ANNUAL REPORT

FOR THE YEAR ENDING
DECEMBER 31, 1958

In Memoriam

FIRE CHIEF ALLAN KIDDER

Allan Kidder, Chief of the Fire Department, died on November 4, 1958.

Chief Kidder was first appointed a call firefighter in 1931. After serving his country in World War II, he returned to the Fire Department in 1946 as a regular firefighter. He rose rapidly in rank until in 1954 he was appointed as Chelmsford's first full-time Fire Chief.

His untimely passing put an end to a career dedicated to the Fire Service, a career in which he earned the respect of his fellow-workers and of the Townspeople.

ARTICLE 5. To see if the Town will vote to amend the Town By-Laws by inserting the following section: All fees received by the Town Tax Collector by virtue of his office shall be paid in the Town Treasury; or act in relation thereto.

ARTICLE 6. To raise and appropriate such sums of money as may be required to defray town charges for the current year; or act in relation thereto.

ARTICLE 7. To see if the Town will authorize the Selectmen to act as its agent in any suit or suits which may arise during the current year, with authority to settle and adjust claims or demands for or against the Town; and to employ counsel whenever in their judgment it is necessary; or act in relation thereto.

ARTICLE 8. To see if the Town will vote to authorize the Treasurer with the approval of the Selectmen, to borrow money in anticipation of Revenue of the current financial year; or act in relation thereto.

ARTICLE 9. To see if the Town will vote to authorize the Treasurer with the approval of the Selectmen to borrow money in the year 1959 in anticipation of revenue of the year 1959; or act in relation thereto.

ARTICLE 10. To see if the Town will vote to raise and appropriate a sufficient sum of money with which to meet bills for previous years; or act in relation thereto.

ARTICLE 11. To see if the Town will vote to raise and appropriate a certain sum of money to pay to the Treasurer of the Middlesex County Retirement System, the said amount being the Town's share of the pension, expense and Military service funds; or act in relation thereto.

ARTICLE 12. To see if the Town will vote to raise and appropriate the sum of Twenty Thousand Dollars (\$20,000), or some other sum, to be used as a Reserve Fund at the discretion of the Finance Committee as provided in General Laws, Chapter 40, Section 6; or act in relation thereto.

ARTICLE 13. To see if the Town will vote to raise and appropriate the sum of Ten Thousand Six Hundred Seventy-one and 42/100 Dollars, (\$10,671.42), to defray its share of the cost of the maintenance of the Middlesex County Sanatorium by the County of Middlesex.

ARTICLE 14. To see if the Town will vote to adopt the following by-law:

The assessors, in addition to such other duties as are required by law, shall annually, beginning in 1959, cause to be printed and made available to the taxpayers, a complete list of real property subject to assessment, together with the names of the owners thereof and the amount for which such property is assessed.

ARTICLE 15. To see if the Town will vote to amend the by-law adopted March 9, 1953 under Article 55, as follows:

Strike out the words "at any or all Town meetings" and insert therefor, the words "at any Annual Town Meeting and not less than 300 registered voters at any Special Town Meeting", so that the by-law will read: "A quorum of not less than two hundred (200) registered voters must be present at any Annual Town Meeting, and not less than three hundred (300) registered voters at any Special Town Meeting to legally transact and consummate the business of the Town"; or act in relation thereto.

ARTICLE 16. To see if the Town will vote to adopt the following by-law:

All Town Officers, when seeking a legal opinion from the Town Counsel, shall do so in writing. The Town Counsel shall render his opinion in writing. Copies of the request and reply shall be forwarded to the Board of Selectmen, who shall keep them in a permanent file open to the public during business hours; or act in relation thereto.

ARTICLE 17. To see if the Town will vote to instruct the Selectmen to petition the General Court for the enactment of an act to change the time of holding the Annual Town Meeting and Town Election, and providing for the submission of certain votes for referendum, as follows:

Section 1. The Annual Town Meeting of the Town of Chelmsford shall be held on the first Monday in March, and all matters to be considered at the Annual Town Meeting shall be considered at such meeting, except that the Annual Town Election for the purpose of electing, by official ballot, town officers and voting on any question required by law to be placed upon the official ballot, shall take place at an adjournment of such meeting to be held on the third Monday in March.

Section 2. Any vote passed at any town meeting of said Town shall not become operative until after the expiration of a period of five days, terminating at five o'clock P.M. on the fifth day, exclusive of Sundays and holidays, from the day of the dissolution

of such meeting. If, within the period of the said five days, a petition is addressed to and filed with the Selectmen, and is signed by not less than fifty voters of the Town, containing their names and addresses as they appear on the list of registered voters, asking that the question or questions involved in such vote be submitted to the voters of the Town, the Selectmen shall then frame and present the question or questions involved in such vote at the next annual election of officers at which time the question or questions involved shall be voted upon by ballot, using the check list, and such question or questions shall be determined by a majority vote of the registered voters of the Town voting thereon. If such a petition is not filed within said period of five days, the vote in the Town meeting shall become operative and effective upon expiration of said period.

Section 3. This act shall take effect upon its acceptance by a majority of the voters of said Town at a Town Meeting held not later than the Annual Town Meeting in the year nineteen hundred and fifty-nine.

ARTICLE 18: To see if the Town will vote to adopt the following by-law:

The fee for any license granted to keep, store and sell over five (5) tons of explosives in permanent magazine or magazines, shall be two thousand (\$2000.00) Dollars. The fee for registration of the above license shall be one-half the amount of the fee for such license.

ARTICLE 19. To see if the Town will amend the Building Code, Article 1, as adopted at the Town Meeting April 10, 1950 as follows:

Strike out the words "or other experience satisfactory to the Selectmen"; or act in relation thereto.

ARTICLE 20. To see if the Town will vote to amend the by-law adopted by unanimous vote at the 1954 Annual Town Meeting (Article 105) as follows:

1. The entire premises shall mean entire licensed premises.
2. Sufficient fence capable of keeping unauthorized persons from said premises and sufficiently fire-proof in construction to prevent grass or brush fires entering such premises shall mean, a chain link fence with three (3) strands of barbed wire.
3. Said chain link fence shall be seven (7) feet high including the three (3) strands of barbed wire.
4. Top and bottom selvages to have a twisted and barbed finish.
5. Fence to follow ground line at all times.
6. Not less than two (2) drive gates shall be installed. These gates are to be kept locked at all times, except when in use. The licensee or owner shall furnish keys to the Chiefs of the Fire and Police Departments.

7. The Chief of the Fire Department shall specify the size and location of all drive gates.
8. One gate may be used for ingress and egress by the owner or the licensee, or their agent.
9. The specifications of the fence shall compare with the Cyclone Invincible fence of the American Steel and Wire Co.
10. Around the entire licensed premises, a strip not less than ten (10) feet wide shall be free of all vegetation, and shall be covered with gravel.
11. This by-law shall be enforced by the Chief of the Fire Department; or act in relation thereto.

ARTICLE 21. To see if the Town will vote to adopt the following by-law:

Section 1. Any owner or occupant of land licensed to store, keep and sell explosives in permanent magazines, shall file with the Clerk of the Town, a bond running to the Town, with sureties approved by the treasurer thereof, as the foregoing table indicates:

Amount of explosives	Amount of bond
Up to 50,000 lbs.	\$1.00 per pound
50,000 lbs. to 100,000 lbs.	\$2.00 per pound
100,001 lbs. and over	\$3.00 per pound

Section 2. The amount stored and kept shall be ascertained from the records of the Department of Public Safety; further, the amount stored and kept shall cover a full calendar year, January 1, to December 31st.

Section 3. The Clerk of the Town, after determining the amount stored and kept, shall notify the owner or occupant of land licensed to store, keep and sell explosives, of the amount of the bond.

Section 4. Action on a bond filed under the above sections may be brought by any resident of the Town of Chelmsford to whom loss, damage or injury has resulted by reason of such storing, keeping, selling or transporting and shall be brought in the name of, and for the use and at the cost and expense of, such resident. If claims on any bond are established to an amount greater than the penal sum thereof, such claims shall be paid pro rata to the amount of the penal sum, and executions shall issue accordingly.

ARTICLE 22. To see if the Town will adopt the following by-law: Any owner of land which has been excavated, shall erect barriers or take other suitable measures to protect persons from damages incident thereto. The penalty for violation of this section shall be as follows: for the first offense, Fifty Dollars (\$50.00); for the second offense, One Hundred Dollars (\$100.00); and for each subsequent offense, Two Hundred Dollars (\$200.00). The Building Inspector shall enforce this by-law.

ARTICLE 23. To see if the Town will adopt the following by-law: The proceedings of Town Meetings shall be governed by the rules of practice contained in Robert's Rules of Order (1951 Ed.) except as modified by law or by the by-laws.

ANNUAL BUSINESS MEETING

March 10, 1958

The meeting was called to order at 7:35 P.M. by Moderator Edward J. DeSaulnier, Jr. who declared a quorum present.

Selectman Edgar P. George waived reading of the Warrant.

UNDER ARTICLE 1.

The Committee on Revision of the Town Report headed by Charles D. Harrington made a report of progress and requested further time.

The Committee on the Center School made a report through Albert J. Lupien stating that the school is completed and requested discharge of the committee. Moderator DeSaulnier ordered the committee discharged.

Mr. Clifford J. Hartley reported on the new High School building construction calling his report a Report of Progress and asked that the committee be continued.

The Committee on New Equipment for Town Offices announced their report would come under Article 44.

Selectman Robert McAndrew moved that John W. Dixon be elected to the Varney Playground Commission. It was so voted.

UNDER ARTICLE 2.

Mr. Goldman moved that the Town vote to amend Section 19, paragraph III subtitled "Hours of Work Shall Be As Follows", by striking out the language in paragraph III and inserting "For those occupying positions designated 'Public Safety Occupations' and within the Fire Department, forty-eight (48) hours per week; Police Department, an average of forty-four (44) hours per week, scheduled in such a manner as the head of such department may deem advisable." It was so voted.

UNDER ARTICLE 3.

Mr. Goldman moved that the Town vote to amend Section 19, paragraph IV subtitled, "Hours of Work shall be as follows;" to read as follows: "Overtime work for those beyond these hours may be compensated for by time off, except 'Mechanical and Construction Operation' hourly rates which shall be paid at the standard rate of pay for the job times one and one-half, and except the full time employees of the Fire Department who may be summoned and kept on duty because of a serious fire, and except for the Police Department who shall be paid the regular hourly rate for overtime effective July 1, 1958." It was so voted.

UNDER ARTICLE 4.

Monday Evening, June 23, 1958

COMMONWEALTH OF MASSACHUSETTS

Middlesex, ss.

To Ralph J. Pedersen, Constable, or any other suitable person of the Town of Chelmsford.

GREETING:

In the name of the Commonwealth as aforesaid, you are hereby required to notify and warn the legal voters of said Chelmsford to meet in the High School Auditorium, Chelmsford Center on Monday, the twenty-third day of June, 1958, at seven-thirty o'clock in the evening, then and there to act on the following articles, viz:

ARTICLE 1. To see if the Town will vote to accept Ashbury Street, as laid out by the Board of Selectmen, and shown by their report and plan duly filed in the Office of the Town Clerk; and to raise and appropriate a certain sum of money for the purpose of reconstructing Ashbury Street; or act in relation thereto.

ARTICLE 2. To see if the Town will vote to accept Martha Street, as laid out by the Board of Selectmen, and shown by their report and plan duly filed in the Office of the Town Clerk; and to raise and appropriate a certain sum of money for the purpose of reconstructing Martha Street; or act in relation thereto.

ARTICLE 3. To see if the Town will vote to accept Sheppard Lane, as laid out by the Board of Selectmen, and shown by their report and plan duly filed in the Office of the Town Clerk; and to raise and appropriate a certain sum of money for the purpose of reconstructing Sheppard Lane; or act in relation thereto.

ARTICLE 4. To see if the Town will vote to authorize the Board of Selectmen to hire a Wire Inspector as provided for by General Laws, Chapter 166, Section 32; or act in relation thereto.

ARTICLE 5. In the event of an affirmative vote under Article 4, to see if the Town will vote to fix the salary or compensation of said Wire Inspector; or act in relation thereto.

ARTICLE 6. To see if the Town will vote to transfer from the account "Purchase of Fire Truck" the balance of Twelve Hundred Ten and 58/100 Dollars (\$1210.58) to the account in the Fire Department budget known as "Building Repairs and Maintenance"; or act in relation thereto.

ARTICLE 7. To see if the Town will vote to pay the Sanitarian and Milk Inspector the additional salary of One Hundred Dollars (\$100) for the year ending December 31, 1958, in conformity with the "Standard Rates for Wages and Salaries of the Personnel Wage and Salary By-Law" as amended by vote of the Town at the Annual Town Meeting, March 10, 1958, the present rate of Four Thousand Dollars (\$4,000) being less than the minimum set for this position by the Town; or act in relation thereto.

ARTICLE 8. To see if the Town will vote to raise and appropriate a sufficient sum of money with which to meet unpaid bills for previous years; or act in relation thereto.

ARTICLE 9. To see if the Town will vote to raise and appropriate a certain sum of money to settle land damage cases along Turnpike Road and Billerica Road; or act in relation thereto.

ARTICLE 10. To see if the Town will vote to accept the report of the Highway Garage Committee of five appointed under Article 49 at the Annual Town Meeting held on March 10, 1958; or act in relation thereto.

ARTICLE 11. To see if the Town will vote to appropriate land owned by the Town situated in the rear of the Town Hall, and in addition thereto such part or parts of land owned by Theodore W. Emerson adjacent to said land in the rear of the Town Hall as may be required for use for site for the construction of a Highway Garage; or act in relation thereto.

ARTICLE 12. In the event of an affirmative vote under Article 11, to see if the Town will vote to authorize the Selectmen to acquire by purchase, or by taking by eminent domain, the following described real estate owned by Theodore W. Emerson situated easterly of North Road, but not adjacent thereto, and northerly of other land owned by the Town in the rear of the Town Hall; and to determine how the money shall be raised, by borrowing or otherwise; or act in relation thereto. Said land is bounded and described as follows:

NORTHERLY by land now or formerly of Emerson, two hundred thirty-eight (238 feet), more or less;

EASTERLY still by said Emerson land, seventy-five (75) feet;

QUESTIONS

Question No. 1

Law Proposed by Initiative Petition

Do you approve of a law summarized below which was disapproved in the House of Representatives by a vote of YES.....

73 in the affirmative and 132 in the negative and was approved in the Senate by a vote of 21 in the affirmative and 17 in the negative? NO.....

Summary

The proposed measure provides that every former public employee, other than a judge, who is pensioned or retired for disability, shall report to his retirement authority, annually, his earnings from gainful occupation during the preceding year; and that, if such earnings, plus the pension, exceed the regular compensation of the position formerly held, the pensioner shall refund that portion of his pension equal to such excess or the entire pension if such excess is greater than the pension. A refund, if required, shall not include any part of a pension represented by salary deductions from or special purchase by the former employee. The requirement of a refund is not applicable to income received in or prior to 1958.

Question No. 2

A. Shall licenses be granted in this town for the sale therein of all alcoholic beverages (whisky, rum, gin, malt beverages, wines and all other alcoholic beverages)? YES.....
NO.....

B. Shall licenses be granted in this town for the sale therein of wines and malt beverages (wines and beer, ale and all other malt beverages)? YES.....
NO.....

C. Shall licenses be granted in this town for the sale therein of all alcoholic beverages in packages, so called not to be drunk on the premises? YES.....
NO.....

Question No. 3

A. Shall the pari-mutuel system of betting on licensed horse races be permitted in this county? YES.....
NO.....

B. Shall the pari-mutuel system of betting on licensed dog races be permitted in this county? YES.....
NO.....

POLLS WILL BE OPEN FROM 8 O'CLOCK a.m. TO 8 O'CLOCK p.m.

AND YOU ARE DIRECTED to serve this Warrant by posting attested copies thereof, seven days at least before the time of said meeting as directed by vote of the Town.

HEREOF FAIL NOT and make return of this Warrant with your doings thereon at the time and places of said meeting.

Given under our hands this 17th day of October, 1958.

EDGAR P. GEORGE

REPORT OF BOARD OF APPEALS

To the Honorable Board of Selectmen
Town of Chelmsford

Gentlemen:

During the year 1958, the Board of Appeals received a total of 38 applications. This is approximately one-half the number received last year, the decrease being due to the liberalizing of the Town Zoning Laws at the 1958 Town Meeting.

A fee of ten dollars is filed with each application, which fee is turned into the Town Treasurer's Office. A total of \$350.00 was paid into the Town Treasurer's Office from this source.

The disposition of the 38 applications was as follows:

Total number granted	21
Total number denied	7
Total number withdrawn (with fee payment) ..	6
Total number withdrawn (with no fee payment) ..	1
Total number pending as of December 31, 1958..	3

38

The Board of Appeals is comprised of the following members:

Richard B. Carr—Chairman
Willis E. Buckingham—Vice Chairman
Charles Egerton
Louis L. Hannaford
Paul W. O'Neil
Eliot W. Remick—Alternate Member
Bruce N. Freeman—Alternate Member
James O. Robinson—Alternate Member
Thomas Green—Clerk

As in the past, the Board of Appeals wishes to take this occasion to thank the Board of Selectmen and other town officials for their cooperation and assistance during the past year. This has made possible the more efficient carrying out of the duties of the Board of Appeals.

For the Board of Appeals

RICHARD B. CARR, Chairman

REPORT OF THE CEMETERY COMMISSION

Honorable Board of Selectmen
Chelmsford, Mass.

Gentlemen:

The Cemetery Commissioners submit the following report for the year 1958.

The former highway tractor given to this department last year, has enabled us to develop large areas and do work on a scale never before possible.

In the Pine Ridge Cemetery, about an acre of woodland was cleared, roads were oiled, a large spruce tree was transplanted and large areas were regraded and seeded.

In the Riverside Cemetery a new entrance was opened, a new road was built and the roads were oiled.

In the Hart Pond Cemetery, a new water system was installed.

All cemeteries were cut regularly.

Thirty-two cemetery lots were sold. (a record high for any one year)

Seventy-six interments were made. (again, a high for any one year)

\$5,995.00 was added to the Perpetual Care Fund.

The commissioners wish to thank all town officials for their cooperation during the past year but would also especially like to thank Mr. Fred Greenwood, supt. of the highway, and Mr. George Stewart, supt. of the water department, for all their assistance in 1958.

Respectfully submitted,

FRANK H. HARDY, Chairman
ARNE L. OLSEN, Clerk
ARTHUR J. COLMER
Cemetery Commissioners.

REPORT OF THE CIVIL DEFENSE COMMISSION

To the Honorable Board of Selectmen
Town of Chelmsford, Massachusetts

The year 1958 has been one of progress in Civil Defense in Chelmsford. The public response to our projects in first aid classes and auxiliary police classes was most gratifying. We now feel that the general public now accepts civilian defense as an integral part of community living. We have tried to keep realistically in pace in developing programs that will be of great use in any disaster that may come about.

Over ninety women have given a great deal of time to attend advanced first aid classes each week. These classes have been under the able supervision of Mrs. Helen Jewett, R.N. and Mrs. Ethel Peverill, R.N. We believe the benefits derived from this course will be of great value, not only to those attending the classes, but also to our town should the occasion arise when their services are needed.

The auxiliary police have met each week for instruction in police regulations, and classes in advanced first aid. Sgt. Basil Larkin has done a fine job in the training of these men. This group has responded to call on many occasions such as fire, traffic duty, drownings and accidents. We should all be proud of the continued interest of those in this project.

The radio hams have met and conducted weekly drills and have been in full operation to participate in practice alerts from the state and local level. It is the intention of this group to teach all those interested in becoming radio hams, code instruction, and this should be a fine project to take advantage of.

We have purchased new equipment this year consisting of a walkie-talkie for the police department, a mobile radio for the fire department, an electric megaphone and a new radio monitor for the North fire station. We have purchased coats for the auxiliary police and other equipment for public safety.

Budget Summary for 1958

Appropriated in 1958	\$3,637.50
Expended in 1958	2,037.00
Balance returned to E.&D. Acct. ...	\$1,600.50

Of the \$1600.50 returned to Excess and Deficiency, matching funds from the state were \$923.37.

Respectfully submitted,

Bertram T. Needham, Director
William Edge, Deputy Director
Charles Koulas, Deputy Director

REPORT OF THE CONSTABLE

To the Honorable Board of Selectmen

Gentlemen:

As Constable of the Town of Chelmsford, I wish to submit the following report.

January 30, 1958—posted six warrants for Annual Town Meeting for March 3, 1958.

WILLIAM G. JONES,
Constable of Chelmsford.

REPORT OF THE DOG OFFICER

To the Honorable Board of Selectmen
Town of Chelmsford

Gentlemen:

The following is a report of my services as Dog Officer for the year of 1958.

Dogs picked up and kept ten days	87
Dogs disposed of	87
Lost dogs located and returned to owners	41
Complaints investigated and misc. calls	131

In addition to above, picked up 14 dead dogs and 5 dead cats on the streets of Chelmsford.

Respectfully submitted,

FRANK WOJTAS
Dog Officer

REPORT OF THE FIRE DEPARTMENT

To the Honorable Board of Selectmen
Town of Chelmsford

Gentlemen:

The following is my report of Fire Department activities for the year ending December 31, 1958.

During this year the Town, and in particular the Fire Department, suffered a great loss in the passing of our Chief, Allan Kidder. His life was dedicated to the Fire Service, and the work that he accomplished will always be a tribute to his memory.

Our records show that there is a steady increase in the number of calls requested of the Fire Department. This year there was a drop in the number of grass and brush fires due to the wet Spring and Fall, and the number of dump fires was held to a minimum because of the excellent condition in which the Town Dump is kept, and burning controlled.

During this past year a new pumper was delivered to the Town, and is in service at the North Fire Station. The addition of this truck gives adequate pumper protection for some time to come.

Also, this past year has seen the fulfillment of our drive to secure a Rescue Truck, at no cost to the Town. This truck with the equipment cost over Twelve Thousand Dollars, and of this amount the firefighters themselves donated over Five Thousand Dollars from their Relief Fund.

At the West and South Stations modern overhead doors have been installed, and the grounds have been leveled and graded, with new driveways put in.

A considerable amount of work has been done at the Center Station. The upstairs section which was left unfinished when the building was built, has now been completed, and painted. All of the woodwork on the outside of the building was given a coat of paint, and we are now in the process of painting the downstairs section. All of this work has been done by the firefighters themselves on their regular tour of duty.

The immediate problem facing the Fire Department continues to be the need for additional manpower. There is only one man on duty at the North Station on each shift at present. This is a dangerous situation, and in order to correct it I am requesting permission from the voters at the Annual Town Meeting in March to appoint three additional men. These three men will be assigned to the North Station and we will then have two men on each shift to answer any call for assistance.

Additional equipment needed is both a ladder truck and a brush truck, but to keep expenditures as low as possible I am requesting that only the brush truck be purchased this year. Our present truck

is eighteen years old, and because it gets more use than all other trucks combined, it is just about worn out.

I would like to take this opportunity to thank the men of the department, both regular and call firefighters, for their interest and cooperation during this past year.

The following is a record of alarms responded to by the Fire Department during 1958.

Auto Accidents	13
Auto Fires	16
Building Fires	72
Dump Fires	5
False Alarms—Malicious	5
False Alarms—Accidental	4
Grass and Brush Fires	77
Investigations	35
Out-of-Town Aid Given	7
Out-of-Town Aid Received	1
Resuscitator Calls	24
Miscellaneous Calls	28
Inspections	243

Permits issued for fires in the open totaled 4,761.

Fees collected and deposited with the Town Treasurer for oil storage, L.P. Gas and blasting permits totaled \$50.50.

The following amounts of explosives of all classes, stored in magazines in the Town of Chelmsford are: Magazine No. 7, 55,445 lbs.; Magazine No. 2, 56,400 lbs.; Magazine No. 3, 3,500 lbs.

Respectfully submitted,

ERNEST G. BYAM
Fire Chief.

Sanitary Inspections

Food Establishments:

A summary of inspections in those Establishments offering food and/or drink for public consumption is as follows:

Eating and/or Drinking Establishments	72
Grocery Stores	32
Bakeries	4
School Cafeterias	12
Soft Drink Plants	2
Candy Mfg.	3

The condition of these Establishments has been excellent, with a few exceptions, which are now meeting with the sanitary code. Chest X-rays are required for all Food Handlers. There were 147 pounds of meat condemned for human consumption during the past year.

Sewage Disposal

Subdivision and House Lot Plans must be approved by the Board of Health for Sewage Disposal before the Building Permits are issued by the Building Inspector.

During the past year the Board of Health has endeavored to promote a Survey for a Common Sewer System for the Town. To obtain this the Board must have the support of the majority of the voters of the Town.

Sewer Disposal Inspections

Sewer Systems including Lot Inspections	191
Sewer System Approved	223
New Subdivisions approved	3

Other Sanitary Inspections

School Inspections	14

Board of Health Laboratory

The following are the samples and tests made in the Laboratory in 1958.

Beach Water Tests	47
Well Water Tests	46
Town Supply	6
Restaurant Swab Tests	288
Milk Standard Plate Counts	463

Tests for private well water may be obtained without charge to Town Residents. Tests of the milk supply for the Town of Chelmsford are consistently good and comply with the State Standard. Phosphatase tests for proper pasteurization, coliform and bacteria counts were made five times during the year.

Bathing Beaches were heavily used and water samples were taken weekly during the bathing season. Bathing was discontinued by recommendation of this Department for two weeks while the contamination count was high. The dead fish which was believed to have been killed by the aerial spray for mosquito control, were immediately removed from Hart's Pond and Crystal Lake, to prevent contamination.

Garbage Collection

Garbage Collection was awarded to the McKennedy Brothers from 1956 through 1959. The Board of Health is certain that the superior work done by the McKennedy Brothers will continue.

Estimated Income for 1959

Plumbing Inspector's Fees	\$2,900.00
Wood Alcohol Licenses	24.00
Milk Licenses	60.00
Reimbursement for the care of Premature Children.....	504.00
Sewage Permits	600.00
Laboratory and Laboratory Equipment Rental	200.00
State Subsidy for Tuberculosis Patients	600.00
Miscellaneous Permits	25.00

In Conclusion

The Board of Health hopes to have served well the citizens of Chelmsford in 1958. The past, present and future success of any Health Program has, and will be due to the cooperation and support of the Townspeople.

Chapter 90, Maintenance:

Middlesex Street—3130 feet mix-in-place, 4300 feet armor coat.

Chapter 90, Construction—Stedman Street:

Rather than letting this project out to contract as was done last year on Billerica Road, this project was completed by the Highway Department.

A total of \$73,000.00 was available—\$36,000.00 as the State's share, \$18,250.00 as the County's share and \$18,250.00 as the Town's share. This road was excavated, widened, and graded to a width of 30 feet from the Lowell Line to Dalton Road. Drainage was installed, consisting of 2416 feet of 12" pipe and 296 feet of 15" pipe. Twenty catch basins were built. The sub-base consisted of bank gravel and crushed gravel, a penetrated crushed stone base, topped with bituminous concrete. The shoulders of the road were sloped, loamed and seeded. By the Highway Department completing this project, the town gained \$7,005.40 by using town owned equipment which was charged to our Road Machinery Fund. The proceeds from this fund is used to buy new equipment for the Highway Department. The total expenditures for this project amounted to \$67,415.69, leaving a balance of \$5,584.31.

Sidewalks:

Sidewalks were installed at the following locations:

- Dalton Road—910 feet
- Dunstable Road—800 feet
- Middlesex Street—389 feet
- Church Street—Patched

The following new equipment was purchased this year.

- One Pick-up Truck.
- One Truck Chassis, Cab and Body.
- Two Tractors.
- Two Sand Spreaders.
- One Snow Plow.

The usual waste collections, patching, brush cutting, snow plowing and removal, and cleaning was done.

At this time I would like to thank the townspeople for their kind consideration and co-operation and the Police Department for notifying the department of dangerous conditions on the roads during the winter months.

Respectfully submitted,

FREDERICK R. GREENWOOD
Superintendent of Streets

REPORT OF THE CHELMSFORD INDUSTRIAL DEVELOPMENT COMMISSION

In the year of 1958, the third year since the establishment of the Chelmsford Industrial Development Commission, the procedure of providing information to various businesses that would be an asset to the town was continued.

The Commission had several firms contact them with regards to sites available for industry and at present are still maneuvering to find suitable locations for some of these firms.

The Planning Board has cooperated with the Commission by rezoning certain areas in the town so that more Industrial and Limited Industrial land would be available for the firms we might contact in the future.

The problem of sufficient Industrial and Limited Industrial Areas in locations favorable to these various businesses seems to be a major item in enticing these concerns to settle in Chelmsford.

The Commission meets on the fourth Thursday of each month in general meeting. On occasion a special meeting is held in lieu of the regular meeting. Notice of each meeting is posted on the Center Town Hall Bulletin Board. All interested Citizens are invited to attend the meetings.

REPORT OF THE CHELMSFORD LIBRARY TRUSTEES

To the Honorable Board of Selectmen:

The Library Trustees met monthly during 1958 and the following officers were elected at the April meeting:

Chairman: Miss Marjorie B. Scoboria

Treasurer: Eustace B. Fiske

Secretary: Roger P. Welch

Purchasing Committee: Alfred Coburn, Miss Ethel Booth, Raymond Kroll, Mrs. Lester Ball, Miss Bertha Whitworth, Mrs. Edith Pickles.

Members of the staff were appointed as follows:

Adams Library:

Librarian: Mrs. Lester Ball

Assistant Librarians: Mrs. Edith Pickles, Miss May Files

Clerk: Miss Linda Brown

Janitor: Thomas Roach

Cleaning Woman: Miss Alexandrine Ducharme

Anna C. MacKay Memorial Library:

Librarian: Miss Bertha Whitworth

Clerk: Miss Ellen Robinson

Janitor: Thomas Roach

During the year, Alfred Coburn resigned and Mrs. June C. Worthley was appointed at a joint meeting of the Board of Selectmen and the Trustees to complete the unexpired term.

Gifts of books to the Libraries were received from Reginald J. Furness, Esq. of North Chelmsford and Mrs. R. E. White of Albany, New York.

The Chelmsford Garden Club continued to beautify the Libraries with monthly changes being made in their displays.

A book deposit was made available for the pupils attending school at the North Town Hall. The Regional Bookmobile continues to serve Chelmsford and is proving a valuable addition to our library facilities.

Wrought iron railings were installed at both libraries during the year and shrubs were planted at the MacKay.

The storage room at the Adams was painted and the MacKay roof was resingled.

Exhibits at the Adams Library during the year were in charge of Raymond S. Kroll. The exhibits and their donors were as follows:

January Wood Turnings, Paul Killinger

REPORT OF THE ADAMS LIBRARY LIBRARIAN

To the Honorable Board of Selectmen:

The work at the Adams Library has been conducted in much the same manner as in previous years with few changes.

In January the bookmobile from the State Regional Library Center at North Reading began to make regular monthly trips to two schools. These stops were the East Chelmsford School and the Westlands.

Mrs. Blair Benner continued the Story Hour until the last of May. This Story Hour was discontinued in the fall as Mrs. Benner moved from Chelmsford.

Gifts of books and magazines were received from Mrs. C. F. Smith, Mr. Robert Hoyle, Mrs. Paul Ranta, Miss Marjorie Butler, Miss Sophie Siebka, Mr. William J. Fulton, Miss Helen Seton and Mr. Norbert Cahill.

A few teachers in elementary schools have taken monthly deposit of books to supplement those available in their school libraries.

Grade 2 with their teacher, Miss Linda Marinel, paid a visit to the library in November. Such groups are always very welcome.

Mr. Raymond S. Kroll has been in charge of the exhibits again this past year. As in previous years they have been varied, and aroused much interest.

The Chelmsford Garden Club has furnished decorations each month. This service is much appreciated.

The statistics for 1958 are as follows:

Circulation	At Adams Library	Bookmobile
Fiction	27,870	3,096
Non-fiction	11,554	1,874
Total	39,424	4,970
Books purchased	553	
New borrowers	623	
Histories sold	3	

In closing I thank the Trustees and all others who have in any way contributed to make the past year profitable and enjoyable.

Respectfully submitted,

ADELAIDE W. BALL
Librarian.

REPORT OF THE PERSONNEL BOARD

To The Honorable Board of Selectmen:

1. During the year 1958 the Personnel Board of the Personnel Wage and Salary administration have heard the various department heads regarding their requests for salary increases and considered same.
2. The board is required under the aforesaid By-Law to consider the following: Whenever the Personnel Board reviews the wage and salary provisions of this plan it shall take into account and give such weight as it may deem desirable to the following:
 - a. Rates of pay for like positions in other Massachusetts town considered by the Personnel Board to be comparable to Chelmsford.
 - b. Rates of pay for like jobs (if any) in commercial and business establishments in area of Chelmsford and vicinity.
 - c. Current level of the following cost of living indexes:
 1. Retail Price Index—published by the Department of Labor and Industries, Commonwealth of Massachusetts
 2. Consumers Price Index—published by the Bureau of Labor Statistics, U. S. Department of Labor.

Information on like positions in other towns has been furnished the Board by Department Heads and is assumed to be accurate. The statistics on the Retail Price Index have been studied by the Board. The Board has allowed a three percent cost of living increase.
3. The recommendations as to wages for the Police and Fire Departments should be read together with the recommendations for a proposed change in Section 19 of the Personnel, Wage, and Salary Administration By-Law to be amended by adding at the end thereof, as follows: "This section shall not be interpreted to allow Over Time to the Head of a Department." The Board has tried to bring the Police and Fire wages in line with comparable towns.
4. Before writing this report, this Board met with all Department heads and the Board of Selectmen and the Finance Committee in order to obtain the benefit of free discussion with them.
5. The Board recommends that the positions of School Nurse, starting in 1959 be under the jurisdiction of the School Committee.
6. Certain requests for fringe benefits on part of the Police and Fire Department were deemed unnecessary by the board and were not recommended.
7. Certain positions not deemed a substantial part of an employee's livelihood were not given a cost of living increase.

ATTORNEY ROBERT H. GOLDMAN, Chairman
GERARD A. VAYO
CHARLES E. COOKE, JR.

REPORT OF THE PARK COMMISSIONERS

At the first meeting of the Commissioners, Ralph E. House was elected chairman, Bradford O. Emerson, clerk and A. Louis Bennett the third member. Harold Eriksen was renamed superintendent for the year.

With the coming of Spring, operation "Clean-up" began and the litter and debris of the past months was removed to make way for the green grass which soon followed. Fertilizer was spread on all of the lawns and loam was placed on a few bare spots which had not grown well in the past season. A few shrubs that had been winter-killed were replaced and several hundred plants were set out just before Memorial Day. The rest of the season required the usual mowing, raking and watering.

The three major pieces of equipment owned by this department are two power mowers and one power sweeper. It is our plan to replace one of these each year. In 1958 one power mower was purchased and in 1959 we hope to replace the present sweeper which is badly worn. This plan will eliminate a heavy outlay in any one year.

May we express our appreciation to those who have helped the Park Department enjoy a very successful season.

Yours truly,

RALPH E. HOUSE
A. LOUIS BENNETT
BRADFORD O. EMERSON

REPORT OF THE PLANNING BOARD

To the Honorable Board of Selectmen and
The Citizens of the Town of Chelmsford

The Planning Board was organized for the year of 1958 with Carl A. E. Peterson as Chairman, Claude J. Harvey, Clerk, Harold E. Clayton, Jr., George R. Dupee, Charles D. Harrington, Allan A. Ludwig, Harold J. Pearson as members and Dorothy J. Lewis as Recording Clerk.

There were twelve regular and four special meetings held during the year.

Of the nine Public Hearings for Sub-divisions applied for and held, six of the plans have been approved and three are conditionally approved.

In February a Public Hearing was held on proposed changes in the Zoning By-Laws. After careful study, these changes were recommended to the people of the Town, by the Planning Board. These proposed changes in the Zoning By-Laws were made in order to increase the Limited Industrial area from the Westford line south of Littleton Road to meet the area already zoned as Limited Industrial. At the Town Meeting in March the people voted approval of these changes.

In view of the fact that the town is to be bisected by two super highways, namely Route 3, and Route 495, the Planning Board is giving consideration to revised zoning in accordance with the changing character of the community as a result of the construction of these two super highways.

The Board holds its regular meeting on the third Friday of every month and anyone wishing to discuss any matter pertaining to Town Planning will be welcome at that time.

Police answered 2,569 calls in 1958. Summons served for out-of-town Police Departments 254. Stolen cars recovered 26. Business places found unlocked 146. Number of arrests 130.

The three cruisers patrolled 203,662 miles, which is 7,438 more miles than was patrolled in 1957.

The year 1958 has been a very busy year for your Police Department as you can see by the preceding statistics.

A greater and greater demand is being placed on the Police Department for various services. In addition to answering calls and investigating accidents the list of property to be checked while residents are on vacation is mounting every year. This is a very important phase of police work and I urge all residents to notify the Police Department when they are leaving on vacation, so that we may better serve you.

Crime is on the increase in Chelmsford as it is in many communities throughout the country. This general area experienced a rash of breaking and entering crimes this year, and Chelmsford had its share. Many days of investigation were spent in attempting to solve these crimes.

Starting January 1, 1959 your Police Department went on a five day forty-hour week. This year I am asking for three more permanent patrolmen, one to be assigned to each shift, to take care of days off so that the department will be fully manned at all times.

Sgt. Harmon is attending the Judge Baker Guidance Clinic in Brookline, this is a school of instruction on how to better deal with Juvenile Delinquents. This course runs for twenty weeks, one afternoon a week. After completion of this course we will have an officer trained in the latest methods of handling juvenile delinquents.

The Auxiliary Police Band under the able direction of Sgt. Basil Larkin conducted many concerts during the past year and was greatly enjoyed by young and old alike, and it is planned to continue these fine concerts in 1959 for your enjoyment.

At the present time we have thirty Auxiliary Police Officers, completely uniformed and well trained in all phases of the type of police work they would be called upon to perform in case of an emergency. Sgt. Larkin is in charge of this fine group.

At this time I wish to express my thanks to the Board of Selectmen and all other Town Officials and employees, also to the general public for the excellent co-operation given the Police Department during the past year.

Respectfully submitted,

RALPH J. HULSLANDER
Chief of Police.

REPORT OF THE SEALER OF WEIGHTS AND MEASURES

January 9, 1959

To the Honorable Board of Selectmen

Gentlemen:

As Sealer of Weights and Measures for the town of Chelmsford, I wish to submit my report for the year Nineteen Hundred and Fifty-eight.

In performance of my duty I have sealed,
69 Gasoline Pumps and Grease Meters
24 Kerosene and Oil Pumps
58 Scales over 100 lbs. to 5000 lbs.
52 Scales under 100 lbs.
60 Weights.

The money I received, the sum of \$162,25, has been turned over to the Town Treasurer.

Respectfully submitted,

ANTHONY C. FERREIRA,
Sealer of Weights and Measures

REPORT OF THE BOARD OF SELECTMEN

The report for Chelmsford's 303rd year, ending December 31, 1958, has a slightly different look than those of the past.

In the interest of economy and factual reporting, some items, not required by law, have been removed from this year's report. Further reductions of unessential material and expansion of more vital factors contributing to the operations of our growing community are anticipated in another year. We do not expect complete approval of these revisions but ask your indulgence in our attempt to meet the requirements of our changing times.

We have not yet experienced any vast influx of new industry. The Industrial Development Commission has prepared promotional material and has established saleable areas, their owners, and approximate prices. We're certain they'll continue to work towards the goal of attracting desirable industry to Chelmsford.

It is always unfortunate that some people suffer from the development of new highways. The ultimate completion of the new Route 110 and the long awaited construction of the balance of Route 3 should place the town at the crossroads of major transportation lines and it seems likely that this should eventually lead to industrial growth in Chelmsford.

During 1958, Stedman Street was reconstructed from the Lowell line to Dalton Road. This was built by our Highway Department with certain operations completed on open bid. The town's share of this Chapter 90 construction came from Chapter 718 funds granted by the State in 1956 for such construction projects. Thus, this was accomplished without adding to the tax dollar and, at the same time, the Road Machinery account was reimbursed through the use of our Highway equipment for this construction. We anticipate doing a similar reconstruction job on a portion of Concord Road in 1959.

We have also begun a program of widening many of our older streets. Increased housing and expanded school bus routes makes this an important program. Widening streets invariably results in concern over destruction of lawns which, although usually on the town highway, are often incorrectly believed to be private property. We will continue to try to leave them in as good order as possible but ask your indulgence during this expansion program.

Any town experiencing a growth in population such as ours, finds a serious strain placed on its Police and Fire Departments. The fact that both are operating efficiently is a tribute to their department heads and to their men as well.

Chelmsford has a 15 man Police Department, three cruisers, and receives around the clock service and protection. We have 16 permanent firemen supported by volunteer firefighters manning six heavy

duty pumpers as well as forestry and rescue equipment. Neither department can continue to serve our growing population adequately without additions to their present forces. The Board of Selectmen urge your approval of their requests for more personnel. It is paramount that our police and fire protection meet our needs rather than attempt to catch up to them.

We were saddened by the death of Allan Kidder who had served on the Fire Department for 31 years, and as its Chief for the past 10 years.

While it is impossible for any Board to satisfy all the people, we enjoyed serving you in 1958. We appreciate the cooperation and understanding given us during the past year.

Respectfully submitted,

EDGAR P. GEORGE

ROBERT F. McANDREW

RAYMOND J. GREENWOOD

Board of Selectmen.

REPORT OF THE SLAUGHTER INSPECTOR

January 15, 1959

To the Board of Health

Gentlemen:

The following is the report of the Slaughter Inspector for the year 1958.

In compliance with Chapter 94, Section 128, the Board of Health must appoint a Slaughter Inspector for the Town, one who is qualified and accepted by examination approval of the State Slaughter Inspector. Due to the fact that there is no Licensed Slaughter House in the Town, it was recommended that a maximum fee of \$100.00 payable at the rate of \$10.00 per animal when slaughtered.

Fees available	\$100.00
Slaughter Houses Licensed	0
Applications to Slaughter	1
Application Rejected (Animal killed)	1
Meat Cattle Slaughtered	0
Sheep Slaughtered	0
Swine Slaughtered	0
Horses Slaughtered	0
Balance in Fees	\$100.00

Respectfully submitted,

JOHN W. MAXWELL

Slaughter Inspector.

REPORT OF THE TREE DEPARTMENT

In early spring this department planted 85 Norway Maples throughout the town. Due to the care volunteered by the town's people, there were no losses on trees planted the previous year.

The usual pruning, removing, and emergency work was carried out.

Respectfully submitted,

MYLES J. HOGAN,
Tree Warden.

MOTH DEPARTMENT

Spraying was carried out in the usual manner; one dormant and two adult sprays at required intervals for the foliage. Spraying was completed and appeared satisfactory.

Respectfully submitted,

MYLES J. HOGAN,
Moth Supt.

POISON IVY

Poison Ivy Control was concentrated upon requests, and road sides thickly matted with ivy. Requests for this service are on the increase.

Respectfully submitted,

MYLES J. HOGAN,
Moth Supt.

DUTCH ELM CONTROL

Dutch Elm disease remains our big conservation problem and is expected to remain as such until a cure or satisfactory method of control is found. For the present all that can be done is to detect the diseased trees and remove as fast as financially possible.

This year 290 elms have been removed. Most all dangerous elms remaining have been topped and stubs will be removed soon. Considerable progress has been made this year in cleaning up the backlog of work, and this year should put this department's work on a current basis.

Respectfully submitted,

MYLES J. HOGAN,
Tree Warden

MOSQUITO CONTROL

Mosquito Control was carried out for the second year with considerable controversy as to its merits. Claims have been made as to the harmful effects to humans, wild life, and crops. Others commend both the comfort and protection it lends to encephalitis, malaria and other related diseases carried by the mosquito.

Having spent considerable time trying to find the answer, it is my opinion that ground application would appear to be the solution if this program is to be continued. This would provide better control whereas those who object to the spray could be considered. This method has been applied in other communities and was found to be the answer.

Although there is no conclusive proof, pro or con, it remains for the people of Chelmsford to draw their own conclusion as to the continuation of this program.

Respectfully submitted,

MYLES J. HOGAN,
Moth Supt.

REPORT OF THE WIRE INSPECTOR

Honorable Board of Selectmen
Town of Chelmsford

Gentlemen:

I wish to submit the following report of the Wire Inspector's Department since my appointment in July, 1958.

There were 271 applications for inspection issued.

135 of these were for major installations requiring two or more inspections.

135 were for minor installations requiring one or more inspections.

The remaining one was issued for major electrical installations in a commercial building housing six stores.

Total monies collected by this department and turned over to the town for approval for the year ending Dec. 31, 1958 amounted to \$921.00.

Respectfully submitted,

HAROLD M. TUCKE, JR.
Wire Inspector

REPORT OF THE DEPARTMENT OF VETERANS' SERVICES

February 6, 1959

To the Honorable Board of Selectmen:
Gentlemen:

During the year 1958 The Department of Veterans' Services granted monetary aid to 28 veterans and their families.

This office has also assisted veterans in applying for the State Bonus and Real Estate Tax Exemptions. Your agent has worked in close co-operation with the Veterans Administration in aiding veterans in need of hospital care.

Of a total of \$15,353.00 spent by this Department during the year 1958, \$3,300.00 was spent on medical care, and \$10,596 was paid to veterans or their dependents who were unable to work because of illness or age limitations.

Following is a breakdown of expenditures by this Department by War Service:

World War 1	\$5,800.00
World War 2	8,300.00
Korean	1,253.00

Respectfully submitted,

TERRENCE E. O'ROURKE
Veterans' Agent

REPORT OF THE TOWN ACCOUNTANT

ARTICLE 4. To see if the Town will authorize the Selectmen to act as its agent in any suit or suits which may arise during the current year, with authority to settle and adjust claims or demands for or against the Town; and to employ counsel whenever in their judgment it is necessary; or act in relation thereto.

ARTICLE 5. To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, to borrow money in the year 1960 in anticipation of revenue of the year 1960; or act in relation thereto.

ARTICLE 6. To see if the Town will vote to raise and appropriate a sufficient sum of money with which to meet bills for previous years; or act in relation thereto.

ARTICLE 7. To see if the Town will vote to raise and appropriate the sum of Fourteen Thousand Five Hundred Thirty-one and 19/100 Dollars (\$14,531.19), or some other sum, to pay to the Treasurer of the Middlesex County Retirement System, the said amount being the Town's share of the pension, expense and military service funds; or act in relation thereto.

ARTICLE 8. To see if the Town will vote to raise and appropriate the sum of Twenty Thousand Dollars (\$20,000.00), or some other sum, to be used as a Reserve Fund at the discretion of the Finance Committee, as provided in General Laws, Chapter 40, Section 6; or act in relation thereto.

ARTICLE 9. To see if the Town will vote to raise and appropriate the sum of Ten Thousand Seven Hundred Thirty-five and 22/100 Dollars (\$10,735.22), or some other sum, to defray its share of the cost of the maintenance of the Middlesex County Sanatorium by the County of Middlesex.

ARTICLE 10. To see if the Town will vote to raise and appropriate a certain sum of money for the purpose of purchasing three (3) 1959 DeLuxe Tudor Police Cruisers to be used by the Police Department, said purchase to be made under the supervision of the Board of Selectmen; or act in relation thereto.

ARTICLE 11. In the event of an affirmative vote under Article 10, to see if the Town will vote to authorize the Selectmen to sell, by good and sufficient Bill of Sale, the three Police Cruisers now being used by the Police Department; or act in relation thereto.

ARTICLE 12. To see if the Town will vote to amend the Bylaw affecting the Finance Committee, which Bylaw was passed on March 10, 1952, by substituting the number 7 in place of 5 in said Bylaw, so as to read: "The Finance Committee in the Town of Chelmsford be composed of 7 members, the same to be appointed by the Moderator, and the term of the office be not more than 3 years from the date of appointment."; or act in relation thereto.

ARTICLE 13. To see if the Town will vote to raise and appropriate a certain sum of money to purchase a Bookkeeping Machine for use of Town Offices; or act in relation thereto.

ARTICLE 14. To see if the Town will vote to raise and appropriate the sum of Twelve Thousand Four Hundred and 00/100 Dollars (\$12,400.00), or some other sum, to purchase a new piece of fire apparatus, said apparatus to be of the type commonly used for brush and grass fires, purchase to be made by the Board of Selectmen with the approval of the Chief of the Fire Department; or act in relation thereto.

ARTICLE 15. To see if the Town will vote to repeal the Bylaw pertaining to "personnel, wage and salary classification and compensation plans" adopted by vote under Article XXXV at the Annual Town Meeting held on March 8, 1954; or act in relation thereto.

ARTICLE 16. To see if the Town will vote to appropriate and transfer from the Sale of Graves and Lots Account, the sum of Three Thousand Six Hundred Ninety-three and 00/100 Dollars (\$3,693.00), or some other sum, for the following projects:

 \$ 625.00 for new entry posts to Riverside Cemetery.

 1,500.00 for grading and beautifying section of Pine Ridge Cemetery.

 1,568.00 for a chain link fence in Pine Ridge Cemetery, (approximately 680 feet).

or act in relation thereto.

ARTICLE 17. To see if the Town will vote to raise and appropriate the sum of Three Hundred Dollars (\$300), or some other sum, for the purpose of providing rent, heat and lights for Headquarters of East Chelmsford American Legion Post No. 366; or act in relation thereto.

ARTICLE 18. To see if the Town will vote to accept the provisions of Section 8C of Chapter 40 of the General Laws and establish a Conservation Commission. Said section reads as follows:

8C. Conservation Commissions; Establishment, Powers and Duties. A city or town which accepts this section may establish a conservation commission, hereinafter called the commission, for the promotion and development of the natural resources and for the protection of watershed resources of said city or town. Such commission shall conduct researches into its local land areas and shall seek to coordinate the activities of unofficial bodies organized for similar purposes, and may advertise, prepare, print and distribute books, maps, charts, plans and pamphlets which in its judgment it deems necessary for its work. It shall keep an index of all open areas within the city or town, as the case may be, with the plan of obtaining information pertinent to proper utilization of such open areas, including lands owned by the commonwealth or lands owned by a city or town. It shall keep an index of all open marshlands, swamps and all other wet lands in a like manner, and may recommend to the city council or selectmen and,

subject to the approval of the city council or selectmen, to the department of natural resources, and to the state reclamation board a program for the better promotion, development or utilization of all such areas. It shall keep accurate records of its meetings and actions and shall file an annual report which shall be printed in the case of towns in the annual town report. The commission may appoint such clerks and other employees as it may from time to time require. The commission shall consist of not less than three nor more than seven members. In cities the members shall be appointed by the mayor, subject to the provisions of the city charter, except that in cities having or operating under a Plan D or Plan E form of city charter, said appointments shall be by the city manager, subject to the provisions of the charter; and in towns they shall be appointed by the selectmen, excepting towns having a manager form of government, in which towns appointments shall be made by the town manager, subject to the approval of the selectmen. When a commission is first established, the terms of the members shall be for one, two or three years, and so arranged that the terms of approximately one third of the members will expire each year, and their successors shall be appointed for terms of three years each. Any member of a commission so appointed may, after a public hearing, if requested, be removed for cause by the appointing authority. A vacancy occurring otherwise than by expiration of a term shall in a city be filled for the unexpired term in the same manner as an original appointment, and in a town in the manner provided in section eleven of chapter forty-one. Said commission may receive gifts of funds, lands, buildings and other properties in the name of a city or town, subject to the approval of the city council in a city, or the selectmen in towns. Such gifts shall be held in the name of the city or town, but may be managed by the commission for the purposes set forth in this section.

ARTICLE 19. To see if the Town will vote to purchase from Irene H. Wyman for the sum of Six Hundred and 00/100 Dollars (\$600.00) a certain parcel of land in Chelmsford, Massachusetts situated off the northerly side of Billerica Street, containing about 2.1 acres, as shown by plan of land entitled, "Plan of Farmland in Chelmsford, Mass., belonging to Robert E. Wyman, et al. surveyed by E. P. Simpson, Engineer, October 25, 1947", which plan is recorded in Middlesex North District Registry of Deeds, Book of Plans 72, Plan 13, bounded and described as follows:

Beginning at the northeasterly corner of the granted premises at a drill hole in a stone wall at land of Robert E. Wyman, et ux., formerly supposed to belong to one Spaulding; thence running westerly along land of Emerson, now or formerly, by the ditch and old wire fence about 237.00 feet to a pipe bound in the ground; thence running southeasterly along other land of Harvey, for-

merly of Taisey, by various bounds about 484.18 feet to a bound in the stone wall at land, now or formerly of Stevens; thence running easterly along said Stevens land about 209.70 feet to a pipe in the ditch; thence running northwesterly by various bounds along said first mentioned stone wall, 416.00 feet, more or less, to the point of beginning. Including the area of the Old Middlesex Turnpike or old road, as shown on said plan, insofar as she has the right to convey the same.
or act in relation thereto.

ARTICLE 20. To see if the Town will vote to purchase from Esther P. Snow, Stanley L. Snow and Perry T. Snow for the sum of Four Thousand and 00/100 Dollars (\$4,000.00), the land in West Chelmsford situated behind the Quessy School and bounded and described as follows:

The land in Chelmsford situated on the southerly side of Naylor Street and the westerly side of Strawberry Hill Road, and bounded as follows: Beginning at the northeasterly corner of the granted premises on the westerly side of Strawberry Hill Road; thence southerly along the westerly side of Strawberry Hill Road 200.00 feet to a point; thence northwesterly along land of Perry T. SCHOOL COMMITTEE REPORT

The School Committee held twenty-two regular and fourteen special meetings during 1958. In addition, the members have undertaken numerous special assignments in connection with School Committee work as well as serving on the High School Building Committee which held twelve meetings during the year.

In the last ten years—years of rising costs, the Chelmsford school population has increased from 1,340 students to 2,901 students. This, in itself, is an indication of the problems confronting the citizens of Chelmsford in providing the best education possible for the children of their town.

The new 1,000 pupil High School will be opened for use in the Fall of 1959. This school is the realization of our common goal in providing our children a functional building adequately equipped for the well-rounded education and development of our future citizens.

The present High School will be converted into a Junior High School for grades seven and eight giving us the needed facilities to better prepare our children for high school.

The McFarlin School once again will be used for the elementary grades, thus allowing the closing of the East, Quessy and Highlands school buildings for a short period of time.

We are extremely grateful to the members of the Board of Selectmen for their cooperation in allowing the use of the North Town Hall for emergency classrooms during this school year.

We are fortunate in having available to us in 1958 the sum of \$11,802.00 from the Federal Government under the conditions of Public Law 874. This money accrues to us as a result of the impact on our school system of the children of parents employed in certain Federal projects or areas. It will be used as part of the money necessary to convert the present high school into a junior high school building.

Of the many factors in a school system which operate to attract and keep outstanding teachers, an adequate salary policy is one of the more important. With this in mind, the School Committee is working to develop a salary schedule which, within its framework, will afford the opportunity to reward the teacher of demonstrated ability, enthusiasm and effectiveness. If such can be accomplished, we feel that it will be mutually beneficial to teacher and citizen, and will have as its most direct beneficiaries our school children.

It is expected that teacher procurement will remain difficult for some years to come, especially in the areas of Science, Mathematics and Shop Instruction.

Another forward step was taken this year in the appointment of a Head Janitor. With the growth in school population and the resulting increase in teachers, classrooms, school grounds, children to transport, people to supervise, buildings to care for, and the increasing pressures

on the Superintendent's office, it became imperative to assist the Superintendent by having someone to directly supervise the janitorial and maintenance staff.

School Program

The School curriculum is under constant survey. The School Committee has as its goal the investigation and adoption of worthwhile new developments in the field of education while, at the same time, maintaining the sound values and perfecting the presentation of those basic projects which form the backbone of our educational system.

Curriculum study committees at all levels have continued their work of planning, evaluating and revising. During the year, the school system has expanded the Guidance service into grades seven and eight, broadened the Driver Education Program and replaced the Science Series in grades five and six.

In an effort to stimulate the professional growth of our teaching staff, the Committee has made arrangements with the Education Department of Boston University to teach in Chelmsford the courses the Committee feel will help to attain our additional goals.

These courses are offered free of charge to our teachers and are acceptable toward our salary increment. The first course, "The Evaluation of A Secondary School", started in October and is for our secondary teachers. The second course, "Analysis and Improvement of Reading", will begin in February and is intended for our elementary teachers.

Conclusion

In closing, we call your attention to the entire school department report. The report of the Superintendent summarizes the many activities of the 1958 school year.

In making its conscientious efforts to discharge its heavy responsibilities, the School Committee is conscious at all times of the fact that it represents you, the citizens. Constructive suggestions of interested citizens are not only welcomed but are actively sought by the members of the School Committee to make sure that they interpret correctly the will of the Chelmsford citizens.

We are grateful to all who have assisted us in any way — all Town Boards and Committees, the Police, Fire and Highway Departments, the Parent-Teacher Associations and the School Building Committee.

We wish to thank those members of the school staff whose devotion and dedication have been instrumental in keeping our school system at a high level and to all others who, in any way, contributed to the welfare of the School Department.

Respectfully submitted,

CHELMSFORD SCHOOL COMMITTEE

REPORT OF THE SUPERINTENDENT OF SCHOOLS

It is hoped that the information contained in this report will serve to acquaint the citizens of the Town with some of the activities and problems of the school system. Although the amount of space allotted may limit the information included in the annual school report, additional information on our school system is always available through my office.

It would be a great relief for all of us if we could expect that no additional school buildings will be needed for the next decade. However, the school enrollment will continue to grow and the need for additional school housing will persist for a long time especially in view of prospective town growth.

THE FACULTY

The professional staff members number 111 this year. It is estimated that 22 instructional positions will be added next year to care for the increased enrollment and adjustments necessary to an enlarged plant. The Chelmsford school faculty is continuing to take steps toward improving themselves as teachers and toward improving the school system.

Chelmsford High School is a member of the New England Association of Colleges and Secondary Schools which is the accrediting association of secondary schools for New England. In order to maintain this accreditation, each school must be evaluated once every ten year period. Next year is the scheduled date for the evaluation of our high school. In anticipation of this, our high school teachers are enrolled in the in-service course entitled "The Evaluation of A Secondary School" which is sponsored by the Chelmsford School Committee and is taught by Dr. Harold Gear of Boston University.

It is expected that most of the elementary teachers will take advantage of the course entitled "Analysis and Improvement of Reading" which will be offered the second semester in Chelmsford by Boston University. This is the second in a series of courses offered to all Chelmsford teachers by the School Committee as part of its program for improving the educational program of the school system.

Chelmsford continues to assume a real responsibility in the training of teachers. During the calendar year, 1958, 9 student teachers worked in our school system. These teachers came from Lowell State Teachers College and from Boston University.

The following are the changes in personnel which took place during 1958:

THE INSTRUCTIONAL PROGRAM

The preparation of youth to meet the demand of their generation is the primary concern of a school administrator. In an article from the Rockefeller Report entitled, "The Pursuit of Excellence in Education," we find this statement: "Our schools cannot do full justice to each youngster until they face frankly the need to provide different programs for different types and levels of ability."

The Schools of Chelmsford are concerned with the development of individual skills and abilities, and equipping their students to assume the responsibilities of citizenship at all levels. People are happiest when they use their abilities in ways which they enjoy and which society finds valuable. Society is better off when every child has the opportunity to reach his limits of development whether he be below average, average or gifted.

Elementary—We are studying the needs of all pupils so as to help them achieve more fully at each grade level. Children are not alike. Because they have differences, our teachers give considerable thought to ways in which they can be of greatest help to each child. Children progress most rapidly when materials are suited to their needs and assignments can be completed within a reasonable length of time.

Reading is taught as a separate subject in each grade and many tested teaching devices are used. The bases for grouping in reading are (1) present and past performance, (2) results of standardized and informal tests, and (3) teacher's judgment. Our method of grouping allows for adjustment when the child's achievement, or lack of achievement, indicates that such an adjustment would be to his or her benefit.

Equal emphasis is given to the other basic tool subjects: Arithmetic, Social Studies, Science and Writing. Music, Art and Physical Education are included in the curriculum.

There is always the need to develop good work habits in every child, to arouse intellectual curiosity and the desire to continue learning beyond the school years, and to encourage high standards of ethical conduct.

Some of the in-service projects undertaken by the elementary teachers during 1958 are as follows:

Courses in Guidance for the Elementary Child.
Workshops in Reading and Science.
Investigation of Reporting to Parents.
General faculty meetings directed to curriculum study.

High School—The high school faculty, under the guidance of Mr. John T. Conrad, Principal, has been making definite preparation for an expanded curriculum in the new high school building by taking in-service courses, participating in a workshop before the opening of school, working with a coordinator in each subject area so as to correlate all work and attending periodic conferences in their subject areas. The efforts of the teachers have resulted in establishing a continuity in the various subjects as well as setting up definite standards in courses. It has brought about a better understanding of the school's philosophy in today's changing world. It is natural that we will continue to stress the college preparatory courses as records indicate that over 50% of our high school graduates go on to post-secondary schools and colleges.

The new high school building will strengthen greatly our curriculum and stimulate our students to high achievement. The added science facilities will make it possible to provide additional laboratory work periods in science as well as increase the interest in this section of the high school curriculum. The Industrial Art and Home-making courses should reduce the need for Chelmsford boys and girls to leave the community in order to attend neighboring schools offering like courses.

The larger quarters in the new building will facilitate greatly the rendering of guidance services. These services are needed to make each child aware of his abilities, to evaluate his interests, and to provide the kinds of stimulation that will increase his motivation to achieve. Each pupil should take courses according to his ability. The parents of children with little academic ability must be made aware of their children's limitations. Children with ability should be given the opportunity to take all the academic preparatory courses possible, especially in mathematics and science.

This year the Guidance Program has been expanded not only because of the increased enrollment but in order to give the pupils additional individual and group guidance. Group guidance has been included to better acquaint the pupils with their abilities, interests and limitations so that the school can know their potentialities and weaknesses. This course also keeps the pupils informed of the educational and vocational opportunities that are available; orients them to the high school curriculum and their responsibilities to the school. Individual guidance is given to help the pupil at times of selection and decision as well as to bring about any adjustment that is necessary to facilitate the pupil's maximum development.

MAINTENANCE

The janitorial and maintenance staffs, under the direction of Mr. Wesley D. Harper, are maintaining the school property in good order. A regular program of repairs is being continued throughout the school year. The work of the maintenance staff results in a considerable financial saving to the Town.

CONCLUSION

I take this opportunity to express my sincere appreciation to all who have contributed to the successful operation of our schools during the year. We have an excellent staff of teachers who are ever responsive to the request for added effort and time and who are concerned with the welfare of the children.

I am cognizant that without the fine cooperation of the Town Officials and the various departments, we would be handicapped on many an occasion. May I express a very genuine "thank you" on behalf of our personnel and students?

The endeavors of the various Parent-Teacher Associations, the Booster Club and the Civic Organizations have been extremely helpful.

I am grateful to these people, to the School Committee and to the entire School Personnel for their loyal support and cooperation.

Respectfully submitted,

THOMAS L. RIVARD,
Superintendent of Schools.

ENROLLMENT DISTRIBUTION BY GRADES

October 1, 1958

On October 1, 1958, our school population reached 2,901, divided as follows:

EDUCATIONAL AND EMPLOYMENT CERTIFICATES

Every person from 14 to 16 years of age must have an employment certificate or permit, and those between 16 and 18 years of age must have an educational certificate before starting work. These certificates and permits may be obtained from the offices of the Superintendent of Schools and the Principal of the High School. When one makes application for a certificate (or "working card"), he must apply in person and bring his Birth Certificate or proof of last grade attended.

NO SCHOOL SIGNALS

When school is called off because of severe weather conditions, the following system will be used:

FOR ALL GRADES

The "NO SCHOOL" whistle which is 3—3—3 will blow at 7:00 A.M.

FOR ELEMENTARY GRADES

Grades 1 - 7

This will include all students who either walk to school or are transported on the elementary scheduled buses.

The "NO SCHOOL" whistle which is 3—3—3 will blow at 7:25 A.M.

Radio stations WLLH and WCAP of Lowell will carry announcements on their regular No School Broadcasts.

It will be the policy of the School Department to close school only in case of extreme weather conditions, otherwise, to hold regular sessions. Therefore, when school is in session on stormy days, parents are urged to exercise their personal judgment as to the wisdom of sending their children to school.

SCHOOL NURSES' REPORT

HELEN M. JEWETT, R.N.

JESSIE M. GROVES, R.N.

School health services consist of a six part program:

1. To appraise the health status of pupils and school personnel.
2. To counsel pupils, parents, and others concerning appraisal findings.
3. To encourage the correction of remediable defects.
4. To assist in the identification and education of handicapped children.
5. To help prevent and control disease.
6. To provide emergency service for injury and sudden sickness.

Each of these components is broad and may have varying interpretations as well as applicability. Their applicability is affected by the kind of health problems that are predominant today. These are different from those of a generation ago, and vary among communities.

We, in Chelmsford, have a very good health program. True, an ideal program would be no more than 1,000 pupils per nurse, but we are carrying out a full schedule with two full time nurses.

We have our yearly school physical examinations. Vision and Hearing Testing is done with all pupils being tested, and each pupil is weighed and measured. Twice a year all the elementary pupils are inspected by the nurse for cleanliness of head and body. Immunization clinics are held four times, beginning in March. Registration of pre-school children takes place in May.

When the physical examinations are finished and vision and hearing completed, the school nurses' task is just beginning. All these services would be a waste of time without good follow-up work. We have found the defects, now our job is to get these defects corrected. This means a visit to the parents, for it is there the job begins. Nothing can take the place of a visit in the home, where the nurse can meet the family in its own setting and judge for herself the problems. Then we explain the defects, and recommend a visit to the family physician, eye doctor, or ear specialist. It is the parents' responsibility to correct defects, but often the task of convincing the parents of the need for action falls upon the nurse. Information gathered by the nurse from home visits aids the teacher materially in better understanding the child. What the defect may be doing to the child physically and emotionally is discussed also. Locating parents when a child is ill or injured sometimes presents a serious problem.

If the parents are unable to pay a private physician, then we can suggest clinics for almost any defect a child may have. Eye glasses are sometimes provided by the Lions Club for children of needy families.

We may have to visit the home many times before a defect is corrected. In the meanwhile, we go back to the school and have conferences with the Principal and classroom teacher, and do what is best for the health of the child until the correction is completed. On these home visits, sometimes we find conditions much worse than we had anticipated. A free hot lunch and recess milk may be suggested for the child's welfare.

As nurses, we must keep up with the trend and changes over the years. We must think now more than ten years ago of the child's needs; therefore, we must attend educational meetings, and workshops, knowing the newest methods concerning first aid in school is essential in order that we can keep up to date, and pass along this knowledge to our school personnel, namely: Superintendent, Principals and Teachers.

Selecting, ordering and distributing health material to the teachers is an important part of the nurses' work. We must visit the classrooms, get to know how a child looks while healthy, so that we can tell when he is ill and needs care.

However, great strides can be made, and barriers which at first glance seem insurmountable can eventually be taken care of, when people sit down together in conference. No problem is too great, when a common bond has been established.

The Superintendent, Principals, Teachers and we, the School Nurses, are concerned with a prime motivating factor—"The Child".

SCHOOL LUNCH PROGRAM

MARION B. MOORE

The interest in the School Lunch Program increases each year, and last year was no exception, with 205,231 meals served to students in the seven schools and 438,108 bottles of milk purchased from local dairies.

The State and Federal Governments require that a certain meal pattern be met, thus each luncheon includes 2 oz. protein, 3/4 cup vegetable or fruit (or combination of both), bread and butter and 1/2 pint of whole milk. In return the Government reimburses the town .09 for each meal served and .04 toward the purchase of each bottle of milk served to students, other than the milk served as part of the hot lunch. This year Chelmsford received \$27,539.15 which covers the labor cost of the twenty permanent employees, including a manager for each of the three kitchens and a dietitian who supervises the complete program. With this income from the State and Federal Governments, the School Lunch Program has been a self-supporting program. The price of .25 for a hot lunch and .03 per bottle of milk has not increased in spite of the steady rise in the price of foods.

The main purpose of the Program is to provide the student with one-third of his daily nutritional requirement and to teach him to like health-giving foods. The meals are planned so each has the necessary vitamins and minerals that the child needs for growth and wellbeing.

It has been proved beyond a doubt that the serving of health-giving foods tends to increase the learning potential and helps to reduce behavior problems.

Again our gratitude goes to the School Committee members who, in cooperation with the Superintendent of Schools, sponsor the School Lunch Program. In addition, our appreciation is extended to the Principals, Teachers, Parents and Students for their cooperation and interest which has made the School Lunch Program so successful.
