W. Marinel and is situated on the northerly side of the Groton Road and Westerly side of the so-called Marinel development, containing approximately 10 acres of land; or act in relation thereto.

ARTICLE 2. In the event of affirmative action under the preceding Article to see if the Town will vote to raise and appropriate the sum of six thousand (\$6,000.00) dollars for the purpose of carrying out the preceding Article; or act in relation thereto.

ARTICLE 3. To see if the Town will vote to appoint a building committee of three persons to study and secure plans and specifications for the construction of a new grade school at North Chelmsford. Said Committee to work in conjunction with the school committee and report at the next annual or special Town Meeting; or act in relation thereto.

ARTICLE 4. In the event of affirmative action under the preceding Article to see if the Town will vote to raise and appropriate the sum of five thousand (\$5000) dollars for the use of the building committee and School Committee in carrying out the provisions of the foregoing Article; or act in relation thereto.

AND YOU ARE DIRECTED to serve this Warrant by posting attested copies thereof at the Post Office in the Center of the Town, South Chelmsford, North Chelmsford, and West Chelmsford, and at the School House in East Chelmsford, and the Westlands School House, seven days at least before the time appointed for holding the meeting aforesaid.

HEREOF FAIL NOT, and make return of the Warrant with your doings there on to the Town Clerk at the time and place of holding this meeting aforesaid.

Given under our hands this fourth day of March, in the year of our Lord, Nineteen Hundred and Fifty.

THEODORE W. EMERSON,

CARL A. E. PETERSON

ARNAUD R. BLACKADAR,

Selectmen of Chelmsford

COMMONWEALTH OF MASSACHUSETTS

Middlesex, ss.

Pursuant to the within Warrant, I have notified and warned the inhabitants of the Town of Chelmsford by posting up attested copies of the same at the following places; to wit; Post Office, Chelmsford Center; Post Office, North Chelmsford; Post Office, West Chelmsford; School House, East Chelmsford; Post Office, South Chelmsford; and School House, Westlands; seven days at least before the time appointed for holding the meeting aforesaid.

LAWRENCE W. CHUTE,

Constable of the
Town of Chelmsford

SPECIAL TOWN MEETING

March 13th 1950

At a special Town Meeting held on March 13th 1950 in the High School Auditorium in Chelmsford, Mass. at 8 p.m. the following business was transacted, the meeting was called to order by the Moderator John C. Monahan and the Moderator requested Harold C. Petterson, Town Clerk to read the Warrant, after the Warrant was partly read, on motion made by Carl A. E. Peterson, it was voted to waive the further reading of the Warrant.

UNDER ARTICLE ONE On a motion made by Harold C. Petterson, it was voted to authorize and empower the Board of Selectmen to secure by purchase or eminent domain the following parcel of land for the erection of a new grade school building at North Chelmsford, the said parcel of land described as follows:

Beginning at a point in the northerly line of Groton Road and at the northeasterly corner of the property belonging to one Jamros; thence northwesterly along said Jamros land 222.0 feet more or less to a point; thence westerly still along said Jamros land 95.0 feet more or less to a point; thence northwesterly and northerly along center line of a proposed street 428.0 feet more or less to a point in the southerly line of Harding Street; thence easterly and northeasterly by the southerly line of Harding Street 635.0 feet more or less; to a point at the southeasterly corner of one Littlefield; thence easterly by land of Littlefield 174.70 feet; thence still northerly by the said Littlefield land 55.64 feet; thence easterly by land now or formerly of Amasa Brown 243.0 feet more or less to land of Alice Perry; thence southwesterly and southerly 400.0 feet more or less to a point in the northerly line of Carolyn Ave.; thence westerly along the northerly line of Carolyn Ave. 157.0 feet more or less; thence southerly crossing said Carolyn Ave. 40.0 feet more or less to a point at the intersection of Carolyn Ave. with Sheila Ave.; thence still southerly in the same straight line along the westerly line of Sheila Ave. 420.11 feet to a point in the northerly line of Groton Road; thence westerly along the Northerly line of Groton Road to the point of beginning, containing seven acres of land by estimate more or less.

Four hundred fifty (450) voted in the affirmative. Two voted in the negative.

UNDER ARTICLE TWO On a motion made by Robert E. Picken, it was voted to transfer from the fund now called, SALE OF TOWN PROPERTY to an account to be called LAND ACQUIRED IN NORTH CHELMSFORD FOR A NEW GRADE SCHOOL BUILDING, as described in the vote under article one of the warrant for a special town meeting held on March 13, 1950, the sum of \$6,000.00.

UNDER ARTICLE THREE: On a motion made by Franklin W. Taylor, it was voted to appoint a Building Committee of five persons to study and secure plans and specifications for the construction of a new grade school at North Chelmsford. Said committee to work in conjunction with the School Committee and report at the next annual town meeting or special town meeting, said committee to comprise of the following persons; Harold W. Stewart, Philip J. Gilinson, Jr., Robert E. Picken, Edward J. Stefan and Warren Lahue.

UNDER ARTICLE FOUR: On a motion made by Edward Stefan, it was voted to transfer from the Excess and Deficiency account to an account to be called, PLANS AND SPECIFICATIONS FOR A NEW GRADE SCHOOL BUILDING AT NORTH CHELMSFORD, the sum of 6,200.00 to be expended by the committee named in a vote under Article Three in a Special Town Meeting held on March 13th, 1950.

Voted to adjourn this meeting at 9:05 p.m.

HAROLD C. PETERSON,
Town Clerk.

JOHN C. MONAHAN,
Moderator.

WARRANT FOR SPECIAL TOWN MEETING
April 10th, 1950

COMMONWEALTH OF MASSACHUSETTS

Middlesex, ss.

To Lawrence W. Chute, Constable, or any suitable person of the Town of Chelmsford:

GREETING:

In the name of the Commonwealth aforesaid, you are hereby requested to notify and warn the legal voters of said Chelmsford to meet in the Town Hall at Chelmsford on Monday, the tenth day of April, 1950 at 7:30 o'clock in the evening, then and there to act upon the following articles, viz:

ARTICLE ONE:: To see if the Town will vote to adopt a new set of Building Code By-Laws as a substitute for the present Building Code By-Laws. Said new set of Building Code By-Laws having been duly published in the six precincts of the Town.

ARTICLE I

This regulation shall constitute and be known as the BUILDING CODE OF THE TOWN OF CHELMSFORD and may be cited as such, and shall apply to all buildings erected or altered in Chelmsford after the adoption of this code. For the enforcement of this code and to insure conformity therewith, there shall be a Building Inspector, appointed annually by the Selectmen, during the month of March, for a term of one year, or until his successor has been appointed and qualified. To be eligible for appointment as Inspector of Buildings, the individual must have had at least five years experience as an architect, structural or civil engineer, superintendent of construction or other experience satisfactory to the Selectmen. His salary shall be determined by the Selectmen.

ARTICLE II

Right To Enter

Section 1. The Building Inspector may, so far as is necessary for the performance of his duties, enter any building or premises within the Town of Chelmsford at any reasonable hour.

Section 2. The Building Inspector shall keep a record of all business of his department, which record and all other papers and books relating to the transaction of the duties of his department shall be open at all times to the inspection of the Selectmen, and he shall submit to them a yearly report on such business, and such other reports as they may require.

The Building Inspector shall give written notice to the Assessors of permits granted by him, which notice shall state the name of the person to whom the permit was granted, the name of the owner of the building or structure, the location of the building or structure, and the estimated total value as given on the application.

He shall receive applications and issue permits for the erection and alteration of buildings as hereinafter described and shall keep detailed and sufficient records of such applications and permits. He shall not give a permit for the erection or alteration of any building until he shall have carefully inspected the plans, specifications and premises, and ascertained that the building as proposed will conform to the Building Code, to the Zoning Laws and the laws of the Commonwealth of Massachusetts.

He shall make all inspections as hereinafter called for and such other inspections in the course of construction or alteration as may be necessary to assure compliance with the Building Code and Zoning Laws.

He shall make a record of all violations, with the name of the owner, occupant, architect or builder, also what action he took in regard to the violation.

He shall examine all buildings reported dangerous or damaged by accident or fire, and if it appears to him that such structures would be unsafe or dangerous to life and limb in case of fire or otherwise, it shall be deemed dangerous within the meaning thereof, and the Inspector may affix in a conspicuous place upon its exterior walls a notice of its dangerous condition which shall not be removed or defaced without authority from him.

It shall be the duty of the Inspector to approve, or reject any plans filed with him within ten days, but the Selectmen may, in special cases, extend this time as seems to them to be demanded by the public interest. No work of any description, including excavation for cellar or basement, or for foundations shall be commenced until a permit is issued.

No oversight or neglect of duty on the part of the building inspector or his subordinates shall legalize the erection, construction or alter-

ation of any building or structure in a manner not in conformity with the provisions of this code.

Relief From Personal Responsibility

The Building Inspector, or an employee charged with the enforcement of this code shall not be personally liable while acting for the town, and he is hereby relieved from all personal liability for any damage that may accrue to persons or property as a result of any acts required or permitted in the discharge of his official duties.

Appeal

Section 3. The Board of Appeals shall act as a Board of Appeals under this Code. The procedure of the Board and the process of appeal shall conform, so far as may be, to that specified in Section 10 of the Zoning By-Laws.

If the owner of any building or other structure, or an applicant for a permit to erect or alter a building or other structure, is aggrieved by any order or decision of the Building Inspector, he may file with the Board of Appeals an objection in writing. The Board of Appeals shall within a reasonable time, hear the parties and after taking such expert opinion as may seem to the Board to be necessary, give their decision. In case the decision of the Building Inspector be affirmed, the expense of such expert opinion taken by the Board of Appeals shall be paid to the Town on demand by the appellant; otherwise such expense shall be borne by the Town.

Section 4. No building shall be erected, added to or altered except in conformity with the provisions of this code, but nothing in this code shall be construed to apply to buildings or structures owned by the United States Government, or by the Commonwealth of Massachusetts, or to bridges, garden walls, fences, gates or gateways, or to buildings with a total value of less than \$50.00.

Ordinary repairs, additions or alterations may be made up to the value of \$50.00 after notice to the Building Inspector, without permit or fee, but such repairs, additions or alterations shall not be construed to include the cutting away of any stone, concrete or brick wall, or any portion thereof, the removal or cutting of any beam or support, or the removal, change or closing of any staircase, or exit.

Section 5. Whoever performs, or causes to be performed, any work, or maintains, alters or erects any structure in violation of this Building Code, or any part thereof, or continues work on the same after having received written notice to cease, shall be subject to a fine of not more than (\$100.) one-hundred dollars for each violation. The Building Inspector shall make complaint to a court having jurisdiction

thereof, or apply to the Superior Court for an injunction or order restraining the further use of the premises, or both, and shall do all further acts and take any and all action necessary to enforce the provisions of this Building Code.

ARTICLE III

Filing Applications

Section 1. Before work is commenced upon the construction or alteration of any building, structure or part thereof, or work incidental thereto, including excavation for cellar or basement, a foundation, or the plumbing or drainage system, the owner, lessee or representative of either, shall submit to the Building Inspector a detailed description of the location, purpose and construction of the proposed work together with a plat plan showing location of the building on the lot, and such copies of the plans, detailed drawings and calculations as the Building Inspector may require. If, in the opinion of the Building Inspector, such information is in conformity with the Building Code and Zoning Laws, he shall issue a permit. The fee for such permit shall be established by the Board of Selectmen.

The Building Inspector shall make at least two inspections of each industrial, commercial, and residential building, including attached accessory buildings. One of these inspections shall be made after the foundation, the first or grade floor framing and its rough floor have been completed. Until after this inspection has been made and the approval of the Building Inspector given of the work done to this point, the excavation shall not be backfilled. Another inspection shall be made after the building is structurally completed or enclosed, but before any wall or ceiling interior covering has been applied over the studs or joists. Such inspections shall be made within 48 hours after notice is received, Sundays and holidays excepted.

The permit shall contain, in writing, any variances to the Building Code or Zoning Laws which may have been granted by the Building Inspector or Board of Appeals.

The erection, construction or alteration of any building shall, when proceeded with, be executed in accordance with such detailed descriptions, plans and drawings as were furnished the Building Inspector when application for permit was filed, unless amended plans are submitted to, and approved by, the Inspector.

Any permit which may be issued by the Inspector, but under which work is not commenced within six months from date of issuance, or is abandoned before completion, shall expire by limitation.

A permit card, issued by the Inspector, must be displayed in a conspicuous place on the street side of the premises, and must not be removed until all work in the building shall have been approved.

The Building Inspector is hereby given authority to order and compel the suspension of any work being done in violation of any of the provisions of this Code, and no person shall continue the construction or alteration of any building after being directed by the Building Inspector to suspend work. Such notice shall be in writing and be given to the owner, his agent or the person doing the work. Such notice shall state the conditions under which work may be resumed. When suspension of work is ordered by the Inspector, the permit and permit card shall be surrendered to the Building Inspector and shall not be returned until after the violation has been corrected.

ARTICLE IV

Definitions of Terms

Section 1. In this Code the following terms shall have the meaning respectively assigned to them.

Definitions

Accessory Building.

A structure or building customarily incident to use of land or building to which it is accessory.

Alteration.

Any change or addition which requires no foundation, nor increases the floor area by more than 25%.

Apartment.

Apartment means a room or suite of two or more rooms, in a residence building occupied as the home or residence of an individual, family or household.

Apartment House.

Any building which is intended or designed for, or used as the home of three or more families or households living independently of each other.

Basement.

That part of a building partly underground but having more than one-half of its entire wall area above the level of the adjoining ground.

Bearing Wall.

A bearing wall means a wall which supports any vertical load in addition to its own weight.

Building.

Any structure comprising the assembly of materials to form a construction for the support, shelter, or enclosure of persons, animals, chattels or other property. Portions mutually separated by an approved firewall shall be considered as separate buildings.

Building Line.

A line between which and a way or place no building can be erected or placed.

Building Official.

The Building Inspector, or his regularly authorized representative charged with the administration and enforcement of this Code.

Cellar.

The lower portion of a building wholly or partly below ground such that more than half the clear height from floor to ceiling is below the adjoining established grade.

Dwelling.

A residence building for a family and not more than six lodgers or boarders, or occupied by not more than two families living separately.

Fire Wall.

Fire wall means a wall constructed for the purpose of subdividing a building or separate buildings to restrict the spread of fire and this wall starts at the foundation and extends continuously through all the stories to and above the roof, except where the roof is fireproof or semifireproof and the wall is carried up tightly against the underside of the roof slab.

Footing.

An enlargement at the lower end of a wall, pier, column, or chimney so arranged as to distribute the supported load to the earth.

Foundation.

That portion of a wall below the level of the mean grade next to the wall, but may be construed by the Building Inspector to mean that portion below the basement or cellar floor, and may be construed as including slab construction.

Garage.

An accessory building in which motor vehicles are kept, housed, or repaired. The term motor vehicle as used here applies to automobiles, trucks and buses, but does not include motorized farm machinery, such as tractors, cultivators, etc.

Grade.

The average level of that part of the ground within four feet of the foundation wall.

Habitable Room.

A habitable room means a room occupied by one or more persons for living, eating or sleeping, and includes kitchens, serving apartments, or individual households, but does not include bathrooms, toilets,

compartments, laundries, serving and storage pantries, corridors, basement and other spaces that are not used frequently or during extended periods.

Height.

In feet, is the vertical distance from grade to the mean or average height of the roof or gable; in stories, does not include cellars, basements, or attics not occupied for habitable living quarters.

Multifamily House.

A multifamily house means a building occupied as the home or residence of individuals, families or households living independently of each other, of which three or more are doing cooking within their apartments; including tenement house, apartment house, flat.

Outbuilding.

Shed, henhouse, etc.

Prefabricated.

Prefabricated means composed of sections or panels fabricated prior to erection on the building foundation.

Reinforced Concrete.

A uniformly mixed composition of screened gravel, stone, or other aggregate with sand, Portland cement and water, in approved proportions and reinforced with embedded steel for increased strength.

Repairs.

Replacement or removal of any part of a building or change therein which does not affect the construction or involve the erection of bearing or exterior walls, roof, chimneys or stairways, does not remove or cut any supporting beams or support thereof and does not violate any requirement of these building laws.

Solid Masonry.

Solid masonry means masonry consisting of solid masonry units laid contiguously with the joints between units filled with mortar, or consisting of plain concrete.

Story of a Building.

The section of a building between the floor (or top of the floor beams) and the floor (or top of the floor or roof beams) next above. A mezzanine between stories shall count as a story when it exceeds 25% of the area of the floor immediately below.

Street.

A street as the term is used in these building laws shall include all public ways and all private ways commonly used by the public.

Wall, Veneered.

A veneered wall means a wall having masonry facing which is attached to the backing but not so bonded as to exert common action under load.

Wood Frame Building.

A building or structure, the exterior walls of which are constructed of wood, or wood covered with metal, or veneered with brick, stone, or cement.

ARTICLE V

Classification of Construction

Section 1. Types designated. For the purpose of this code, construction as used in buildings shall be classified as follows:

- (a) Fireproof Construction
- (b) Semifireproof Construction
- (c) Heavy Timber Construction
- (d) Ordinary Construction
- (e) Noncombustible Construction
- (f) Wood Frame Construction
- (g) Unprotected Metal Construction

Fireproof, Semifireproof and Heavy Timber Construction

Section 2. Fireproof, semifireproof and heavy timber construction shall conform to generally accepted good practice.

Ordinary Construction

Definition.

Ordinary construction, as applied to buildings, means that in which exterior walls and bearing walls are of masonry or of reinforced concrete, and in which the structural members, including columns, floors and roof construction, are wholly or partly of wood of smaller dimensions than required for heavy timber construction, or of steel or iron not protected as required for semifireproof construction.

Noncombustible Construction

Definition.

Noncombustible construction, as applied to buildings, means that in which all structural members, including floors, roofs and their supports, are of steel, iron, concrete, or of other noncombustible materials, and in which the exterior walls are of noncombustible construction having a fire resistance rating of not less than two hours.

Wood Frame Construction

Definition.

Wood frame construction, as applied to buildings, means that in which walls and interior construction are wholly or partly of wood.

Unprotected Metal Construction

Definition.

Unprotected metal construction, as applied to buildings, means that in which the structural supports are unprotected metal and in which floors and roofs are of noncombustible construction, and the exterior walls are of noncombustible construction having a fire resistance rating of not less than 2 hours.

ARTICLE VI

Windows and Ventilation

Section 1. All habitable rooms shall have one or more outside windows, and the aggregate glass area shall not be less than 4% of the floor area of the room served by them.

NOTE: See definition of Habitable Room on Page 61 under the heading of definitions.

Section 2. All rooms, other than habitable rooms, (except storage rooms, corridors, basement and other spaces not used frequently or for extended periods), shall be provided with one or more windows or ventilating skylights opening directly to the outside air and light, or such rooms shall be provided with an approved means of mechanical ventilation.

Bathrooms and toilets shall have an outside window of not less than three square feet of glass area, or shall be provided with an approved means of mechanical ventilation.

Section 3. Every dwelling shall have at least two means of egress.

ARTICLE VII

Use of New Materials and New Methods of Construction

Section 1. New materials, methods of construction, devices and equipment may be approved by the Building Inspector for use in buildings, if they are proved to be the equivalent of those required by this code, or he may adopt the recommendations of the Board of Standards in the Massachusetts Department of Public Safety.

An equivalent material, appliance, method of construction or maintenance, having once been approved by the Building Inspector, may thereafter be permitted without further specific approval.

The Building Inspector may accept duly authenticated reports from recognized sources in respect to the use of new materials or methods of construction and the applicable specifications and standards of accepted engineering practice insofar as they conform to the requirements of this code. Recognized sources of such duly authenticated reports in

respect to the use of new materials or methods of construction shall be those listed in Appendix A and Appendix B of the Basic Principles of Building Construction by the Board of Standards, Department of Public Safety, Commonwealth of Massachusetts. New materials and new methods of construction as referred to above shall include pre-fabricated assemblies.

ARTICLE VIII

Footings and Foundations

Section 1. All buildings and structures shall have foundation walls, piers, piles, continuous slabs or other approved foundations which shall be designed to resist frost action or shall be founded on bed rock. All footings shall be designed to distribute the load as nearly uniformly as practicable.

Satisfactory bearing material for footings and foundations are as follows,—

Undisturbed ledge rock, natural deposits of coarse or medium sand, gravel or dry clay, or a combination of such materials, if the layers below are not of objectionable material of little bearing value.

All foundation walls shall have a footing which shall bear on undisturbed soil and be designed to distribute sufficiently the super-imposed load to the particular type of soil upon which they bear. Where soil conditions prevent sharp cut trenches for footings, side forms shall be used. All footings shall be of poured portland cement concrete of 1-3-5 (one-three-five) mixture, or better.

- (a) Under all foundation walls of all wood frame buildings not exceeding two stories, and also one story masonry buildings; thickness (8) eight inches; projection (4) four inches on each side of the wall.
- (b) Under foundation walls of masonry buildings more than one story in height; thickness (12) twelve inches; projection (6) six inches on each side of the wall, or the footing may be the same as required in paragraph (a) above, if reinforced with not less than two $\frac{5}{8}$ inch bars continuous in footing and spaced not to exceed (8) eight inches.
- (c) Under masonry piers; thickness (12) twelve inches, projection each side (6) six inches minimum, area four square feet.
- (d) Under posts and columns; thickness (12) twelve inches minimum, area four square feet.
- (e) Under chimneys for one story buildings; thickness (8) eight inches, projection on all sides (4) four inches.

- (f) Under chimneys for buildings of more than one story; thickness (12) twelve inches; projection on all sides (6) six inches.

All footings shall be adequately reinforced where they cross and bear on filled trenches or other similar disturbed soil conditions. Modification of footing requirements may be made if approved by the Building Inspector.

Foundation Walls

Section 2. All dwellings must have a foundation wall which extends (42) forty-two inches below the finished grade. Foundation walls if of poured concrete shall be not less than (16) sixteen inches in thickness for fireproof, semifireproof, and heavy timber buildings, and not less than (12) twelve inches for masonry, or masonry veneered buildings, and not less than (8) eight inches in thickness for ordinary, or wood frame buildings, not exceeding two stories, and also for one story masonry buildings.

Foundation walls if of stone shall be not less than (16) sixteen inches in thickness.

Hollow, or Solid Masonry, and Plain Concrete

When not more than (6) six feet deep, masonry walls shall be not less than (8) eight inches thick; and when more than (6) six feet below grade, not less than (12) twelve inches thick. Foundation walls of approved hollow masonry units shall be provided with not less than (4) four inches of solid masonry at girder bearings, or shall be strengthened with buttresses.

In no case shall the foundation wall be less in thickness than the wall supported.

Foundation walls supporting wood frame construction shall extend not less than (8) eight inches above the outside finished grade.

ARTICLE IX

Chimneys and Chimney Flues

Section 1. No chimney flues shall be less than 64 square inches in area for heating plants, nor less than 96 square inches for fireplaces. Circular flues of same effective area may be used.

All chimney flues shall have walls of brick, stone, or solid cast concrete, or concrete blocks not less than (4) four inches in thickness and shall be lined throughout with fireclay linings or (8) eight inch walls plastered inside and outside in place of flue linings. All chimneys must have concrete foundations not less than (8) inches in thickness. Chimneys of other than masonry construction shall not be con-

structed except by special written permission of the Building Inspector. Every chimney shall be equipped with a cleanout door near the base of the chimney.

Not more than two flues (2) shall be enclosed in a single chimney unless separated by not less than (4) four inches of masonry or reinforced concrete bonded into the chimney walls. When not so separated the bed joints of the flue linings shall be staggered not less than (7) seven inches.

Chimneys shall be capped with concrete, terra cotta tile or other approved incombustible and weatherproof materials.

All wood floor and roof framings and all other combustible material must be kept at least two inches away from the chimney and fireplace masonry. In no case shall wood framing members bear on the masonry of chimneys except on piers which are built integral with the chimney masonry. Spaces between chimney and framing material must be fire-stopped by filling with non-combustible material.

ARTICLE X

Lumber or Wood Construction

Sills

Grades and Sizes

Section 1. All lumber and timber used in load bearing members shall be at least equal in quality to No. 2 Common and of nominal sizes.

Sills shall be not less than (3x6) three by six inches when laid flat on a solid foundation bearing; for a boxed sill, not less than the size of the floor joists, and over openings or piers shall be designed for their imposed loads.

Girders or Carrying Timbers

Girders or carrying timbers shall be not less than (6x8) six by eight inches if of built-up or of solid wood. If of structural steel they must be of sufficient size to carry all live and dead loads. All joints shall be made over piers or column supports. The maximum clear span for (6x8) six by eight wood girders shall be eight feet for one story dwellings and seven feet for one and one-half story dwellings. The maximum clear span for structural steel girders shall be determined from tables supplied by a competent structural or civil engineer.

Floor Joists

For maximum allowable spans for floor joists in dwellings, see Table 1 in the Appendix.

Where floor joists frame into the side of wood girders or sills, the joists shall be supported on metal joist hangers or on a bearing

or spiking strip on the side of girders. Size of strip shall be not less than (2x3) two by three inches. The joists must also be spiked to the girder.

Floor joists shall be doubled under all partitions which run parallel to the floor joists and at all stair and fireplace openings.

All stair and fireplace openings to be doubleheaded.

Floor and flat roof joists shall be cross-bridged with one line of bridging for every eight feet of span, and with not less than 1 x 3 wood, or approved metal bridging, or may be solid blocked the size of the joists.

Ends of floor joists framing into masonry walls shall have not less than a (4") four inch bearings and shall have at least a 3" bevel or fire cut.

Studding

All outside wall and carrying partitions must be of (2x4) two by four studding set on (16) sixteen inch centers.

Plates on all outside and bearing partitions must be doubled.

All door, window and other openings must have studs doubled on the jambs.

Lintel or headers over all openings shall be doubled.

Span for lintel or header shall not exceed the following for size given:—

two (2" x 4")—not more than 4 feet

two (2" x 6")—not more than 5½ feet

two (2" x 8")—not more than 7 feet

span of (7) seven feet—not less than two (2" x 10")

Trussed construction may be used in place of lintel.

Ceiling Joists

For spans and spacings of ceiling joists see Table 2 in Appendix.

Where the attic space above ceiling joists is unfinished, but is usable for storage space, or if the space is suitable for finishing into future habitable rooms, the spans for ceiling joists shall be the same as for floor joists. An access opening not less than 18" by 18" must be provided for every unfinished attic space.

Roof Rafters

The clear span for roof rafters shall mean the distance measured horizontally from plate to a point directly beneath the ridge. The actual rafter length will depend on the roof slope and must be determined accordingly.

Spacing and spans for roof rafters on slopes less than 5 to 12 inches shall be the same as for floor joists.

For spacing and span for roof rafters for all roofs with slopes of more than 5 to 12 inches, see Appendix, Table 3.

Collar beams must be used on every second rafter where spans exceed those in above table.

All openings in roof construction for dormer windows which are not supported on partitions shall be framed with double rafters and headers.

Requirements for headers and trimmers for roof framing around chimneys shall be the same as required for floors except that for a sloping roof where headers are less than four feet in length and the chimney is either at the ridge or the eaves, the trimmers may be single.

All roof rafters shall bear on the full width of the plate.

Bracing

Section 2. Wood wall sheathing when laid diagonally on exterior walls shall be applied at approximately 45 degrees and extend in opposite directions on each side adjoining at the corner, and corner bracing will not be required.

All corner posts shall be the equivalent of not less than three (3) two by four (2x4) inch studs braced by not less than one (1) one by four (1x4) inch diagonal braces cut into the studs or by equivalent construction satisfactory to the building inspector.

Studs in exterior wood frame walls may run from sill to roof plate provided they do not exceed 20 foot continuous lengths without splicing.

When openings occur near the corners, one by four (1x4) inch knee braces let into the face of the studs shall be installed above and below the openings at approximately 45 degrees extending across not less than three (3) stud spaces.

Floor joists which do not bear on a wall or plate shall be spiked to the studs and be supported on a one by four (1x4) ribbon let into the inside face of the studs and spiked thereto.

Joists bearing on ledger boards shall be securely nailed to face of studs.

Where studs exceed 20 feet in length a double plate shall be installed continuous at the second floor level.

Fire Stops

Section 3. Wood or other fire stops must be installed between each story of all single residences.

Wood or other fire stops must be installed in all stairs between stringers.

Masonry fireproofing must be installed in all walls or stairways of apartment buildings.

Wood or other fire stops must be installed in top and bottom of all partitions in stair walls of two family buildings.

Permit for Lathing

Section 4. No wall or ceiling of any building shall be lathed or otherwise covered, until the Building Inspector has been notified in writing that the building is ready for this work, and until he has given written consent for said work to continue. The Building Inspector shall act on such notice within forty-eight hours of receipt of the same, not including Sundays and Holidays.

Attached garages shall be wire lathed and plastered on the ceiling and on all walls common with the main building.

Outside Walls

Section 5. All outside walls of dwellings must be covered with one or more of the following materials:—

Wood shingles or siding, exterior plywood, asbestos shingles or asbestos cement boards, protected combustible siding, brick masonry or stone veneers, vitreous tile, metal siding, stucco or exterior plaster, or other approved weather resisting material satisfactory to the Building Inspector.

ARTICLE XI

Fireproof, Semifireproof and Heavy Timber Construction

Section 1. The application for a permit to build a building of other than ordinary wood frame or masonry construction must be accompanied by properly certified engineering data in regard to strength, durability of materials and methods of construction to be used.

If the Building Inspector after careful study determines that the materials and methods of construction of the building will be safe and durable, and will not impair the safety of the neighborhood where located, or be injurious to the locality, he shall issue a permit for the construction of said building.

Section 2. The Building Inspector may at his discretion make exceptions in the case of outbuildings and accessory buildings.

ARTICLE XII

Section 1. The invalidity of any section or provision of this Building Code shall not invalidate other sections or provisions of said code.

Substitution for the Present Building Code

Section 2. This Building Code shall be considered a substitution for the present Building Code of the Town of Chelmsford. The present Building Code is hereby repealed, and the above new Building Code is hereby adopted, and said new code shall go into effect upon approval by the Attorney General.

APPENDIX

Table 1

Minimum Allowable Spans for Floor Joists in Dwellings

Nominal Size	c to c spacing in inches	Douglas Fir Sou. Pine	West Coast Hemlock	Est. Spruce Est. Hemlock	All other Species
2" x 6"	12	10' 5"	10' 2"	9' 6"	9' 0"

2 x 8	20	15' 2"	13' 8"	11' 6"
	16	16' 7"	15' 3"	12' 1"
	12	18' 4"	16' 7"	14' 3"

Any other material or sizes not included in above tables to be approved by the Building Inspector in writing.

ARTICLE 2: To see if the Town will vote to repeal paragraphs (3) and (5) in sub-division (h) of Section 8 of the Zoning By-Laws, and in place thereof adopt the following new paragraph (3) in sub-division (h) of Section 8, said new paragraph to read as follows:—

Paragraph (3), sub-division (h), Section 8

Unattached garages may be located in the side yard up to the front line of the main part of the house, but no part of the garage shall be nearer than ten feet to the side line of the lot if the garage is located in the side yard. In case of corner lots the garage must be located in the side yard or the rear yard, so that said garage will not extend beyond the set-back line of either street. If the garage is located wholly in the rear yard it cannot be nearer than three feet to the boundary lines of the lot, the distance to be measured from the boundary line to the nearest part of the garage.

ARTICLE 3: To see if the Town will vote to accept a portion of Priscilla Avenue as laid out by the Board of Selectmen and shown by their report and plan duly filed in the office of the Town Clerk; or act in relation thereto.

ARTICLE 4: To see if the Town will vote to raise and appropriate the sum of Seven Hundred Fifty (\$750.00) Dollars for the purpose of reconstructing a portion of Priscilla Avenue; or act in relation thereto.

ARTICLE 5: To see if the Town will vote to accept a portion of Donald Avenue as laid out by the Board of Selectmen and shown by

their report and plan duly filed in the office of the Town Clerk; or act in relation thereto.

ARTICLE 6: To see if the Town will vote to raise and appropriate the sum of Fifty (\$50.00) Dollars for the purpose of reconstructing a portion of Donald Avenue; or act in relation thereto.

AND YOU ARE DIRECTED to serve this Warrant by posting attested copies thereof at the Post Offices in the Center of the Town, South Chelmsford, North Chelmsford, and West Chelmsford, and at the School House in East Chelmsford and the Westlands School House, seven days at least before the time appointed for holding the meeting aforesaid.

HEREOF FAIL NOT, and make return of the Warrant with your doings thereon to the Town Clerk at the time and place of holding this meeting aforesaid.

Given under our hands this third day of April, in the year of our Lord, Nineteen Hundred and Fifty.

CARL A. E. PETERSON,

ARNAUD R. BLACKADAR,

Selectmen of Chelmsford.

Middlesex, ss.

I have served this Warrant by posting attested copies at the Post Offices in the Center of the Town, South Chelmsford, North Chelmsford and West Chelmsford, and at the School House in East Chelmsford, and at the Westlands School, Westlands seven days at least before the time appointed for holding the meeting aforesaid.

LAWRENCE W. CHUTE,

Constable of Chelmsford

April 3, 1950

SPECIAL TOWN MEETING**April 10th, 1950**

At a Special Town Meeting held in the Upper Town Hall at Chelmsford Centre on April 10, 1950 at 7:30 P. M. the following business was transacted, the Moderator called the meeting to order at 7:30 P. M. and requested Town Clerk, Harold C. Petterson to read the Warrant; after the Warrant was partly read on a motion made by Carl A. E. Peterson, it was voted to waive the further reading of the Warrant.

UNDER ARTICLE 1: On a motion made by Clifford Hartley, it was voted to amend the Building Code By-Laws by striking out the present Building Code and substituting in place thereof as the New Building Code, the Building Code as published in the Warrant, with the following changes in the printed copy:—

Page 17. Under the title Floor Joists—next to the last sentence to read,

Size of strip shall be (2x3) two by three inches.

Page 18. Under the head of Studding, add to the first paragraph the following—or the equivalent of the same, so that the first paragraph will read—All outside and carrying partitions must be (2x4) two by four studding set on sixteen inch centers; or the equivalent of the same.

Also on Page 18—Under the subject of lintels or headers, the last sentence to read as follows:—Trussed construction may be used in place of lintel, or other approved construction affording adequate strength may be used.

Page 20. Last paragraph on the page to read as follows:—Masonry fireproofing must be installed in all walls of stairways in apartment buildings.

Page 21. Add the following at end of Section 4—Basement and internal garages shall be wire lathed and plastered on ceiling and partitions with fire door for opening from building, or they shall be enclosed with masonry walls with fire door from the building.

Page 22. Table 1 in appendix—the heading to read— MAXIMUM ALLOWABLE SPANS FOR FLOOR JOISTS IN DWELLINGS.

Thirty two voted in the affirmative

Nineteen voted in the negative.

THE NEW BUILDING CODE WITH THE CHANGES AND AMENDMENTS TO READ AS FOLLOWS:

ARTICLE I

This regulation shall constitute and be known as the BUILDING CODE of the TOWN OF CHELMSFORD and may be cited as such, and shall apply to buildings erected or altered in Chelmsford after the adoption of this code. For the enforcement of this code and to insure conformity therewith, there shall be a Building Inspector, appointed annually by the Selectmen, during the month of March, for a term of one year, or until his successor has been appointed and qualified. To be eligible for appointment as Inspector of Buildings, the individual must have had at least five years experience as an architect, structural or civil engineer, superintendent of construction, or other experience satisfactory to the Selectmen. His salary shall be determined by the Selectmen.

ARTICLE II

Right To Enter

Section 1. The Building Inspector may, so far as is necessary for the performance of his duties, enter any building or premises within the Town of Chelmsford at any reasonable hour.

Section 2. The Building Inspector shall keep a record of all business of his department, which record and all other papers and books relating to the transaction of the duties of his department shall be open at all times to the inspection of the Selectmen, and he shall submit to them a yearly report on such business, and such other reports as they may require.

The Building Inspector shall give written notice to the Assessors of permits granted by him, which notice shall state the name of the person to whom the permit was granted, the name of the owner of the building or structure, the location of the building or structure, and the estimated total value as given on the application.

He shall receive applications and issue permits for the erection and alteration of buildings as hereinafter described, and shall keep detailed and sufficient records of such applications and permits. He shall not give a permit for the erection or alteration of any building until he shall have carefully inspected the plans, specifications and premises, and ascertained that the building as proposed will conform to the Building Code, to the Zoning Laws and the laws of the Commonwealth of Massachusetts.

He shall make all inspections as hereinafter called for and such other inspections in the course of construction or alteration as may be necessary to assure compliance with the Building Code and Zoning Laws.

He shall make a record of all violations, with the name of the owner, occupant, architect or builder, also what action he took in regard to the violation.

He shall examine all buildings reported dangerous or damaged by accident or fire, and if it appears to him that such structures would be unsafe or dangerous to life and limb in case of fire or otherwise, it shall be deemed dangerous within the meaning thereof, and the Inspector may affix in a conspicuous place upon its exterior walls a notice of its dangerous condition which shall not be removed or defaced without authority from him.

It shall be the duty of the Inspector to approve or reject any plans filed with him within ten days, but the Selectmen may, in special cases, extend this time as seems to them to be demanded by the public interest. No work of any description, including excavation for cellar or basement, or for foundations shall be commenced until a permit is issued.

No oversight or neglect of duty on the part of the building inspector or his subordinates shall legalize the erection, construction or alteration of any building or structure in a manner not in conformity with the provisions of this code.

Relief From Personal Responsibility

The Building Inspector, or an employee charged with the enforcement of this code shall not be personally liable while acting for the town, and he is hereby relieved from all personal liability for any damage that may accrue to persons or property as a result of any acts required or permitted in the discharge of his official duties.

Appeal

Section 3. The Board of Appeals shall act as a Board of Appeals under this Code. The procedure of the Board and the process of appeal shall conform, so far as may be, to that specified in Section 10 of the Zoning By-Laws.

If the owner of any building or other structure, or an applicant for a permit to erect or alter a building or other structure, is aggrieved by any order or decision of the Building Inspector, he may file with the Board of Appeals an objection in writing. The Board of Appeals shall within a reasonable time, hear the parties, and after taking such expert opinion as may seem to the Board to be necessary, give their decision. In case the decision of the Building Inspector be affirmed, the expense of such expert opinion taken by the Board of Appeals shall be paid to the Town on demand by the appellant; otherwise such expense shall be borne by the Town.

Section 4. No building shall be erected, added to or altered except in conformity with the provisions of this code, but nothing in this code shall be construed to apply to buildings or structures owned by the United States Government, or by the Commonwealth of Massachusetts, or to bridges, garden walls, fences, gates or gateways, or to buildings with a total value of less than \$50.00.

Ordinary repairs, additions or alterations may be made up to the value of \$50.00 after notice to the Building Inspector, without permit or fee, but such repairs, additions or alterations, shall not be construed to include the cutting away of any stone, concrete or brick wall, or any portion thereof, the removal or cutting of any beam or support, or the removal, change or closing of any staircase, or exit.

Section 5. Whoever performs, or causes to be performed, any work, or maintains, alters or erects any structure in violation of this Building Code, or any part thereof, or continues work on the same after having received written notice to cease, shall be subject to a fine of not more than (\$100.) one hundred dollars for each violation. The Building Inspector shall make complaint to a court having jurisdiction thereof, or apply to the Superior Court for an injunction or order restraining the further use of the premises, or both, and shall do all further acts and take any and all action necessary to enforce the provisions of this Building Code.

ARTICLE III

Filing Applications

Section 1. Before work is commenced upon the construction or alteration of any building, structure or part thereof, or work incidental thereto, including excavation for cellar or basement, a foundation, or the plumbing or drainage system, the owner, lessee or representative of either, shall submit to the Building Inspector a detailed description of the location, purpose and construction of the proposed work together with a plat plan showing location of the building on the lot, and such copies of the plans, detailed drawings and calculations as the Building Inspector may require. If, in the opinion of the Building Inspector, such information is in conformity with the Building Code and Zoning Laws, he shall issue a permit. The fee for such permit shall be established by the Board of Selectmen.

The Building Inspector shall make at least two inspections of each industrial, commercial, and residential building, including attached accessory buildings. One of these inspections shall be made after the foundation, the first or grade floor framing and its rough floor have been completed. Until after this inspection has been made and the approval of the Building Inspector given of the work done to this point, the excavation shall not be backfilled. Another inspection shall be made

after the building is structurally completed or enclosed, but before any wall or ceiling interior covering has been applied over the studs or joists. Such inspections shall be made within 48 hours after notice is received, Sundays and holidays excepted.

The permit shall contain, in writing, any variances to the Building Code or Zoning Laws which may have been granted by the Building Inspector or Board of Appeals.

The erection, construction or alteration of any building shall, when proceeded with, be executed in accordance with such detailed descriptions, plans and drawings as were furnished the Building Inspector when application for permit was filed, unless amended plans are submitted to, and approved by, the Inspector.

Any permit which may be issued by the Inspector, but under which work is not commenced within six months from date of issuance, or is abandoned before completion, shall expire by limitation.

A permit card, issued by the Inspector, must be displayed in a conspicuous place on the street side of the premises, and must not be removed until all work in the building shall have been approved.

The Building Inspector is hereby given authority to order and compel the suspension of any work being done in violation of any of the provisions of this Code, and no person shall continue the construction or alteration of any building after being directed by the Building Inspector to suspend work. Such notice shall be in writing and be given to the owner, his agent or the person doing the work. Such notice shall state the conditions under which work may be resumed. When suspension of work is ordered by the Inspector, the permit and permit card shall be surrendered to the Building Inspector and shall not be returned until after the violation has been corrected.

ARTICLE IV

Definitions and Terms

Section 1. In this Code the following terms shall have the meaning respectively assigned to them.

Definitions

Accessory Building.

A structure or building customarily incident to use of land or building to which it is accessory.

Alteration.

Any change or addition which requires no foundation, nor increases the floor area by more than 25%.

Apartment.

Apartment means a room or suite of two or more rooms, in a residence building occupied as the home or residence of an individual, family or household.

Apartment House.

Any building which is intended or designed for, or used as the home of three or more families or households living independently of each other.

Basement.

That part of a building partly underground but having more than one-half of its entire wall area above the level of the adjoining ground.

Bearing Wall.

A bearing wall means a wall which supports any vertical load in addition to its own weight.

Building.

Any structure comprising the assembly of materials to form a construction for the support, shelter, or enclosure of persons, animals, chattels or other property. Portions mutually separated by an approved firewall shall be considered as separate buildings.

Building Line.

A line between which and a way or place no building can be erected or placed.

Building Official.

The Building Inspector, or his regularly authorized representative charged with the administration and enforcement of this Code.

Cellar.

The lower portion of a building wholly or partly below ground such that more than half the clear height from floor to ceiling is below the adjoining established grade.

Dwelling.

A residence building for a family and not more than six lodgers or boarders, or occupied by not more than two families living separately.

Fire Wall.

Fire wall means a wall constructed for the purpose of subdividing a building or separate buildings to restrict the spread of fire and this wall starts at the foundation and extends continuously through all the stories to and above the roof, except where the roof is fireproof or semifireproof and the wall is carried up tightly against the underside of the roof slab.

Footing.

An enlargement at the lower end of a wall, pier, column, or chimney so arranged as to distribute the supported load to the earth.

Foundation.

That portion of a wall below the level of the mean grade next to the wall, but may be construed by the Building Inspector to mean that portion below the basement or cellar floor, and may be construed as including slab construction.

Garage.

An accessory building in which motor vehicles are kept, housed, or repaired. The term motor vehicle as used here applies to automobiles, trucks and buses, but does not include motorized farm machinery, such as tractors, cultivators, etc.

Grade.

The average level of that part of the ground within four feet of the foundation wall.

Habitable Room.

A habitable room means a room occupied by one or more persons for living, eating or sleeping, and includes kitchens, serving apartments, or individual households, but does not include bathrooms, toilets, compartments, laundries, serving and storage pantries, corridors, basement and other spaces that are not used frequently or during extended periods.

Height.

In feet, is the vertical distance from grade to the mean or average height of the roof or gable; in stories, does not include cellars, basements, or attics not occupied for habitable living quarters.

Multifamily House.

A multifamily house means a building occupied as the home or residence of individuals, families or households living independently of each other, of which three or more are doing cooking within their apartments; including tenement house, apartment house, flat.

Outbuilding.

Shed, henhouse, etc.

Prefabricated.

Prefabricated means composed of sections or panels fabricated prior to erection on the building foundation.

Reinforced Concrete.

A uniformly mixed composition or screened gravel, stone, or other aggregate with sand, Portland cement and water, in approved proportions and reinforced with embedded steel for increased strength.

Repairs.

Replacement or removal of any part of a building or change therein which does not affect the construction or involve the erection of bearing or exterior walls, roof, chimneys or stairways, does not remove or cut any supporting beams or support thereof and does not violate any requirement of these building laws.

Solid Masonry.

Solid masonry means masonry consisting of solid masonry units laid contiguously with the joints between units filled with mortar, or consisting of plain concrete.

Story of a Building.

The section of a building between the floor (or top of the floor beams) and the floor (or top of the floor or roof beams) next above. A mezzanine between stories shall count as a story when it exceeds 25% of the area of the floor immediately below.

Street.

A street as the term is used in these building laws shall include all public ways and all private ways commonly used by the public.

Wall, Veneered.

A veneered wall means a wall having masonry facing which is attached to the backing but not so bonded as to exert common action under load.

Wood Frame Building.

A building or structure, the exterior walls of which are constructed of wood, or wood covered with metal, or veneered with brick, stone, or cement.

ARTICLE V

Classification of Construction

Section 1. Types designated. For the purpose of this code, construction as used in buildings shall be classified as follows:

- (a) Fireproof Construction.
- (b) Semifireproof Construction.
- (c) Heavy Timber Construction.
- (d) Ordinary Construction.
- (e) Noncombustible Construction.
- (f) Wood Frame Construction.
- (g) Unprotected Metal Construction.

Fireproof, Semifireproof and Heavy
Timber Construction

Section 2. Fireproof, semifireproof and heavy timber construction shall conform to generally accepted good practice.

Ordinary Construction

Definition.

Ordinary construction, as applied to buildings, means that in which exterior walls and bearing walls are of masonry or of reinforced concrete, and in which the structural members, including columns, floors and roof construction, are wholly or partly of wood of smaller dimensions than required for heavy timber construction, or of steel or iron not protected as required for semifireproof construction.

Noncombustible Construction

Definition.

Noncombustible construction, as applied to buildings, means that in which all structural members, including floors, roofs and their supports, are of steel, iron, concrete, or of other noncombustible materials, and in which the exterior walls are of noncombustible construction having a fire resistance rating of not less than two hours.

Wood Frame Construction

Definition.

Wood frame construction, as applied to buildings, means that in which walls and interior construction are wholly or partly of wood.

Unprotected Metal Construction

Definition.

Unprotected metal construction, as applied to buildings, means that in which the structural supports are unprotected metal and in which floors and roofs are of noncombustible construction, and the exterior walls are of noncombustible construction having a fire resistance rating of not less than 2 hours.

ARTICLE VI

Windows and Ventilation

Section 1. All habitable rooms shall have one or more outside windows, and the aggregate glass area shall not be less than 4% of the floor area of the room served by them.

NOTE: See definition of Habitable Room on page 80, under the heading of definitions.

Section 2. All rooms, other than habitable rooms, (except storage rooms, corridors, basement and other spaces not used frequently or for extended periods), shall be provided with one or more windows or ventilating skylights opening directly to the outside air and light, or such rooms shall be provided with an approved means of mechanical ventilation.

Bathrooms and toilets shall have an outside window of not less than three square feet of glass area, or shall be provided with an approved means of mechanical ventilation.

Section 3. Every dwelling shall have at least two means of egress.

ARTICLE VII

Use of New Materials and New Methods of Construction

Section 1. New materials, methods of construction, devices and equipment may be approved by the Building Inspector for use in buildings, if they are proved to be the equivalent of those required by this code, or he may adopt the recommendations of the Board of Standards in the Massachusetts Department of Public Safety.

An equivalent material, appliance, method of construction or maintenance, having once been approved by the Building Inspector, may thereafter be permitted without further specific approval.

The Building Inspector may accept duly authenticated reports from recognized sources in respect to the use of new materials or methods of construction and the applicable specifications and standards of accepted engineering practice insofar as they conform to the requirements of this code. Recognized sources of such duly authenticated reports in respect to the use of new materials or methods of construction shall be those listed in Appendix A and Appendix B of the Basic Principles of Building Construction by the Board of Standards, Department of Public Safety, Commonwealth of Massachusetts. New materials and new methods of construction as referred to above shall include prefabricated assemblies.

ARTICLE VIII

Footings and Foundations

Section 1. All buildings and structures shall have foundation walls, piers, piles, continuous slabs or other approved foundations which shall be designed to resist frost action or shall be founded on bed rock. All footings shall be designed to distribute the load as nearly uniformly as practicable.

Satisfactory bearing material for footings and foundations are as follows,—

Undisturbed ledge rock, natural deposits of coarse or medium sand, gravel or dry clay, or a combination of such materials, if the layers below are not of objectionable material of little bearing value.

All foundation walls shall have a footing which shall bear on undisturbed soil and be designed to distribute sufficiently the super-

imposed load to the particular type of soil upon which they bear. Where soil conditions prevent sharp cut trenches for footings, side forms shall be used. All footings shall be of poured portland cement concrete 1-3-5 (one-three-five) mixture, or better.

(a) Under all foundation walls of all wood frame buildings not exceeding two stories, and also one story masonry buildings; thickness (8) eight inches; projection (4) four inches on each side of the wall.

(b) Under foundation walls of masonry buildings more than one story in height; thickness (12) twelve inches; projection (6) six inches on each side of the wall, or the footing may be the same as required in paragraph (a) above, if reinforced with not less than two $\frac{5}{8}$ inch bars continuous in footing and spaced not to exceed (8) eight inches.

(c) Under masonry piers; thickness (12) twelve inches, projection each side (6) six inches minimum, area four square feet.

(d) Under posts and columns; thickness (12) twelve inches minimum, area four square feet.

(e) Under chimneys for one story buildings; thickness (8) eight inches, projection on all sides (4) four inches.

(f) Under chimneys for buildings of more than one story; thickness (12) twelve inches; projection on all sides (6) six inches.

All footings shall be adequately reinforced where they cross and bear on filled trenches or other similar disturbed soil conditions. Modification of footing requirements may be made if approved by the Building Inspector.

Foundation Walls

Section 2. All dwellings must have a foundation wall which extends (42) forty-two inches below the finished grade. Foundation walls if of poured concrete shall not be less than (16) sixteen inches in thickness for fireproof, semifireproof, and heavy timber buildings, and not less than (12) twelve inches for masonry, or masonry veneered buildings, and not less than (8) eight inches in thickness for ordinary, or wood frame buildings, not exceeding two stories, and also for one story masonry buildings.

Foundation walls if of stone shall be not less than (16) sixteen inches in thickness.

Hollow, or Solid Masonry, and Plain Concrete

When not more than (6) six feet deep, masonry walls shall be not less than (8) eight inches thick; and when more than (6) six feet below grade, not less than (12) twelve inches thick. Foundation walls of approved hollow masonry units shall be provided with not less than

(4) four inches of solid masonry at girder bearings, or shall be strengthened with buttresses.

In no case shall the foundation wall be less in thickness than the wall supported.

Foundation walls supporting wood frame construction shall extend not less than (8) eight inches above the outside finished grade.

ARTICLE IX

Chimneys and Chimney Flues

Section 1. No chimney flues shall be less than 64 square inches in area for heating plants, nor less than 96 square inches for fireplaces. Circular flues of same effective area may be used.

All chimney flues shall have walls of brick, stone, or solid cast concrete, or concrete blocks not less than (4) four inches in thickness and shall be lined throughout with fireclay linings or (8) eight inch walls plastered inside and outside in place of flue linings. All chimneys must have concrete foundations not less than (8) eight inches in thickness. Chimneys of other than masonry construction shall not be constructed except by special written permission of the Building Inspector. Every chimney shall be equipped with a cleanout door near the base of the chimney.

Not more than two flues (2) shall be enclosed in a single chimney unless separated by not less than (4) four inches of masonry or reinforced concrete bonded into the chimney walls. When not so separated the bed joints of the flue linings shall be staggered not less than (7) seven inches.

Chimneys shall be capped with concrete, terra cotta tile or other approved incombustible and weatherproof materials.

All wood floor and roof framings and all other combustible material must be kept at least two inches away from the chimney and fireplace masonry. In no case shall wood framing members bear on the masonry of chimneys except on piers which are built integral with the chimney masonry. Spaces between chimney and framing material must be fire-stopped by filling with non-combustible material.

ARTICLE X

Lumber or Wood Construction

Sills

Grades and Sizes

Section 1. All lumber and timber used in load bearing members shall be at least equal in quality to No. 2 Common and of nominal sizes.

Sills shall be not less than (3 x 6) three by six inches when laid flat on a solid foundation bearing; for a boxed sill, not less than the size of the floor joists, and over openings or piers shall be designed for their imposed loads.

Girders or Carrying Timbers

Girders or carrying timbers, shall be not less than (6 x 8) six by eight inches if of built-up or of solid wood. If of structural steel they must be of sufficient size to carry all live and dead loads. All joints shall be made over piers or column supports. The maximum clear span for (6 x 8) six by eight wood girders shall be eight feet for one story dwellings and seven feet for one and one-half story dwellings. The maximum clear span for structural steel girders shall be determined from tables supplied by a competent structural or civil engineer.

Floor Joists

For maximum allowable spans for floor joists in dwellings, see Table 1 in the Appendix.

Where floor joists frame into the side of wood girders or sills, the joists shall be supported on metal joist hangers or on a bearing or spiking strip on the side of girders. Size of strip shall be not less than (2 x 3) two by three inches. The joists must also be spiked to the girder.

Floor joists shall be doubled under all partitions which run parallel to the floor joists and at all stair and fireplace openings.

All stair and fireplace openings to be doubleheaded.

Floor and flat roof joists shall be cross-bridged with one line of bridging for every eight feet of span, and with not less than 1 x 3 wood, or approved metal bridging, or may be solid blocked the size of the joists.

Ends of floor joists framing into masonry walls shall have not less than a (4") four inch bearings and shall have at least a 3" bevel or fire cut.

Studding

All outside wall and carrying partitions must be of (2 x 4) two by four studding set on (16) sixteen inch centers.

Plates on all outside and bearing partitions must be doubled.

All door, window and other openings must have studs doubled on the jambs.

Lintel or headers over all openings shall be doubled.

Span for lintel or header shall not exceed the following for size given:—

two (2" by 4")—not more than 4 feet

two (2" by 6")—not more than 5½ feet

two (2" by 8")—not more than 7 feet

span of (7) seven feet—not less than two (2" x 10")

Trussed construction may be used in place of lintel.

Ceiling Joists

For spans and spacings of ceiling joists see Table 2 in Appendix.

Where the attic space above ceiling joists is unfinished, but is usable for storage space, or if the space is suitable for finishing into future habitable rooms, the spans for ceiling joists shall be the same as for floor joists. An access opening not less than 18" by 18" must be provided for every unfinished attic space.

Roof Rafters

The clear span for roof rafters shall mean the distance measured horizontally from plate to a point directly beneath the ridge. The actual rafter length will depend on the roof slope and must be determined accordingly.

Spacing and spans for roof rafters on slopes less than 5 to 12 inches shall be the same as for floor joists.

For spacing and span for roof rafters for all roofs with slopes of more than 5 to 12 inches, see Appendix, Table 3.

Collar beams must be used on every second rafter where spans exceed those in above table.

All openings in roof construction for dormer windows which are not supported on partitions shall be framed with double rafters and headers.

Requirements for headers and trimmers for roof framing around chimneys shall be the same as required for floors except that for a sloping roof where headers are less than four feet in length and the chimney is either at the ridge or the eaves, the trimmers may be single.

All roof rafters shall bear on the full width of the plate.

Bracing

Section 2. Wood wall sheathing when laid diagonally on exterior walls shall be applied at approximately 45 degrees and extend in opposite directions on each side adjoining at the corner, and corner bracing will not be required.

All corner posts shall be the equivalent of not less than three (3) two by four (2 x 4) inch studs braced by not less than one (1) one by four (1 x 4) inch diagonal braces cut into the studs or by equivalent construction satisfactory to the building inspector.

Studs in exterior wood frame walls may run from sill to roof plate provided they do not exceed 20 foot continuous lengths without splicing.

When openings occur near the corners, one by four (1 x 4) inch knee braces let into the face of the studs shall be installed above and below the openings at approximately 45 degrees, extending across not less than three (3) stud spaces.

Floor joists which do not bear on a wall or plate shall be spiked to the studs and be supported on a one by four (1 x 4) ribbon let into the inside face of the studs and spiked thereto.

Joists bearing on ledger boards shall be securely nailed to face of studs.

Where studs exceed 20 feet in length a double plate shall be installed continuous at the second floor level.

Fire Stops

Section 3. Wood or other fire stops must be installed between each story of all single residences.

Wood or other fire stops must be installed in all stairs between stringers.

Masonry fireproofing must be installed in all walls or stairways of apartment buildings.

Wood or other fire stops must be installed in top and bottom of all partitions in stair walls of two family buildings.

Permit for Lathing

Section 4. No wall or ceiling of any building shall be lathed or otherwise covered, until the Building Inspector has been notified in writing that the building is ready for this work, and until he has given written consent for said work to continue. The Building Inspector shall act on such notice within forty-eight hours of receipt of the same, not including Sundays and Holidays.

Attached garages shall be wire lathed and plastered on the ceiling and on all walls common with the main building.

Outside Walls

Section 5. All outside walls of dwellings must be covered with one or more of the following materials:—

Wood shingles or siding, exterior plywood, asbestos shingles or asbestos cement boards, protected combustible siding, brick masonry or

stone veneers, vitreous tile, metal siding, stucco or exterior plaster, or other approved weather resisting material satisfactory to the Building Inspector.

ARTICLE XI

Fireproof, Semifireproof and Heavy Timber Construction

Section 1. The application for a permit to build a building of other than ordinary wood frame or masonry construction must be accompanied by properly certified engineering data in regard to strength, durability of materials and methods of construction to be used.

If the Building Inspector after careful study determines that the materials and methods of construction of the building will be safe and durable, and will not impair the safety of the neighborhood where located, or be injurious to the locality, he shall issue a permit for the construction of said building.

Section 2. The Building Inspector may at his discretion make exceptions in the case of outbuildings and accessory buildings.

ARTICLE XII

Section 1. The invalidity of any section or provision of this Building Code shall not invalidate other sections or provisions of said code.

Substitution for the Present Building Code

Section 2. This Building Code shall be considered a substitution for the present Building Code of the Town of Chelmsford. The present Building Code is hereby repealed, and the above new Building Code is hereby adopted, and said new code shall go into effect upon approval by the Attorney General.

APPENDIX

Table 1

Minimum Allowable Spans for
Floor Joists in Dwellings

Nominal Size	c to c spacing in inches	Douglas Fir Sou. Pine	West Coast Hemlock	Est. Spruce Est. Hemlock	All other Species

	16	16' 7"	15' 3"	12' 1"
	12	18' 4"	16' 7"	14' 3"

Any other material or sizes not included in above tables to be approved by the Building Inspector in writing.

UNDER ARTICLE TWO: On a motion made by Arnold C. Perham, it was voted to amend the Zoning By-Laws by striking out paragraphs (3) and (5) in subdivision (h) of Section 8 and substituting in place thereof as paragraph (3) subdivision (h) Section 8 of the following:

Paragraph (3) sub-division (h) Section 8:

Unattached garages may be located in the side yard up to the front line of the main part of the house, but no part of the garage shall be nearer than ten feet to the side line of the lot if the garage is located in the side yard. In the case of corner lots the garage must be located in the side yard or the rear yard, so that said garage will not extend beyond the set-back line of either street. If the garage is located wholly in the rear of the yard it cannot be nearer than three feet to the boundary lines of the lot, the distance to be measured from the boundary line to the nearest part of the garage.

UNDER ARTICLE THREE: On a motion made by Arnaud Blackadar, it was voted to accept a portion of Priscilla Avenue as laid out by the Board of Selectmen and shown by their report and plan duly filed in the office of the Town Clerk.

UNDER ARTICLE FOUR: On a motion made by Arnaud Blackadar, it was voted to raise and appropriate the sum of \$750.00 for the purpose of reconstructing a portion of Priscilla Ave.

UNDER ARTICLE FIVE: On a motion made by T. W. Emerson, it was voted to accept a portion of Donald Avenue as laid out by the Board of Selectmen and shown by their report and plan duly filed in the office of the Town Clerk.

UNDER ARTICLE SIX: On a motion made by T. W. Emerson, it was voted to raise and appropriate the sum of \$50.00 for the purpose of reconstructing a portion of Donald Avenue.

It was voted to adjourn this meeting at 8:30 p.m.

HAROLD C. PETTERSON,
Town Clerk.

JOHN C. MONAHAN,
Moderator.

WARRANT FOR SPECIAL TOWN MEETING
May 1, 1950

COMMONWEALTH OF MASSACHUSETTS

Middlesex, ss.

To Lawrence W. Chute, Constable, or any suitable person of the Town of Chelmsford.

GREETING:

In the name of the Commonwealth aforesaid, you are hereby requested to notify and warn the legal voters of said Chelmsford to meet in the Town Hall at Chelmsford on Monday, the first day of May, 1950 at 8 o'clock in the evening, then and there to act upon the following articles, viz.:

ARTICLE ONE: To hear the report of the Building Committee appointed at the Annual Town Meeting, March 13, 1950 to study and secure plans and costs for the construction at the High School of an addition of a six year school, or act in relation thereto.

ARTICLE TWO: To see if the Town will vote to reappoint the Building Committee to continue study and to secure more plans and costs for construction at the High School of an additional building unit to make a six year school and to report to the Town at a Special or Annual Town Meeting, or act in relation thereto.

ARTICLE THREE: To see if the Town will vote to raise and appropriate a sufficient sum of money for the use of the Building Committee in carrying out the provisions of the fore-going article, or act in relation thereto.

ARTICLE FOUR: To see if the Town will vote to transfer from the Road Machinery Fund the sum of Thirteen Hundred (\$1300.00) Dollars to an account entitled "Purchase of Sand and Stone Spreader for the Highway Department", or act in relation thereto.

ARTICLE FIVE: To see if the Town will vote to raise and appropriate the sum of four hundred (\$400.00) Dollars for the purpose of paying rent, fuel, and electricity charges for the American Legion. Post 212 for the balance of the year, 1950, or act in relation thereto.

AND YOU ARE DIRECTED to serve this Warrant by posting attested copies thereof at the Post Offices in the Center of the Town, South Chelmsford, North Chelmsford and West Chelmsford, and at the School House in East Chelmsford, and the Westlands School House, seven days at least before the time appointed for holding the meeting aforesaid.

HEREOF FAIL NOT, and make return of this Warrant with your doing thereon to the Town Clerk at the time and place of holding this meeting aforesaid.

Given under our hands this twenty-fourth day of April, in the year of our Lord, Nineteen Hundred and Fifty.

CARL A. E. PETERSON,

ARNAUD R. BLACKADAR,

THEODORE W. EMERSON,

Selectmen of Chelmsford.

Middlesex, ss.:

April 24, 1950

I have served this Warrant by posting attested copies at the Post Offices in the Center of the Town, South Chelmsford, North Chelmsford, and West Chelmsford, and at the School House in East Chelmsford and at the Westlands School House, Westlands, seven days at least before the time appointed for holding the meeting aforesaid.

LAWRENCE W. CHUTE

SPECIAL TOWN MEETING**May 1st, 1950**

A Special Town Meeting was held on May 1st, 1950, in the Upper Town Hall at Chelmsford Centre, the meeting was called to order by Moderator John C. Monahan and the Town Clerk Harold C. Petterson was requested to read the Warrant, after the Warrant was partly read on a motion made by Carl A. E. Peterson it was voted to waive the further reading of the Warrant.

UNDER ARTICLE ONE: On a motion made by Clifford Hartley it was voted that the report of the Building Committee on the addition to the High School be accepted as a report of progress. Mr. Hartley read a portion of the nineteen page report which is on file in the Office of the Town Clerk.

UNDER ARTICLE TWO: On a motion made by Clifford Hartley, it was voted that the Building Committee be reappointed to continue study and to secure plans and costs for the construction at the High School of an additional building unit to make possible a six year school and to report as early as possible at a special or annual town meeting.

UNDER ARTICLE THREE: On a motion made by Clifford Hartley it was voted to transfer from the Excess and Deficiency account the sum of \$12,406.00 for the use of the Building Committee in securing plans and costs for necessary construction to house a six year program at the High School.

UNDER ARTICLE FOUR: On a motion made by Arnaud Blackadar it was voted to transfer from the Road Machinery Fund the sum of \$1,300.00 to an account entitled "Purchase of a Sand and Stone Spreader for the Highway Department."

UNDER ARTICLE FIVE: On a motion made by Carl A. E. Peterson, it was voted to raise and appropriate the sum of \$400.00 for the purpose of paying rent, fuel and electricity charges for the American Legion Post 212 for the balance of the year 1950.

Voted to adjourn this meeting at 10 p.m.

HAROLD C. PETTERSON, Town Clerk

JOHN C. MONAHAN, Moderator

WARRANT FOR SPECIAL TOWN MEETING

COMMONWEALTH OF MASSACHUSETTS

Middlesex, ss.

To Lawrence W. Chute, Constable, or any suitable person of the Town of Chelmsford:

GREETING:

In the name of the Commonwealth aforesaid, you are hereby requested to notify and warn the legal voters of said Chelmsford to meet in the High School at Chelmsford on Monday the 31st day of July, 1950 at 7:30 o'clock in the evening, then and there to act upon the following articles, viz:

ARTICLE ONE: To see if the Town will vote to transfer from the Excess and Deficiency Account to the Public Buildings, Fuel, Light and Water Account, the sum of \$200.00 dollars; or act in relation thereto.

ARTICLE TWO: To see if the Town will vote to transfer from the Highway Department, Construction and Reconstruction, Town Roads Account to the Highway Department, Maintenance Labor Account the sum of Five Thousand Six Hundred (\$5,600.00) or act in relation thereto.

ARTICLE THREE: To see if the Town will vote to transfer from the Excess and Deficiency Account, the sum of \$812.00 for installing new fencing at the East Chelmsford School and Playground, or act in relation thereto.

ARTICLE FOUR: To see if the Town will vote to transfer from the Excess and Deficiency Account, the sum of \$180.08 for the purpose of paying a premium for a period of three years on a "Monies and Securities Contract, Broad Form", to cover the Town Treasurer and Tax Collector's office on monies in office and monies in transit; or act in relation thereto.

ARTICLE FIVE: To see if the Town will vote to transfer from the Excess and Deficiency Account, the sum of Three Hundred (\$300.00) dollars for Clerk Hire for the Police Department, or act in relation thereto.

ARTICLE SIX: To see if the Town will vote to transfer from the Excess and Deficiency Account, the sum of Two Hundred Seventy-Five (\$275.00) dollars for the purpose of painting the exteriors of the West Chelmsford and South Chelmsford Fire Stations, or act in relation thereto.

UNDER ARTICLE TWENTY-EIGHT: It was voted to transfer from the Excess and Deficiency account the sum of \$200.00 for the purpose of reconstructing Field Street.

UNDER ARTICLE TWENTY-NINE: It was voted to dismiss this article.

UNDER ARTICLE THIRTY: It was voted to dismiss this article.

UNDER ARTICLE THIRTY-ONE: It was voted to accept the relocated portion of Manning Road, as laid out by the Selectmen as shown by their report and plan duly filed in the office of the Town Clerk.

UNDER ARTICLE THIRTY-TWO: It was voted to transfer from the Excess and Deficiency account the sum of \$500.00 for the purpose of paying land damages in the relocation of Manning Road.

UNDER ARTICLE THIRTY-THREE: It was voted to dismiss this article.

UNDER ARTICLE THIRTY-FOUR: It was voted to accept the following by-Law:

"All permanent employees of the Town are allowed leave with pay on account of illness or injury from causes other than in the line of duty for 10 days in any year exclusive of Sundays or Holidays. This sick leave is accumulative but not beyond a period of three years or thirty days exclusive of Sundays or Holidays. All employees who are absent because of sickness for a period exceeding three days shall present a Doctor's Certificate to their Department Head on return for payment of sick leave. This was carried by a unanimous vote.

UNDER ARTICLE THIRTY-FIVE: It was voted to transfer from the Insurance Investment Fund the sum of \$1,300.00 for the purpose of increasing the fire insurance on the Public Buildings.

Voted to adjourn this meeting at 10:30 P. M.

HAROLD C. PETTERSON, Town Clerk

JOHN C. MONAHAN, Moderator

WARRANT FOR SPECIAL TOWN MEETING**August 16th, 1950**

COMMONWEALTH OF MASSACHUSETTS

Middlessex, ss.

To Lawrence W. Chute, Constable, or any suitable person of the Town of Chelmsford:

GREETING:

In the name of the Commonwealth aforesaid, you are hereby requested to notify and warn the legal voters of said Chelmsford to meet in the High School Auditorium at Chelmsford on Wednesday the 16th day of August at 7:30 o'clock in the evening, then and there to act upon the following articles, viz:

ARTICLE 1. To see if the Town will vote to authorize the North Chelmsford School Building Committee or the Board of Selectmen to secure by purchase or otherwise a certain tract of land on the Northerly side of Harding Street and Southerly side of Diamond Street. bounded Easterly by Dunstable Road and Westerly by land of one Putnam, for the purposes as outlined by the State Department of Education, or act in relation thereto.

ARTICLE 2. In the event of affirmative action under the preceding Article, to see if the Town will vote to appropriate the sum of Four Thuosand Five Hundred (\$4,500.00) dollars for the purposes of said Article, or act in relation thereto.

ARTICLE 3. To see if the Town will vote to authorize the Board of Health to accept the following three loan offers of the United States of America in connection with a sewerage system survey; (1) Eighteen Thousand Nine Hundred Twenty (\$18,920.00) dollars for the Chelmsford Center Section; (2) Nine Thousand Nine Hundred Twenty (\$9,920.00) for the Westlands Section and; (3) Eighteen Thousand Eight Hundred (\$18,800.00) for the North and West Sections and appoint a committee of three or more persons to act in conjunction with the Board of Health to execute the before-mentioned survey of said sewerage system, or act in relation thereto.

AND YOU ARE DIRECTED to serve this Warrant by posting attested copies thereof at the Post Offices in the Center of the Town, South Chelmsford, North Chelmsford, and West Chelmsford, and at the School House in East Chelmsford, and the Westlands School House, seven days at least before the time appointed for holding the meeting aforesaid.

HEREOF FAIL NOT, and make return of the Warrant with your doings thereon to the Town Clerk at the time and place of holding the Meeting aforesaid.

Given under our hands this eighth day of August in the year of our Lord, Nineteen Hundred and Fifty.

CARL A. E. PETERSON

ARNAUD R. BLACKADAR

THEODORE W. EMERSON

Selectmen of Chelmsford.

Middlesex, ss.

August 9, 1950

I have served this Warrant by posting attested copies at the Post Offices in the Center of the Town, South Chelmsford, North Chelmsford and West Chelmsford and at the school House, East Chelmsford and at the School House in the Westlands, seven days at least, before the time of holding the meeting as herein directed.

LAWRENCE W. CHUTE, Constable

SPECIAL TOWN MEETING**August 16th, 1950**

At a Special Town Meeting held in the High School Auditorium at 7:30 P. M. on August 16th 1950, the following business was transacted, the meeting was called to order by Moderator John C. Monahan who requested Town Clerk, Harold C. Petterson to read the Warrant, after the Warrant was partly read, Edward Riney moved that the further reading of the Warrant be waived and it was so voted.

UNDER ARTICLE ONE: On a motion made by Robert Picken, it was voted to acquire the following parcels of land either by purchase or by eminent domain, for additional land for a school site in North Chelmsford:

Land now owned by Ernest Bridgeford described as follows:

Beginning at the northwesterly corner of land of Jamros 90 feet from the southwestery line of James Street as shown on a plan of Blodgett Park; thence northerly to the intersection of the center line of James Street; thence southeasterly 130 feet along the center line of James Street to the land of Jamros; thence westerly along line of Jamros to point of beginning.

Land now owned by Milton Haire described as follows: Beginning at the southeasterly corner of land of Tegelberg and Murray on the northerly side of Harding Street; thence along land of Tegelberg and Murray northerly 170 feet to land of Knox; thence easterly 30 feet along land of Morrow to a point; thence southeasterly still along Morrow land 160 feet to a point in the northerly line of Harding Street 100 feet westerly from the southwestery corner of land of one Hill; thence westerly 120 feet along northerly line of Harding Street to point of beginning.

Land now owned by Ruth Robinson Tegelberg and Ethel Murray described as follows:

Beginning at a point in the northerly line of Harding Street at the easterly corner of land of said Jamros 260 feet to land of one Putnam; thence easterly along said Putnam land 205 feet to a corner of land of Wadge; thence still easterly along line of Wadge land 190 feet and easterly along line of Knox land 208 feet to a corner; thence southerly 170 feet along land of Haire to Harding Street; thence westerly along Harding Street to point of beginning.

Land now owned by Harold B. Knox described as follows: Beginning at southeastern corner of the land of one Wadge; thence northerly along land of Wadge 120 feet to a point 200 feet from the southerly line of so called Diamond Street; thence northeasterly in a line parallel with and 200 feet southerly from the southeasterly line of Diamond Street to a point at land of one Bacon; thence southerly along Bacon land and land of one Morrow 165 feet to a point; thence westerly along line of Tegelberg and Murray 208 feet to point of beginning.

Land now owned by Clarence G. Wadge described as follows:

Beginning at the southeasterly corner of land of Putnam; thence northerly 80 feet to a point which point is 200 feet from the southerly side of Diamond Street so called; thence northeasterly in a line parallel with and 200 feet southerly from the southerly line of Diamond Street to the land of Knox; thence southerly 120 feet along the westerly line of said Knox to the land of Tegelberg and Murray; thence westerly 190 feet to point of beginning.

Land now owned by Jamros described as follows: Beginning at a point in the northerly line of Groton Road which point is 120 feet easterly from the intersection of the easterly line of Coolidge Street with the northerly line of Groton Road; thence northerly by other land of grantor and land of Bridgeford 205 feet to a point of 20 feet northerly from the southerly line of the land of one Bridgeford; thence easterly 90 feet to center line of James Street and still easterly along land of Marinel 115 feet to a point; thence southerly still by Marinel land 200 feet to the northerly line of Groton Road; thence westerly along the northerly line of Groton Road in a curved line 210 feet to the point of beginning.

Eighty Six (86) voted in the affirmative.

Twenty Nine (29) voted in the negative.

UNDER ARTICLE TWO: It was voted to transfer from the Excess and Deficiency account the sum of Four Thousand three hundred and seventy-five (\$4375.00) with which to pay for such purchase or taking as set forth in the preceding article. The said purchase to be made by the Board of Selectmen.

UNDER ARTICLE THREE: In regard to a sewerage system survey, on a motion made by Harold C. Petterson it was voted to dismiss this article.

Seventy-one voted in the affirmative and twenty-five voted in the negative.

Voted to adjourn this meeting at 9:30 P. M.

HAROLD C. PETTERSON, Town Clerk
JOHN C. MONAHAN, Moderator

WARRANT FOR STATE AND NATIONAL ELECTION**November 7, 1950**

COMMONWEALTH OF MASSACHUSETTS

Middlesex, ss.

To: Lawrence W. Chute, a Constable of the Town of Chelmsford or any suitable person,

GREETING:

In the name of the Commonwealth you are hereby required to notify and warn the inhabitants of said Chelmsford, who are qualified to vote in elections, to meet in their several polling places viz:

Precinct One—Town Hall, Chelmsford Centre.
Precinct Two—Town Hall, North Chelmsford.
Precinct Three—Fire House, West Chelmsford.
Precinct Four—School House, East Chelmsford.
Precinct Five—Liberty Hall, South Chelmsford.
Precinct Six—Westlands School House.

On Tuesday, the seventh day of November, 1950 being the first Tuesday after the first Monday in said month, at ten a.m. for the following purposes:

To bring in their votes for the following officers;

Governor—for this Commonwealth.
Lieutenant Governor—for this Commonwealth.
Secretary of the Commonwealth—for this Commonwealth.
Treasurer and Receiver General—for this Commonwealth.
Auditor of the Commonwealth—for this Commonwealth.
Attorney General—for this Commonwealth.
Representative in Congress for the Fifth Congressional District.
Councillor—for Third Councillor District.
Senator—for First Senatorial District.
One Representative in General Court—for 11th Rep. District.
District Attorney—for Middlesex County.
County Commissioner—for Middlesex County.
Sheriff—for Middlesex County.

and also to vote upon the following questions:

Question No. 1 Do you approve of the adoption of an amendment to the constitution summarized below which was approved by the General Court in a joint session of the two branches held June 9, 1947, received 244 votes in the affirmative and 0 in the negative, and in a joint session of the two branches held June 8, 1949, received 242 votes in the affirmative and 7 in the negative?

YES _____

NO _____

SUMMARY

This proposed amendment of the Constitution provides for the time when the respective terms of office for the governor, lieutenant-governor and councillors shall begin and the time when their respective terms end. It also makes provision relative to the succession to the office of governor in the event of the death of the governor elect before qualification for the office of governor; and it further makes provision relative to the succession to the office of governor in the event of the death of both the governor elect and the lieutenant-governor elect before qualification for their respective offices.

Question No. 2. Do you approve of the adoption of an amendment to the constitution summarized below which was approved by the General Court in a joint session of the two branches held June 4, 1949, received 154 votes in the affirmative and 44 in the negative, and in a joint session of the two branches held June 8, 1949, received 160 voted in the affirmative and 93 in the negative?

YES _____

NO _____

SUMMARY

This proposed amendment to the Constitution provides for an increase in the number of signatures of qualified voters required upon an initiative or upon a referendum petition, and it further makes provision for changes in legislative procedures thereon with reference to dates upon, or within which, acts shall be done in the various stages necessary to be taken upon such petitions.

Question No. 3. Do you approve of a law summarized below on which the House of Representatives did not vote and on which the Senate did not vote?

YES _____

NO _____

SUMMARY

This measure provides for minimum payments of seventy-five dollars per month, or eighty-five dollars per month if blind, as assistance to deserving aged persons who have reached the age of sixty-three years or over and are in need of relief and support.

Question No. 4. Do you approve of a law summarized below on which the House of Representatives did not vote and on which the Senate did not vote?

YES _____
NO _____

SUMMARY

This measure provides for the creation of a Massachusetts commission for the purpose of conducting once every month a lottery drawing to raise additional funds by means of tickets sold to the public, within the Commonwealth, the net proceeds to be divided as follows: 50 per cent to the winners as prizes, 35 per cent for assistance to needy aged persons, 7½ per cent for assistance to needy blind persons, 7½ per cent for assistance to dependent children.

Question No. 5. Do you approve of a law summarized below which was disapproved in the House of Representatives by a vote of 77 in the affirmative and 139 in the negative and in the Senate by a vote of 13 in the affirmative and 25 in the negative.

YES _____
NO _____

SUMMARY

The proposed measure strikes out the first sentence of section 113B of chapter 175 of the General Laws (Tercentenary Edition) as most recently amended by section 4 of chapter 459 of the acts of 1935, and inserts in place thereof a sentence which provides that the Commissioner of Insurance shall annually, on or before September fifteenth, after due hearing and investigation, fix and establish fair and reasonable classifications of risks and adequate, just, reasonable and nondiscriminatory premium charges to be used and charged by insurance companies in connection with the issue or execution of motor vehicle liability policies or bonds, as defined in section 34A of chapter 90 of the General Laws, for the ensuing calendar year or any part thereof, but said classifications and premium charges shall be uniform throughout the Commonwealth and shall not be fixed or established according to districts or zones.

Question No. 6A. Shall the pari-mutuel system of betting on licensed horse races be permitted in this county?

YES _____
NO _____

Question No. 6B. Shall the pari-mutuel system of betting on licensed dog races be permitted in this County?

YES _____

NO _____

Question No. 7A. Shall licenses be granted in this city (or town) for the sale therein of all alcoholic beverages (whisky, rum, gin, malt beverages, wines and all other alcoholic beverages)?

YES _____

NO _____

Question No. 7B. Shall licenses be granted in this city (or town) for the sale therein of wines and malt beverages (wines and beer, ale and all other malt beverages)?

YES _____

NO _____

Question No. 7C. Shall licenses be granted in this city (or town) for the sale, therein of all alcoholic beverages in packages, so called not to be drunk on the premises?

YES _____

NO _____

Question No. 8 (a) If a voter desires that this city (or town) shall declare by popular referendum that a shortage of rental housing accomodations exists which requires the continuance of federal rent control in this city (or town) after December thirty-first, nineteen hundred and fifty, and until the close of June thirtieth, nineteen hundred and fifty-one, in accordance with the provisions of the Housing and Rent Act of 1950, he will vote "YES" on said question. (b) If he desires that federal rent control shall cease to be in effect in this city (or town) at the close of December thirty-first, nineteen hundred and fifty, he will vote "NO" on said question. If a majority of the votes cast in any such city or town in answer to said question is in the affirmative, such city or town shall be deemed to have declared by popular referendum, pursuant to the Housing and Rent Act of 1950, that a shortage of rental accomodations exists which requires the continuance of federal rent control in such city or town after December thirty-first, nineteen hundred and fifty, and until the close of June thirtieth, nineteen hundred and fifty-one, in accordance with the provisions of said act. If a majority of the votes cast in any such city or town in answer to said question is not in the affirmative, such city or town shall be deemed not to have declared by popular referendum, pursuant to the Housing and Rent Act of 1950, that a shortage of rental accomodations exists which requires the continuance of federal rent control in such city or town after December thirty-first, nineteen hundred and fifty.

Shall a declaration be made by popular referendum, pursuant to the Housing and Rent Act of 1950, that a shortage of rental accommodations exists which requires the continuance of federal rent control in this city (or town) after December thirty-first, nineteen hundred and fifty and until the close of June thirtieth, nineteen hundred and fifty-one, in accordance with the provisions of said Act?

YES _____

NO _____

THE POLLS WILL BE OPEN FROM 10 O'CLOCK A.M. TO 8 O'CLOCK P.M.

AND YOU ARE DIRECTED to serve this warrant by posting attested copies thereof, seven days at least before the time of said meeting as directed by vote of the Town.

HEREOF FAIL NOT and make return of this Warrant with your doings thereon at the time and places of said meeting.

Given under our hands this thirty-first day of October, 1950.

CARL A. E. PETERSON,

ARNAUD BLACKADAR,

Selectmen of Chelmsford

October 31, 1950

Middlesex, ss.

I have served this Warrant by posting attested copies at the Post Offices in the Center of the Town, South Chelmsford, North Chelmsford and West Chelmsford and at the School House in East Chelmsford and at the Westland School, Westlands, seven days at least before the time appointed for holding the State and National Election.

LAWRENCE W. CHUTE, Constable of Chelmsford

WARRANT FOR SPECIAL TOWN MEETING
December 11, 1950

COMMONWEALTH OF MASSACHUSETTS

Middlesex, ss.

To Lawrence W. Chute, Constable, or any suitable person of the Town of Chelmsford:

GREETING:

In the name of the Commonwealth aforesaid, you are hereby requested to notify and warn the legal voters of said Chelmsford to meet in the Center Town Hall at Chelmsford on the eleventh day of December, nineteen hundred fifty at 7.30 o'clock in the evening, then and there to act upon the following articles, viz:

ARTICLE 1. To see if the Town will vote to transfer from the Highway Department, Construction and Reconstruction, Bridges Account the sum of Five Hundred Dollars, (\$500.00) to the Highway Department, Maintenance Labor Account, or act in relation thereto.

ARTICLE 2. To see if the Town will vote to transfer from the Highway Department Maintenance Materials Account the sum of fifteen hundred (\$1,500.00) dollars and from Maintenance Drainage Account the sum of five hundred (\$500.00) dollars, both sums to be transferred to the Highway Department, Snow and Ice Removal Account, or act in relation thereto.

ARTICLE 3. To see if the Town will vote to authorize the Board of Selectmen to relocate a portion of Swain Road according to a plan duly filed with the Board of Selectmen, or act in relation thereto.

ARTICLE 17. To see if the Town will vote to name a building committee to revise plans for a Chelmsford Center Fire House and report back to the next Special or Annual Town Meeting, or act in relation thereto.

ARTICLE 18. In the event of an affirmative vote under the preceding Article to see if the Town will vote to transfer from the Excess and Deficiency Account the sum of one hundred (\$100.00) dollars for the purpose of carrying out the preceding article.

AND YOU ARE DIRECTED to serve this Warrant by posting attested copies thereof at the Post Offices in the Center of the Town, South Chelmsford, North Chelmsford and West Chelmsford, and at the school house in East Chelmsford, and the Westlands School House, seven days at least before the time appointed for holding the meeting aforesaid.

HEREOF FAIL NOT, and make return of the Warrant with your doings thereon to the Town Clerk at the time and place of holding this meeting aforesaid.

GIVEN under our hands this fourth day of December, 1950.

CARL A. E. PETERSON

ARNAUD R. BLACKADAR

THEODORE W. EMERSON

Selectmen of Chelmsford.

December 4, 1950

Middlesex, ss.

I have served this Warrant by posting attested copies at the Post Offices in the Center of Town, South Chelmsford, North Chelmsford and West Chelmsford and at the School House in East Chelmsford and at the Westlands School, Westlands, seven days at least before the time appointed for holding the meeting aforesaid.

LAWRENCE W. CHUTE, Constable of Chelmsford

SPECIAL TOWN MEETING**December 11th, 1950**

A special town meeting was held in the Upper Town Hall at Chelmsford Centre on December 11th, 1950.

In the absence of Moderator John C. Monahan, the meeting was called to order at 7:30 p.m. by Town Clerk Harold C. Petterson, the first business to come before the meeting was the election of a Moderator Pro-Tem, and Charles Harrington nominated M. Edward Riney and it was voted that M. Edward Riney be Moderator Pro-Tem.

After Mr. Riney had duly qualified before the Town Clerk, the Moderator requested Town Clerk Harold C. Petterson to read the Warrant and after the Warrant was partly read on a motion made by Arnaud Blackadar it was voted to waive the further reading of the Warrant.

UNDER ARTICLE ONE: On a motion made by Carl A. E. Peterson, it was voted to transfer from the Highway Department, Construction and Reconstruction Bridges account, the sum of \$500.00 to the Highway Department, Maintenance Labor account.

UNDER ARTICLE TWO: On a motion made by Theodore W. Emerson, it was voted to transfer from the Highway Department, Maintenance Materials account, the sum of \$1,500.00 and from the Maintenance Drainage account the sum of \$500.00, both sums to be transferred to the Highway Department, Snow and Ice removal account.

UNDER ARTICLE THREE: On a motion made by Theodore W. Emerson, it was voted, to dismiss this article, this article pertained to the relocation of Swain Road.

UNDER ARTICLE FOUR: On a motion made by Arnaud R. Blackadar, it was voted, to dismiss this article, this article pertained to the relocation of Pine Hill Road.

UNDER ARTICLE FIVE: On a motion made by Vernon Fletcher, it was voted, to transfer from the School Teachers salaries account to the School Department Transportation account the sum of \$2,400.00.

UNDER ARTICLE SIX: On a motion made by Carl A. E. Peterson, it was voted to transfer from the Excess and Deficiency account the sum of \$14.90 to pay an unpaid bill of a previous year, this vote required a majority vote.

UNDER ARTICLE SEVEN: On a motion made by Arnaud R. Blackadar, it was voted to transfer from the Old Age Assistance account the sum of \$1,000.00 to the Welfare Department, Other Cities and Towns account.

UNDER ARTICLE EIGHT: On a motion made by Gordon DeWolf, it was voted to transfer from the Excess and Deficiency account the sum of \$1,500.00 to the Veterans Benefits account.

UNDER ARTICLE NINE: On a motion made by Ralph Hulslander, it was voted, to transfer from the Police Department, Purchase of a new cruiser account the sum of \$300.00 to the Police Department Gasoline account.

UNDER ARTICLE TEN: On a motion made by Ralph Hulslander, it was voted to transfer from the Police Department, Purchase of a New Cruiser account, the sum of \$50.00 to the Police Department Radio Service account.

UNDER ARTICLE ELEVEN: On a motion made by Ralph Hulslander, it was voted to transfer from the Police Department, Purchase of a New Cruiser account, the sum of \$50.00 to the Police Department, Telephones account.

UNDER ARTICLE TWELVE: On a motion made by Harold C. Petterson, it was voted to accept from Theodore A. DeFelice et al of Boone County in the State of Missouri the following parcel of land:

Land situated at the corner of 13th Avenue and Willis Drive at Crystal Lake in North Chelmsford as shown on Plan of land in Plan Book 50, Plan 85 and being lots 921 and 922 and supposed to contain about 3,340 sq. ft. of land. This conveyance is to be subject to all outstanding taxes. This vote was unanimous.

UNDER ARTICLE THIRTEEN: On a motion made by Harold C. Petterson, it was voted to accept Chapter 320 of the Acts of 1950, regard to the increase of retirement allowance to any member who retired prior to November 1st 1949.

UNDER ARTICLE FOURTEEN: On a motion made by Harold C. Petterson, it was voted that the Town of Chelmsford retain the following parcels of land situated between Crystal Lake and the Groton Road in North Chelmsford so-called:

Parcel No. 1: Land consisting of about 13,000 sq. ft. formerly owned by Joseph Steinberg and now owned by the Town of Chelms-

ford as recorded in Book 989, Page 440 in the Middlesex North District Registry of Deeds.

Parcel No. 2: Land consisting of about 29,330 sq. ft. of land formerly owned by Joseph Steinberg and now owned by the Town of Chelmsford as recorded in the Middlesex North District Registry of Deeds, Book 974, Page 356.

Parcel No. 3: Land consisting of about 1.55 acres of land formerly owned by Joseph Steinberg and now owned by the Town of Chelmsford as recorded in Book 989 Page 440 in the Middlesex North Registry of Deeds.

the said land to be retained for the purpose of establishing a Park sometime in future years, in Honor and in Remembrance of all those who served in the armed forces in all branches of service in World War II.

UNDER ARTICLE FIFTEEN: On a motion made by Eustace B. Fiske, it was voted to transfer from the Adams Library, Librarians account (Salary) the sum of \$50.01 and from the Adams Library, Assistant Librarians account, the sum of \$100.00, both amounts to be transferred to the Adams Library Repair account.

UNDER ARTICLE SIXTEEN: On a motion made by Eustace B. Fiske, it was voted to transfer from the MacKay Library, Other Expense account, the sum of \$75.00 to the Adams Library, Other Expense account.

UNDER ARTICLE SEVENTEEN: On a motion made by Allan Kidder it was voted that the Moderator appoint three citizens of Chelmsford to work in conjunction with the Board of Fire Engineers to revise plans for a Chelmsford Center Fire House and report back to the next special or annual Town Meeting. The Moderator appointed as three members, Arnold C. Perham, Ulysses Lupien, Sr. and George Marinel.

UNDER ARTICLE EIGHTEEN: On a motion made by Allan Kidder, it was voted to transfer from the Excess and Deficiency account the sum of \$100.00 for the purpose of revising plans for a new Fire House at Chelmsford Center.

Voted to adjourn this meeting at 8:15 P. M.

HAROLD C. PETTERSON,
Town Clerk.

M. EDWARD RINEY
Moderator Pro-tem.

Checks outstanding December 31, 1950		33,887.51
		\$ 317,033.86

The large amount of outstanding checks as shown is caused by reason of a Warrant being issued January 10, 1951 by the Town Accountant and dated December 31, 1950, consequently the checks issued for the payments of vouchers thereon could not be cancelled in December 1950.

The Treasurer's books of accounts are always open for public inspection to any Citizen of Chelmsford, if any information is desired the Treasurer will be glad to assist any person in the matter.

The classification of the receipts and expenditures will be found under the Town Accountants report.

HAROLD C. PETTERSON,

Town Treasurer.

Respectfully submitted,

WARREN WRIGHT

CLAUDE A. HARVEY

JOHN J. DUNIGAN

REPORT OF WELFARE AGENT

To the Honorable Board of Public Welfare and the Citizens of the Town of Chelmsford:

Gentlemen:

The following report of the Welfare Department is submitted:

The present staff of the Welfare office is as follows:

Quincy B. Park, Agent

Phyllis R. Brown, Social Worker

Priscilla S. Johnson, Clerk

Arnaud R. Blackadar, Chairman, Board of Public Welfare

During the past year 106 applications for all forms of aid administered by this office were received. We received 65 applications for Old Age Assistance, 54 of which were approved; 9 applications for Aid to Dependent Children of which 7 were approved; and 32 applications for General Relief of which 28 were approved.

WELFARE

Case load 1949— 29 for 51 persons

Case load 1950—34 for 39 persons

Expended	1949	1950
Cash Grants	\$ 15,360.45	\$ 16,206.47
Material Grants	5,185.07	5,118.38
Other Cities & Towns	3,755.06	4,787.72
State Institutions	1,229.35	859.01
	\$ 25,529.93	\$ 26,971.58

The preceding figures show a slight increase in expenditures for General Relief during the past year. It may seem that due to increased employment activity that the opposite should be true, however, the actual expenditures for relief due to unemployment have been a small percentage of total disbursements. The following figures explain present cases aided:

Unemployable due to being permanently disabled or incapacitated	21
Non-citizens over 65 ineligible for Old Age Assistance	6
Citizens age 60-64 ineligible for Old Age Assistance until 65th birthday	10
Board and room of minor children	2
	—
	39

It is expected that new legislation will be enacted this year to create a new category of relief whereby State and Federal re-imbursment will be available to cities and towns for cases that are aided due to being permanently disabled or incapacitated. If this legislation is enacted, considerable saving to the town would result as 63% of entire case load would be included in this category.

During the coming year it is estimated that the amount expended for General Relief will continue at approximately the same figure as was disbursed in 1950.

AID TO DEPENDENT CHILDREN

Case load 1949-23 for 54 persons

Case load 1950-27 for 87 persons

It will be noted that the numerical case load has not increased as greatly as the individual count. This is due to a new Federal regulation which permits one parent to be included for reimbursement by State and Federal funds, resulting in a lesser amount being required as the Town's share of expense.

The question has been asked on several occasions, "Why the need for Aid to Dependent Children Program." This type of aid is given in order that children shall not be deprived of a satisfactory home environment due to loss of parental support and care caused by desertion, separation, or death. In connection with this program, effort has been made to require recalcitrant parents to support their children. The Agent and Social Worker have made a total of 39 visits to the Probation office in the District Court and six court appearances as witnesses in effort to secure payments for support by court order. Not all our efforts have resulted in judgments against the offending parent but the total results have been reasonably effective.

We have received excellent cooperation from the clergy of the town in all cases that have been referred to them where it was thought that a reconciliation or satisfactory adjustment might be arranged.

The Lowell Catholic Charitable Bureau has also been very cooperative in aiding families with clothing and household furnishings when necessary, thereby saving expense to this department.

OLD AGE ASSISTANCE

Case load 1949—266

Case load 1950—269

Expended	1949	1950
Cash Grants	\$103,720.62	\$104,885.04
Other Cities & Towns	2,705.76	2,710.31
	\$106,426.38	\$107,595.35

The total case load has not increased as was anticipated despite the fact that 54 new cases were added during the past year. This is due to cases being transferred to other cities and towns, sale of property with resulting ineligibility, and removal from rolls by death.

The increase in Social Security Old Age and Survivors Benefit payments effective October 1950 resulted in an approximate saving of \$9,600 per year.

A question exists in regard to increased benefits to Old Age Assistance during the coming year due to proposed changes in the law, however, it has been thought advisable to continue with an adequate appropriation although slightly less than what was appropriated in 1950 until the proposed legislation is clarified.

I would like to thank the members of the Board of Public Welfare and the Bureau of Old Age Assistance for their interest and excellent cooperation during the past year in all matters that have been referred to them by this office.

Mrs. Marguerite Perham, was hospitalized in June of the past year. As her condition did not improve sufficiently for her to return to her duties as Agent, Mrs. Perham submitted her resignation effective upon expiration of her Leave of Absence, January 6, 1951. During her Leave of Absence, Quincy B. Park was appointed temporary Agent by the Board of Public Welfare. The staff of the Welfare Department wishes at this time to express their appreciation to Mrs. Perham for her continued advice and regret that circumstances necessitated her resignation as Agent.

We would also like to express our appreciation to all the folks that are and have been aided by this office. In almost all instances they have been very cooperative and understanding in our efforts to administer aid as required by existing regulations.

We are requesting one clerk and one social worker be added to the staff this year as the present staff finds itself inadequate to properly attend to all the duties that are required. This request has the approval of the District Office of the Massachusetts Department of Public Welfare. It is sincerely hoped that the citizens of this town will vote favorably on this request.

Respectfully submitted,

QUINCY B. PARK, Agent.

REPORT OF VETERANS' AGENT

To the Honorable Board of Selectmen,
Chelmsford, Mass.

The Veterans' Benefits Department aided 40 applicants during 1950, 10 of whom are classed as permanent and 30 as temporary. These 40 applicants had a total of 64 dependents so we aided a total of 104 persons. There were 4 other cases investigated which were not approved for benefits. A total of 91 home visits was made.

\$15,000.00 was expended for Veterans' Benefits in 1950, an increase of \$4,000.00 over 1949. This was partially due to an increase in the budget set up by the State Commissioner, which averaged about 10%, and an increase in hospital and doctors, bills. These medical bills now amount to 15% of total expenses and are increasing all the time.

Another reason for the increase was the induction into the armed forces of a number of W. W. II veterans who belonged to the reserve. The Federal Government grants a fairly liberal allotment to the dependents of such veterans but due to red tape did not start to pay the allotments until about three months after the men were inducted. In cases of need this department was obligated to aid the dependents. We had four of them and expect more during 1951.

Respectfully submitted,

GORDON P. DeWOLF,

Veterans' Agent

REPORT OF THE CHELMSFORD LIBRARY TRUSTEES

To the Board of Selectmen:

During the year 1950 the Chelmsford Library Trustees held thirteen meetings. In March, the following officers and staff were elected:

Chairman	Mr. E. Wayne Jenkins
Secretary	Miss Marjorie B. Scoboria
Treasurer	Mr. Eustace B. Fiske
Purchasing Committee	(Chm.) Mr. Howard Smith
	Miss Ethel Booth
	Miss Bertha Whitworth
	Mrs. Lester Ball
	Mrs. Fred Laton

Librarians

Adams Library	Mrs. Lester Ball
Anna C. MacKay Memorial Library	Miss Bertha Whitworth

Assistants

Adams Library	Mrs. Fred Laton
	Mrs. William Pickles
Anna C. MacKay Memorial Library	Miss Anne Ballinger

Janitors

Adams Library	Mr. Richard Hoyle
Anna C. MacKay Memorial Library	Mr. Thomas Roach

•The Adams Library needed certain repairs, which were completed during the year. These were electrical work, repairs to the roof, repairing the plumbing and replacing the old piping, installing drains at the corners of the building, painting the trim on the outside of the building, and waterproofing the bricks. The painting, with the new lawn, made necessary by extremely dry weather, make a big improvement in the looks of the property.

At the Anna C. MacKay Memorial Library the work of cataloguing the books was continued. Pictures of Mr. Stewart MacKay and Miss Anna C. MacKay, gifts of Mr. and Mrs. John Greigg of Medford Hill-sides, were hung in the reading room. Plastic book covers are being used on some of the books.

During April, May, and June, Miss Janice Poland acted as assistant to the Librarian at the Adams Library.

Exhibits in the Adams Library included Old Lamps, exhibited by the Chelmsford Historical Society from their collection and the collections of some of the members; American Indian Exhibit, by the members of Grade 3B of the McFarlin School, under the direction of Miss Florence Kelley; The Art of Book Illustration, by Miss Nora Unwin, artist, from Peterboro, New Hampshire; Exhibit of Inexpensive Books, by Mrs. Sam Pillsbury, Dracut; Articles from the South Pacific, by Mr. James Johnston; Boy Scout Exhibit, by Mr. George Linton; Indian Relics, by Mr. Fred Burt, Lowell; Dolls, by Miss Cynthia Atwood; Christmas Exhibit, by the East Chelmsford School, arranged by Mrs. Jessie Brown and Mrs. Kathleen Coles.

One project for 1951 will be some much needed painting inside the Adams Library.

Respectfully submitted,

MARJORIE B. SCOBORIA,

Secretary.

REPORT OF THE SEALER OF WEIGHTS AND MEASURES

Chelmsford, Mass.

January 20, 1951

To the Honorable Board of Selectmen:

I wish to submit the report of the Sealer of Weights and Measures for 1950. In the performance of my duties I have sealed or condemned as follows:

- 33 Scales over 100 lbs.
- 37 Scales under 100 lbs.
- 51 Gasoline Meters
- 12 Kerosene & Grease Meters.
- 2 Gasoline Pumps.

Money received from fees for same has been turned over to the Town Treasurer.

Respectfully submitted,

JOHN P. QUINN,

Sealer of Weights and Measures.

REPORT OF BOARD OF FIRE ENGINEERS

January 8, 1951

Board of Selectmen,

Chelmsford, Mass.

Gentlemen:

We submit herewith our annual report for 1950.

The year saw many accomplishments and long strides being taken towards the eventual establishment of a closely co-ordinated department under a central head and with fire alarm systems being developed with the aim of tying all together in the near future.

During the year we completed repairs to the Center and North fire alarm systems and, because of the national emergency, put all remaining money into new wire in order to have supplies to carry on this work while the emergency exists. The near-hurricane ate into our funds considerably, for both the Center and North systems were quite badly damaged by the wind and falling tree limbs. We also completed renovation of the Center fire alarm whistle which now is working as it was originally intended to.

We also made many repairs to the buildings—repaired and repainted the West house, put a new floor in the Center house when termites riddled the old foundation, and made other general repairs.

The year also saw the town authorize a new fire truck for North, which was delivered on Jan. 6, 1951, and now is in service. This filled a long-felt want and gives us one heavy duty engine of modern manufacture.

With the co-operation of the townspeople, we plan many more developments this year of 1951, including a new fire station for the Center, the appointment of a full-time chief and the tying in of two-thirds of the fire alarm systems, leaving the remaining third for the following year. We also plan to complete repairs and repaint the South fire station.

There may be questions raised as to the necessity for spending money on the outlying stations, but we believe that they are even more

important today, in view of the national emergency, than ever before and we plan to maintain them to the best that our funds will permit.

In closing, we wish to thank the Board of Selectmen and the townspeople as well for the whole-hearted co-operation given, and to hope that this will continue in the future for the good of the town.

The Board of Fire Engineers also wishes to be placed on record this year as being in whole-hearted co-operation with the Civil Defense authorities and pledges its entire facilities in support of any movement which the Civil Defense committee may find necessary.

Very truly yours,

BOARD OF FIRE ENGINEERS

ALLAN KIDDER

WILLIAM L. COLMER

SAMUEL A. PARKS

GILBERT H. PERHAM

CHARLES D. HARRINGTON

REPORT OF THE DOG OFFICER

January 2, 1951

To the honorable Board of Selectmen:

The following is a report of my services as Dog Officer for the year 1950:

Dogs picked up	53
Dogs disposed of	52
Dogs called for by owners	1

In addition to the above, I disposed of 47 dead dogs and 79 dead cats picked up on the streets.

Respectfully submitted,

CHARLES G. FULLER, Dog Officer.

REPORT OF MILK INSPECTOR

January 10, 1951

To the Honorable Board of Health:

Gentlemen:

The following report is submitted for the Milk Inspector for the year ending December 31, 1950.

Store Licenses	41
Vehicle Licenses	31
Pasteurization Licenses	3
Oleomargarine Licenses	40
<hr style="width: 10%; margin-left: auto;"/>	
Total Licenses Granted	115

Samples from all dealers were collected several times during the year and were analyzed at the Howard Laboratories at Amherst, Mass., and all were above the legal standard. Several samples of water were also collected and analyzed.

Milk and pasteurization plants were inspected several times during the year and found satisfactory.

Respectfully submitted,

DANIEL E. HALEY, Milk Inspector.

REPORT OF THE SLAUGHTERING INSPECTOR

To the Honorable Board of Health
Gentlemen:

The following report is submitted for the Inspector of Slaughtering for the year ending December 31, 1950.

NUMBER INSPECTED	
Cattle	35
Calves	20
Hogs	387
Sheep	16
Goats	6
Total Inspected	
	464
NUMBER CONFISCATED	
Hogs	10
Total Confiscated	
	10

Respectfully submitted,

PATRICK H. HALEY,

Inspector of Slaughtering.

REPORT OF THE ASSISTANT SLAUGHTERING INSPECTOR

To the Honorable Board of Health
Gentlemen:

The following is a report submitted for the Assistant Slaughtering Inspector for the year ending December 31, 1950:

NUMBER INSPECTED	
Horses	751
NUMBER CONFISCATED	
Horses	None

Respectfully submitted

(Signed) SPENCER W. CHAMBERLIN,

Assistant Slaughtering Inspector

REPORT OF PLUMBING INSPECTOR

Board of Health
Town Hall
Chelmsford, Mass.

Gentlemen:

Following is a report of the plumbing work done for the year ending December 31, 1950.

Number of applications submitted for "Permits to do Plumbing".

Old Houses	59
New Houses	153
	212
Tests	181
Inspections	212
	393

Following is a list of various plumbing fixtures installed.

Water Closets	205
Lavatories	207
Bath Tubs	161
Sinks	135
Comb. Sink & Tray	16
Double Sinks	22
Bar Sinks	2
Showers	18
Wash Trays	46
Clothes Washers	12
Dish Washers	7
Disposals	4
Drinking Fountains	3
Tankless Heaters	3
Urinals	4
Traps	3
Rainleader	1
	849
Total	849

Respectfully submitted,

GEORGE E. GAGNON,
Inspector of Plumbing.

REPORT OF BOARD OF HEALTH AGENT

Mr. Edmund J. Welch, Chairman
Board of Health

Dear Sir:

Following is a list of diagnosed contagious diseases reported to the Board of Health for the year ending 1950.

Chicken Pox	3
Pneumonia, Lobar	1
Dog-Bite	14
Scarlet Fever	2
Whooping Cough	7
Mumps	2
Tuberculosis, Pulmonary	1
Measles	2
Diphtheria	1

Cooperation of both doctors and townspeople is requested in order that all contagious diseases may be reported promptly. Kindly notify the Board of Health of all cases of communicable disease, as soon as possible.

Due to the increase in the amount of work to be done by this department, it was decided that I should be in the office from 9-12 and 1-3 p.m. every day Monday through Friday.

During these office hours regular routine office business is transacted. This business includes the following duties:

Keep files on the following—Town Accountant's report to the Board of Health; Bills Paid; Miscellaneous Communications; Communications, Board of Health; Clinic information; Complaints; Death Certificates; Dog-Bite Information, including Vaccine Treatment Reports; Dumps; Food Handlers Communications; Garbage Reports and information; Homes for the Aged; Howard Laboratory Reports; Infant's Boarding Homes and Registration; Information

regarding Hospitals and Convalescent Homes; Letters to the State Departments; Milk Reports; Miscellaneous Contagious Diseases; Nuisance Reports; Nursing Reports; Overnight Cabins; Records of Plumbing Applications and Permits; Old Board of Health Reports for References; Waltham Appointments—for T. B. Patients; Public Building Inspection; Vouchers for Bills and Weekly and Semi-Weekly Payroll Vouchers; Pasteurization of Milk Reports; Permits and Licenses of all kinds; Data-Premature Babies; Publicity; Restaurant; Sanitation; Septic Tanks; Family Settlement Information; Sewerage Problems; Slaughtering Reports; T. B. Reports; Subsidy for T. B. Cases; Well Reports—Water Samples; Burial Reports, including affidavits for transfer of corpse, etc.

We had a Restaurant Sanitation Course given by Mr. Visnieski, state sanitarian. This was given at the Center Town Hall October 16, 17, and 18. Certificates were awarded to the establishments having good attendance, and also to those attending.

Beginning November 27, 1950, a mass X-Ray project was started, with the result that 3,822 were X-Rayed.

The Board of Health made it mandatory that all Foodhandlers in Eating Establishments be X-Rayed as of January 1, 1951.

No. Visits to T. B. patients and Contacts102

No. Visits to Crippled Children 25

I am in hopes that we may be able to secure a refrigerator for the Board of Health, for bacteriologicals—a service to the local doctors, as well as the townspeople.

I am in hopes that people having health problems will feel free to bring them to me, as in the past.

I am very grateful for the untiring efforts and kind assistance given me by the Board of Health.

Respectfully submitted,

CHRISTINA S. PARK, R. N., Agent

REPORT OF THE BOARD OF HEALTH

To the Citizens of the Town of Chelmsford:

The Board of Health organized for the year with Edmund J. Welch as Chairman, Dr. Charles C. Farrington as Secretary, and Oliver A. Reeves as the third Member.

The following appointments were made:

Mrs. Christina S. Park, R. N., Agent
Daniel E. Haley, Inspector of Milk.
George E. Gagnon, Inspector of Plumbing.
Patrick H. Haley, Meat Inspector.
Spencer W. Chamberlin, Ass't Meat Inspector.
Dr. Raymond A. Horan, Physician to the Board.
Dr. Benjamin A. Blechman, Physician to the Board.

Due to an injury, suffered by our Agent, Mrs. Park, the Board appointed Mrs. Helen Jewett to fill this vacancy. Upon the return of Mrs. Park to her position, Mrs. Jewett was given a permanent appointment of Agent number two, but would be at the schools. Mrs. Park was designated to be at the Board of Health office in the Town Hall.

During the year much time and study has been given to the thought of Sewage in this town. An engineering firm was contacted and after much planning, the authority was asked at a Special Town Meeting for final approval of government advances, to cover the cost of the survey. This was turned down, but will reappear in the warrant for the regular Town Meeting. It is recommended that the town take advantage of this advance from the Government.

Beaver Brook, long a source of much discussion, was cleaned out and improved. A better flow of water was created, eliminating much stench from the center of the town.

A highly successful Tuberculosis Clinic was held this year. Two units from the State were here for two weeks and those desiring x-rays, had them taken. Much credit is due to our local T. B. Committee and Middlesex Health Association, for their splendid co-operation in planning this survey. Many local individuals spent much time and effort, to make this clinic a complete success. Our many thanks go to them.

This Board called for bids relative to Garbage Collection for three years. After considerable thought, the contract was awarded to the McKennedy Bros. of Riverneck Rd., who has had much experience with Garbage Collection in other areas. Due to the increased costs of labor, maintenance and equipment, the Bid is in excess of the past few years.

This year we are asking money for a refrigerator, to be kept at our office so we can keep Biologicals for the doctors of the town. These Biologicals are furnished by the State, for use in combatting diseases of various types.

During the year, many inspections were made throughout the town, and routine visits were made to local stores and restaurants. Conditions, in most cases were found to be satisfactory.

We wish to thank at this time the other town officials and our appointees, for their cooperation in the past year.

Respectfully submitted

EDMUND J. WELCH, Chairman,
OLIVER A. REEVES
DR. CHARLES C. FARRINGTON

REPORT OF THE HONOR ROLL COMMITTEE

To the Honorable Board of Selectmen:

Gentlemen:

We wish to make our annual report of the activities of the committee during the past year.

The Honor Roll was repainted and a bed of flowers was planted; all of which was completed before Memorial Day. The grounds were kept in good condition throughout the year.

Names which were inadvertently omitted previously were added.

Respectfully submitted,

ROBERT C. SPAULDING
CLARENCE H. DANE
HAROLD A. LINSTAD
GEORGE A. PARKHURST
J. IRA SPAULDING

REPORT OF THE PLANNING BOARD

The planning board has held twenty meetings during the past year. Four meetings were with the board of Selectmen, one with the board of Health, one jointly with the Selectmen and Water Commissioners of both the Centre and North, plus four public hearings held on land subdivision applications.

The board recommended and the town adopted a change in the zoning by-laws to allow detached garages to be built in the side yards of dwellings.

New subdivision regulations have been adopted under Sec. 81-L of Chapter 41 of the General Laws as follows, "The word subdivision means the division of a lot, tract or parcel of land into two or more lots, sites or other divisions of land for the purpose of sale or building development in such a manner as to require provision for a way, public or private, to furnish access to one or more of such lots and shall include re-subdivisions. No person shall make a subdivision of any lot, tract or parcel of land within the town or proceed with the platting, improvement or sale of lots in a subdivision without first submitting to the Planning Board for approval a record plat of such subdivision."

Copies of the subdivision regulations may be obtained from the board by persons considering sub-dividing land.

Inquiries have been received concerning more business areas in several precincts. As a result the board has already advertised a public hearing relative to possible extension of the Vinal Square district, and if it appears to be in the town's interest, to develop new business areas, we are willing to advertise for hearings in other sections of the town.

After many months of consideration a committee consisting of members of the Appeal Board and the Planning Board have compiled an entirely new set of building laws which the town has voted to accept in place of the old building laws. The Attorney General has approved the same and they now have become law. Copies may be obtained from the Board.

It is with regret that we announce the resignation of the Chairman of the Board, Mr. Howard D. Smith, who has served as a member since the board was first organized in 1937. He also served as Chairman of a large citizens committee that investigated for two years and recommended that the town have a Planning Board. This public and civic minded citizen, whose unselfish service and wise counsel can never be replaced, will be greatly missed by the townspeople.

Respectfully submitted,

JOHN L. DUSSEAUULT,

ARNOLD C. PERHAM,

Chairman.

Secretary.

REPORT OF THE BOARD OF APPEALS

To the Honorable Board of Selectmen.

Gentlemen:

The Board of Appeals acted on twenty three appeals in the year 1950.

Fifteen variations were granted, five denied, two withdrawn and one defaulted.

Respectfully submitted,

CLIFFORD M. BABSON JR.

EDWARD N. WHELAN

FREDERICK BURNE

CLIFFORD HARTLEY

WILLIAM MOCHRIE

EVERETT T. REED

Board of Appeals.

REPORT OF THE VARNEY PLAYGROUND COMMISSION

To the Honorable Board of Selectman and the Citizens of the Town of Chelmsford:

The Varney Playground Commission submits its annual report as follows:

The operating and maintenance expense of the Varney Playground and Edwards Memorial Beach has been held to the lowest possible figure consistent with providing reasonable facilities.

The installation by the Town highway department of additional curbing to overcome the damage done by highway wash has brought this condition to a near solution. The granting of an amount of money similar to that granted in the last few years should see this project nearly completed.

The settlement of the foundations of the beautiful granite arch and stairs has caused some damage, and if protective repairs are not soon made will result in the complete disintegration of the arch itself and the possible injury to the public. The sooner these repairs can be made, the lower the cost will be.

The selectmen brought to our attention the availability of money from the Emma Gay Varney Playground fund. After careful consideration the commission, together with the selectmen, have taken bids and awarded a contract to surface one of the tennis courts at the Varney Playground with bituminous concrete, thus restoring the court to a usable condition which will require a minimum of upkeep cost. If the public demand for the use of this court warrants, consideration will be made of securing other funds with which to surface or build other courts. The assistance of the players and the public is asked to help prevent wanton destruction of tapes, nets, etc. It is destruction of this type that has made it impossible to provide tennis facilities in the past years.

The baseball diamond and beach facilities have had their usual busy season and it is estimated that some ten or fifteen thousand people have made use of the properties in the course of the season. It is only because of the most capable attendant that the bath house, beach, and the adjacent area has been so well managed and maintained.

The commission would like to be able to make a start this year to provide some playground equipment for the use of small children. This equipment, slides, swings, teeters, etc., could be installed in the vicinity of the beach. Cooperation of individuals or organizations in this or any other project will be welcomed by the commission.

Once more the commission would like to bring out the fact that these properties are used by more people than any other recreation facility in town. The increasing costs of operation and upkeep can be materially reduced if the public will assist the attendant by making use of the refuse receptacles, and help prevent deliberate destruction caused by poorly disciplined children and adults.

Respectfully submitted,

CLIFFORD HARTLEY, Chairman
JOHN W. DIXON
LESTER H. ADAMS
Varney Playground Commission.

REPORT OF THE PARK COMMISSIONER

To the Board of Selectmen.

Gentlemen:

The Park Commissioners submit their report as follows:

The care of the parks this year was divided up with Archie Vondal having the North and West precincts and Harold Eriksen and William Johnson having the South, Westlands and Center precincts.

We have carried on the care and upkeep of the public parks much the same as in past years. The money appropriated for our department has been wholly used for that purpose.

At this time we wish to thank the townspeople and police for their help and cooperation with us in carrying on the work which was placed in our hands by vote of the town and hope that the work has been carried on according to their wishes.

Respectfully submitted,

HAROLD ERIKSEN, Chairman
WILLIAM JOHNSON
ARCHIE VONDAL

REPORT OF THE ADAMS LIBRARY LIBRARIAN

To the Board of Selectmen:

The work at the Adams Library has been carried on as usual with only minor changes in an effort to improve the service.

Of the new books added during 1950, 24 were donated. The donors were Mr. and Mrs. Josiah E. Marshall, Mrs. Edward Tebeau, Mr. Henry Quinn, Mr. Lester W. Ball, Mrs. Fred D. Laton, Miss B. A. Parkhurst and Mr. Earl J. Watt who has given magazines also. The United States Government, the Chrysler Corporation and the Indiana Historical Society have each contributed a book.

Book week in November was observed by a display of new books for young people and children.

The local newspapers, The Lowell Sun and the Chelmsford News-weekly have given fine cooperation in publishing the lists of new books which have been bought at intervals during the past year.

The service to other sections of the town is in operation as it was last year. The McFarlin School has made more use of the Adams Library than formerly, which seems a step in the right direction.

The public has shown much interest in the monthly exhibits which have been exceptionally good.

There has been an increase in circulation over 1949, in spite of many counter attractions. The statistics for 1950 follow:

Fiction	15,412
Non-Fiction	4,128
Magazines	1,882
	21,422
Total	
New Books	668
New Borrowers	210

In closing, I thank the Trustees and all others who have cooperated with us during 1950.

Respectfully submitted,

ADELAIDE W. BALL, Librarian.

January 1951

REPORT OF THE CEMETERY COMMISSIONERS

To the Honorable Board of Selectmen:
Chelmsford, Massachusetts.

Gentlemen:

The Cemetery Commission wish to submit the following report for the year ending December 31, 1950.

The general condition of the cemeteries was very good although we have had two very dry spells the last two years.

We had to curtail our work in the cemeteries due to lack of funds as we were cut in our appropriation about six hundred dollars (\$600.)

There were forty-three (43) burials in the six cemeteries of the town as follows:

Pine Ridge	17
Forefathers	3
Hart Pond	4
Riverside	9
Fairview	6
West Chelmsford	4
	43

Lots sold 6, Amount sale of lots	\$ 245.00
Income Perpetual Care Funds	709.00
Amount Care of lots	1,215.31

There will be several articles inserted in the warrant for the annual Town Meeting to be voted on by the towns people.

Respectfully submitted,

ARNE R. OLSEN,
FRANK H. HARDY,
ARTHUR W. HOUSE,

Cemetery Commissioners

REPORT OF THE MIDDLESEX COUNTY EXTENSION SERVICE

Much of the organized programs conducted by the Middlesex County Extension Service are planned on a county basis, with these programs available to every town in the County. Organized projects such as mastitis or Green Pastures for dairymen, flock health for the poultrymen, clothing and food for the homemakers or the various 4-H Club programs for boys and girls, are brought to the individual farmers or homemakers in a general way through the County Bulletin, radio, newspaper publicity, meetings or through correspondence and farm and home visits. In addition to this general work of the Extension Service, work in each town is developed under the guidance of the town director and the local groups interested in agriculture, homemaking and Boys' and Girls' 4-H Club work.

Increased milk production per cow, better roughage and a reduction of disease loss were the aims of the Extension dairy projects. The Dairy Herd Improvement Association and the recently organized Owner-Sampler Testing Association both are assisting farmers, through use of production records, to locate low producing cows. Local members include T. W. & J. P. Emerson, Walter F. Lewis, Howard A. Thayer and Edwin H. Warren. A spring meeting on roughage production was held in Chelmsford. Breeding also is important in increasing production and during 1950 the Selective Breeding Association has continued to grow and more farmers have made use of the proven sires available to members. The Green Pasture Program was used by the Extension Service to demonstrate the value of high quality roughage. Mastitis is one of the most serious diseases of dairy cattle and causes much loss of milk production. Control of this disease by sanitation, testing and prompt treatment has been urged.

The Extension Service worked with poultrymen on virtually every aspect of poultry farming during the year. With efficiency the watchword, attention was given to the Poultry Farm Account Program, through which poultrymen are assisted with their farm records; Willis Bursey and T. W. Zabierek are members of this Program. Joseph Lukas in addition to being a member of the Poultry Farm Account Program is cooperating in a farm management study of New England poultry farms which was started in 1950. Poultry meetings on various subjects were held at the Town Hall during the year with the assistance

of T. W. Zabierek, who is also secretary of the Middlesex County Poultry Association. Several poultrymen were assisted with flock health problems. Through the Quality Egg and Turkey Marketing Programs, poultrymen and turkey growers have been helped in improving their marketing facilities and practices. The county-wide Middlesex Turkey and Poultry Trade Show was held in Concord on October 11 and 12 with features both for producers and consumers. The Extension Service cooperated with the rabbit breeders of the County in forming an association, which is to be known as the Middlesex Commercial Rabbit Association and meets monthly at the Extension Office.

Extension programs are available to Chelmsford women in every phase of homemaking. Among those presented in Chelmsford this year were classes in "Slick Tricks in Home Care", and clothing classes in "Short Cuts and Speed Tricks in Garment Finishes" and dress making. The Christmas Gift Kit, a collection of gifts that can be made at home, was shown at several local group meetings.

Thirty-two boys and girls were enrolled in 4-H Club work. The various projects participated in were clothing, dairying, gardening, poultry. Chelmsford citizens who volunteered their time in the assistance of 4-H Club work were: Mr. and Mrs. Philip St. Germain, Mrs. H. M. Pontefract, Mr. Harold Pearson, Mr. Walter Lewis, Miss Pearl Koulas, Miss Pauline Kohlrausch, Mrs. Theodore Chianis. Phillip St. Germain was winner of Great Brook Farm Champion Cup for outstanding dairy work. He also received one of the four county dairy medals.

REPORT OF BUILDING DEPARTMENT

Board of Selectmen
Chelmsford, Mass.

Gentlemen:

I wish to submit the following report of the Building Department.

In the year 1950, 214 Permits were issued for new building and general repairs.

151 of these permits were for new dwellings.

Respectfully submitted,

ARTHUR J. GAUTHIER,
Building Inspector.

REPORT OF ANIMAL INSPECTOR

Board of Selectmen

Gentlemen:

My report for the year 1950 is as follows:—

Forty-four dog-bite cases have been reported and investigated, thirty-five of which were quarantined for two weeks' observation. During this period no rabies having developed they were released.

The other nine were investigated, but the dogs could not be found, or they had been reported over two weeks after the bite occurred and showed no signs of rabies.

One cow and one calf to be used for dairy purposes, came into town from out of the State, these were accompanied by the proper test papers.

During the recent tuberculin test of all neat cattle in town, eight cows were condemned, all being infected with tuberculosis. All were slaughtered and the stable thoroughly cleaned and disinfected, as required.

The Annual inspection of all neat cattle, sheep and swine was recently completed and the list totals cows, 562; heifers, 39; calves, 154; bulls, 19; steers, 9; goats, 54; sheep, 10; swine, 672; horses, 68. This list was compiled from 120 stables.

With the exception of the herd which was tubercular, no contagious diseases have been found in cattle, dogs, horses or swine.

Respectfully submitted,

ARNOLD C. PERHAM,

Inspector.

Halloween parties were again sponsored by the various public-minded organizations for the children and these parties were, as usual, very successful. I wish at this time to express my sincere appreciation for the efforts made by these organizations to cooperate with my department in handling this situation.

I wish to thank the Board of Selectmen, my entire roster and all townspeople for their cooperation during the past year.

Respectfully submitted,

RALPH J. HULSLANDER,

Chief of Police.

	10,450

Respectfully submitted,

BERTHA M. WHITWORTH, Librarian.

REPORT OF FOREST WARDEN

To the Honorable Board of Selectmen:

The past year has shown a decrease in the forest fire loss for the town.

There were no fires that reached the proportion of being classed a major fire.

Though the records show twelve less fires than the previous year, we experienced some of the worst fire hazard days in the history of the town and state.

On the morning of May 7th, which was the worst fire hazard day of the year; your forest warden was alerted by the State Department of Conservation, through the medium of our short wave radio. As a result personnel were stationed with all apparatus in our town.

Six fires were extinguished without undue damage in our town as well as rendering aid to our neighboring towns of Westford, Tyngsboro and Billerica.

The building of new homes in areas heretofore uninhabited has added new hazards to the forest fire service.

Statistics show the major cause of woodland and grass fires to be the disregard of proper burning ethics.

In the past year 171 forest and grass fire calls were answered and 1909 permits for fires in the open were issued.

At this time I would like to thank everyone who helped in any way to keep our forest fire loss to a minimum.

Respectfully submitted,

ALLAN KIDDER,

Forest Warden.

REPORT OF THE HIGHWAY DEPARTMENT

To the Honorable Board of Selectmen:

The usual snow and ice removal, brush cutting, general maintenance and drainage work occupied much of our time with special attention being given our drainage lines and structures, many of which were completely inoperative. Most of these have been cleaned and repaired and with nominal maintenance care should be serviceable for many years.

Considerable time was necessarily given to installation of new office techniques since little regard was evidenced for records in the past. A new timekeeping system was inaugurated. Accounting for materials, and equipment operating cost systems were installed. Records of gasoline and oil consumption have been kept. Since no record or up-to-date file on streets was available, a card file system listing all streets in town, their layouts, widths, lengths and types of surfaces was set up.

I wish, at this time, to thank those members of the Board of Selectmen who placed their confidence in me. I shall always remember and appreciate the help and cooperation of the Town Accountant, the Town treasurer and his staff; the cooperation of other public officers and the understanding of the townspeople in general. And finally my sincere thanks to the men of the Highway Department who made our program possible, and to the Highway Department clerk who assumed a difficult task efficiently and cheerfully and relieved effectively our office worries.

A more detailed report of our operations appears below.

Respectfully submitted,

HAROLD C. MALLOY,

Under "Resurfacing" the following streets received surface treatments using sand, stone, gravel and various bitumens.

Arbor Road	Harvey Road
Ash Street	Jordan Street
Beaulieu Street	Ledge Road
Beech Street	Locke Road
Carlton Avenue	Manning Road
Cedar Street	Naylor Road
Church Street	Newfield Street
Cemetery Road	Oak Knoll Road
Columbia Street	Putnam Avenue
Edwards Avenue	Putnam Avenue, East
Evergreen Street	Sprague Avenue
Fern Street	Spfing Street
First Street	York Avenue
George Street	

Total square yards thus treated—53,959.

Under "Resurfacing" the following streets were resurfaced with a sand, stone, bituminous cold mix application.

Brick Kiln Road	Marshall Street
*Dalton Road	School Street
*Dunstable Road	*Sylvan Avenue
*Garrison Road	*Turnpike Road
*Hornbeam Hill Road	Warren Avenue
*Linwood Street	*Westford Street

* Denotes partially resurfaced streets.

Total Square yards—57,053.

Under "Reconstruction" Jensen Street was completely rebuilt, after excavation and adjusting of grades, using 8" gravel, 2" pea gravel (in lieu of broken stone which we were not permitted to use) penetrated and sealed. Two new catch basins and 175 feet of drainage were installed in connection with this project.

A section of Sylvan Avenue was also reconstructed. Grades were adjusted to eliminate a bad water condition, two new catch basins and 200 feet of drainage were installed.

Preliminary work on the reconstruction of Pine Hill Road was begun but halted pending town acceptance of the relocation.

Under Special Appropriations, work was done on the following streets:

Columbia Street—Gravel, prime, and seal.

Locust Road—Scarify, prime and seal.

*Park Road—Prime and seal.

Priscilla Avenue—Install two catch basins.

*Tobin Avenue—Adjust grade and prime.

Flint Street—Install two catch basins, 100 feet pipe and gravel.

Pine Hill Avenue—Prime and seal.

* Denotes partially resurfaced streets.

Under "Bridges" twin metal arches were used to replace the wood timber and deck bridge on Turnpike Road.

In connection with this bridge the Board of Selectmen deemed it wise to allow the erection of necessary headwalls to wait until some future date.

Under Chapter 90, Maintenance, portions of the following roads were resurfaced with stone and bitumen using a mix-in-place type application.

Acton Road	2200 ft.
Chelmsford Street	700 ft.
Concord Road	2000 ft.
Middlesex Street	1000 ft.

Under Chapter 90, Maintenance, portions of the following roads received surface treatments using stone, pea gravel, sand and bitumen.

Acton Road	4700 ft.
Littleton Road	400 ft.
Chelmsford Street	1600 ft.
Middlesex Street	2000 ft.
North Road	1000 ft.

Under Chapter 90, construction, portions of the following roads were reconstructed.

Groton Road—1200 feet bituminous concrete beginning at Vinal Square, 3 catch basins and 50 feet pipe.

Boston Road—1100 feet bituminous concrete, 1 catch basin, 30 feet 12" pipe, 80 feet 42" culvert under the Concord and Boston Roads.

REPORT OF THE TREASURER OF THE LIBRARY TRUSTEES

To the Citizens of the Town:

**REPORT OF THE SECRETARY OF
THE VETERANS' EMERGENCY FUND COMMITTEE**

To the Honorable Board of Selectmen:
Gentlemen:

The Veterans' Emergency Fund Committee wish to make their report to you and to the townspeople of Chelmsford. The year 1950 has been a very quiet year as far as meetings and cases to be acted upon by the Committee are concerned. The Director of the Veterans' Benefits Department of the Town, Mr. Gordon P. DeWolf, has not reported any cases which should have received assistance from the Veterans' Emergency Fund. Undoubtedly, the fairly stable economic picture of Chelmsford and its bordering communities has much to do with the employment level and the few cases needing assistance from the Committee. The funds which have been building up over the past three years, have been allowed once again to increase by the addition of further interest and dividends. Our only expense during the year was \$15.00 to pay the premium for a bond for the Treasurer.

The townspeople are reminded that each precinct has a representative on the Committee and when Veterans' or their immediate families are in need of assistance a call to the following-named committee members will result in a meeting of the group, at which time the facts may be presented to the members for consideration. It is the earnest desire of the full committee to place help and assistance where it is genuinely needed.

The committee members are as follows:

- Precinct 1Mr. George S. Archer
- Precinct 2Mr. Joseph J. Sadowski
- Precinct 3Mr. Perry T. Snow, Treasurer
- Precinct 4Mr. Edward G. Krasnecki, Chair.
- Precinct 5Mr. George F. Waite
- Precinct 6Mr. Alfred H. Coburn, Secretary

The Committee wishes to extend their appreciation to the members of the Board of Selectmen for their confidence in the Committee for the administering of this fund.

ALFRED H. COBURN, Secretary
Veterans' Emergency Fund Committee

**REPORT OF AN
AUDIT
OF THE ACCOUNTS OF
THE TOWN OF CHELMSFORD**

For the Period From July 22, 1948 To October 19, 1949

Made in Accordance with the Provisions of
Chapter 44, General Laws
April 27, 1950

April 27, 1950

To the Board of Selectmen,
Mr. Theodore W. Emerson, Chairman
Chelmsford, Massachusetts.

Gentlemen:

I submit herewith my report of an audit of the books and accounts of the town of Chelmsford for the period from July 22, 1948 to October 19, 1949, made in accordance with the provisions of Chapter 44, General Laws. This is in the form of a report made to me by Mr. Herman B. Dine, Assistant Director of Accounts.

Very truly yours,

FRANCIS X. LANG

Director of Accounts.

Mr. Francis X. Lang.
Director of Accounts
Department of Corporations and Taxation
State House, Boston

Sir:

As directed by you, I have made an audit of the accounts of the Town of Chelmsford for the period from July 22, 1948, the date of the previous audit, to October 9, 1949, and report thereon as follows:

The financial transactions, as recorded on the books of the several departments receiving or disbursing money for the Town or committing bills for collection, were examined and checked for the period of the audit.

The books and accounts in the office of the town accountant were examined and checked. The receipts, as recorded on the ledger, were checked with the records of the departments making payments to the treasurer and with the treasurer's books, while the payments were

checked with the treasury warrants signed by the selectmen and with the treasurer's cash book. The appropriations and transfers from the reserve fund were checked with the town clerk's records of town meetings and with the authorizations of the finance committee.

The town accountant's ledger was analyzed and a balance sheet, which is appended to this report, was prepared showing the financial condition of the town on October 19, 1949.

The books and accounts of the town treasurer were examined and checked in detail. The recorded receipts were compared with the records in the departments collecting money for the town and with the other sources from which money was paid into the town treasury, while the payments were checked with the selectmen's warrants authorizing the disbursement of town funds. The cash balance on October 19, 1949 was proved by actual count of the cash in the office and by reconciliation of the bank balances with statements furnished by the banks of deposit.

The securities and savings bank books representing the investment of the trust and investment funds in the custody of the town treasurer, the selectmen, the treasurer of the library trustees, and the veterans' emergency fund committee were examined and listed, the income being proved and the transfers to the town, as well as the disbursements, being verified.

The deductions from employees' salaries for federal taxes and the retirement fund were listed and reconciled with the amounts due and paid to the federal government and the county retirement system.

The records of tax title redemptions and tax titles taken by the town, together with tax title foreclosures, were examined and checked in detail. The sales of tax possessions and the adjustments resulting therefrom were verified, and all outstanding tax titles and tax possessions were listed and reconciled with the accountant's ledger. The tax titles were further verified by comparison with the records in the Registry of Deeds.

The payments on account of maturing debt and interest were proved with the amounts falling due and with the cancelled bonds and coupons on file.

The books and accounts of the collector were examined and checked. The taxes and motor vehicle and trailer excise outstanding at the time of the previous audit and all subsequent commitments, including water district taxes, were proved to the warrants issued for their collection. The recorded receipts were checked with the payments to the treasurer as shown by the treasurer's and the ac-

countants books; the recorded abatements were compared with the assessors' records of abatements granted; the taxes transferred to the tax title account were checked with the records of tax titles held by the town; and the outstanding accounts were listed and reconciled with the accountant's ledger.

The commitments of departmental accounts receivable were examined. The recorded receipts were checked with the payments to the treasurer and with the accountant's books, the abatements were compared with the records in the departments authorized to grant them, and the outstanding accounts were listed and compared with the accountant's controlling accounts.

The outstanding tax, motor vehicle and trailer excise and departmental accounts were verified by mailing notices to a large number of persons whose names appeared on the books as owing money to the town, the replies received thereto indicating that the accounts, as listed, are correct.

The financial accounts of the town clerk were examined. The records of dog, sporting, and miscellaneous licenses were checked, the payments to the State being compared with the receipts on file and the payments to the town treasurer being compared with the treasurer's cash book.

The surety bonds of the officials required by law to furnish them were examined and found to be in proper form.

The records of licenses and permits issued by the selectmen and the health department were examined and checked, and the payments to the town treasurer were verified.

The financial records of the sealer of weights and measures and of the police, fire, park, and cemetery departments, as well as of all other departments collecting money for the town, were examined and checked with the treasurer's cash receipts and with the town accountant's records.

It was again noted that certain receipts of the cemetery department are retained by the employees who perform the work, in which connection it is recommended that, in the future, all receipts of this department be paid into the town treasury, as required by the provisions of Section 53, Chapter 44, General Laws, that the bills for the work performed be committed to the collector for collection, and that the employees be paid for their services from the cemetery maintenance appropriation.

In addition to the balance sheet, there are appended to this report tables showing a reconciliation of the treasurer's cash, sum-

maries of the tax, motor vehicle and trailer excise, and departmental accounts, together with tables showing the condition and transactions of the trust and investment funds.

For the cooperation received from all town officials during the progress of the audit, I wish, on behalf of my assistants and for myself, to express appreciation.

Respectfully submitted,

HERMAN B. DINE

Assistant Director of Accounts.

ALFRED H. COBURN,

Town Accountant

REPORT OF BOARD OF SELECTMEN ON CIVILIAN DEFENSE

To the Citizens of the Town of Chelmsford:

Because of the present world situation, and in conformity with Section 14 of Chapter 639 of the Acts of 1950, Massachusetts General Laws pertaining to Civil Defense, the Selectmen were confronted with the duty of appointing a Director of Civil Defense.

Captain Elmer R. Hill, U. S. Naval Reserve, Retired, was originally appointed Director, but he later resigned because he found it impossible to devote the necessary time to properly perform the varied duties of the office.

The Selectmen were then apparently faced with the problem of appointing a Director at a full time salary or one who was in a position to devote a great deal of time without compensation. Meanwhile, Chief of Police Ralph J. Hulslander was appointed Temporary Director until a satisfactory solution could be found.

It was then decided that a Civil Defense Committee of three members should be appointed, to serve without compensation, who could then delegate the various duties of Civil Defense organization among themselves.

On December 20, 1950, Ulysses J. Lupien, Thomas J. Campbell and Garfield A. Davis were appointed as members of the Civil Defense Committee.

At this time the Board of Selectmen would like to extend their thanks to Captain Elmer R. Hill and Chief of Police Ralph J. Hulslander for their work in acting as directors, and also extend their thanks to the present Committee members for their excellent work and unselfish devotion to duty.

Respectfully submitted.

Board of Selectmen, Town of Chelmsford

CARL A. E. PETERSON, Chairman
ARNAUD R. BLACKADAR
THEODORE W. EMERSON

CIVILIAN DEFENSE PROGRAM AND ORGANIZATION

Chelmsford, Massachusetts

February 19, 1951

Honorable Board of Selectmen
Chelmsford, Massachusetts

Gentlemen:

The organization and administration of the Civilian Defense Program for the Town of Chelmsford will involve a vast amount of details due to the countless directives and pamphlets which will be received from the State and Federal Government. The Committee has agreed to undertake the task just so long as no salaries are provided for its members.

As a basis for the development of the program the Committee is being guided by the following considerations:

1. The Federal appropriations for Civilian Defense are in excess of \$13,000,000,000; representing a tax of \$90 on every man, woman and child.
2. The State appropriations for the same purposes will add many more millions.
3. The ordinary expenses for town government will require substantial taxes from the taxpayers.
4. The Government will definitely impose a heavy tax burden to meet the estimated expenses to be incurred for military purposes.
5. This town can ill afford any waste, extravagance or unnecessary expense even under the guise of Civilian Defense.

Objectives

The objectives of the Civilian Defense Committee are as follows, viz. to:

- A. Provide a reasonable and adequate defense for all sections of the town.

B. Render assistance to other cities and towns during periods of disaster.

C. Awaken the individual's responsibility in helping to provide for his own protection and that of his fellow townsmen.

D. Avail themselves of whatever services may be placed at their disposal by the heads of our town departments.

E. Meet the objectives with a minimum of interference with the operation of the regular town government.

F. Develop and administer the program at a minimum of expense to the taxpayers.

Organization

Because of the need for close coordination with the Federal, State, and Regional Civilian Defense authorities, the Committee believes that the town organization should be flexible and as free from red tape as possible. Accordingly, the various functions of the program have been allocated as follows:

G. A. DAVIS

Medical and Health.

Rescue, Transportation and Evacuation.

T. J. CAMPBELL

Police, Fire, Communications and Utilities.

U. J. LUPIEN

Civilian War Aid, Training, Miscellaneous Units.

Public Relations.

Advisory Committee

In order to make it possible to include the services of a maximum number of people an advisory committee has been appointed which includes a representative from each precinct.

Center	Clarence Woodward
North	Leo Williams
Westlands	Clifford Hartley
South	John F. Thompson
East	Herbert Lamprey
West	Richard L. Monahan

Progress

Whereas much still remains to be accomplished, nevertheless the committee wishes to report the following progress as of February 19, 1951:

Police—Ralph J. Hulslander, Chief

Consisting of the regular force augmented by over 100 auxiliaries.

Fire—Alan Kidder, Chief

Consisting of the regular force augmented by over 100 auxiliaries.

Medical and Health

Plans are being developed in conjunction with the Red Cross and Regional Medical authorities.

The advisory committee is conducting a survey to obtain the necessary data and information for use in establishing emergency medical centers, evacuation centers, etc.

Civilian War Aid

The committee is preparing data necessary for the designation of air raid shelters, feeding of disaster victims, etc.

Distribution of Information

The School Committee and their staff are rendering valuable assistance in the distribution of pamphlets to each family.

Town Organizations

The committee realizes the important assistance which can be obtained through such local organizations as Veterans, P. T. A., Boy Scouts, Girl Scouts, church organizations, civic organizations, etc. As time permits the committee intends to meet with each of these groups to solicit their assistance in making the program successful.

This program is a joint undertaking; its success depends on the individuals and groups who are willing to volunteer their services; The committee openly solicits and welcomes suggestions, comments, criticisms and offers of assistance.

The committee wishes to express its appreciation for the cooperation it has received from all department heads as well as for the many offers of service already received from individuals and organizations.

Expense

1. Whatever expenses are incurred should be primarily for projects which are essential to good town government and from which the town will derive continuing benefits.

2. No expense should be incurred because the town, by so doing, may receive a grant from the State or Federal Government. Such a procedure serves to compound waste, inefficiency and extravagance in government which are already threatening our economic structure.

The committee recommends that whatever funds are appropriated for Civilian Defense can only be expended on request of the committee and with the approval of the Board of Selectmen.

The committee feels that any danger from outside sources is extremely remote but that the citizens should be prepared to meet any catastrophe calmly, and it does not intend to resort to spreading of fear and hysteria to attain its objectives.

THOMAS J. CAMPBELL

GARFIELD A. DAVIS

ULYSSES J. LUPIEN

WARRANT FOR ANNUAL TOWN MEETING**March 5, 1951 and March 12, 1951**

COMMONWEALTH OF MASSACHUSETTS

Middlesex, ss.

To Lawrence W. Chute, Constable, or any suitable person of the Town of Chelmsford:

GREETING:

In the name of the Commonwealth aforesaid, you are hereby requested to notify and warn the legal voters of said Chelmsford to meet in their several polling places, viz:

- Precinct 1. Town Hall, Chelmsford Center.
- Precinct 2. Town Hall, North Chelmsford.
- Precinct 3. Fire House, West Chelmsford.
- Precinct 4. School House, East Chelmsford.
- Precinct 5. Liberty Hall, South Chelmsford.
- Precinct 6. Westlands School House.

On Monday, the fifth day of March, 1951, being the first Monday in said month, at 12 o'clock noon, for the following purposes:

To bring in their votes for the following officers:

- One Moderator for three years.
- One Selectman for three years.
- One member of the Board of Public Welfare for three years
- One Town Clerk for three years.
- One Town Treasurer and Tax Collector for three years.
- One member of the Board of Assessors for three years.
- One member of the School Committee for three years.

One member of the Board of Health for three years.

One Tree Warden for three years.

One Cemetery Commissioner for three years.

One Park Commissioner for one year, unexpired term.

One Park Commissioner for three years.

One Park Commissioner for two years, unexpired term.

Two Public Library Trustees for three years.

One Sinking Fund Commissioner for three years.

One Sinking Fund Commissioner for one year, unexpired term.

One member of the Planning Board for five years.

Constable for one year.

All on one ballot.

The polls will be open from 12 noon to 8 p. m. and to meet in the High School Auditorium at Chelmsford on the following Monday, the twelfth day of March 1951 at 7:30 o'clock in the evening, then and there to act upon the following articles, viz:

ARTICLE 1. To hear reports of Town Officers and Committees; or act in relation thereto.

ARTICLE 2. To raise and appropriate such sums of money as may be required to defray Town charges for the current year; or act in relation thereto.

ARTICLE 3. To see if the Town will authorize the Selectmen to act as its agent in any suit or suits which may arise during the current year, with authority to settle and adjust claims or demands for or against the Town; and to employ counsel whenever in their judgment it is necessary; or act in relation thereto.

ARTICLE 4. To see if the Town will authorize the Treasurer, with the approval of the Selectmen, to borrow money in anticipation of revenue of the current financial year; or act in relation thereto.

ARTICLE 5. To see if the Town will vote to raise and appropriate a sufficient sum of money with which to meet unpaid bills of previous years; or act in relation thereto.

ARTICLE 6. To see if the Town will raise and appropriate the sum of thirty-eight hundred ninety-four (\$3,894.00) dollars to pay to the Treasurer of the Middlesex County Retirement System, the said amount being the Town's share of the Pension and Expense Fund; or act in relation thereto.

ARTICLE 7. To see if the Town will vote to transfer from the Overlay Reserve Account a sum not exceeding Five Thousand (\$5,000.00) dollars to be used as a Reserve Fund at the discretion of the Finance Committee as provided in General Laws Chapter 40, Section 6; or act in relation thereto.

ARTICLE 8. To see if the Town will vote to authorize the Board of Assessors to use a sum of money in the amount such as the Commissioner of Corporations and Taxation of the Commonwealth may approve as free cash, said sum of money to be applied in determining the tax rate for the year 1951; or act in relation thereto.

ARTICLE 9. To see if the Town will vote to authorize the Cemetery Commissioner to appoint any or all of the members of said Board as laborers to work in the Cemetery Department at the rate of one (\$1.00) dollar per hour; or act in relation thereto.

ARTICLE 10. To see if the Town will vote to authorize the Park Commissioner to appoint any or all of the members of said Board as laborers to work in the Park Department at the rate of (\$1.00) dollar per hour; or act in relation thereto.

ARTICLE 11. To see if the Town will vote to raise and appropriate a certain sum of money for the purpose of purchasing two automobiles for the Police Department, said purchases to be made under the supervision of the Board of Selectmen; or act in relation thereto.

ARTICLE 12. In the event of an affirmative vote under the previous Article, to see if the Town will vote to transfer by good and sufficient Bill of Sale two automobiles now used by the Police Department; or act in relation thereto.

ARTICLE 13. To see if the Town will vote to raise and appropriate the sum of three thousand (\$3,000.00) dollars to meet the Town's share of the cost of Chapter 90 Highway Maintenance; or act in relation thereto.

ARTICLE 14. In the event that an affirmative action is taken on the foregoing Article, to see if the Town will vote to transfer from the Excess and Deficiency Account six thousand (\$6,000.00) dollars to meet the State's and County's shares of the cost of the work, the reimbursements from the State and County to be restored, upon their receipt, to the Excess and Deficiency Account; or act in relation thereto.

ARTICLE 15. To see if the Town will vote to raise and appropriate the sum of forty-five hundred (\$4,500.00) dollars to be used for Chapter 90, Construction on Groton Road; or act in relation thereto.

ARTICLE 16. In the event that an affirmative action is taken on the foregoing Article, to see if the Town will vote to transfer from the Excess and Deficiency Account thirteen thousand five hundred (\$13,500.00) dollars to meet the State's and County's shares of the cost of the work, the reimbursements from the State and County to be restored, upon their receipt, to the Excess and Deficiency Account; or act in relation thereto.

ARTICLE 17. To see if the Town will vote to raise and appropriate the sum of two thousand five hundred (\$2,500.00) dollars to be used for Chapter 90, Construction on Concord Road; or act in relation thereto.

ARTICLE 18. In the event that an affirmative action is taken on the foregoing Article, to see if the Town will vote to transfer from the Excess and Deficiency Account seventy-five hundred (\$7,500.00) dollars to meet the State's and County's shares of the cost of the work, the reimbursements from the State and County to be restored, upon their receipt, to the Excess and Deficiency Account; or act in relation thereto.

ARTICLE 19. To see if the Town will vote to raise and appropriate the sum of fifty-five hundred (\$5,500.00) dollars for the purpose of purchasing two trucks for the Highway Department, such purchase to be made by the Board of Selectmen, or act in relation thereto.

ARTICLE 20. In the event of an affirmative vote under the previous article, to see if the Town will vote to transfer by good and sufficient bill of sale, two trucks now used by the Highway Department, or act in relation thereto.

ARTICLE 21. To see if the Town will vote to raise and appropriate the sum of four thousand (\$4,000.00) dollars, or some other sum, for the purpose of continuing the survey and maps of the Town under the supervision of the Board of Assessors; or act in relation thereto.

ARTICLE 22. To see if the Town will vote to raise and appropriate the sum of fifteen hundred (\$1,500.00) dollars for the purchase of a sand spreader for the highway department, said purchase to be made under the supervision of the Board of Selectmen; or act in relation thereto.

ARTICLE 23. To see if the Town will vote to raise and appropriate the sum of fourteen thousand (\$14,000.00) dollars for the purpose of installing adequate lighting at the McFarlin School, or act in relation thereto.

ARTICLE 24. To see if the Town will vote to authorize the Selectmen to take by eminent domain, for the purpose of constructing and maintaining a parking area in Chelmsford Center, a certain area as laid out by the Selectmen and shown on a plan filed in the office of the Town Clerk, or act in relation thereto.

ARTICLE 25. If action on the foregoing article is in the affirmative, to see if the Town will raise and appropriate a certain sum for the purpose of grading and conditioning aforesaid lot for a parking area, or act in relation thereto.

ARTICLE 26. To see if the Town will vote to amend the Zoning By-Laws by adding a new section to Precinct 2 (North), a business area. No. 3. All of the land within the area bounded, Easterly by Church Street; Westerly by Princeton Street; and Northerly by land, now or formerly, of Martin L. and Josephine M. Delorey; or act in relation thereto.

ARTICLE 27. To see if the Town will vote to authorize the Board of Health by majority to accept the offers, and any amended offers, of the United States of America to make ad-

vances pursuant to Public Law 352 81st Congress to the Town of Chelmsford for the preparation of an engineering report, plans and specifications for a comprehensive sanitary sewerage system for the Town of Chelmsford; and to enter into any and all agreements and to do each and everything necessary or proper in order to obtain the payment by the United States of America of advances for said purposes; or act in relation thereto.

ARTICLE 28. To see if the Town will vote to authorize Mr. Edmund J. Welch, of the Board of Health, to act as the authorized representative of said Board, to furnish to the United States such information, data and documents as may be required, to take any and all other action as may be necessary to obtain the advances and secure the preparation of all necessary engineering report, plans and specifications for the above work, and otherwise to act as the authorized representative of the Town of Chelmsford in this connection, or act in relation thereto.

ARTICLE 29. To see if the Town will vote to authorize the Board of Health by majority vote to approve the engineering report, final plans and specifications when completed and to furnish a certificate of such approval to the United States of America; or act in relation thereto.

ARTICLE 30. To see if the Town will vote that the terms, laborers, workmen and mechanics as used in the Workmen's Compensation Law found in Chapter 152 of the General Laws shall include all employees of the Town; or act in relation thereto.

ARTICLE 31. To see if the Town will raise and appropriate a certain sum of money for the purpose of paying a premium for insurance providing workmen's compensation benefits; or act in relation thereto.

ARTICLE 32. To see if the Town will vote to raise and appropriate the sum of twenty-five hundred (\$2,500.00) dollars for the purpose of installing a plumbing and heating system, water service and cesspool in the American Legion Quarters Post 313 on Gay Street, the installation to be under the supervision of the Board of Selectmen; or act in relation thereto.

ARTICLE 33. To see if the Town will vote to raise and appropriate the sum of fifteen hundred (\$1,500.00) dollars for the purpose of having certain Town records microfilmed, or act in relation thereto.

ARTICLE 34. To see if the Town will vote to raise and appropriate the sum of eighteen hundred (\$1,800.00) dollars for the purchase of a three quarter ton pickup truck for the Fire Department, said purchase to be made under the supervision of the Board of Fire Engineers, or act in relation thereto.

ARTICLE 35. To see if the Town will vote to raise and appropriate the sum of fourteen hundred (\$1,400.00) dollars for the Fire Department for the purpose of making repairs and repainting former Engine 2 prior to its usage as Engine 4 at East Chelmsford; or act in relation thereto.

ARTICLE 36. To see if the Town will vote to authorize the Selectmen to grant an easement to the Lowell Electric Light Corporation to locate a pole with wires and cables thereon on the town land in the Crystal Lake Area; or act in relation thereto.

ARTICLE 37. To see if the Town will vote to amend the sick leave by law by adding the following: "The provision of this by-law which permits an accumulation of sick leave shall apply to employment prior to the effective date of this by-law."

ARTICLE 38. To see if the Town will vote to amend the Zoning Laws of Precinct 2 extending the business area on the westerly side of Tyngsboro Road in whole or in part from the present boundary northerly to and including the premises now of Mrs. Mabel Syvret at 112 Tyngsboro Road, the westerly line to be 200 feet from and parallel to Tyngsboro Road; or act in relation thereto.

ARTICLE 39. To see if the Town will vote to amend the Zoning Laws of Precinct 2 by designating as business area all or part of the land on the Easterly side of Tyngsboro Road from the present business area boundary northerly to Sleeper Street, the easterly line to be 400 feet from the parallel to Tyngsboro Road; or act in relation thereto.

ARTICLE 40. To see if the Town will vote to amend the Zoning Laws of Precinct 2 by designating as industrial area all the land between the B & M R. R. tracks and the Merrimack River, bounded on the South by the Lowell City Line and the North by the Tyngsboro Line; or act in relation thereto.

ARTICLE 41. To see if the Town will vote to amend the Zoning Laws of Precinct 2 by designating as industrial area all the land bounded by Sleeper Street, the B & M R. R. tracks and Wotten Land and a line 400 feet from and parallel to Tyngsboro Road; or act in relation thereto.

ARTICLE 42. To see if the Town will vote to widen Fletcher Street from Chelmsford Street to North Road, to erect a sidewalk along said Fletcher Street; or act in relation thereto.

ARTICLE 43. To see if the Town will vote to authorize the Selectmen to secure by purchase or otherwise a certain area of land in the Vinal Square section of North Chelmsford, said land to be used for the extension of the parking lot located in said section; or act in relation thereto.

ARTICLE 44. In the event of an affirmative vote under the foregoing article, to see if the Town will vote to raise and appropriate a certain sum of money to carry out the provisions of said article; or act in relation thereto.

ARTICLE 45. To see if the Town will vote to change the closing date for the submission of articles for the warrant for the Annual Town Meeting from January 21 to January 15; or act in relation thereto.

ARTICLE 46. To see if the Town will vote to authorize the Selectmen to appoint a firm of Engineers to revalue all real estate property located in the town.

ARTICLE 47. In the event of an affirmative vote under the previous Article, to see if the Town will vote to raise and appropriate a certain sum of money for the purpose of said revaluation.

ARTICLE 48. To see if the Town will vote to accept Sections 19 and 24 of Chapter 114 with respect to certain records to be kept by the Town Clerk; or act in relation thereto.

ARTICLE 49. To see if the Town will vote to instruct the Treasurer to place one half of the present "Sale of Lots and Graves" account and one half of future receipts from sale of same in a "Cemetery Expansion Fund" account to be invested at interest; or act in relation thereto.

ARTICLE 50. To see if the Town will vote to transfer two hundred (\$200) dollars from the "Sale of Lots and Graves Accounts" in the Cemetery Department, said sum to be used for repairs to cemetery grounds and historic headstones; or act in relation thereto.

ARTICLE 51. To see if the Town will vote to accept a portion of Swain Road as laid out by the Board of Selectmen and shown by their report and plan duly filed in the office of the Town Clerk; or act in relation thereto.

ARTICLE 52. To see if the Town will vote to raise and appropriate a certain sum of money for the purpose of reconstructing a portion of Swain Road; or act in relation thereto.

ARTICLE 53. To see if the Town will vote to accept a portion of Pine Hill Road as laid out by the Board of Selectmen and shown by their report and plan duly filed in the office of the Town Clerk; or act in relation thereto.

ARTICLE 54. To see if the Town will vote to raise and appropriate a certain sum of money for the purpose of reconstructing a portion of Pine Hill Road; or act in relation thereto.

ARTICLE 55. To see if the Town will vote to accept a portion of Leedberg Street, as laid out by the Board of Selectmen, and shown by their report and plan duly filed in the office of the Town Clerk; or act in relation thereto.

ARTICLE 56. To see if the Town will vote to accept a portion of Merilda Avenue as shown on a plan of said street duly filed in the office of the Town Clerk; or act in relation thereto.

ARTICLE 57. To see if the Town will vote to accept a portion of Bisson Street, as shown on a plan of said street, duly filed in the office of the Town Clerk; or act in relation thereto.

ARTICLE 58. To see if the Town will vote to accept a portion of Frank Street, as shown on a plan of said street, duly filed in the office of the Town Clerk; or act in relation thereto.

ARTICLE 59. To see if the Town will vote to accept a portion of Anna Street as shown on a plan of said street duly filed in the office of the Town Clerk; or act in relation thereto.

ARTICLE 60. To see if the Town will vote to accept Lynn Avenue as laid out by the Selectmen as shown by their plan and layout; or act in relation thereto.

AND YOU ARE DIRECTED To serve this Warrant by posting attested copies thereof at the Post Offices in the Center of the Town, South Chelmsford, North Chelmsford, and West Chelmsford, and at the School House in East Chelmsford, and Westlands School House, thirty days at least before the time appointed for holding the first meeting aforesaid.

HEREOF FAIL NOT, and make return of the Warrant with your doings thereon to the Town Clerk at the time and place of holding this meeting aforesaid.

Given under our hands this first day of February, in the year of our Lord, Nineteen hundred and fifty-one.

REPORT OF THE SCHOOL COMMITTEE

To the citizens of Chelmsford:

At a regular meeting of the School Committee held January 19, 1951 it was voted to approve the report of the Superintendent of Schools for the year 1950.

During the fiscal year of 1950, the School Committee held twenty-two regular meetings and twenty-one special meetings.

In April, the State Department of Education submitted its report on the survey of the Chelmsford Schools requested by the School Committee. The recommendations contained in this survey included the following items:

1. Accomodations for grades 7 & 8 in a six-year high school with adequate facilities for a modern educational program of studies.
2. A new building at North Chelmsford to provide modern school facilities for grades 1 thru 6 now housed at Princeton, Highland and Quessy Schools.
3. Teachers' salaries were inadequate.

The School Committee members have served as members of the High School Building Committee and at the North Chelmsford Building Committee in formulating plans for new school buildings.

In September an art instructor was added to the teaching staff, and a room in the high school was equipped for art work. The art instructor devotes two days a week to the high school and three days per week to the elementary schools.

An auto-driving course has been considered and steps taken toward inaugurating such a course next year. The need of increased pupil guidance in our schools is recognized and will receive early attention.

Mr. Lucian H. Burns, principal of our high school for twenty-two years, submitted his resignation as of September 1, 1950. We feel that

former Committees will join us in expressing appreciation for his long and faithful service to the town of Chelmsford.

The Committee was fortunate in securing John T. Conrad, formerly of Westford, to assume the duties of high school principal.

It is the endeavor of the Committee to keep the school buildings in good repair. During the year, roofs on the original parts of the high school and Westlands school have been replaced with material carrying a 20-year guarantee. The interior of the original section of the high school was painted throughout. The use of pastel colors in the modern trend completely changed, and greatly improved the appearance of this building.

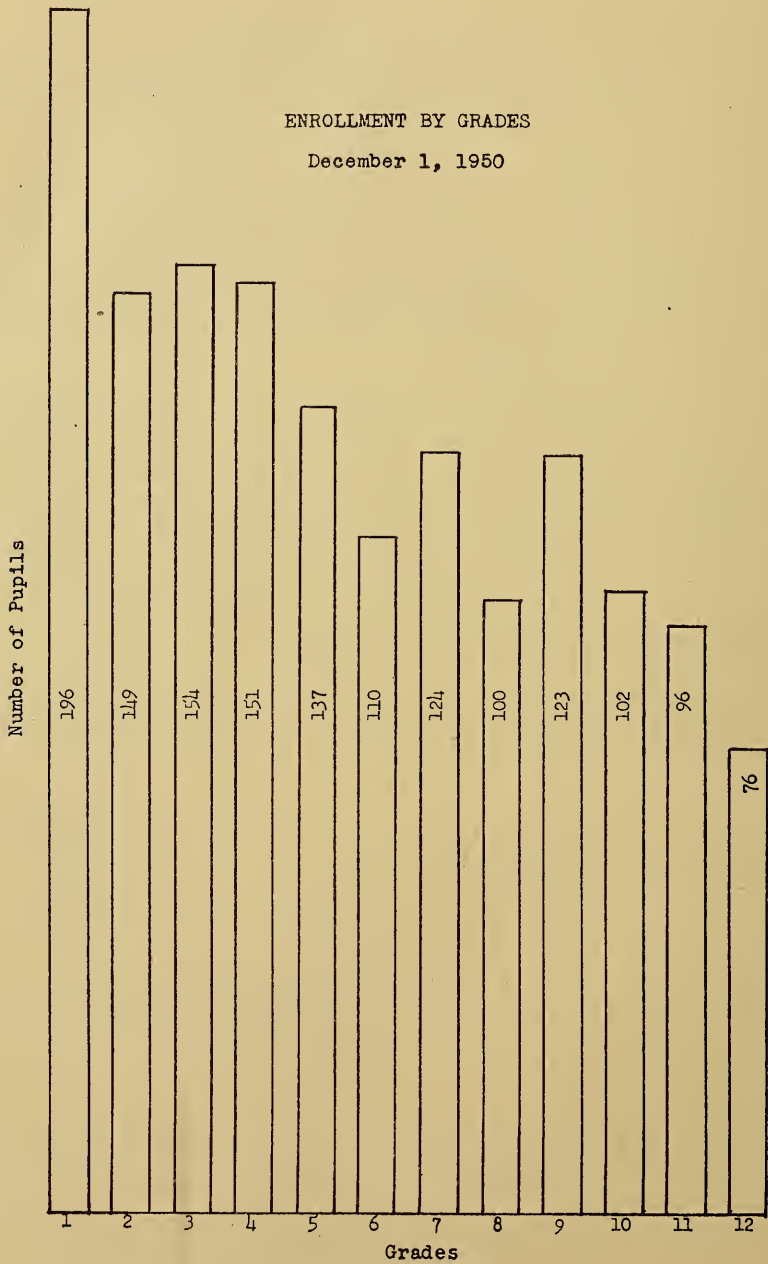

We are still faced with the problem of increasing enrollment. The attached chart shows, graphically, our present enrollment and indicates some problems facing us during the years ahead. All available rooms at McFarlin School are occupied. Next year we must find space for an additional classroom. We can no longer transfer pupils to Westlands School since that school is full. This year it is necessary to transfer five pupils from grade 1 at Princeton to Highland School. With the continued increasing enrollment, the Committee hopes that new school buildings will be provided as soon as possible.

Plans for the coming year include such items as interior painting, exterior painting, plumbing and heating improvements, roof repairs and others as budget limits dictate.

We have endeavored to give you a brief account of our activities for the year and urge your liberal support in the future for the pressing needs of the schools of Chelmsford.

Respectfully submitted,

DANIEL J. HART, Secretary

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Chelmsford School Committee:

This report includes the customary statistical tables for comparative purposes together with general information pertaining to the operation of the schools for the year 1950. Detailed information may be secured at the office of the Superintendent of Schools.

STAFF

In education and training our teaching staff is outstanding. 88% have degrees representing at least four years of education beyond the high school level. The State median for towns with a population over 5000 is 63%.

A teaching staff with an educational preparation indicated above deserves more adequate salary provisions. For the next eight to ten years the supply of teachers in elementary grades will not meet the demands. If we are to maintain present standards, to say nothing about efforts to meet rapid developments in education, our staff must receive more adequate salaries. Last year we lost several excellent teachers to other communities as a result of our low salary levels.

BOOKS AND SUPPLIES

Efforts to provide adequate textbooks and supplies proceeds slowly due to increased enrollment in the lower grades and immigration in all grades. Increased costs of books and supplies are already becoming another handicap. Adequate tools are essential to efficient workmanship in all lines of endeavor.

SCHOOL PLANT

Increasing enrollment continues. Reliable sources assure us that this problem will require attention for another eight to ten year period.

All available classroom space in our elementary schools is now being utilized. Next September an additional room will be necessary for grade 5 at the McFarlin School and the present fifth grade should have been divided into two rooms when it was a fourth grade. Further-

more, a crowded condition in grade 1 at Princeton School was relieved this year by transferring five pupils to the Highland School. This procedure can not be continued next year due to number of pupils at the Highland School. As a result we expect a problem for September at the Princeton School—over forty pupils in grade 2 and nearer fifty pupils in grade 1. The above facts indicate a critical situation for next September at both McFarlin and Princeton Schools. Much of our school plant is old and inadequate to meet present day needs with respect to education and enrollment.

LOOKING AHEAD

One year ago under this heading we discussed some vital needs essential to adequate education of the boys and girls of Chelmsford.

The two building committees appointed at the last annual town meeting have devoted nearly a year of time and thought to this important problem. It is expected that these committees will have presented their recommendations to a special town meeting before this report is made public.

The adoption of the recommendations of these two committees will provide opportunity for the town to meet present and future educational needs of the boys and girls in an efficient and economical manner.

The School Committee, citizens, parents, teachers, and pupils have been cooperative in our efforts to meet and solve satisfactorily the many school problems of the year. We bespeak your full consideration for our boys and girls who will, all too soon, take our places in positions of trust and leadership.

Respectfully submitted,

H. MORTON JEFFORDS,

Superintendent.

HIGH SCHOOL

Mr. Conrad

It is with sincere pleasure that I submit my first report as principal of Chelmsford High School. This report offers an opportunity which your principal would welcome more often and more personally, an opportunity of putting you in touch with what our school is doing to aid in the growth, development and training of your Chelmsford boys and girls.

In spite of the difficulties which continue to plague all public schools in their efforts to secure and hold well-qualified, experienced and forward-looking teachers, Chelmsford High School is fortunate in having a staff of well-trained men and women who are earnestly devoted to the educational interests of the boys and girls who comprise her membership. Securing and keeping competent teachers with experience is essential if Chelmsford is to provide an effective educational program.

Facing the schools of today is the exceedingly great challenge of making their programs meet the needs produced by rapidly changing social concepts. If Chelmsford High School is to continue its reputation of being one of the better schools of the state, it must be aware of these changing needs. It must keep its program dynamic. In keeping with this goal, we are endeavoring to enrich the experiences of the student with opportunities to study and practice the democratic way of life, as well as to develop a militant faith in American democracy.

While I have faith in higher education and will continue to encourage college training for all those pupils who are fitted for and can profit by it, I do feel that our primary concern should be with the greater number of our children whose formal education will terminate with graduation from Chelmsford High School. We certainly should expend every effort to provide that type of secondary education which will best meet the needs, abilities, and interests of our present day population.

I recommend that as soon as possible diversified courses in Industrial Arts and Home Economics be included in our program. Through such courses our boys and girls can be better fitted to become capable citizens and better fitted to earn a good living in a type of work that is in keeping with their interests and abilities.

I include in my recommendations a guidance program, so that pupils may better know their capabilities and may better select their courses. A testing program, consisting of intelligence, reading, in-

terest, and achievement tests, should be available also, as such a program would enable the teacher to understand the child more quickly, to teach him more effectively, and to adapt the school program to his individual needs.

I furthermore recommend that studies be conducted to determine the advisability of including in our curriculum courses in consumer education, safety education, and driver training.

We are expanding our activity program. All learning does not take place in the classroom. Accumulating information and developing an agile mind can only partially meet the needs of the individual in today's society. The development of physical fitness, character, personality, citizenship, social responsibility, and getting along with other people are all important and necessary attributes of a happy and well-adjusted individual. These attributes are not developed solely from reading books, writing compositions, or reciting in class. They must be gained through the direct experience of doing things.

The schools belong to you and will be what you make them. They will be good when you take time to study their needs carefully and conscientiously and they will fail when you neglect them. They are a living part of our social existence and they derive their vitality from the very life streams of society's individual members. It is urgent that everyone take as active a part as possible in school affairs.

Finally, let us remember that our accomplishments and gains must be won through the combined efforts of the School Committee, the Superintendent of Schools, the teachers, and the citizens of Chelmsford. From all of you I ask cooperation and to all of you I pledge my best efforts.

MUSIC

Miss Littlehale

"Music is a record of the joys, sorrows, and ideals of man. It assists the child in understanding and appreciating his own culture, other contemporary cultures, and past cultures."

"Music is a social and democratic art, and it aids social development and adjustment." These are only two of many values given in the Music Education Brief issued by The Massachusetts Department of Education.

There are five areas of experience which aid in bringing these values to the children.

1. Singing:
The joyful experience of correctly using one's voice is one of the most satisfying mediums of self-expression.
2. Listening:
Active listening, day by day, develops perception of mood, melody, rhythm, harmony, form, and tone color.
3. Responding Rhythmically:
Rhythm is a motor experience. Muscular response to fundamental movements, to note and rest values, to accent, measure, rhythmic patterns, phrases, and mood develops rhythmic grasp and contributes to mental and musical growth. An added result is that those children who use and control their bodily movements tend to have greater poise and balance. Rhythm Band activity gives pleasure, and it leads to more advance activities.
4. Playing:
Opportunity for self-expression by playing an instrument gives pleasure and satisfaction and contributes to the development of social and emotional control, of playing skill, and of music reading.
5. Creating:
All musical experiences may be creative in interpretive sense or through original expression.

The music program here in Chelmsford is based on such a five-fold activity plan. With the cooperation of the grade teachers the program is showing excellent results.

A great deal of work is being done in the field of square dancing. In the early Spring a contest was held, the Westlands School received the winner's trophy given by the Lions Club. There are many values to be received from folk dancing such as; coordination of mind and body, natural enjoyment of each others company, losing ones self-consciousness over height, size, etc., the lonely or rejected child becoming a member of his society. Today, when traditions and customs are being deliberately cast aside it becomes our obligation as a free people to preserve for the future the folk heritage of the World. Our country is particularly fortunate in having a rich store of folk songs and dances.

The "special" glee club of the High School has given numerous programs in and around Chelmsford.

In April, as a member of the State-Wide Committee on Music Ed-

ucation, I attended the Music Educators National Conference at St. Louis. I received many and valuable suggestions at the conference meetings.

In May the Music Department presented its annual festival. Representative groups from all the schools, the glee club, and the High School band participated. The entire festival was based on different types of American songs, such as; songs of devotion, work songs, sectional songs, etc. In addition to music provided by the glee club and the band, a May Queen, Jacqueline Sidelinger, was chosen by vote of the Senior Class. Her attendants were eight girls, two from each of the undergraduate classes.

A Christmas program of unusual interest was presented. As it was a stormy evening the audience was small, but those who attended were favorably impressed by the work of the High School Glee Club. At this time I wish to express my appreciation to Miss Nelson, of the Art Department, Mr. Bernie Larkin and his band, and all others who in any way contributed to the success of the program.

ART

Miss Nelson

This first year of art work has been an active one with art being taught in all grades and the high school.

Soon after the school year opened grades 6, 7, and 8 participated in a Fire Prevention Week poster contest sponsored by the Chelmsford Fire Department.

In November the high school students had a poster contest to promote the tuberculosis x-ray campaign. The best posters in each contest brought the students generous awards.

December was an enjoyable month for art with Christmas and the children's enthusiasm for it. The high school art students worked in conjunction with the glee clubs making posters and the backdrop for their Christmas production. They also learned the art of linoleum block printing for use in making Christmas cards.

Fashion illustration and design has been of great interest to the high school girls. The boys are working on mechanical drawing problems.

An arts and crafts club is to be organized in the high schools and in the Spring there will be an exhibition of art from all the grades and the high school.

My immediate goal is to correlate the art work with other school subjects in order that the students will have a richer background.

My ultimate goal is to try to create an appreciation of the beautiful through close observation of nature; or, maybe, inspire a hobby to enrich the student's leisure time: or, help develop good taste; or, maybe, even develop the desire to create.

PHYSICAL EDUCATION

Boys -- Mr. Nolan

The general scope of physical education is the development of the young man physically, mentally and socially.

This is covered in the grammar schools through calisthenics, games, contests and hygiene.

There are basketball and baseball leagues, which run from December to the end of May. Trophies are awarded to the champions and the "runners up." A field day is conducted for all the schools at the end of May.

High School pupils have two periods a week.

We urgently strive to have the young men of the High School participate in one of the varsity sports.

Special emphasis is placed upon the young men so that they will have proper organic growth, physical development and proper posture. Games, hygiene, calisthenics and rhythmic are utilized to attain these aims.

Girls -- Miss McCue

Today, this chaotic world, tired of too many "man-made" wars, places upon physical education teachers a grave responsibility. We must develop in each child a **complete human personality**. This is the main objective of physical education. In fact, it is the main objective of all education.

The challenge to "Change the World" faces the adults of tomorrow. If American youth is to meet this challenge successfully, we must be concerned with the education of the **whole child**—not merely a segment of his personality. Physical education, then, is the development of the complete human personality through, or by means of, the physical.

As supervisor, it is my duty to visit each grammar school once a week and the high school twice weekly for the purpose of teaching physical education. I teach boys and girls in grades one through four.

From the fifth through the senior high school, I teach only girls. The length of periods vary from twenty to forty-five minutes depending upon the school or situation. In most cases, I teach every grade each week.

In grades one and two, we play group games with the hope that each child will learn to play with other children in a happy and congenial manner. There is a great adjustment to be made by the child coming from the home to school life. Through play, we try to help him find his place with the other boys and girls.

Simple forms of group competition are introduced in grades three and four. Through relay races and elementary team games, the child begins to gain an appreciation of the other players and realizes that each one is a necessary part of the whole team.

After the fourth grade, I have only the grls. Regular exercises with emphasis on posture are a large part of the program. In addition, we have more complicated relays and team games of higher organization.

The high school program carries on that which was started in the lower grades. We expect a higher degree of efficiency in performance and an understanding of the reasons for various exercises. Attention is given to individual problems of weight and posture.

Music, rhythmic activities, marching and singing games have their place to make a well-rounded program. No physical education program would be complete without trying to reveal some facts about health and hygiene. If enjoyment can be obtained from all phases of the program and boys and girls from grade one through high school are just a little happier because of physical education class the time and money expended has not been in vain.

In conclusion, may I take this opportunity to thank the many people who have given me such splendid cooperation this year. The kindness of the people of Chelmsford will long live in my memory.

HEALTH

Helen M. Jewett, R. N.

The following is a report of my duties as school nurse from the date of my appointment at the beginning of the school term in September through December 31, 1950. However, while acting in the absence of the school nurse from March through June the same procedure as outlined below, was followed.

All the schools are visited once a week, with the exception of the

McFarlin and Princeton schools which are visited twice a week and one full morning spent at the Westlands school. I am in the various schools from 9 to 12 and at my office in the McFarlin school from 1 to 3, where I can usually be contacted. I hope the parents will feel free to call me at any time.

Each pupil now has a Health Record that is kept up to date. This record will follow him through his grade and high school years and if transferred his health card goes with him.

Pupils in all schools were given physical examinations in September by Drs. Blechman and Boucher. This, of course, is only a screening and it is hoped before too many years to examine only every other grade but give a more complete examination.

The pupils in the grammar schools were given a Tuberculin Patch Test by me, in accordance with a request by the Middlesex Health Association, and the results were read by Dr. Blechman. All positive re-actions from this test were X-rayed.

In September we had a Supervised Vision Test done by Mrs. Milam. The vision machine was loaned to us by the Massachusetts Department of Public Health. Grades 1, 5, and 9 were done and those pupils failing the test were advised to be re-examined by an Eye Specialist.

The following information is furnished:

Number of visits to schools	116
Number of visits to homes	50
First aid treatments	166
Examined by School Physician	1409
Talks on Health and Hygiene	42
Individual instructions to pupils	38
Number of pupils excluded on account of illness ..	25
Examination of eyes	358
Treatments secured:	
X-Rays (Surgical)	4
X-Rays (Chest)	15
Eye clinic (St. John's Hospital)	1
Crippled Children's clinic	2

I earnestly hope that the parents will co-operate by trying to follow the recommendations of the Health program as set up in your schools. If your child is sent home with a slip recommending attention to a certain condition, please follow it through. It is for your child's health that we strive for.

Please do not send your children to school ill. This seems to be

a foolish request but never-the-less it happens often. No provision is made to take your child home if found ill in school. As this condition is on the increase, provisions, sooner or later will have to be made and as you well know at your expense as a tax payer. The answer is simple—take a little more interest in your child's health.

SCHOOL LUNCH PROGRAM

Irene H. Emerson

During the year January 1950 to January 1951, 58,740 hot lunches and 75,430 bottles of milk were served in five of our Chelmsford Schools.

It has been possible to serve complete hot lunches for the last five school years without specific town appropriation of funds. For the past several years many towns participating in the School Lunch Program have appropriated funds to assist in operating expenses. Greatly increased food prices and a decrease of one cent per meal in the Government reimbursement have caused a deficit in operation during the present school year. It will therefore be necessary for the town to appropriate funds to maintain present prices to the children and to allow an increase in wages to lunchroom employees. The present hourly rate of pay to these employees which has not been changed since 1946, is below the legal minimum rate.

If sufficient funds are requested in the school budget it will allow for the continuation of hot lunches at the present prices. However, if an appropriation is not made, prices will have to be increased.

SCHOOL CALENDAR

1950 — 1951

Begin—September 6, 1950.

End—December 22, 1950.

Days Out—October 12—Columbus Day.

November 3—Teachers' Convention.

November 23, 24—Thanksgiving.

Begin—January 2, 1951.

End—February 16, 1951.

Begin—February 26, 1951.

End—April 13, 1951.

Days Out—March 22—Holy Thursday.

March 23—Good Friday.

Begin—April 23, 1951.

End—June 22, 1951.

Days Out—May 30—Memorial Day.
